TO THE CITIZENS OF  
BEAVER COUNTY, OKLAHOMA

Transmitted herewith is the audit of Beaver County, Oklahoma for the fiscal year ended June 30, 2018. The audit was conducted in accordance with 19 O.S. § 171.

A report of this type can be critical in nature. Failure to report commendable features in the accounting and operating procedures of the entity should not be interpreted to mean that they do not exist.

The goal of the State Auditor and Inspector is to promote accountability and fiscal integrity in state and local government. Maintaining our independence as we provide this service to the taxpayers of Oklahoma is of utmost importance.

We wish to take this opportunity to express our appreciation for the assistance and cooperation extended to our office during our engagement.

Sincerely,

A handwritten signature in blue ink that reads "Cindy Byrd".

## **Independent Auditor's Report**

TO THE OFFICERS OF  
BEAVER COUNTY, OKLAHOMA

### ***Report on the Financial Statement***

We have audited the combined total—all county funds on the accompanying regulatory basis Statement of Receipts, Disbursements, and Changes in Cash Balances of Beaver County, Oklahoma, as of and for the year ended June 30, 2018, and the related notes to the financial statement, which collectively comprise the County's basic financial statement as listed in the table of contents.

### ***Management's Responsibility for the Financial Statement***

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the regulatory basis of accounting described in Note 1, and for determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on this financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles***

As described in Note 1, the financial statement is prepared by Beaver County using accounting practices prescribed or permitted by Oklahoma state law, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

***Adverse Opinion on U.S. Generally Accepted Accounting Principles***

In our opinion, because of the significance of the matter discussed in the “Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles” paragraph, the financial statement referred to above does not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of Beaver County as of June 30, 2018, or changes in financial position for the year then ended.

***Unmodified Opinion on Regulatory Basis of Accounting***

In our opinion, the financial statement referred to above presents fairly, in all material respects, the combined total of receipts, disbursements, and changes in cash balances for all county funds of Beaver County, for the year ended June 30, 2018, in accordance with the basis of accounting described in Note 1.

***Other Matters***

***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the combined total of all county funds on the financial statement. The supplementary information, as listed in the table of contents, is presented for purposes of additional analysis and are not a required part of the financial statement.

The supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statement. Such information has been subjected to the auditing procedures applied in the audit of the financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statement or to the financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the financial statement.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated February 24, 2020, on our consideration of Beaver County’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over

financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the County's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Beaver County's internal control over financial reporting and compliance.

**1. Summary of Significant Accounting Policies**

**A. Reporting Entity**

Beaver County is a subdivision of the State of Oklahoma created by the Oklahoma Constitution and regulated by Oklahoma Statutes.

The accompanying financial statement presents the receipts, disbursements, and changes in cash balances of the total of all funds under the control of the primary government. The general fund is the county's general operating fund, accounting for all financial resources except those required to be accounted for in another fund, where its use is restricted for a specified purpose. Other funds established by statute and under the control of the primary government are also presented.

The County Treasurer collects and remits material amounts of intergovernmental revenues and ad valorem tax revenue for other budgetary entities, including emergency medical districts, libraries, school districts, and cities and towns. The cash receipts and disbursements attributable to those other entities do not appear in funds on the County's financial statement; those funds play no part in the County's operations. Any trust or agency funds maintained by the County are not included in this presentation.

**B. Fund Accounting**

The County uses funds to report on receipts, disbursements, and changes in cash balances. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities.

Following are descriptions of the county funds included as combining information within the financial statement:

County General Fund – accounts for the general operations of the government.

County Highway Cash – accounts for state, local, and miscellaneous receipts, and disbursements are for the purpose of constructing and maintaining county roads and bridges.

Resale Property – accounts for the collection of interest and penalties on delinquent taxes and the disposition of same as restricted by state statute.

Treasurer Mortgage Tax Certification Fee – accounts for the collection of fees of Treasurer mortgage tax certificates and the disbursement of the funds as restricted by the state statute.

County Clerk Lien Fee – accounts for fees for copies and lien collections and disbursements as restricted by state statute.

**BEAVER COUNTY, OKLAHOMA  
NOTES TO THE FINANCIAL STATEMENT  
FOR THE FISCAL YEAR ENDED JUNE 30, 2018**

---

County Clerk Records Preservation Fee – accounts for fees collected for instruments filed with the County Clerk’s office and disbursements as restricted by state statute.

