CERTIFICATE OF EXCISE BOARD

State of Oklahoma, County of Caddo

We, do further certify that we have examined the statement of estimated needs for the current fiscal year ending June 30, 2018, as certified by the Board of Education of Carnegie Public Schools, District Number I-33 of said County and State, and its financial statement for the preceding year, and in so doing we have diligently performed the duties imposed upon this Excise Board by 68 O. S. 2001 Section 3007, by (1) ascertaining that the financial statements, as to the statistics therein contained, reflect the true fiscal condition at the close of the fiscal year, or caused the same to be corrected so to show; (2) struck from the estimate of needs so submitted any items not authorized by law and reduced to the sum authorized by law any items restricted by statute as to the amount lawfully expendable therefor; (3) supplemented such estimate, after appropriate action, by an estimate of needs prepared by this Excise Board to make provision for mandatory functions based upon statistics authoritatively submitted; (4) computed the total means available to each fund in the manner provided, applying the Governing Board's estimate of revenue to be derived from surplus tax of the immediately preceding year and from sources other than ad valorem tax, or reduced such estimate to not less than the lawfully authorized ratio of the several sums realized from such sources during the preceding fiscal year or to such lesser sum as may reasonably be anticipated under altered law or circumstance and using for such determination the basic collections of the preceding year and the ratios on which distribution or apportionment must be made during the ensuing or current year.

To the several and specific purposes of the estimated needs as certified, we have and do hereby appropriate the surplus balances of cash on hand of the prior year, estimates of income from sources other than ad valorem taxation within the limitation fixed by law, and the proceeds of ad valorem tax levy within the number of mills authorized, either by apportionment by the Legislature, allocation by the excise board or by legal election, all of which appropriations are made in so far as the available surpluses, revenues, and levies will permit, except in that we have also provided that, after deducting items consisting of cash and the revenue from all sources other than the 2018 tax and the proceeds of the 2018 tax levy are in excess of the residue of such appropriations, by a sum included for delinquent tax, computed at 5.0% of such residue. And provided further, if said School District has been ascertained to be a well defined State Aid District, the local budget, as approved and appropriated for, has been applied wholly to its operating accounts.

We further certify that the amount required to be raised from tax, excluding Homesteads, for General Revenue Fund purposes as approved, requires a total ad valorem tax levy of 35.000 Mills. Said levy is within the statutory limit, and if in excess, is within the constitutional limit and has been authorized by a vote of the people of said district, as shown by certificate of the School Board to-wit:

To this District, with valuations shown below, the Excise Board allocated 5.000 Mills, plus 15.000 Mills authorized by the Constitution, plus an emergency levy of 5.000 Mills; plus local support levy of 10.000 Mills; for a total levy for the General Fund of 35.000 Mills.

We further certify that the amount required to be raised for building fund purposes as approved requires a tax levy of 5.000 Mills, and said levy has been certified as authorized by a vote of the people at an election held for that purpose. We further certify that Assessed Values used in computing Mill-vote levies have been applied as certified by the County Assessor.

We further certify that we have examined the within statements of account and estimated needs or requirements of the Governing Board of Carnegie Public Schools, School District No. I-33 of said County and State, in relation to the Sinking Fund or Funds thereof, and after finding the same correct or having caused the same to be corrected pursuant to 68 O. S. 2001 Section 3009, have approved the requirements therefor to fulfill the conditions of Section 26 and 28 of Article 10, Oklahoma Constitution, and have made and certified a tax levy therefor to the extent of the excess of said total requirements over the total of items 2, 3, 6, and 12 of Exhibit Y and any other legal deduction, including a reserve of 5.0% for delinquent taxes.
