Dear Administrator:

Please find enclosed the following documents:

Four (4) copies of your school district's 2015-16 Estimate of Needs and financial statements of the fiscal year 2014-15 (S.A. & I. Form 2662R06).

One (1) Publishing Sheet entitled "Financial Statements of the Various Funds for the Fiscal Year ending June 30, 2015, and Estimate of Needs for Fiscal Year ending June 30, 2016, of the Board of Education" (S.A. & I. Form 2661R06).

After reviewing these enclosures, you will need to have your school board president sign the publishing sheet and have it published in one issue of a legally qualified newspaper (as defined in O.S. 2001; Title 24; Section 106) published in your county. If there is not a newspaper published in your school district, have it published in some legally qualified newspaper of general circulation in your school district. Be sure to request two (2) proof of publication affidavits from your publisher.

Please have your school board president, clerk, and school treasurer sign all copies of the enclosed Estimate of Needs (Form 2661R06) in the spaces provided on pages 1 and 2. Your clerk should also sign the "Affidavit of Publication" on page 3 of the Estimate of Needs (Form 2661R06).

After obtaining these signatures on each copy, it is the District's responsibility to distribute them as follows:

- Two (2) signed copies of the Estimate of Needs, together with attached proof of publication affidavits, should be taken to your local county clerk for appropriate consideration by the County Excise Board.
- One (1) signed copy of the Estimate of Needs should be mailed to the Oklahoma State Department of Education at the following address:

Oklahoma State Department of Education
Financial Accounting Department
2500 N. Lincoln Blvd.
Oklahoma City, OK 73105

(Please note that the Oklahoma State Department of Education does not require their copy of the Estimate of Needs to be signed by the Excise Board, nor do they require an affidavit of publication. It does have to be signed by the school board president, clerk and school treasurer).

- One (1) copy of the Estimate of Needs is your school copy to be kept at your school and used to determine the total amounts of original appropriations to be entered into your software accounting system for 2015-16.

Thank you for placing your confidence in us. If you have questions, or just want us to go over information contained in this Estimate of Needs, please call.

Sincerely,

Kerry John Patten, C.P.A.

CERTIFICATE OF EXCISE BOARD

State of Oklahoma, County of Bryan

We, do further certify that we have examined the statement of estimated needs for the current fiscal year ending June 30, 2015, as certified by the Board of Education of Colbert Public Schools, District Number I-4 of said County and State, and its financial statement for the preceding year, and in so doing we have diligently performed the duties imposed upon this Excise Board by 68 O. S. 2001 Section 3007, by (1) ascertaining that the financial statements, as to the statistics therein contained, reflect the true fiscal condition at the close of the fiscal year, or caused the same to be corrected so to show; (2) struck from the estimate of needs so submitted any items not authorized by law and reduced to the sum authorized by law any items restricted by statute as to the amount lawfully expendable therefor; (3) supplemented such estimate, after appropriate action, by an estimate of needs prepared by this Excise Board to make provision for mandatory functions based upon statistics authoritatively submitted; (4) computed the total means available to each fund in the manner provided, applying the Governing Board's estimate of revenue to be derived from surplus tax of the immediately preceding year and from sources other than ad valorem tax, or reduced such estimate to not less than the lawfully authorized ratio of the several sums realized from such sources during the preceding fiscal year or to such lesser sum as may reasonably be anticipated under altered law or circumstance and using for such determination the basic collections of the preceding year and the ratios on which distribution or apportionment must be made during the ensuing or current year.

To the several and specific purposes of the estimated needs as certified, we have and do hereby appropriate the surplus balances of cash on hand of the prior year, estimates of income from sources other than ad valorem taxation within the limitation fixed by law, and the proceeds of ad valorem tax levy within the number of mills authorized, either by apportionment by the Legislature, allocation by the excise board or by legal election, all of which appropriations are made in so far as the available surpluses, revenues, and levies will permit, except in that we have also provided that, after deducting items consisting of cash and the revenue from all sources other than the 2015 tax and the proceeds of the 2015 tax levy are in excess of the residue of such appropriations, by a sum included for delinquent tax, computed at 10.0% of such residue. And provided further, if said School District has been ascertained to be a well defined State Aid District, the local budget, as approved and appropriated for, has been applied wholly to its operating accounts.

We further certify that the amount required to be raised from tax, excluding Homesteads, for General Revenue Fund purposes as approved, requires a total ad valorem tax levy of 35.000 Mills. Said levy is within the statutory limit, and if in excess, is within the constitutional limit and has been authorized by a vote of the people of said district, as shown by certificate of the School Board to-wit:

To this District, with valuations shown below, the Excise Board allocated 5.000 Mills, plus 15.000 Mills authorized by the Constitution, plus an emergency levy of 5.000 Mills; plus local support levy of 10.000 Mills; for a total levy for the General Fund of 35.000 Mills.

We further certify that the amount required to be raised for building fund purposes as approved requires a tax levy of 5.000 Mills, and said levy has been certified as authorized by a vote of the people at an election held for that purpose. We further certify that Assessed Values used in computing Mill-vote levies have been applied as certified by the County Assessor.

We further certify that we have examined the within statements of account and estimated needs or requirements of the Governing Board of Colbert Public Schools, School District No. I-4 of said County and State, in relation to the Sinking Fund or Funds thereof, and after finding the same correct or having caused the same to be corrected pursuant to 68 O. S. 2001 Section 3009, have approved the requirements therefor to fulfill the conditions of Section 26 and 28 of Article 10, Oklahoma Constitution, and have made and certified a tax levy therefor to the extent of the excess of said total requirements over the total of items 2, 3, 6, and 12 of Exhibit "Y" and any other legal deduction, including a reserve of 10% for delinquent taxes.
