BOARD OF COUNTY COMMISSIONERS
CANADIAN COUNTY COURTHOUSE
EL RENO, OKLAHOMA 73036

Transmitted herewith is the Canadian County Treasurer Statutory Report for December 31, 2021. The engagement was conducted in accordance with 74 O.S. § 212.

The goal of the State Auditor and Inspector is to promote accountability and fiscal integrity in state and local government. Maintaining our independence as we provide this service to the taxpayers of Oklahoma is of utmost importance.

We wish to take this opportunity to express our appreciation for the assistance and cooperation extended to our office during our engagement.

Sincerely,

CINDY BYRD, CPA
OKLAHOMA STATE AUDITOR & INSPECTOR

Carolyn Leck, Canadian County Treasurer
Canadian County Courthouse
El Reno, Oklahoma 73036

Dear Ms. Leck:

For the purpose of complying with 74 O.S. § 212, we have performed the following procedures:

- Determine whether bank reconciliations are properly performed, visually verify the certificates of deposit, and confirm the investments.
- Determine whether subsidiary records are reconciled to the general ledger.
- Determine whether deposits and invested funds are secured by pledged collateral.

All information included in the bank reconciliations, the investment ledger, the subsidiary ledgers, and the general ledger is the representation of the County Treasurer.

Our county treasurer statutory engagement was limited to the procedures performed above and was less in scope than an audit performed in accordance with generally accepted auditing standards. Accordingly, we do not express an opinion on any basic financial statement of Canadian County.

Based on our procedures performed, we have presented our finding in the accompanying schedule.

This report is intended for the information and use of the management of the County. This restriction is not intended to limit the distribution of this report, which is a matter of public record.

CINDY BYRD, CPA
OKLAHOMA STATE AUDITOR & INSPECTOR

SCHEDULE OF FINDINGS AND RESPONSES

Finding 2022-003 – Lack of Internal Controls and Noncompliance Over County Investment Policy

Condition: Upon inquiry of the Treasurer’s staff, observation and review of the County’s Investment Policy, it was noted that the written investment policy for the County does not address liquidity, diversification, safety of principle, yield, maturity and quality and capability of investment management.

Cause of Condition: Policies and procedures have not been designed and implemented to ensure the County is in compliance with state statute regarding a written investment policy.

Effect of Condition: These conditions resulted in inadequate internal controls over the County’s investment policy and noncompliance with state statute.

Recommendation: OSAI recommends the County Treasurer implement a system of internal controls to provide reasonable assurance that the County complies with state statute regarding the investment of County Funds and adhering to their formal investment policy.

Management Response:

County Treasurer: We are working to establish an Investment Policy to address liquidity, diversification, safety of principle, yield, maturity and quality and capability of investment management as of FY2022.

Criteria: Accountability and stewardship are overall goals of management in the accounting of funds. Internal controls should be designed to ensure the county is in compliance with applicable state statutes.

Title 62 O.S. § 348.3(A) states, “In addition to the investments authorized by Section 348.1 of this title, the governing body of a city or of a county may adopt a written investment policy directing the investment of the funds of the city or county and any of its public trusts or authorities. If such a policy is adopted by the governing body, such funds shall be invested pursuant to the provisions of the policy. The written policy shall address liquidity, diversification, safety of principal, yield, maturity and quality and capability of investment management, with primary emphasis on safety and liquidity. To the extent practicable, taking into account the need to use sound investment judgment, the written investment policies shall include provision for utilization of a system of competitive bidding in the investment of municipal funds. The system shall be designed to maximize yield within each class of investment instrument, consistent with the safety of the funds invested.”
