Fiscal Year 2020/2021 Annual Budget

May 21, 2020

This is an unusual year as the national economy is reeling from COVID-19 coupled with Oklahoma's specific oil/gas reliance. Russell Evans, an economist based at Oklahoma City University, spoke at the City of Oklahoma City council meeting in mid-April 2020 referencing the local economy was already shaky at the start of the 2020 calendar year and the collapse in oil prices has exacerbated the challenges faced by the city and state. It is likely the U.S. economy will shrink 25% to 40% starting in June 2020 and continue through the summer and fall.

The New York Times reported on April 24, grocery stores, pharmacies and other sellers of essential items experienced a surge of demand in March 2020, which was outweighed by a steep decline in other categories as businesses shuttered and shoppers restricted their spending. Sales at gas stations, pushed down by low oil prices as well as reduced commuting, fell 17 percent. With sales taxes being the biggest source of revenue for most cities, we will see this plunge in revenue directly as business activity grinds to a halt and consumers stay home. Even as we stretch finances temporarily - by trimming budgets, appropriating funds earmarked for other purposes or passing emergency legislation - the economy recovery is expected to be slow.

In light of the above information, we have prepared the following breakdown of sales tax revenue provided by the Oklahoma Tax Commission. We utilized this breakdown in projecting the impact of COVID-19 on Elk City.

| Sales Tax Top 5 for Elk City | |
|-------------------------------------|-----|
| Department Stores | 25% |
| Full-Service Restaurants | 7% |
| General Merchandise Stores | 4% |
| Supermarkets & Other Grocery Stores | 4% |
| Electric Power Generation | 4% |
| | 44% |

Sales tax has been budgeted at 75% of current year projections. All other recurring taxes are budgeted at 80% of current year projections.

The proposed budget shifts the allocation of tax to 2% General Fund and 1% Capital Improvement which generates over \$1.3m for General fund operations.

There are no budgeted rate increases for utility revenues. Revenue <u>collections</u> have been decreased 8% due to the impact of the unemployment related to the pandemic. Operating expenses are budgeted consistent with the prior year.

The budget does not include salary increases for employees for fiscal year 2021.

Proposed capital outlay requests are detailed in the budget totaling \$8,433,900. This includes total grant funding for projects in the amount of \$232,236.

| FUND | ORIGINAL REQUEST | Funded from Ext Source | Sales Tax Funded |
|--------------------------------------|---------------------|---------------------------|---------------------|
| Capital Construction | 3,433,900 | 232,236 | 3,201,664 |
| Industrial Authority CAPPS Sales Tax | 5,000,000 | 5,000,000 | |
| Grand Total | 8,433,900 | 5,232,236 | 3,201,664 |

The City is planning on receiving the following grant funds to assist in the capital outlay expenditures above.

| Grant | Description | Amount |
|-------|----------------------|---------|
| FAA | Runway Lighting | 150,000 |
| COPS | SRO Officer Position | 17,236 |
| AFG | Wildland Gear | 47,000 |
| DEQ | Cardboard Baler | 18,000 |
| | | 232,236 |

See the chart below for consideration of collection on tax revenues at tiered percentages and the reflected net gain/(loss) for the fiscal year:

| Tax Collections | Net Gain/(Loss) |
|-----------------|-----------------|
| 100% | (915,296) |
| 90% | (1,516,370) |
| 85% | (1,816,907) |
| 80% | (2,117,444) |

The following debt issues are included in the budget: No new debt is proposed for FY21:

| | Description | Payment | Maturity Date |
|------------|-------------|-----------|---------------|
| PWA | OWRB 2010 | 365,173 | 3/15/2041 |
| Arena ST | Note - 2019 | 1,454,381 | 6/1/2043 |
| Water Bond | Note - 2013 | 685,516 | 12/1/2023 |
| New School | Note - 2015 | 1,146,866 | 6/1/2025 |
| New School | FNB 2015 | 75,300 | 12/1/2028 |
| | | 3.727.236 | |

As of March 31, 2020, the municipality had 490 and $1\overline{02}$ days of cash on hand in the General fund and PWA, respectively. This represents the number of days the municipality can support the operating expenses based on the cash balance at March 31, 2020. Note the calculation includes unrestricted investments.

If fiscal year 2021 proceeds in line with the proposed budget, the municipality will have 294 and 58 days of cash on hand in the General fund and PWA, respectively, at June 30, 2021.