Assessor Revolving Fee – accounts for the collection of fees for copies and disbursements as restricted by state statute.

Emergency Management – accounts for the collection of grant funds to be disbursed for the purpose of Homeland Security by Beaver County.

County Hospital Sales Tax – accounts for the collection of sales tax and disbursement of funds are used for general operations of the county hospital.

County Health Sales Tax – accounts for sales tax monies collected on behalf of the county health facility to be disbursed for the operations of the county health facility.

Library State Aid Grant – accounts for grant monies to be disbursed to improve library service.

County Bridge and Road Improvement Fund – accounts for state receipts and disbursements for the purpose of maintaining bridges and roads.

Littering Reward Cash Fund – accounts for a percentage of fines imposed for littering in accordance with Title 21 O.S. § 1753.3 and § 1761.1 of Oklahoma Statutes. The money is used to pay rewards for the arrest and conviction or for evidence leading to the arrest and conviction of any person who violates the provisions of the before mentioned sections and to offset the cost of any special enforcement programs originated by any law enforcement agency responsible for the arrest or prosecution of any person.

Sheriff Commissary – accounts for the collection of the sale of items to inmates and disbursements to purchase commissary goods from the vendor. Excess funds are used for maintenance and operations of the Sheriff’s department.

Enhanced 911 – accounts for the collection of state grant funds used to establish a 911 system.

General Use Sales Tax – accounts for taxes collected and to be disbursed for future capital improvements.

Sales Tax Revolving Fund – accounts for sales tax monies collected on behalf of the County and disbursements are for designated purposes. This funds previously had replaced the County Sales Tax fund that was used as part of the budgeted County General Fund.

General Sales Tax Cash Fund – accounts for the sales tax collected for County General Fund operations of the county and disbursements are for purposes designated by the sales tax ballot.

NOTES TO THE FINANCIAL STATEMENT  
FOR THE FISCAL YEAR ENDED JUNE 30, 2018**

---

Sheriff Service Fee – accounts for the collection and disbursements of Sheriff process service fees as restricted by state statute.

Sheriff Department of Corrections Cash – accounts for the collection of monies from the Oklahoma Department of Corrections and disbursements are for the purpose of operating and maintaining the jail.

Sheriff Dive Team Cash – accounts for the donations collected and disbursed for the expenses of underwater searches.

Library Childrens Reading Grant – accounts for a Children’s Reading Charitable Trust grant to be disbursed for programs, materials, and books.

Library Health Grant – accounts for grant funds to provide resources, information, and training as outlined in the approved health literacy proposal.

Enhanced 911 Wireless Cash – accounts for the collection of state grant funds used to establish a 911 system.

Elmwood Fire REAP Grant – accounts for an Oklahoma Economic Development Authority grant to be disbursed for improvements to the Elmwood Fire Department.

**C. Basis of Accounting**

The financial statement is prepared on a basis of accounting wherein amounts are recognized when received or disbursed. This basis of accounting differs from accounting principles generally accepted in the United States of America, which require revenues to be recognized when they become available and measurable or when they are earned, and expenditures or expenses to be recognized when the related liabilities are incurred. This regulatory basis financial presentation is not a comprehensive measure of economic condition or changes therein.

Title 19 O.S. § 171 specifies the format and presentation for Oklahoma counties to present their financial statement in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) or on a regulatory basis. The County has elected to present their financial statement on a regulatory basis in conformity with Title 19 O.S. § 171. County governments (primary only) are required to present their financial statements on a fund basis format with, at a minimum, the general fund and all other county funds, which represent ten percent or greater of total county revenue with all other funds included in the audit presented in the aggregate in a combining statement. However, the County has elected to present all funds included in the audit in the Statement of Receipts, Disbursements, and Changes in Cash Balances—Regulatory Basis.

NOTES TO THE FINANCIAL STATEMENT

**D. Budget**

Under current Oklahoma Statutes, a general fund and a county health department fund are the only funds required to adopt a formal budget. On or before the first Monday in July of each year, each officer or department head submits an estimate of needs to the governing body. The budget is approved for the respective fund by office, or department and object. The County Board of Commissioners may approve changes of appropriations within the fund by office or department and object. To increase or decrease the budget by fund requires approval by the County Excise Board.

**E. Cash and Investments**

For the purposes of financial reporting, "Ending Cash Balances, June 30" includes cash and cash equivalents and investments as allowed by statutes. The County pools the cash of its various funds in maintaining its bank accounts. However, cash applicable to a particular fund is readily identifiable on the County's books. The balance in the pooled cash accounts is available to meet current operating requirements.

