

Town of Indianhoma, Oklahoma
Budget Message
For the Year Ending June 30, 2017

On the following pages is the budget document for the Town of Indianhoma, Oklahoma for the fiscal year 2016-2017 as required by Oklahoma Statutes (O.S. Title 11, Secs. 17-201 through 17-216).

This document adequately provides for the programs, services, and capital expenditures determined to be necessary and beneficial by the Town Board of Trustees, and it provides for certain amounts of fund balances to be retained which would be available for cases of public emergency or would be carried forward to the next fiscal year, if not used.

The document is prepared in a format to show the following information about the revenues, expenditures, and fund balances of each of the Town's operating funds:

Actual amounts for 2014-2015
Budgeted amounts for 2015-2016
Actual amounts through 03/31/2016
Proposed Budget amounts for 2016-2017

The format is designed so that members of the board of trustees, staff, and the general public can readily see the past, present, and expected future activities within each fund.

Under the budget process, board members and staff will review a preliminary version of the budget document and will make any changes which they agree are appropriate and necessary. A recommended budget document, containing any such changes, will then be brought before the Town Board of Trustees at a public hearing to enable the Board to receive additional information and feedback regarding the budget from the Town's citizens. After such hearing, further changes may be made to the budget before its final adoption by the Board prior to its submission to the Oklahoma State Auditor and Inspector.

It is the intent and hope of the Board that this process will allow for the diligent, timely, and responsible preparation of a fiscal budget document which can best serve the needs of the Town of Indianhoma and its citizens.

Sincerely,

Mayor
Town of Indianhoma
