Other duties and responsibilities of the Court Clerk are as follows: collecting all required Court fees, issuing warrants, orders, writs, subpoenas, passports and certain licenses, maintaining dockets and financial records for the various divisions of the Court, maintaining an appropriation ledger to control and monitor Court Fund expenditures, disbursing District Court funds in accordance with Court instructions and state statutes, and reviewing Court Fund claims for proper supporting documentation before bringing the claims and vouchers to the Court Fund Board for approval.

Karen Volino, Court Clerk Carter County Courthouse Ardmore, Oklahoma 73402

Dear Ms. Volino:

We have performed procedures for fiscal year 2009 activity of the Court Fund Account for the purpose of complying with 20 O.S. § 1312. We have also performed procedures for fiscal year 2009 activity of the Court Clerk Revolving Fund as created by 19 O.S. § 220.

- Test receipts issued to determine whether: (1) the correct fee was collected, and (2) the receipt was properly accounted for in the financial records.
- Test Court Fund vouchers to determine whether the expenditure: (1) was properly supported by a claim, invoice, and receiving documentation, (2) was properly approved, (3) was properly classified, and (4) did not exceed appropriations.
- Test Court Clerk Revolving Fund vouchers to determine whether the expenditure: (1) was properly supported by a claim, invoice, and receiving documentation, and (2) was properly approved.
- Test District Court vouchers to determine whether they were properly accounted for and test supporting documentation for disbursements to determine whether the disbursements were issued in accordance with Court instructions.
- Determine whether Court Fund activity and/or balances reconcile to the County Treasurer's records.
- Determine whether the Court Clerk Revolving activity and/or balances reconcile to the County Treasurer's records.
- Determine whether the District Court case balances reconcile to the County Treasurer's depository ledger.

All information included in the reconciliations, the Court Fund appropriation ledger, the Court Clerk Revolving Fund, the monthly reports, and the cash receipts journal is the representation of the Court Clerk.

Our Court Clerk's engagement was limited to the procedures performed above and was less in scope than an audit performed in accordance with auditing standards generally accepted in the United States of America. Accordingly, we do not express an opinion on any general-purpose financial statements of Carter County.

Based on the above reconciliations, tests, and procedures performed, the Court Clerk was collecting the correct fees and properly accounting for them; Court Fund vouchers were properly supported, approved, classified, and did not exceed appropriations; Court Clerk Revolving Fund expenditures were properly supported and approved; District Court vouchers were properly accounted for and issued in accordance with Court instructions; Court Fund activity, Court Clerk Revolving Fund financial records, and District Court case balances reconciled with the County Treasurer's records. However, with respect to the matter of segregation of duties, our finding is presented in the accompanying schedule of findings and responses.

We have prepared detailed analysis of the Court Fund Account and of the Court Clerk Revolving Fund, which are presented following this report.

This report is intended for the information and use of the Carter County Court Fund Board and the Administrative Office of the Courts. This restriction is not intended to limit the distribution of this report, which is a matter of public record.

Sincerely,

STEVE BURRAGE, CPA

#### Finding 2009-1 – Segregation of Duties (Repeat Finding)

Criteria: Accountability and stewardship are overall goals of management in the accounting of funds. To help ensure a proper accounting of funds, key duties and responsibilities should be segregated among different individuals to reduce the risk of error or fraud. No one individual should have the ability to authorize transactions, have physical custody of assets, and record transactions.

Condition: We noted the following concerns in regards to recording, authorization, custody, and execution of revenue transactions:

- All employees receive money, write receipts, post payments to customer accounts, and issue permits.
- All employees work from the same cash drawer.
- The first and second deputies, in addition to receiving money and issuing receipts, also balance the cash drawer to daily receipts, prepare official depository tickets, and take official deposits to the treasurer.

We noted the following concerns in regards to recording, authorization, custody, and execution of expenditure transactions:

• The Court Clerk calculates amounts vouchered to other funds, reviews amounts vouchered to other funds, prepares vouchers, signs vouchers, and mails or distributes vouchers. Additionally, the Court Clerk authorizes purchases, prepares claims, and approves claims for payment.

Effect: These conditions could result in unrecorded transactions, misstated financial reports, undetected errors, or misappropriation of funds.

Recommendation: OSAI recommends management be aware of these conditions and realize that concentration of duties and responsibilities in a limited number of individuals is not desired from a control point of view. The most effective controls lie in management's overseeing of office operations and a periodic review of operations. In the event that segregation of duties is not possible due to limited personnel, OSAI recommends implementing compensating controls to mitigate the risks involved with a concentration of duties. Compensating controls would include separating key processes and/or critical functions of the office, and having management review and approval of accounting functions.

Views of responsible officials and planned corrective actions: The Court Clerk stated that she is aware of this situation, and makes periodic reviews of the employees within her office and their work.

OSAI Response: OSAI agrees that management review can mitigate the risk associated with lack of segregation of duties. However, management review should be performed by someone separate from the particular transaction being reviewed.