State statutes require financial institutions with which the County maintains funds to deposit collateral securities to secure the County's deposits. The amount of collateral securities to be pledged is established by the County Treasurer; this amount must be at least the amount of the deposit to be secured, less the amount insured (by, for example, the FDIC).

The County Treasurer has been authorized by the County's governing board to make investments. Allowable investments are outlined in statutes 62 O.S. § 348.1 and § 348.3.

All investments must be backed by the full faith and credit of the United States Government, the Oklahoma State Government, fully collateralized, or fully insured. All investments as classified by state statute are nonnegotiable certificates of deposit. Nonnegotiable certificates of deposit are not subject to interest rate risk or credit risk.

**2. Ad Valorem Tax**

The County's property tax is levied each October 1 on the assessed value listed as of January 1 of the same year for all real and personal property located in the County, except certain exempt property. Assessed values are established by the County Assessor within the prescribed guidelines established by the Oklahoma Tax Commission and the State Equalization Board. Title 68 O.S. § 2820.A. states, ". . . Each assessor shall thereafter maintain an active and systematic program of visual inspection on a continuous basis and shall establish an inspection schedule which will result in the individual visual inspection of all taxable property within the county at least once each four (4) years."

Taxes are due on November 1 following the levy date, although they may be paid in two equal installments. If the first half is paid prior to January 1, the second half is not delinquent until April

**BEAVER COUNTY, OKLAHOMA  
NOTES TO THE FINANCIAL STATEMENT  
FOR THE FISCAL YEAR ENDED JUNE 30, 2018**

---

1. The County Treasurer, according to the law, shall give notice of delinquent taxes and special assessments by publication once a week for two consecutive weeks at any time after April 1, but prior to the end of September following the year the taxes were first due and payable. Unpaid real property taxes become a lien upon said property after the treasurer has perfected the lien by public notice.

Unpaid delinquent personal property taxes are usually published in May. If the taxes are not paid within 30 days from publication, they shall be placed on the personal tax lien docket.

**3. Other Information**

**A. Pension Plan**

Plan Description. The County contributes to the Oklahoma Public Employees Retirement Plan (the Plan), a cost-sharing, multiple-employer defined benefit pension plan administered by the Oklahoma Public Employees Retirement System (OPERS). Benefit provisions are established and amended by the Oklahoma Legislature. The Plan provides retirement, disability, and death benefits to Plan members and beneficiaries. Title 74, Sections 901 through 943, as amended, establishes the provisions of the Plan. OPERS issues a publicly available financial report that includes financial statements and supplementary information. That report may be obtained by writing OPERS, P.O. Box 53007, Oklahoma City, Oklahoma 73105 or by calling 1-800-733-9008.

Funding Policy. The contribution rates for each member category are established by the Oklahoma Legislature and are based on an actuarial calculation which is performed to determine the adequacy of contribution rates.

**B. Other Post Employment Benefits (OPEB)**

In addition to the pension benefits described in the Pension Plan note, OPERS provides post-retirement health care benefits of up to \$105 each for retirees who are members of an eligible group plan. These benefits are funded on a pay-as-you-go basis as part of the overall retirement benefit. OPEB expenditure and participant information is available for the state as a whole; however, information specific to the County is not available nor can it be reasonably estimated.

**C. Contingent Liabilities**

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies, primarily the federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable fund. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time; although, the County expects such amounts, if any, to be immaterial.

**BEAVER COUNTY, OKLAHOMA  
NOTES TO THE FINANCIAL STATEMENT  
FOR THE FISCAL YEAR ENDED JUNE 30, 2018**

---

As of the end of the fiscal year, there were no claims or judgments that would have a material adverse effect on the financial condition of the County; however, the outcome of any lawsuit would not be determinable.

**D. Sales Tax**

**Sales Tax of November 4, 2014**

The voters of Beaver County approved a one-cent sales tax to begin April 1, 2015. This sales tax will expire April 1, 2021. The sales tax is distributed among the following entities: OSU Extension Office (11%), Free Fair (15%), Health Department (15%), County Library (10%), City Transit Bus (1.3%), Rural Fire (10.4%), General Use (19.3%), Rural Economic Development (1%), Jones and Plummer Trail Museum (1%), Courthouse Maintenance and Operation (10%), and Senior Citizens (6%). This sales tax is a continuation of the sales tax of November 4, 2008. This sales tax is accounted for in the following funds: General Sales Tax Cash Fund and Sales Tax Revolving Fund.

