Sandy Stroud, Court Clerk Bryan County Courthouse Durant, Oklahoma 74701

Dear Ms. Stroud:

We have performed procedures for fiscal year 2009 activity of the Court Fund Account for the purpose of complying with 20 O.S. § 1312. We have also performed procedures for fiscal year 2009 activity of the Court Clerk Revolving Fund as created by 19 O.S. § 220.

- Test receipts issued to determine whether: (1) the correct fee was collected, and (2) the receipt was properly accounted for in the financial records.
- Test Court Fund vouchers to determine whether the expenditure: (1) was properly supported by a claim, invoice, and receiving documentation, (2) was properly approved, (3) was properly classified, and (4) did not exceed appropriations.
- Test Court Clerk Revolving Fund vouchers to determine whether the expenditure: (1) was properly supported by a claim, invoice, and receiving documentation, and (2) was properly approved.
- Test District Court vouchers to determine whether they were properly accounted for and test supporting documentation for disbursements to determine whether the disbursements were issued in accordance with Court instructions.
- Determine whether Court Fund activity and/or balances reconcile to the County Treasurer's records.
- Determine whether the Court Clerk Revolving activity and/or balances reconcile to the County Treasurer's records.
- Determine whether the District Court case balances reconcile to the County Treasurer's depository ledger.

All information included in the reconciliations, the Court Fund appropriation ledger, the Court Clerk Revolving Fund, the monthly reports, and the cash receipts journal is the representation of the Court Clerk.

Our Court Clerk's engagement was limited to the procedures performed above and was less in scope than an audit performed in accordance with auditing standards generally accepted in the United States of America. Accordingly, we do not express an opinion on any general-purpose financial statements of Bryan County.

Based on the above reconciliations, tests, and procedures performed, the Court Clerk was collecting the correct fees and properly accounting for them; Court Fund vouchers were properly supported, approved, classified, and did not exceed appropriations; Court Clerk Revolving Fund expenditures were properly supported and approved; District Court vouchers were properly accounted for and issued in accordance with Court instructions; Court Fund activity, Court Clerk Revolving Fund financial records, and District Court case balances reconciled with the County Treasurer's records. However, with respect to segregation of duties, our finding is presented in the accompanying schedule of findings and responses.

We have prepared detailed analysis of the Court Fund Account and of the Court Clerk Revolving Fund, which are presented following this report.

This report is intended for the information and use of the Bryan County Court Fund Board and the Administrative Office of the Courts. This restriction is not intended to limit the distribution of this report, which is a matter of public record.

Sincerely,

STEVE BURRAGE, CPA

#### Finding 2009-1 – Segregation of Duties (Repeat Finding)

Criteria: Accountability and stewardship are overall goals of management in the accounting of funds. To help ensure a proper accounting of funds, key duties and responsibilities should be segregated among different individuals to reduce the risk of error or fraud. No one individual should have the ability to authorize transactions, have physical custody of assets, and record transactions.

Condition: We noted the following concerns in regards to recording, authorization, custody, and execution of revenue transactions:

- All employees receive money, write receipts, and post payments to customer accounts.
- All employees work from the same cash drawer.
- The second and fourth deputies, in addition to receiving monies and issuing receipts, also open the
  mail, balance the cash drawer to daily receipts, prepare official depository tickets, and take the
  deposit to the treasurer.
- The second and third deputies, in addition to receiving and issuing receipts, also open the mail and total remittances.

We noted the following concerns in regards to recording, authorization, custody, and execution of expenditure transactions:

- The Court Clerk and first and fourth deputies calculate amounts vouchered to other funds and review amounts vouchered to other funds. All employees prepare vouchers, sign vouchers, and mail and/or distribute vouchers.
- The Court Clerk and first deputy authorize purchases, and certify receipt of goods and/or services.

Effect: These conditions could result in unrecorded transactions, misstated financial reports, undetected errors, or misappropriation of funds.

Recommendation: OSAI recommends management be aware of these conditions and realize that concentration of duties and responsibilities in a limited number of individuals is not desired from a control point of view. The most effective controls lie in management's overseeing of office operations and a periodic review of operations. In the event that segregation of duties is not possible due to limited personnel, OSAI recommends implementing compensating controls to mitigate the risks involved with a concentration of duties. Compensating controls would include separating key processes and/or critical functions of the office, and having management review and approval of accounting functions.

Views of responsible officials and planned corrective actions: The Court Clerk stated, "I believe this information is not totally accurate. After taking a required class on Embezzlement last year, I changed many procedures in my office. I now require that one deputy watch while another deputy opens the mail. Any checks received in the mail are immediately endorsed with the Court Clerk stamps. All twelve of my deputies write receipts and receive money. They are required to show money and receipt to another deputy who in turn verifies that amount received and any change given are correct – then initial the original receipt. There are six deputies that write vouchers. These also require initials. All twelve

deputies post credits to customer accounts. It is true that only two deputies prepare and approve claims; however they are not the same deputy that does the daily deposit. Other than the daily deposit, I believe I am doing everything possible to safeguard against errors and misappropriation of funds."

OSAI Response: OSAI agrees that the Court Clerk's office has implemented controls that may partially mitigate the risks associated with the lack of segregation of duties. However, these additional controls do not entirely separate key processes and/or critical functions of the office.
