**INTRODUCTORY INFORMATION**

**BOGUS CHECK RESTITUTION PROGRAM**

The bogus check program was created by the Oklahoma Legislature in 1982 as a special type of deferred prosecution program and every district attorney is required to operate a bogus check program. The program provides an alternative way to handle bogus check cases without any additional cost to courts, prosecutors, or the state prison system. The primary emphasis of the program is collecting restitution for the victim of the crime, rather than punishing the offender.

Bogus checks are a significant cost to business, a cost that is passed on to the consumer and paid by all citizens and taxpayers in the state. The program offers a manner to address criminal conduct without sending many offenders to state prisons.

**SUPERVISION FEE AND SUPERVISION FEE STATE REMITTANCE PROGRAMS**

The district attorney supervision fee program was created by the Oklahoma Legislature in 2005 as an alternative from supervision by the Department of Corrections. When the court imposes a deferred or a suspended sentence for any offense and does not order supervision by the Department of Corrections, the offender shall be required to pay the district attorney a monthly supervision fee. However, the legislation provides that in hardship cases, the district attorney shall expressly waive all or part of the fee.

Beginning on July 1, 2019, a supervision fee state remittance account was created pursuant to 22 O.S. § 991d (2) amended as follows, “Any fees collected by the district attorney pursuant to this paragraph shall be deposited in the General Revenue Fund of the State Treasury.” Fees collected at the district offices are deposited monthly with the county treasurer and transferred monthly for annual budgeted appropriations at the state level.

**991 FEE AND 991 FEE STATE REMITTANCE PROGRAMS**

The district attorney 991 fee program was created by the Oklahoma Legislature in 2013. If the offender is *not* ordered supervision by the district attorney (as described above) “the offender shall be required to pay a fee to the district attorney’s office during the first two (2) years of probation to compensate the district for the costs incurred during the prosecution of the offender and for the additional work of verifying the compliance of the offender with the rules and conditions of his or her probation.” However, the legislation provides the district attorney may waive any part of this requirement in the best interests of justice.

Beginning on July 1, 2019, a 991 fee state remittance account was created pursuant to 22 O.S. § 991a (1)(ii) amended as follows, “Any fees collected by the district attorney pursuant to this paragraph shall be deposited in the General Revenue Fund of the State Treasury.” Fees collected at the district offices are deposited monthly with the county treasurer and transferred monthly for annual budgeted appropriations at the state level.

**RESTITUTION AND DIVERSION PROGRAM**

The restitution and diversion program was created by the Oklahoma Legislature in 2001 as a special type of deferred prosecution program. The legislation required that each district attorney create such a program. The purpose of the program is to allow the district attorney the discretion to divert criminal complaints involving property crimes from criminal court and to collect restitution for victims.

The program allows the district attorney's office to receive, disburse, and monitor victim restitution payments. The program offers an alternative way to address criminal conduct.

**DRUG POSSESSION AND DIVERSION PROGRAM**

The drug possession and diversion program was created by the Oklahoma Legislature in 2016 as a special type of deferred prosecution program. This law allows district attorneys to enter into a written agreement with a defendant to defer prosecution of a charge for the possession of a controlled dangerous substance and possession of drug paraphernalia, or both, for a period to be determined by the district attorney, not to exceed twenty-four (24) months. During this period, the defendant shall be supervised in the community by the district attorney or by a private supervision program.

**DRUG ASSET FORFEITURE PROGRAM**

The drug asset forfeiture program was created by the Oklahoma Legislature in 1971. The fund is not subject to fiscal year limitations and is to be used for enforcement of controlled dangerous substance laws, drug abuse prevention and education, and is maintained by the district attorney to be used at his or her discretion for those purposes. The revenues for said fund come from the proceeds of forfeited assets. Any cash, vehicles, real property, or other assets used in the commission of or acquired as a result of a crime as described in the Uniform Controlled Dangerous Substances Act is presumed to be forfeitable.
