**INTRODUCTORY INFORMATION**

**BOGUS CHECK RESTITUTION PROGRAM**

The bogus check program was created by the Oklahoma Legislature in 1982 as a special type of deferred prosecution program and every district attorney is required to operate a bogus check program. The program provides an alternative way to handle bogus check cases without any additional cost to courts, prosecutors, or the state prison system. The primary emphasis of the program is collecting restitution for the victim of the crime, rather than punishing the offender.

Bogus checks are a significant cost to business, a cost that is passed on to the consumer and paid by all citizens and taxpayers in the state. The bogus check program has been an effective way to address the economic problem caused by bogus checks. The program offers a way to address criminal conduct without sending a large number of offenders to state correctional facilities.

**DISTRICT ATTORNEY SUPERVISION PROGRAM**

The district attorney supervision program was created by the Oklahoma Legislature in 2005 as an alternative from supervision by the Department of Corrections. When the court imposes a deferred or a suspended sentence for any offense and does not order supervision by the Department of Corrections, the offender shall be required to pay the district attorney a monthly supervision fee. However, the legislation provides that in hardship cases, the district attorney shall expressly waive all or part of the fee.

**DISTRICT ATTORNEY SUPERVISION 991 PROGRAM**

The district attorney supervision 991 program was created by the Oklahoma Legislature in 2013. When the offender is *not* ordered supervision by the district attorney (as described above) “the offender shall be required to pay a fee to the district attorney’s office during the first two (2) years of probation to compensate the district for the costs incurred during the prosecution of the offender and for the additional work of verifying the compliance of the offender with the rules and conditions of his or her probation”. However, the legislation provides the district attorney may waive any part of this requirement in the best interests of justice.

**DISTRICT ATTORNEY DRUG ASSET FORFEITURE PROGRAM**

Most district attorneys in the state have a Drug Asset Forfeiture Fund. The fund is not subject to fiscal year limitations and is to be used for enforcement of controlled dangerous substance laws, drug abuse prevention and education, and is maintained by the District Attorney to be used at his or her discretion for those purposes. The revenues for said fund come from the proceeds of forfeited assets. Any cash, vehicles, real

property, or other assets used in the commission of or acquired as a result of a crime as described in the Uniform Controlled Dangerous Substances Act is presumed to be forfeitable.

Asset forfeiture is an effective law enforcement tool used by local district attorneys to deprive criminals of their ill-gotten gains by seizing the proceeds of criminal activity and property used to facilitate crime. The proceeds of seized, forfeited assets make a substantial contribution to the investigation and prosecution of drug related offenses.

Accordingly, we do not express an opinion on any basic financial statement of Pittsburg or Haskell County.

Based on our procedures performed, there were no exceptions noted.

This report is intended for the information and use of the District Attorney and the County Officials. However, this report is a matter of public record and its distribution is not limited.
