Honorable Board of Education

I have compiled the 2013-2014 fund type financial-regulatory basis as of and for the fiscal year ended June 30, 2014, and the 2014-15 Estimate of Needs (S.A. & I. Form 2661R06) and Publication Sheet (S.A. & I. Form 2662R06) for the District, included in the accompanying prescribed form in accordance with Statements on Standard for Accounting and Review Services issued by the American Institute of Certified Public Accountants.

My compilation was limited to presenting, in the form prescribed by the Oklahoma State Department of Education information that is the representation of management. I have not audited or reviewed the financial statements and supporting information referred to above and, accordingly, do not express an opinion or any other form of assurance on them.

These financial statements and supporting information are presented in accordance with the requirements of the Oklahoma State Department of Education, which differ from generally accepted accounting principles. Accordingly, these financial statements and supporting information are not designed for those who are not informed about such differences.

Management is responsible for the preparation and fair presentation of the financial statements and supporting information in accordance with the regulatory practices prescribed by the Oklahoma Department of Education and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements-regulatory basis, Estimates of Need and Publication Sheet. Management has elected to omit substantially all of the disclosures required by generally accepted accounting principles. If the omitted disclosures were included in the financial statements and schedules, they might influence the user's conclusions about the financial position and the results of operations.

My responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of financial statements and supporting information without undertaking to obtain or provide and assurance that there are no material modifications that should be made to the financial statements and supporting information.

This report is intended solely for the information and use of the Oklahoma State Department of Education, the School District, the County Excise Board, and for filing with the State Auditor and Inspector and should not be used by anyone other than these specified parties.

State of Oklahoma, County of Cherokee

We, do further certify that we have examined the statement of estimated needs for the current fiscal year ending June 30, 2014, as certified by the Board of Education of Cherokee Immersion Charter School, District Number T-001 of said County and State, and its financial statement for the preceding year, and in so doing we have diligently performed the duties imposed upon this Excise Board by 68 O. S. 2001 Section 3007, by (1) ascertaining that the financial statements, as to the statistics therein contained, reflect the true fiscal condition at the close of the fiscal year, or caused the same to be corrected so to show; (2) struck from the estimate of needs so submitted any items not authorized by law and reduced to the sum authorized by law any items restricted by statute as to the amount lawfully expendable therefor; (3) supplemented such estimate, after appropriate action, by an estimate of needs prepared by this Excise Board to make provision for mandatory functions based upon statistics authoritatively submitted; (4) computed the total means available to each fund in the manner provided, applying the Governing Board's estimate of revenue to be derived from surplus tax of the immediately preceding year and from sources other than ad valorem tax, or reduced such estimate to not less than the lawfully authorized ratio of the several sums realized from such sources during the preceding fiscal year or to such lesser sum as may reasonably be anticipated under altered law or circumstance and using for such determination the basic collections of the preceding year and the ratios on which distribution or apportionment must be made during the ensuing or current year.

To the several and specific purposes of the estimated needs as certified, we have and do hereby appropriate the surplus balances of cash on hand of the prior year, estimates of income from sources other than ad valorem taxation within the limitation fixed by law, and the proceeds of ad valorem tax levy within the number of mills authorized, either by apportionment by the Legislature, allocation by the excise board or by legal election, all of which appropriations are made in so far as the available surpluses, revenues, and levies will permit, except in that we have also provided that, after deducting items consisting of cash and the revenue from all sources other than the 2014 tax and the proceeds of the 2014 tax levy are in excess of the residue of such appropriations, by a sum included for delinquent tax, computed at 10.0% of such residue. And provided further, if said School District has been ascertained to be a well defined State Aid District, the local budget, as approved and appropriated for, has been applied wholly to its operating accounts.

We further certify that the amount required to be raised from tax, excluding Homesteads, for General Revenue Fund purposes as approved, requires a total ad valorem tax levy of 35.000 Mills. Said levy is within the statutory limit, and if in excess, is within the constitutional limit and has been authorized by a vote of the people of said district, as shown by certificate of the School Board to-wit:

To this District, with valuations shown below, the Excise Board allocated 5.000 Mills, plus 15.000 Mills authorized by the Constitution, plus an emergency levy of 5.000 Mills; plus local support levy of 10.000 Mills; for a total levy for the General Fund of 35.000 Mills.

We further certify that the amount required to be raised for building fund purposes as approved requires a tax levy of 5.000 Mills, and said levy has been certified as authorized by a vote of the people at an election held for that purpose. We further certify that Assessed Values used in computing Mill-vote levies have been applied as certified by the County Assessor.

We further certify that we have examined the within statements of account and estimated needs or requirements of the Governing Board of Cherokee Immersion Charter School, School District No. T-001 of said County and State, in relation to the Sinking Fund or Funds thereof, and after finding the same correct or having caused the same to be corrected pursuant to 68 O. S. 2001 Section 3009, have approved the requirements therefor to fulfill the conditions of Section 26 and 28 of Article 10, Oklahoma Constitution, and have made and certified a tax levy therefor to the extent of the excess of said total requirements over the total of items 2, 3, 6, and 12 of Exhibit "Y" and any other legal deduction, including a reserve of 10% for delinquent taxes.
