INTRODUCTORY INFORMATION

The bogus check program was created by the Oklahoma Legislature in 1982 as a special type of deferred prosecution program, and every District Attorney is required to operate a bogus check program. The program provides an alternative way to handle bogus check cases without any additional cost to courts, prosecutors, or the state prison system. The primary emphasis of the program is collecting restitution for the victim of the crime, rather than punishing the offender.

Bogus checks are a significant cost to business, a cost that is passed on to the consumer and paid by all citizens and taxpayers in the state. The bogus check program has been an effective way to address the economic problem caused by bogus checks. The program offers a way to address criminal conduct without sending a large number of offenders to state correctional facilities.

For the purpose of complying with 74 O.S. § 212 (E) and 22 O.S. § 114, we have performed each of the following procedures as they relate to the records of the Bogus Check Restitution Fund for the fiscal year 2004.

- We examined fees to determine that the correct fees were assessed, receipted, and deposited in compliance with 28 O.S. § 153.
- We determined whether expenditures were used to defray lawful expenses of the District Attorney's office in accordance with 22 O.S. § 114; whether expenditures were supported by invoices and approved claims; and that goods or services paid for were received.
- We reconciled the fund to the County Treasurer's records.
- We determined that the District Attorney prepared and submitted an annual report to the District Attorney's Council showing the total deposits and total expenditures and that expenditures were properly classified and presented.

All information included in the financial records of the bogus check restitution program is the representation of the District Attorney for their respective district.

Our engagement was limited to the procedures performed above and was less in scope than an audit performed in accordance with auditing standards generally accepted in the United States of America. Accordingly, we do not express an opinion on any general-purpose financial statements of Jackson, Tillman, Kiowa, Harmon, or Greer Counties

Based on our procedures performed; District 3 is properly assessing, receipting, and depositing the correct fees in compliance with 28 O.S. § 153; expenditures were used to defray lawful expenses of the District Attorney's office in accordance with 22 O.S. § 114; expenditures were supported by invoices and approved claims; goods or services paid for were received; the fund balance reconciles to the County Treasurer's records; the District Attorney is preparing and submitting an annual report to the District Attorney's Council; and expenditures are properly classified and presented. With respect to the matter of segregation of duties, our finding is presented in the attached Schedule of Findings and Recommendations.

We have prepared a detailed analysis of the Bogus Check Restitution Fund, which is presented following this report.

This report is intended for the information and use of the District Attorney and Jackson, Tillman, Kiowa, Harmon, and Greer County officials. However, this report is a matter of public record and its distribution is not limited.

Sincerely,

SCHEDULE OF FINDINGS AND RECOMMENDATIONS

Finding 2004-1 - Segregation of Duties

Criteria: Effective internal controls include duties be divided to prevent a single individual from controlling too many aspects of a financial transaction.

Condition: Due to the limited number of employees in the offices of Harmon, Greer, Tillman and Kiowa Counties, there were individuals who were primarily responsible for all or most of the calculating, reviewing, approving, disbursing and reporting of disbursements from Bogus Check Restitution Program accounts maintained in these counties.

Recommendation: In a small office, with limited personnel, it is often difficult to establish an adequate segregation of duties. Under the circumstances, usually the best control would be in management's understanding of the program's financial operation and the periodic review of the Bogus Check Restitution Program and financial records by a knowledgeable supervisor.

Views of responsible officials and planned corrective actions: We concur with the State Auditor's comments and will conduct periodic reviews of office operations.
