Honorable Mayor and
Members of the City Council
City of Chickasha, Oklahoma

Submitted herewith is the proposed budget for the fiscal year July 1, 2018 through June 30, 2019. The budget is a means of presenting, in financial terms, the plan to accomplish the City's objectives during the coming year.

Chickasha will continue to focus on improving public infrastructure, improving the visual appearance of the community, adding efficiencies to city operations, and improving the fiscal management of all funds. The budget has several funds for the various revenues and associated expenditures for the program of services to meet the needs of our citizens and the community.

Major Goals

The City's highest priority is improving the quality of life provided to the citizens. To better plan for, and provide, the services required to fulfill that obligation the City has identified seven (7) major goals to both support and measure those services. Each major goal has various objectives that support that goal. Some of those objectives cover multiple areas, so they may appear under multiple goals. This budget reflects the allocation of funds needed to assist in reaching these goals.

Goal 1: Maintain excellent, conservative finances while efficiently delivering the services desired by its citizens.

Objectives for Goal 1:

- 1.1 Continue to build towards and maintain a 90-day cash reserve in General City and CMA funds.
- 1.2 Earn an unqualified opinion on the annual audit.
- 1.3 Continue to pool funds and reduce financial reporting clutter by using better fund accounting principles.
- 1.4 Prepare quarterly training with staff on budgeting and accounting principles.
- 1.5 Prepare staff to move towards a performance based budget.
- 1.6 Continue to implement financial transparency program.

- 2.5 Utilize available grant funding to prepare a master drainage plan for future projects.

Goal 3: Improve the visual appearance of Chickasha.

Objectives for Goal 3:

- 3.1 Work with the Oklahoma Department of Transportation to improve gateways to the city.
- 3.2 Increase the number of Code Compliance cases to increase compliance with property maintenance code.
- 3.3 Create a joint task force to focus the city's efforts into improving problem neighborhoods.
- 3.4 Demolish 10 substandard structures.
- 3.5 Work with Council to create a program that fosters a sense of community pride.

Goal 4: Improve staff efficiency through the use of technology and training.

Objectives for Goal 4:

- 4.1 Work towards making customer utility consumption information available to the customer via website.
- 4.2 Train staff on overall city operations.
- 4.3 Train staff on how to apply basic business principals to add efficiencies to city operations.
- 4.4 Incorporate crime mapping system to help assign patrol to specific areas to reduce response time and increase proactive policing.
- 4.5 Incorporate new record management system for Police Department.
- 4.6 Incorporate MyGov system for code enforcement, permitting, inspections, and licenses.
- 4.7 Continue to work on uncluttering city website.

Goal 5: Promote economic development and a diversified economy.

Objectives for Goal 5:

- 5.1 Consider each economic development opportunity while focusing on diversifying Chickasha's economy.
- 5.2 Create a program to promote the development of housing.
- 5.3 Use available properties as economic development incentives.

- 6.6 Demolish 10 substandard structures.
- 6.7 Outfit all police personnel with working body cameras.
- 6.8 Utilize available grant funding for storm siren repair and replacement.

Goal 7: Promote culture and recreational opportunities for locals and tourists.

Objectives for Goal 7

- 7.1 Work with Chamber of Commerce to promote city amenities.
- 7.2 Develop a new parks plan.
- 7.3 Support the Chamber of Commerce's tourism program, and provide support for local historic buildings, museums and the arts.

- 7.6 Foster the creation of expanded entertainment and amusement district along Grand Avenue adjacent to Sports Complex.
- 7.7 Continue to work on uncluttering city website.

The Budget Book is organized by type of Fund/Service provided: General Fund, Special Funds, Economic Development Funds, Capital Improvement Funds, Chickasha Municipal Airport Authority Fund (CMAA), and Chickasha Municipal Authority Fund (CMA). This transmittal letter provides a summary of these funds, with more detail provided within the Budget Book.

General Fund

The General Fund provides funding for the operating budgets of the City including: Administration, Fire, Police, Parks and Recreation, Library, Public Works, Support Services, Finance, Community Development, and General Government.

General Fund Revenues:

Sales tax and other state taxes compose 80% of revenues in the General Fund, the single most important source. Sales tax could end fiscal 2017-18 with an increase as high as 9%. Staff does believe revenues will continue to improve at a slight increase due to the continued collection of online sales tax, and more activity in Chickasha. However, due to the trend of underestimation of past revenues staff is taking a conservative approach to the estimation of future revenues. Staff believes actual tax revenue will stabilize at less than 2% over last year for fiscal 2018-19. It is essential to remember that revenues are still impacted by oil and gas along the South-Central Oklahoma Oil Province (SCOOP), and the Sooner Trend Anadarko and Kingfisher (STACK) plays. As oil prices fluctuate we will need to adapt to remain revenue stable.

