ON APPLYING AGREED-UPON PROCEDURES

Howard Conyers, Administrator
District Courts

We have performed the procedures enumerated below, which were agreed to by management of the District Courts, solely to assist you in evaluating the effectiveness of your internal controls over the receipt and disbursement process and in determining whether selected receipts and disbursements and personal service cost budgetary comparisons are supported by underlying records for the period July 1, 2003 through June 30, 2005. This agreed-upon procedures engagement was conducted in accordance with standards applicable to attestation engagements contained in Government Auditing Standards issued by the Comptroller General of the United States. The sufficiency of these procedures is solely the responsibility of the specified parties in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

1. We performed procedures over the Court’s receipts and disbursements with respect to internal controls in the following areas:
   - Accounting functions were properly segregated;
   - Receipts were issued for cash and/or checks received;
   - Incoming checks were restrictively endorsed upon receipt;
   - Receipts not deposited daily were safeguarded;
   - Voided receipts were retained;
   - Receipts and disbursements were reconciled to Office of State Treasurer and Office of State Finance records;
   - Disbursements were supported by an original invoice;
   - Timesheets were prepared by employees and approved by supervisory personnel;

   With respect to the procedures described, there were no findings.

2. We judgmentally selected 4 vouchers and randomly selected 33 vouchers for FY 2004 and randomly selected 25 vouchers for FY 2005, and:
   - Agreed the voucher amount to the invoice amount;
   - Agreed the voucher amount and payee to the CORE system;
   - Compared the nature of the purchase to the account code description to determine consistency.

   With respect to the procedures described, there were no findings.

3. We compared current year personnel service costs (accounts 511XXX, 512XXX, 513XXX) to current year budgeted costs to determine actual costs did not exceed budget.

   There were no findings as a result of applying the comparisons.

We were not engaged to, and did not, conduct an examination or a review, the objective of which would be the expression of an opinion or limited assurance on the cash, receipts, and disbursements for the agency. Accordingly,
we do not express such an opinion or limited assurance. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We have also compiled Schedules of Receipts, Disbursements and Changes in Cash from information obtained from the statewide CORE accounting system, which is presented in the “Other Information” section. The schedules, compiled for fiscal years 2004 and 2005 in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants, have been included for informational purposes only. A compilation is limited to presenting financial information that is the representation of management. We have not audited or reviewed the accompanying Schedules of Receipts, Disbursements, and Changes in Cash, and accordingly, do not express an opinion or any other form of assurance on them.

This report is intended solely for the information and use of management of the Board and should not be used for any other purpose. This report is also a public document pursuant to the Oklahoma Open Records Act (51 O.S. § 24A.1 et seq.), and shall be open to any person for inspection and copying.
