INTRODUCTORY INFORMATION

The bogus check program was created by the Oklahoma Legislature in 1982 as a special type of deferred prosecution program, and every District Attorney is required to operate a bogus check program. The program provides an alternative way to handle bogus check cases without any additional cost to courts, prosecutors, or the state prison system. The primary emphasis of the program is collecting restitution for the victim of the crime, rather than punishing the offender.

Bogus checks are a significant cost to business, a cost that is passed on to the consumer and paid by all citizens and taxpayers in the state. The bogus check program has been an effective way to address the economic problem caused by bogus checks. The program offers a way to address criminal conduct without sending a large number of offenders to state correctional facilities.

For the purpose of complying with 74 O.S. § 212 (E) and 22 O.S. § 114, we have performed each of the following procedures as they relate to the records of the Bogus Check Restitution Fund for the fiscal year June 30, 2006.

- Examine fees to determine that the correct fees were assessed, received, and deposited in compliance with 28 O.S. § 153.
- Determine whether expenditures were used to defray lawful expenses of the District Attorney's office and restitution agreements do not exceed two years in accordance with 22 O.S. § 114; whether expenditures were supported by invoices and approved claims; and that goods or services paid for were received.
- Determine whether the fund reconciles to the County Treasurer's records.
- Determine that the District Attorney prepared and submitted an annual report to the District Attorney's Council showing the total deposits and total expenditures and that expenditures were properly classified and presented.

All information included in the financial records of the bogus check restitution program is the representation of the District Attorney for their respective district.

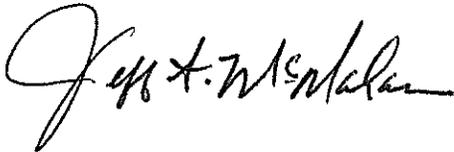

Our engagement was limited to the procedures performed above and was less in scope than an audit performed in accordance with auditing standards generally accepted in the United States of America. Accordingly, we do not express an opinion on any general-purpose financial statements of Latimer or LeFlore Counties.

Based on our procedures performed; District 16 is properly assessing, receipting, and depositing the correct fees in compliance with 28 O.S. § 153; expenditures were used to defray lawful expenses of the District Attorney's office and restitution agreements do not exceed two years in accordance with 22 O.S. § 114; expenditures were supported by invoices and approved claims; goods or services paid for were received; the fund balance reconciles to the County Treasurer's records; the District Attorney is preparing and submitting an annual report to the District Attorney's Council; and expenditures were properly classified and presented.

We have prepared a detailed analysis of the Bogus Check Restitution Fund, which is presented following this report.

This report is intended for the information and use of the District Attorney and Latimer and LeFlore County officials. However, this report is a matter of public record and its distribution is not limited.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff A. McMahan". The signature is written in a cursive, flowing style.
