- Understand auditor responsibilities in each phase of the audit.
- Review requirements for Yellow Book audits and explore areas of concern.

Major Subjects:

- Audit plans
- Work papers
- Peer review and quality control
- Independence
- Audit reports and findings
- Continuing professional education

Leita Hart-Fanta**, **CPA, CGFM, CGAP, makes finance and auditing fun and easy. She converts the complex topics of accounting, finance, auditing, and budgeting into information that professionals can absorb and use.

Leita has owned and operated AuditSkills, a training and professional development company, since 1995. She has conducted and developed courses on balanced scorecard management, audit supervision, financial analysis, fraud, budgeting, business writing, finance for non-financial managers, cash flow, presentation skills, government auditing standards, and performance measurement. She founded Yellowbook-CPE.com–a site for self-study CPE for governmental auditors–in 2009.

Leita is a graduate of the University of Texas at Austin with a bachelors in business administration. She is a Certified Public Accountant, Certified Government Financial Manager, and Certified Government Audit Professional. She serves on the conference planning committee of the Texas Society of CPAs.
