## INTRODUCTORY INFORMATION

Most district attorneys in the state have a Property Forfeiture Fund. The fund is not subject to fiscal year limitations and is to be used for enforcement of controlled dangerous substances laws, drug abuse prevention and education, and is maintained by the District Attorney to be used at his or her discretion for those purposes. The revenues for said fund come from the proceeds of forfeited assets.

Any cash, vehicles, real property, or other assets used in the commission of or acquired as a result of a crime as described in the Uniform Controlled Dangerous Substances Act is presumed to be forfeitable.

Asset forfeiture is an effective law enforcement tool used by local district attorneys to deprive criminals of their ill-gotten gains by seizing the proceeds of criminal activity and property used to facilitate crime. The proceeds of seized, forfeited assets make a substantial contribution to the investigation and prosecution of drug related offenses.

**Statutory Report**

Mr. Frederick Esser  
District Attorney, District 11  
Washington County Courthouse  
Bartlesville, Oklahoma 74003

For the purpose of complying with 74 O.S. §212 (E) and 63 O.S. §2-506, we have performed each of the following procedures as it relates to the records of the Property Forfeiture Fund for the fiscal year 2004:

- We examined a group of receipts and deposit slips for propriety.
- We reviewed sale documentation for selected cases to determine whether forfeited assets were sold after due notice at public auction to the highest bidder in accordance with 63 O.S. §2-508.C.3.
- For selected cases, the distribution of proceeds of the sale was reviewed to determine the distribution was in accordance with Court order pursuant to 63 O.S. §2-506.K.
- We determined whether expenditures tested were used for enforcement of controlled dangerous substance laws, drug abuse prevention and education in accordance with 63 O.S. §2-506.L.3.
- We determined whether expenditures tested were supported by approved claims, invoices, and independent verification that goods or services paid for were received in accordance with 63 O.S. §2-508.C.3.
- We determined whether the District Attorney prepared and submitted an annual report to the Board of County Commissioners showing the total deposits, total expenditures, beginning and ending balances in accordance with 63 O.S. §2-506.L.3.
- We determined whether expenditures were properly classified and whether the District Attorney reconciles the balance with the County Treasurer monthly in accordance with 63 O.S. §2-508.C.3.

Our engagement was limited to the procedures performed above and was less in scope than an audit performed in accordance with accounting standards generally accepted in the United States of America. Accordingly, we do not express an opinion on any general-purpose financial statements of Washington County or Nowata County.

Based on our procedures performed, the District is properly receipting and depositing the proceeds of forfeitures; forfeited assets were sold after proper notice at public auction to the highest bidder; the proceeds of forfeitures were distributed as directed by Court orders; expenditures were made for lawful uses; expenditures were supported by approved claims, invoices, and independent verification that goods or services paid for were received; the District Attorney prepared and submitted an annual report to the Board of County Commissioners; expenditures are properly classified and the District Attorney reconciles the balance of the Property Forfeiture Fund with the County Treasurer's records monthly.

We have included in this report a detailed analysis of the Property Forfeiture Fund.

This report is intended for the information and use of the District Attorney and Washington County and Nowata County officials. However, this report is a matter of public record and its distribution is not limited.

Sincerely,

JEFF A. McMAHAN  
State Auditor and Inspector