**Sales Tax of December 14, 2010**

The voters of Beaver County approved a continuation of a 1% sales tax for the general support of Beaver County Memorial Hospital Authority to begin February 1, 2011. This sales tax will expire after 84 months. This sales tax ended in January 2018. This sales tax is accounted for in the County Hospital Sales Tax fund.

**E. Tax Abatements**

The County is subject to ad valorem tax abatements granted by the State of Oklahoma in accordance with the Oklahoma Constitution, Article 10 Section 6B for qualifying manufacturing concern—ad valorem tax exemption.

Under this program, a five-year ad valorem tax exemption exempts all real and personal property that is necessary for the manufacturing of a product and facilities engaged in research and development which meet the requirements set by the Oklahoma Constitution and statutes. Under Title 68 O.S. § 2902, in exchange for the five-year exemption, qualifying manufacturing concerns must meet certain minimum investment requirements for construction, acquisition, or expansion of a manufacturing facility. In addition, there are general minimum payroll requirements that must be met and the qualifying manufacturing concern must offer basic health benefit plans to all full-time employees within 180 days of employment.

The County had \$950,349 of ad valorem taxes abated under this program for the fiscal year ended June 30, 2018.

The State has an Ad Valorem Reimbursement Fund in accordance with Title 62 O.S. § 193 that is used to reimburse the County for the loss of revenue. Monies apportioned to this fund by the State also may be transferred to other state funds or otherwise expended as directed by the Legislature.

**BEAVER COUNTY, OKLAHOMA  
NOTES TO THE FINANCIAL STATEMENT  
FOR THE FISCAL YEAR ENDED JUNE 30, 2018**

---

In the event monies apportioned to the Fund are insufficient to pay all claims for reimbursement, claims for reimbursement for loss of revenue due to manufacturing exemptions of ad valorem taxes shall be paid first, and any remaining funds shall be distributed proportionally among the counties making claims for reimbursement for loss of revenue for school district exemptions.

**F. Interfund Transfers**

During the fiscal year, the County made the following transfers between cash funds.

- \$500,000 was transferred from the General Sales Tax Cash fund to the County General Fund for the purpose of funding operating expenses as allowed by 68 O.S. § 3021.
- \$500,000 was transferred from the County General Fund to the General Sales Tax Cash Fund to repay the operating transfer as required by 68 O.S. § 3021.
- \$441 was transferred from Resale Excess (a trust and agency fund) to the Resale Property fund in accordance with 68 O.S. § 3131c.

**1. Budgetary Schedules**

The Comparative Schedules of Receipts, Expenditures, and Changes in Cash Balances—Budget and Actual—Budgetary Basis for the General Fund present comparisons of the legally adopted budget with actual data. The "actual" data, as presented in the comparison of budget and actual, will differ from the data as presented in the Statement of Receipts, Disbursements, and Changes in Cash Balances (with Combining Information) because of adopting certain aspects of the budgetary basis of accounting and the adjusting of encumbrances and outstanding warrants to their related budget year.

Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditure of monies are recorded in order to reserve that portion of the applicable appropriation, is employed as an extension of formal budgetary integration in these funds. At the end of the year unencumbered appropriations lapse.

## **INTERNAL CONTROL AND COMPLIANCE SECTION**

**Independent Auditor's Report on Internal Control Over Financial Reporting and on  
Compliance and Other Matters Based on an Audit of Financial Statements Performed in  
Accordance With *Government Auditing Standards***

TO THE OFFICERS OF  
BEAVER COUNTY, OKLAHOMA

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the combined total—all funds of the accompanying Statement of Receipts, Disbursements, and Changes in Cash Balances (with Combining Information) of Beaver County, Oklahoma, as of and for the year ended June 30, 2018, and the related notes to the financial statement, which collectively comprises Beaver County's basic financial statement, prepared using accounting practices prescribed or permitted by Oklahoma state law, and have issued our report thereon dated February 24, 2020.

