Independent Auditor's Report

To The Board of Directors of
Canadian County Water Authority

I have audited the accompanying financial statements of Canadian County Water Authority, (Authority), as of and for the years ended March 31, 2016 and 2015, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair representation of these financial statements in accordance accounting principle generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted the audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence supporting the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinions.

Auditor's Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of Canadian County Water Authority, as of March 31, 2016 and 2015, and the respective changes in financial position and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Requirements by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, I have also issued my report dated April 20, 2016, on my consideration of the Authority's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grants. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control over financial reporting and compliance.

Canadian County Water Authority

Notes to the Financial Statements
For the Years Ended March 31, 2016 and 2015

Note 1 - Significant Accounting Policies

Organization:

Canadian County Water Authority, (Authority) is an Oklahoma trust formed under the Oklahoma Title 60 to provide water in a designated area in and around Canadian County, Oklahoma to individuals and businesses that purchase a membership. The Authority served 658 and 642 meters at March 31, 2016 and 2015, respectively.

Basis of Accounting:

The Authority is a proprietary fund type of entity and uses the accrual method of accounting which reports revenues when earned and expenses when incurred. The Authority is not legally required to adopt a budget or report on budget comparisons in this report.

Fixed Assets and Depreciation:

The Authority records its fixed assets at their historical cost or donated value. Depreciation is calculated on each individual asset using the straight-line method of depreciation at the asset's estimated useful life. The District estimates the useful lives of the assets based on the type of asset. The lives range from 5 to 40 years.

Income Tax:

The Authority is exempt from federal and state income taxes under IRS Code Section 115 (a) as an agency of the State of Oklahoma.

Note 2 - Accounts Receivable

The accounts receivable represents the water usage and service revenues for March plus any unpaid balances from the previous months. The Authority uses the direct method to account for bad debts. No provision for an allowance has been made based on the history of the District's bad debts being very small or nonexistent. The accounts receivable balances at March 31, 2016 and 2015 amounted to \$3,889 and \$(1,289). The meters are read monthly.

Note 3 - Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Note 4 - Contingencies

The Authority didn't have any contingencies as of the date of the audit.

Note 5 - Restricted Assets

The Authority has restricted securities in the amount of \$26,304 for debt service as required by Rural Development's mortgage as of March 31, 2016 and 2015.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE AND INTERNAL CONTROL OVER FINANCIAL REPORTING PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of
Canadian County Water Authority

I have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the basic financial statements of Canadian County Water Authority (Authority), as of and for the years ending March 31, 2016 and 2015, and have issued my report thereon dated April 20, 2016.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, I performed test of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Internal Control over Financial Reporting

In planning and performing my audit of the financial statements, I considered the Authority's internal control over financial reporting (internal control) to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Report on Compliance and Internal Controls-Continued

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
