## **Independent Auditor's Report**

To The Board of Directors of  
Canadian County Water Authority

### **Report on the Audit of the Financial Statements**

#### **Opinion**

I have audited the accompanying financial statements of Canadian County Water Authority, (Authority), as of and for the years ended March 31, 2022 and 2021, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements.

In my opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of Canadian County Water Authority, as of March 31, 2022 and 2021, and the respective changes in financial position and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

I conducted the audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. I am required to be independent of the Canadian County Water Authority and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audits. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for the audit opinion.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair representation of these financial statements in accordance accounting principle generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for a reasonable period of time.

## **Auditor's Responsibility for the Audit of the Financial Statements**

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we: 1) exercise professional judgment and maintain professional skepticism through the audit, 2) identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures including examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements, 3) obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, no such opinion is expressed, 4) Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, 5) conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for a reasonable period of time.

## **Other Reporting Requirements by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, I have also issued my report dated April 25, 2022, on my consideration of the Authority's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grants. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control over financial reporting and compliance.

# Canadian County Water Authority

Notes to the Financial Statements  
For the Years Ended March 31, 2022 and 2021

## **Note 1 - Significant Accounting Policies**

### **Organization:**

Canadian County Water Authority, (Authority) is an Oklahoma trust formed under the Oklahoma Title 60 to provide water in a designated area in and around Canadian County, Oklahoma to individuals and businesses that purchase a membership. The Authority served 793 and 776 meters at March 31, 2022 and 2021, respectively.

### **Basis of Accounting:**

The Authority is a proprietary fund type of entity and uses the accrual method of accounting which reports revenues when earned and expenses when incurred. The Authority is not legally required to adopt a budget or report on budget comparisons in this report.

### **Fixed Assets and Depreciation:**

The Authority records its fixed assets at their historical cost or donated value. Depreciation is calculated on each individual asset using the straight-line method of depreciation at the asset's estimated useful life. The District estimates the useful lives of the assets based on the type of asset. The lives range from 5 to 40 years.

### **Income Tax:**

The Authority is exempt from federal and state income taxes under IRS Code Section 115 (a) as an agency of the State of Oklahoma.

## **Note 2 - Accounts Receivable**

The accounts receivable represents the water usage and service revenues for March plus any unpaid balances from the previous months. The Authority uses the direct method to account for bad debts. No provision for an allowance has been made based on the history of the District's bad debts being very small or nonexistent. The accounts receivable balances at March 31, 2022 and 2021 amounted to \$40,425 and \$34,865. The meters are read monthly.

## **Note 3 - Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

## **Note 4 - Contingencies**

The Authority didn't have any contingencies as of the date of the audit.

## **Note 5 - Restricted Assets**

The Authority has restricted securities in the amount of \$51,828 and \$27,918 for debt service as required by Rural Development's mortgage as of March 31, 2022 and 2021.

The securities, bonds and mutual funds had a market value at March 31, 2022 of \$1,013,413 which results in an unrecognized loss of \$8,013.

(1) Account has restriction from debt service of \$51,828 and reserves for short-lived assets of \$35,576 as of March 31, 2022.

# Canadian County Water Authority

Notes to the Financial Statements  
For the Years Ended March 31, 2022 and 2021

## **Note 8 - Retirement**

The Authority provides no retirement plan for its employees.

## **Note 9 - Long Term Liabilities**

The Authority had a 40 year note with Rural Development, an agency of the United States Department of Agriculture. The loan is a fixed interest note. The note is secured by the assets of the Authority. Rural Development requires the Authority to reserve enough funds to pay an amount equal to a year's total payments. The Authority make monthly payments. The Authority capitalized \$3,836.84 of interest cost on the construction of water lines during the year ending March 31, 2019.

Note Number	Date of Note	Annual Payment	Balance 3/31/2022	Balance 3/31/2021	Interest Rate
91-02	10/5/2018	51,828	1,130,019	1,154,687	2.375%
		\$ 51,828	\$ 1,130,019	\$ 1,154,687	
	Less: Current Portion		25,290	24,696	
	Net Balance		<u>\$ 1,104,729</u>	<u>\$ 1,129,991</u>	

Current Portion:		Note 1	Note 2
Year Ending	3/31/2023	-	25,290
Year Ending	3/31/2024	-	25,897
Year Ending	3/31/2025	-	26,518
Year Ending	3/31/2026	-	27,155
Year Ending	3/31/2027	-	27,807

## **Note 10 - Prior Period Adjustments**

There were no prior period adjustments in the financial statements for the year ending March 31, 2022 or 2021.

## **Note 11 - Evaluation of Subsequent Events**

The subsequent events of the District have been evaluated through April 25, 2022, the date of the financial statements.

## **Note 12 - Donated Assets**

Donated assets are the estimated value of water lines installed by members from the existing lines of the system to the member's meter. The value of the lines donated to the Authority for the years ending March 31, 2022 and 2021 were \$392,020 and \$0, respectively.

P.O. Box 642, Hobart, Oklahoma 73651

## **INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE AND INTERNAL CONTROL OVER FINANCIAL REPORTING PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors of  
Canadian County Water Authority

I have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the basic financial statements of Canadian County Water Authority (Authority), as of and for the years ending March 31, 2022 and 2021, and have issued my report thereon dated April 25, 2022.

### Compliance and Other Matters

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, I performed test of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### Internal Control over Financial Reporting

In planning and performing my audit of the financial statements, I considered the Authority's internal control over financial reporting (internal control) to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

## Report on Compliance and Internal Controls-Continued

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
