INTRODUCTORY INFORMATION

The bogus check program was created by the Oklahoma Legislature in 1982 as a special type of deferred prosecution program, and every District Attorney is required to operate a bogus check program. The program provides an alternative way to handle bogus check cases without any additional cost to courts, prosecutors, or the state prison system. The primary emphasis of the program is collecting restitution for the victim of the crime, rather than punishing the offender.

Bogus checks are a significant cost to business, a cost that is passed on to the consumer and paid by all citizens and taxpayers in the state. The bogus check program has been an effective way to address the economic problem caused by bogus checks. The program offers a way to address criminal conduct without sending a large number of offenders to state correctional facilities.

For the purpose of complying with 74 O.S. § 212 (E) and 22 O.S. § 114, we have performed each of the following procedures as they relate to the records of the Bogus Check Restitution Fund for the fiscal year June 30, 2005.

- We examined fees to determine that the correct fees were assessed, receipted, and deposited in compliance with 28 O.S. § 153.
- We determined whether expenditures were used to defray lawful expenses of the District Attorney's office in accordance with 22 O.S. § 114; whether expenditures were supported by invoices and approved claims; and that goods or services paid for were received.
- We reconciled the fund to the County Treasurer's records.
- We determined that the District Attorney prepared and submitted an annual report to the District Attorney's Council showing the total deposits and total expenditures and that expenditures were properly classified and presented.

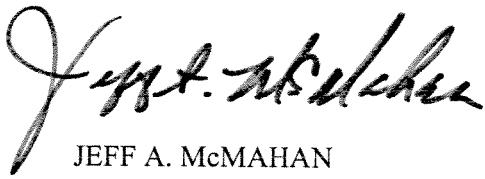

All information included in the financial records of the bogus check restitution program is the representation of the District Attorney for their respective district.

Our engagement was limited to the procedures performed above and was less in scope than an audit performed in accordance with auditing standards generally accepted in the United States of America. Accordingly, we do not express an opinion on any general-purpose financial statements of Stephens, Grady, Jefferson, or Caddo Counties.

Based on our procedures performed; District 6 is properly assessing, receipting, and depositing the correct fees in compliance with 28 O.S. § 153; expenditures were used to defray lawful expenses of the District Attorney's office in accordance with 22 O.S. § 114; expenditures were supported by invoices and approved claims; goods or services paid for were received; and the District Attorney is preparing and submitting an annual report to the District Attorney's Council. With respect to the matter of the fund balance reconciling to the County Treasurer's records, and the District Attorney preparing and submitting an accurate annual report to the District Attorney's Council, our findings are presented in the attached Schedule of Findings and Recommendations.

This report is intended for the information and use of the District Attorney and Stephens, Grady, Jefferson, and Caddo County officials. However, this report is a matter of public record and its distribution is not limited.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff A. McMAHAN". The signature is written in a cursive style with a large initial "J".

SCHEDULE OF FINDINGS AND RECOMMENDATIONS

Findings 2005-1 – Reconciliation

Criteria: Effective internal controls over accounting and record keeping are necessary to ensure the accurate financial position of the District Attorney Bogus Check Program. In addition, safeguarding controls are an aspect of internal control. Safeguarding controls relate to the prevention or timely detection of unauthorized transactions and unauthorized access to assets. Failures to perform tasks that are part of internal controls, such as reconciliations not prepared or not timely prepared, are deficiencies in internal control. Further, reconciliations should be performed on a monthly basis.

Condition: The District Attorney's Bogus Check (Caddo County) Account balance at June 30, 2005, is not reconciled with the County Treasurer's balance.

Recommendation: We recommend the District Attorney's office maintain accurate ledgers for the Bogus Check Fund and reconcile this fund with the County Treasurer at the end of each month.

Views of responsible officials and planned corrective actions: The District Attorney's office will implement procedures to reconcile the Bogus Check Fund ledgers to the County Treasurer's balance at the end of each month.

Findings 2005-2 – Bogus Check Fund Analysis

Criteria: Title 22 O.S. 2001, § 116 states, "District Attorneys shall prepare and submit an annual report to the District Attorney's Council showing total deposits and total expenditures in the Bogus Check Restitution Program."

Condition: The District Attorney's Bogus Check (Caddo County) Annual Report does not balance at June 30, 2005, to the County Treasurer's balance at the end of the year.

Recommendation: We recommend the District Attorney's Bogus Check Annual Report balance with the County Treasurer's balance at the end of the year.

Views of responsible officials and planned corrective actions: The District Attorney's office has implemented procedures to correct this problem.
