For the purpose of complying with 19 O.S. § 171, we have performed the following procedures for December 17, 2012:

- Verify that equipment items on hand agree with inventory records as per 19 O.S. § 178.1.
- Verify that the amount of total claims approved for the operation of said Office is not in excess of limitations imposed by 19 O.S. § 347.
- Verify that the Office is not exceeding the maximum amount of cash authorized for their change needs per 19 O.S. § 682.
- Verify that a monthly report of the Office is on file with the County Clerk per 19 O.S. § 684.
- Verify that the Officers' depository account balances reconcile with the County Treasurer's records and that undeposited cash reconciles to receipts.

Information addressed in this report is the representation of the respective county officers.

Our county officer turnover engagement was limited to the statutory procedures described above and was less in scope than an examination or audit performed in accordance with auditing standards generally accepted in the United States of America, the objective of which would be the expression of an opinion. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

Based on our procedures performed, we have presented our findings in the accompanying schedule.

This report is intended solely for the information and use of the management of the County and should not be used for any other purpose. This report is also a public document pursuant to the Oklahoma Open Records Act (51 O.S. § 24A.1 et seq.), and shall be open to any person for inspection and copying.

SCHEDULE OF FINDINGS AND RESPONSES

Finding 2013-1 – Fixed Assets Inventory

Condition: During our review of the fixed assets it was noted that the Sheriff's office did not maintain an up-to-date inventory list and the list is not on file with the County Clerk. Additionally, OSAI was unable to locate the following six items.

Item/Description	Serial Number
Radius P1225 Radio	475FZL5020
Radius P1225 Radio	475FZLF624
Radius P1225 Radio	475FZE3141
Dell Vostro 1520 Laptop Computer	0300102
Dell Vostro 1520 Laptop Computer	3407292325
Sony DSC-H1 Digital Camera	3756580

Cause of Condition: Policies and procedures have not been designed and implemented to ensure proper tracking and record keeping of the fixed assets.

Effect of Condition: This condition could result in errors and improprieties, unrecorded transactions, misappropriation of assets, or loss of county equipment.

Recommendation: OSAI recommends management review inventory records and periodically perform physical inventory counts to determine all equipment listed on inventory records are properly accounted for. OSAI also, recommends management present an annual inventory listing to the Board of County Commissioners to be filed with the County Clerk's office.

Management Response:

Current Sheriff:

I have been notified that these items are missing from our inventory. I was not aware that an up to date inventory list had not been kept by the former sheriff. This is being rectified and an updated list will be maintained and a semi-annual inventory will be performed with documentation maintained for the audit.

Criteria: Title 19 O.S. § 178.1 states in part:

The board of county commissioners in each county of this state shall take, or cause to be taken, an inventory of all working tools, apparatus, machinery and equipment belonging to the county or leased or otherwise let to it or to any department thereof, other than that

which is affixed to and made a part of lands and buildings, the cost of which as to each complete working unit thereof is more than Five Hundred Dollars (\$500.00), and therefore maintain or cause to be maintained a continuous inventory record thereof and of like tolls, apparatus, machinery and equipment purchased, leased, or otherwise coming into custody of the county or of any office, board, department, commission or any either thereof, and the disposition thereof whether sold, exchanged, leased, or let where authorized by statute, junked, strayed or stolen, and annually thereafter, or oftener in the event of death, resignation or removal of an elective officer with a term, to verify or cause to be verified by count and report of the same as of the end of a term of office.

Finding 2013-2 – Fund Balances

Condition: During our examination of fund balances for the Sheriff, we discovered the expenditures exceeded the maximum amount allowed for the operation of the office for the following funds:

•	City Prisoner	\$6,939.07
•	Jail Revolving	\$9,933.04
•	Sheriff Social Security Administration	\$4,496.04

Cause of Condition: Procedures have not been designed and implemented to track expenditures to ensure compliance with state statutes.

Effect of Condition: This condition resulted in violation of 19 O.S. § 347.C and could result in financial hardship for the incoming officer in carrying out his or her official duties.

Recommendation: OSAI recommends the County establish procedures to verify outgoing officers do not make expenditures in excess of statutory limitations. When circumstances exist creating the need to exceed those limits, the Excise Board has the power to grant written permission for the expenditures.

Management Response:

Current Sheriff:

I understand the issues of the cash accounts being used to excess and that at no time should the funds be used to exceed the 50% in the final year of office. We are in the process of rebuilding the accounts and have curtailed spending except for necessities. I accept the accounts as they have been turned over to me. We are putting a limit on all spending from the accounts to safeguard for emergencies that may arise.

Criteria: Title 19 § 347 C. states:

Whenever a county officer holding an elective office will not immediately serve a succeeding term in the same office, it shall be unlawful for the board of county commissioners, during the first six months of the fiscal year in which said term of office expires, to approve claims for the operation of said office totaling in excess of one-half (1/2) the amount allocated for the operation of said office during said fiscal year, unless

approval in writing is obtained from the county excise board, and any claim in excess thereof and any warrant issued pursuant thereto shall be null and void.
