Dear Ms. Volino:

We have performed procedures for fiscal year 2006 activity of the Court Fund Account for the purpose of complying with 20 O.S. § 1312. We have also performed procedures for fiscal year 2006 activity of the Court Clerk Revolving Fund as created by 19 O.S. § 220.

- Test Court Fund vouchers to determine whether the expenditure: (1) was properly supported by a claim, invoice, and receiving documentation, (2) was properly approved, (3) was properly classified, and (4) did not exceed appropriations.
- Test Court Clerk Revolving Fund vouchers to determine whether the expenditure: (1) was properly supported by a claim, invoice, and receiving documentation, and (2) was properly approved.
- Test District Court vouchers to determine whether they were properly accounted for and test supporting documentation for disbursements to determine whether the disbursements were issued in accordance with Court instructions.
- Determine whether Court Fund activity and/or balances reconcile to the County Treasurer's records.
- Determine whether the Court Clerk Revolving activity and/or balances reconcile to the County Treasurer's records.
- Determine whether the District Court case balances reconcile to the County Treasurer's depository ledger.
- Test receipts issued to determine whether: (1) the correct fee was collected, and (2) the receipt was properly accounted for in the financial records.

All information included in the reconciliations, the Court Fund appropriation ledger, the Court Clerk Revolving Fund, the monthly reports, and the cash receipts journal is the representation of the Court Clerk.

Our Court Clerk's engagement was limited to the procedures performed above and was less in scope than an audit performed in accordance with auditing standards generally accepted in the United States of America. Accordingly, we do not express an opinion on any general-purpose financial statements of Carter County.

Based on the above reconciliations, tests, and procedures performed; the Court Clerk was collecting the correct fees and properly accounting for them; Court Fund vouchers were properly supported, approved, classified, and did not exceed appropriations; Court Clerk Revolving Fund expenditures were properly supported and approved; District Court vouchers were properly accounted for and issued in accordance with Court instructions; Court Fund activity, Court Clerk Revolving Fund financial records, and District Court case balances reconciled with the County Treasurer's records. With respect to the matter of segregation of duties, our finding is included in the schedule of findings and responses.

We have prepared detailed analysis of the Court Fund Account and of the Court Clerk Revolving Fund, which are presented following this report.

This report is intended for the information and use of the Carter County Court Fund Board and the Administrative Office of the Courts. This restriction is not intended to limit the distribution of this report, which is a matter of public record.

Sincerely,

MICHELLE R. DAY, Esq.  
Deputy State Auditor and Inspector

SCHEDULE OF FINDINGS AND RESPONSES  
JUNE 30, 2006**

**Finding 2006-1—Segregation of Duties (Repeat Finding)**

Criteria: Segregation of duties over asset custody, transaction authorization, bookkeeping, and reconciliation are important elements of effective internal control over government assets and resources.

Condition: The limited number of office personnel within the Court Clerk's office prevents a proper segregation of accounting functions, which is necessary to assure adequate internal control structure.

Effect: This condition could result in unrecorded transactions, misstated financial reports, undetected errors, or misappropriation of assets.

Recommendation: We recommend management be aware of this condition and realize that concentration of duties and responsibilities in a limited number of individuals is not desired from a control point of view. The most effective controls lie in management's knowledge of office operations and a periodic review of operations.

Views of responsible officials and planned corrective actions: We concur with the State Auditor's findings. Management does have knowledge of office operations and will perform a periodic review of these operations.
