INTRODUCTORY INFORMATION

BOGUS CHECK RESTITUTION PROGRAM

The bogus check program was created by the Oklahoma Legislature in 1982 as a special type of deferred prosecution program and every district attorney is required to operate a bogus check program. The program provides an alternative way to handle bogus check cases without any additional cost to courts, prosecutors, or the state prison system. The primary emphasis of the program is collecting restitution for the victim of the crime, rather than punishing the offender.

Bogus checks are a significant cost to business, a cost that is passed on to the consumer and paid by all citizens and taxpayers in the state. The program offers a way to address criminal conduct without sending a large number of offenders to state correctional facilities.

DISTRICT ATTORNEY DRUG ASSET FORFEITURE PROGRAM

The drug asset forfeiture program was created by the Oklahoma Legislature in 1971. The fund is not subject to fiscal year limitations and is to be used for enforcement of controlled dangerous substance laws, drug abuse prevention and education, and is maintained by the district attorney to be used at his or her discretion for those purposes. The revenues for said fund come from the proceeds of forfeited assets. Any cash, vehicles, real property, or other assets used in the commission of or acquired as a result of a crime as described in the Uniform Controlled Dangerous Substances Act is presumed to be forfeitable.

DISTRICT ATTORNEY SUPERVISION PROGRAM

The district attorney supervision program was created by the Oklahoma Legislature in 2005 as an alternative from supervision by the Department of Corrections. When the court imposes a deferred or a suspended sentence for any offense and does not order supervision by the Department of Corrections, the offender shall be required to pay the district attorney a monthly supervision fee. However, the legislation provides that in hardship cases, the district attorney shall expressly waive all or part of the fee.

DISTRICT ATTORNEY SUPERVISION 991 PROGRAM

The district attorney supervision 991 program was created by the Oklahoma Legislature in 2013. If the offender is *not* ordered supervision by the district attorney (as described above) “the offender shall be required to pay a fee to the district attorney’s office during the first two (2) years of probation to compensate the district for the costs incurred during the prosecution of the offender and for the additional work of verifying the compliance of the offender with the rules and conditions of his or her probation”. However, the legislation provides the district attorney may waive any part of this requirement in the best interests of justice.

- Determine whether the District Attorney reconciles accounts with the County Treasurer's ledgers.
- Determine whether the District Attorney prepares and submits an annual report to the District Attorneys Council that reflects total collections and total disbursements for the Bogus Check Restitution Program, Supervision Program, and Supervision 991 Program.

Drug Asset Forfeiture Program:

- Determine that internal controls are designed and operating over the collections and disbursement process.
- Determine that the District Attorney maintains a true and accurate inventory of all property seized in accordance with 63 O.S. § 2-506.K.

- Review the distribution of proceeds to determine the distribution was in accordance with court orders pursuant to 63 O.S. §§ 2-506.K and 2-508.

- Determine whether the District Attorney prepares and submits an annual report to the District Attorneys Council reflecting the total collections, total disbursements, beginning and ending balances in accordance with 63 O.S. § 2-506.L.3.
- Determine if the District Attorney reconciles account balances with the County Treasurer.

All information included in the financial records of the bogus check restitution program, supervision program, supervision 991 program, and the drug asset forfeiture program are the representation of the District Attorney for their respective district.

Our engagement was limited to the procedures performed above and was less in scope than an audit performed in accordance with auditing standards generally accepted in the United States of America. Accordingly, we do not express an opinion on any basic financial statement of Osage or Pawnee County.

Based on our procedures performed, there were no exceptions noted.

This report is intended for the information and use of the District Attorney and District management. However, this report is a matter of public record and its distribution is not limited.
