### COTTON COUNTY EMERGENCY MEDICAL SERVICE DISTRICT STATUTORY REPORT FISCAL YEAR ENDING JUNE 30, 2014

#### SCHEDULE OF FINDINGS AND RESPONSES

#### Finding 1 – 2014 - Expenditure Process (Repeat Finding)

**Condition:** While testing expenditures for the Cotton County Emergency Medical Service District, it was noted that the District Board meeting minutes documented that the expenditures were approved for payment but only after the Board of Commissioners had made the payment. Therefore, payments are being made and sent to the vendor before Board approval.

**Cause of Condition:** Policies and procedures have not been designed to check completeness, authorization, and provide adequate documentation to support disbursements.

**Recommendation:** OSAI recommends all invoices, tickets and/or statements documenting the District's disbursements be signed by a Board member, taking responsibility for verifying the goods or services were received. OSAI also recommends that the EMS expenditures be approved by the Board before payment is issued to the vendors. Furthermore, the Board minutes currently only reflect that disbursements are approved for payment. The Board minutes should include the vendor, the purchase order/claim number, and the amount approved for payment.

#### **Management Response:**

**EMS Chairperson:** The expenditure process will be reviewed by the Board to determine how the District will document the review and approval process as necessary.

**Criteria:** Internal controls should be designed to analyze and check accuracy, completeness, and authorization of disbursements and/or transactions.

An aspect of internal control is the safeguarding of assets. Internal controls over safeguarding of assets constitute a process, affected by the entity's governing body, management, and other personnel, designed to provide reasonable assurance regarding prevention or untimely detection of unauthorized acquisition, use, or disposition of the entity's assets and safeguarding assets from loss, damage, or misappropriation.
