Dear Ms. Weaver:

We have performed procedures for fiscal year 2006 activity of the Court Fund Account for the purpose of complying with 20 O.S. § 1312. We have also performed procedures for fiscal year 2006 activity of the Court Clerk Revolving Fund as created by 19 O.S. § 220.

- Test receipts issued to determine whether: (1) the correct fee was collected, and (2) the receipt was properly accounted for in the financial records.
- Test Court Fund vouchers to determine whether the expenditure: (1) was properly supported by a claim, invoice, and receiving documentation, (2) was properly approved, (3) was properly classified, and (4) did not exceed appropriations.
- Test Court Clerk Revolving Fund vouchers to determine whether the expenditure: (1) was properly supported by a claim, invoice, and receiving documentation, and (2) was properly approved.
- Test District Court vouchers to determine whether they were properly accounted for and test supporting documentation for disbursements to determine whether the disbursements were issued in accordance with Court instructions.
- Determine whether Court Fund activity and/or balances reconcile to the County Treasurer's records.
- Determine whether the Court Clerk Revolving activity and/or balances reconcile to the County Treasurer's records.
- Determine whether the District Court case balances reconcile to the County Treasurer's depository ledger.

All information included in the reconciliations, the Court Fund appropriation ledger, the Court Clerk Revolving Fund, the monthly reports, and the cash receipts journal is the representation of the Court Clerk.

Our Court Clerk's engagement was limited to the procedures performed above and was less in scope than an audit performed in accordance with auditing standards generally accepted in the United States of America. Accordingly, we do not express an opinion on any general-purpose financial statements of Delaware County.

Based on the above reconciliations, tests, and procedures performed, it appears that the Court Clerk was collecting the correct fees and properly accounting for them; Court Fund vouchers were properly supported, approved, classified, and did not exceed appropriations; Court Clerk Revolving Fund expenditures were properly supported and approved; District Court vouchers were issued in accordance with Court instructions; and Court Fund, Court Clerk Revolving Fund, and District Court balances reconciled with the County Treasurer's records. With respect to District Court vouchers being properly accounted for, our finding is presented in the accompanying schedule of findings and responses.

We have included in this report the Court Fund Account Report, which was prepared from the Delaware County Court Clerk's quarterly reports, which were submitted to the Administrative Office of the Courts.

We have also included in this report the Court Clerk Revolving Fund Report, which was prepared by the Delaware County Court Clerk, which was submitted to the Administrative Office of the Courts.

This report is intended for the information and use of the Delaware County Court Fund Board and the Administrative Office of the Courts. This restriction is not intended to limit the distribution of this report, which is a matter of public record.

Sincerely,

STEVE BURRAGE, CPA
STATE AUDITOR & INSPECTOR

FINDINGS AND RESPONSES

Finding 2006-1 – Voided Vouchers

Criteria: Accountability and stewardship are overall goals of management in the accounting of funds. To help ensure a proper accounting of funds, all voided vouchers should be defaced and retained.

Condition: During test work it was noted that the District Court voucher book contained five vouchers that were marked void that were not listed as voids on the Court Clerk's voucher list. We also noted five District Court vouchers that were marked void on the Court Clerk's voucher list but were marked cancelled in the voucher book.

Effect: By not defacing and retaining voided vouchers, the Court Clerk increases the risk for misappropriation of funds.

Recommendation: OSAI recommends all voided vouchers be defaced and retained.

Views of responsible officials and planned corrective actions: The reason why those vouchers were marked as voids, but not listed as voids is due to deputies voiding the vouchers after they had already cancelled with treasurer. I have taken care of this by not allowing the deputies to void any vouchers unless they let me, the first deputy, or the bookkeeper take care of it.