Our report included an adverse opinion on the financial statement because the statement is prepared using accounting practices prescribed or permitted by Oklahoma state law, which is a basis of accounting other than accounting principles generally accepted in the United States of America. However, our report also included our opinion that the financial statement does present fairly, in all material respects, the receipts, disbursements, and changes in cash balances – regulatory basis of the County for the year ended June 30, 2018, on the basis of accounting prescribed by Oklahoma state law, described in Note 1.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statement, we considered Beaver County's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of Beaver County's internal control. Accordingly, we do not express an opinion on the effectiveness of Beaver County's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the accompanying schedule of findings and questioned costs, we identified certain deficiencies in internal control that we consider to be material weaknesses and significant deficiencies.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiencies described in the accompanying schedule of findings and responses to be material weaknesses: 2018-002 and 2018-004.

A *significant deficiency* is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the deficiency described in the accompanying schedule of findings and responses to be a significant deficiency: 2018-001.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Beaver County's financial statement is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed an instance of noncompliance or other matter that is required to be reported under *Government Auditing Standards* and which is described in the accompanying schedule of findings and responses as items 2018-001.

### **Beaver County's Response to Findings**

Beaver County's response to the findings identified in our audit are described in the accompanying schedule of findings and responses. Beaver County's response was not subjected to the auditing procedures applied in the audit of the financial statement and, accordingly, we express no opinion on the response.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

This report is also a public document pursuant to the Oklahoma Open Records Act (51 O.S. § 24A.1 et seq.), and shall be open to any person for inspection and copying.

**BEAVER COUNTY, OKLAHOMA  
SCHEDULE OF FINDINGS AND RESPONSES  
FOR THE FISCAL YEAR ENDED JUNE 30, 2018**

---

**SECTION 1—Findings related to the Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With *Government Auditing Standards***

**Finding 2018-001 – Inadequate Internal Controls and Noncompliance Over the Disbursement Process (Repeat Finding 2011-008, 2012-008, 2017-001)**

**Condition:** Upon inquiry, observation and testwork, a test of thirty-five (35) purchase orders reflected the following weaknesses:

- Nine (9) were not properly encumbered.
- Two (2) did not have adequate supporting documentation attached to a purchase order.
- Two (2) receiving reports could not be located.
- Two (2) were non-allowed expenses.
- One (1) did not have a written requisition.

**Cause of Condition:** Policies and procedures have not been designed and implemented regarding the disbursement process to strengthen internal controls and ensure compliance with state statutes.

**Effect of Condition:** These conditions resulted in noncompliance with the state statutes and could result in unrecorded transactions, misstated financial reports, undetected errors and misappropriation of funds.

**Recommendation:** The Oklahoma State Auditor and Inspector's Office (OSAI) recommends the County practice proper purchasing procedures. All purchases should be properly requisitioned, encumbered, approved, and received with proper supporting documentation attached in accordance with 19 O.S. § 1505(C) and 1505(E), as well as 68 § 1356(1).

**Management Response:**

**County Commissioner District 1:** I was not the elected official for the audit period, but we will make sure that we encumber all purchase orders correctly.

**County Commissioner District 2:** We will start attaching payment schedules to lease payment purchase orders, as well as encumbering all purchases correctly.

**County Commissioner District 3:** We will make sure that our purchase orders are properly requested, encumbered, and have all supporting documentation attached to the purchase orders.

**County Assessor:** I was not the Assessor at the time of the purchase order, but we are aware of the purchasing procedures and make sure each purchase is encumbered before we incur expenses.

**County Sheriff:** We will provide tax exemption letters with deputies traveling and will make sure state taxes are not paid with county funds. We will also make sure all purchases are encumbered properly.

**Criteria:** The United States Government Accountability Office’s Standards for Internal Control in the Federal Government (2014 version) aided in guiding our assessments and conclusion. Although this publication (GAO Standards) addresses controls in the federal government, this criterion can be treated as best practices and may be applied as a framework for an internal control system for state, local, and quasi-governmental entities.

The GAO Standards – Section 2 – Objective of an Entity – OV2.23 states in part:

*Compliance Objectives*

Management conducts activities in accordance with applicable laws and regulations. As part of specifying compliance objectives, the entity determines which laws and regulations apply to the entity. Management is expected to set objectives that incorporate these requirements.

Further, GAO Standards – Principle 6 – Defined Objectives and Risk Tolerances – 6.05 states:

*Definitions of Objectives*

Management considers external requirements and internal expectations when defining objectives to enable the design of internal control. Legislators, regulators, and standard-setting bodies set external requirements by establishing the laws, regulations, and standards with which the entity is required to comply. Management identifies, understands, and incorporates these requirements into the entity’s objectives. Management sets internal expectations and requirements through the established standards of conduct, oversight structure, organizational structure, and expectations of competence as part of the control environment.

