June 1, 2015

Honorable Mayor and  
Members of the City Council  
City of Lindsay, Oklahoma

I am pleased to submit the preliminary budget for the fiscal year July 1, 2015 through June 30, 2016. The budget is submitted in accordance with the City Charter and Oklahoma Municipal Budget Act. The deadline for approval is June 8, 2015 with submission of the final budget to the Oklahoma State Auditor and inspector due on or before July 1, 2015.

Please find attached the proposed budgets for all City of Lindsay funds and the Lindsay Public Works Authority.

Budgets for the main funds include:

- Audited revenues and expenditures for fiscal years 2011-12, 2012-13 and 2013-14.
- Budgeted revenues and appropriations for the current fiscal year 2014-2015.
- Projected revenues and expenditures for the current fiscal year 2014-2015.
- Projected revenues and proposed appropriations for the upcoming fiscal year 2015-2016.

## Analysis

The budget for the fiscal year 2015-2016 reflects Revenues/Expenditures in the amount of \$6,309,926 for the City (37.54% increase) and \$9,645,770 for the Lindsay Public Works Authority (21.33% increase).

The increase in the City's Expenditures includes the Parks Department's \$2,500,000 swimming pool capital project. The City Funds include transfers in the amount of \$1,786,947 from excess LPWA funds and \$1,000,000 from the Emergency 1% sales tax fund.

The increase in the LPWA's Expenditures includes the Water Plant's \$700,000 pre-filtration capital project (one-half covered by a CDBG grant) and \$1,000,000 for the Electric and Water Distribution Departments' AMI capital project. The LPWA Funds include a transfer in the amount of \$850,000 from the LPWA Improvement Fund.

Sales tax revenue was projected using trend analysis. Sales tax is projected to increase 14.36% over fiscal year 2014-2015 budget but decrease 20.57% from fiscal year 2014-2015 projected actual revenue. Staff believes that this conservative approach is warranted due to the correlation between sales tax revenue and oil prices.

Finally the budget reflects the efficiencies in reducing the City's seventeen checking accounts into the lowest number allowed by Oklahoma statutes and the City's requirements. This pooled cash approach will assist staff in reducing the number of times cash is handled due to a reduction in account transfers, and should ultimately provide a clearer picture of revenue and expense distribution to all stakeholders moving forward.

### **Council Priorities**

In February 2014 the City Council identified 7 key goals that would assist in improving Lindsay's quality of life and long-term stability. These goals are:

- Goal 1: Maintain excellent, conservative finances while efficiently delivering the services desired by its citizens.
- Goal 2: Improve Lindsay's basic infrastructure.
- Goal 3: Improve the visual appearance of Lindsay.
- Goal 4: Improve staff efficiency through the use of technology and training.
- Goal 5: Promote economic development and a diversified economy.
- Goal 6: Provide a safe and prepared City.
- Goal 7: Promote cultural and recreational opportunities for locals and tourists.

These priority areas provide guidance for departmental operations and the preparation of the budget. Following are some of the activities in the proposed budget that are tied to these goals:

- Capital allocation for water plant improvements and land acquisition for expanded services in Water Distribution Department. Goals 2, 4, 5
- Capital allocation for AMI meters in the Water Distribution and Electric Departments. Goals 2, 4, 5
- Capital allocation for a new public pool. Goals 3, 7
- Capital allocation for City building renovations. Goals 2, 3, 4, 5
- Capital allocation for backup generator at the Fire Department. Goal 6

### **Personnel Services**

The combined budget includes payroll for 46 full-time and 5 part-time City employees and 23 full-time and 14 part-time/seasonal employees in the LPWA. The proposed budget includes initial increased costs of select departments moving to a Step compensation program. This budget also reflects the Fire Department moving to a 28-day overtime cycle from the current cycle of 14-days. This budget accommodates one personnel change, the addition of one full-time police officer and the elimination of the current part-time officer position. This should result in a reduction of departmental overtime expenses.

Health insurance premiums have again remained stable for the City, and as such there are no proposed changes to deductibles this cycle. Retirement will also remain at 10% with the Oklahoma Municipal Retirement Fund which we believe will remain fully funded and stable for 2015-16. Staff is still working through the potential issues of the Firefighter Pension and Police Pension programs as the State of Oklahoma begins to require the reporting of local portions of the State's liability on financials in the future. We will not know the actual implications of this move until the 2015-16 financial audits.

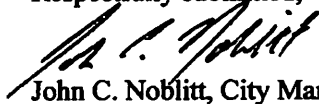

Human resources still remains a key issue in how staff budgets. Administration is currently working towards a wellness program that would provide additional benefits to employees, with the intent that healthier staffs do play a role in how premiums are established. City is looking at establishing an Employee Assistance Program this fiscal year. This program provides resources to deal with mental and psychological issues, as well as substance abuse. Administration believes that this adds to our commitment to our employees in a tangible way, and addresses issues that we have been unable to address in the past.

### Summary

The fiscal condition of the City is excellent. The conservative financial policies of the City have built up strong cash balances that can now be used to fund the many capital projects included in this budget. I believe that the budget presented to the City Council reflects a firm commitment to improve the community where we can through outlays for additions, and improvements, to amenities and infrastructure. I also believe it reflects our staff's commitment to fiscal responsibility by allocating appropriate funds to properly maintain the assets belonging to the City of Lindsay and the Lindsay Public Works Authority.

I would like to thank all the staff for their part in preparing this budget. They have spent countless hours reviewing and revising allocation requests and proposed capital purchases. Our Finance Department has prepared a budget document that should be very easy for the general public to review and understand. For that I commend them. As always, the Department Heads continue do a great job managing their budgets to the benefit of the citizens of Lindsay. We once again look forward to working with the City Council during the implementation of this budget.

Respectfully submitted,

  
John C. Noblitt, City Manager
