a lawyer and fight it, but they were going to come anyway," said Raleigh, seated in his kitchen Wednesday. "The guy across the street, he got a lawyer and everything else; it cost him more on the lawyer than he got in the settlement."

The company completed work as agreed and put things back the way they were, said Raleigh, with one major exception — the road outside his home was virtually destroyed. The company could not be reached for comment.

"For three weeks, from Friendship Road to my house, they had 18-wheelers, they had the big tractors with buckets on 'em, tank wheels on 'em," said Raleigh. "When they left, they left the street just a disaster; didn't do anything to fix it."

The homeowner contacted Grayson Pipeline to see about repairs, which he said they refused. Raleigh said he

responsibility to fix the road was the city's, an assertion Sherman Director of Engineering Clay Barnett said is valid.

"It's not as much an issue down here; out in west Texas, where they have a lot of oil exploration companies, they're having a really hard time with it," said Barnett. "As long as they're below a certain weight, they can drive anywhere, unless there's a bridge that's got a load weight limit on it. So they're allowed to go wherever they want, and unfortunately we just suffer the consequences of having to repair the damage that they leave behind."

Matters came to a head recently when Grayson County undertook a project to repair and chipseal Ob Groner — but only up to the city's borders. With a strong arm and a good bounce, that's about a baseball-throw away from Mike Raleigh's driveway.

"Some of the road

is taken care of by the county, some of it's taken care of by Sherman; it's very haphazard," said Raleigh.

But the story, as it turns out, could have a happy ending for the folks on Ob Groner Road. After Raleigh began working with City Manager George Olson, the city said it has a plan to repair the remote street, rebuilding the base this fall before chipsealing the stretch next year. It's a result, said Raleigh, that will finally allow him to pull out of his drive without incident.

"Everybody's been very nice about it," said Raleigh, referring to the city employees. "I don't want to cause anybody any trouble, but I've been dealing with this for five years and somebody needs to come out and get this thing fixed."

CERTIFICATE OF EXCISE BOARD
ESTIMATE OF NEEDS FOR 2014-2015

STATE OF OKLAHOMA, COUNTY OF _____

We, the members of the Excise Board of said County and State, do hereby certify that we have examined the foregoing estimates of proposed current expenses for the ensuing fiscal year as filed with the Governing Board of _____ Oklahoma, and those directly under, or in contractual relationship with, the Governing Board of _____ Oklahoma; we have ascertained from the Financial Statements submitted therewith the amount of Surplus Balances of Cash on Hand; we have considered the uncollected ad valorem taxes of the previous year or years; and we have ascertained that the probable Income estimated to be collected from all sources other than ad valorem taxation may reasonably be expected as a revenue for the ensuing fiscal year, and that the same does not exceed 90% of the actual collection from such sources for the previous fiscal year.

In so doing, we have diligently performed the duties imposed upon the Excise Board by 68 O.S. 1991 Section 3007, (1) ascertaining that the financial statements, as to statistics therein contained reflect the true fiscal condition at the close of the fiscal year, or caused the same to be corrected so to show; (2) struck from the estimate of needs so submitted any items not authorized by law and reduced to the sum authorized by law any items restricted by statute as to the amount lawfully expendable therefore; (3) supplemented such estimate, after proper publication, by an estimate of needs prepared by this Excise Board to make provision for mandatory governmental functions where the estimate submitted wholly failed or was deemed inadequate to fulfill the mandate of the Constitutions or of the Legislature; (4) computed the total means available to each fund in the manner provided; and (5) then and only thereafter. -

Accordingly, we have and do hereby appropriate the Surplus Balances of Cash on Hand, and the Revenues and Levies hereinafter set forth for each Fund to the several and specific purposes named in such estimates, by each, to the intent and purpose that CONSTITUTIONAL GOVERNMENTAL FUNCTIONS shall be first assured and provided for, and subsequently to provide for Legislative Governmental Functions insofar as to the available Surpluses, Revenues and Levies will permit; and we have provided also that the Levies are in excess of the amount appropriated to needs after deducting the surplus cash balance on hand, and Estimated Revenues other than tax, by the percentage and amount or reserve for delinquent tax as hereinafter set forth, which we have determined in the manner provided by law.

We further certify that we have examined the within statements of account and estimated needs or requirements of the Governing Board of _____ Oklahoma, in relation to the Sinking Fund or Funds thereof, and after finding the same correct or having caused the same to be corrected pursuant to 68 O. S. 1991 Section 3009, have approved the requirements therefor to fulfill the conditions of Section 26 and 28 of Article 10, Oklahoma Constitution, and have made and certified a tax levy therefor to the extent of the excess of said total requirements over the total of items 2, 3, 6, and 12 of Exhibit "Y" (Page 2) and any other legal deduction, including a reserve of ____% for delinquent taxes.