Further, 19 O.S. § 1505(C) and § 1505(E) requires county funds to be encumbered prior to the receipt of goods and/or services and disbursements of county funds should be supported with invoices and receiving reports.

Title 68 O.S. § 1356(1) states in part, “There are hereby specifically exempted from the tax levied by Section 1350 et seq. of this title: Sale of tangible personal property or services to the United States government or to the State of Oklahoma, any political subdivision of this state...”

**Finding 2018-002 – Inadequate Internal Controls Over the Reconciliation of the Appropriation Ledger to General Ledger (Repeat Finding 2011-004, 2012-004, 2017-002)**

**Condition:** Based on our documentation of internal controls, reconciliations are not being performed between the County Clerk’s appropriation ledger and the County Treasurer’s general ledger for all funds and on a monthly basis.

**BEAVER COUNTY, OKLAHOMA  
SCHEDULE OF FINDINGS AND RESPONSES  
FOR THE FISCAL YEAR ENDED JUNE 30, 2018**

---

**Cause of Condition:** Policies and procedures have not been designed and implemented to ensure the reconciliation of the County Clerk's appropriation ledger to the County Treasurer's general ledger for all funds.

**Effect of Condition:** This condition could result in unrecorded transactions, misstated financial reports, undetected errors, and misappropriation of funds.

**Recommendation:** OSAI recommends management take steps to ensure reconciliations are performed between all funds presented on the County Clerk's appropriation ledger and the County Treasurer's general ledger. Documentation of this reconciliation should be reviewed and approved by someone other than the preparer.

**Management Response:**

**County Treasurer:** I will utilize the spreadsheet provided by OSAI and work with the other officer to reconcile all accounts on the general ledger to the appropriation ledger.

**County Clerk:** I will continue to work on reconciling with the Treasurer. We will include more detail in future reconciliations, and we will use the spreadsheet provided by OSAI.

**Criteria:** The GAO Standards - Principle 16 – Perform Monitoring Activities: 16.05 states, in part:

*Internal Control System Monitoring*

Management performs ongoing monitoring of the design and operating effectiveness of the internal control system as part of the normal course of operations. Ongoing monitoring includes regular management and supervisory activities, comparisons, reconciliations and other routine actions.

**Finding 2018-004 – Inadequate Internal Controls Over the County's Financial Statement Presentation**

**Condition:** The County has not designed and implemented internal controls to ensure the accurate presentation of the County's financial statement. During the review and reconciliation of the financial statement as initially prepared by the County, we determined that the financial statement was materially misstated.

The beginning balance, cash receipts and cash disbursements were reported as \$8,003,613, \$10,784,363, and \$9,867,497, respectively. The actual beginning balance, receipts, and disbursements amounts were \$8,003,610, \$9,270,176, and \$9,367,347; resulting in an overstatement of \$3, \$1,514,184, and \$500,150, respectively.

**Cause of Condition:** Policies and procedures have not been designed and implemented to ensure that the County's financial statement is accurately presented.

**BEAVER COUNTY, OKLAHOMA  
SCHEDULE OF FINDINGS AND RESPONSES  
FOR THE FISCAL YEAR ENDED JUNE 30, 2018**

---

**Effect of Condition:** This condition resulted in the County's financial statement being materially understated.

**Recommendation:** OSAI recommends the County design and implement policies and procedures to ensure the County's financial statement is accurately presented.

**Management Response:** I will have better due diligence of the financial statement before submission.

**Criteria:** The County is required to present a financial statement for each fiscal year ended June 30.

Title 19 O.S. § 171 states, in part, "Unless the county elects to prepare its financial statement in accordance with Generally Accepted Accounting Principles as prescribed by the Governmental Accounting Standards Board, the county shall present their financial statements in a regulatory basis of accounting."

The limitations of the auditor are described in the American Institute of Certified Public Accountants Clarified Statements on Auditing Standards AU-C § 210, which states, in part: "The concept of an independent audit requires that the auditor's role does not involve assuming management's responsibility for the preparation and fair presentation of the financial statements or assuming responsibility for the entity's related internal control and that the auditor has a reasonable expectation of obtaining the information necessary for the audit insofar as management is able to provide or procure it. Accordingly, the premise is fundamental to the conduct of an independent audit."