Formerly the transfer from the CMA Fund (Chickasha Municipal Authority) has been the second largest revenue item into the General Fund. This transfer was reduced by 42% and will continue to be lowered when appropriate. The past coverage of General Fund expenses through the CMA has prevented a true picture of the general fund deficit. By reflecting the fund condition more appropriately I believe it clearly shows that Chickasha must look at alternate revenue streams to avoid depleting the Chickasha Municipal Authority funds. Due to the fact general fund expenses have outpaced its revenues, this issue can no longer be pushed into the future.

FY 18 Budget:

FY 18 Budget	\$15,136,900
FY 17 Estimate	\$14,920,488

The revenues for the FY 18 Budget are \$216,412, or approximately 1.5% more than the FY 17 estimate. This increase is primarily due to the projected sales and use tax increases created by the new businesses set to open during the next fiscal year.

Of the General Fund revenues, in addition to Sales and other state taxes, CMA transfers are approximately 5%, and Franchise Fees are about 3.7%. These three sources account for 89% of total revenues for the General Fund. Sales taxes are dependent on consumer confidence as well as consumers purchasing within Chickasha rather than in other municipalities (sales tax leakage). Franchise taxes are dependent on weather (electric and gas). People moving from land lines to cellular has contributed to decreased phone franchise revenue, and cable is no longer seeing measurable increases.

General Fund Expenditures:

FY 18 Budget:

The FY 18 budget includes the full staffing of the Police and Fire Departments, as well as the cumulative labor totals related to the existing Collective Bargaining Agreements. It anticipated that the positions of Assistant Fire Chief, Public Works Director and Administrative Services (formerly Finance) Director will be filled this fiscal year, so those related costs are included as well. General fund also includes limited capital projects.

FY 18 Budget	\$16,413,067
FY 17 Estimate	\$15,053,000

The FY 18 Budget is \$1,360,067, or approximately 9% higher FY 17 Estimate as explained above. Expenditures are allocated in the following way:

Almost 43% of the budget is allocated to public safety, i.e. Police and Fire. 38% General Government Operations. 4% Administrative services, i.e. Administration, Finance, and Human Resources. 7% Library, and Parks. 7% Public Works, and Development Services. Capital project has been limited to what staff believes is essential to services.

Available Fund Balance:

Fund balance is typically reflected as an organizations equity when liabilities are subtracted from assets. For the City's purposes Available Fund Balance refers to the undesignated cash available for the coverage of budgeted expenditures, and is represented by the balance of cash and investments that each fund has in its bank account at the end of each year. In the General Fund it is preferable to have this fund balance to be 20% or more of expenditures, and no less than 15% of expenditures, based on Financial Policy. Having a healthy fund balance allows the City to adapt to changes in the economy that may reduce revenues, or to deal with emergencies outside of the normal operating expenses.

The following is a table that shows the surplus, when there are more revenues than expenses, and shortfalls, when there are fewer revenues than expenses, and the resultant end of year fund balance.

	FY16 <u>Actual</u>	FY 17 <u>Estimate</u>	FY18 <u>Budget</u>
Surplus/(Shortfall)	\$208,621	(\$132,512)	(\$1,276,167)
Fund Balance	\$1,421,999	\$1,289,487	\$13,320
% of Expenditures	10%	9%	Less than 1%

The biggest factor in the fund balance has been the coverage from the CMA transfer, by reducing the cash inflow the general fund's actual position is more clearly reflected. As seen above fund balance is well below the appropriate range. Administration will need the help of the Council to fill revenue gaps and prevent further deficits. This will result in staff cuts, and cuts in service levels if the city does not actively pursue increasing current revenue streams or create new income streams.

Position (FTE) Authorization:

The number of full time positions in the General Fund includes the addition of an Assistant Fire Chief.

Police	44
Fire	23
Public Works (Street & Fleet)	9
Parks and Recreation	8
Library	5
Finance	3
Community Development	3
Administration	4
Total	<u>99</u> Full Time Positions

Special Funds:**Donation Fund:**

All the fund balance is budgeted as expense under the area the revenue was dedicated for.

Cemetery Fund:

This fund utilizes revenues from lot fees, and grave opening/closure for maintenance items. This budget includes \$135,000 in budgeted expenses for road maintenance, landscaping, and a new equipment storage building.

Compensated Absences Fund:

This fund is to ensure that the city has funds available to pay leave amounts to employees who are leaving.

Combined Insurance Fund:

This fund receives shares from the other major funds to pay for Health Insurance, Workers Compensation Insurance and Property and Liability Insurance. The City will be reviewing this account in fiscal 2018-19 to plan for a major restructuring of the organizations benefits program.

Water Meter Deposit Fund:

Takes in the deposit money for each account and pays it back as the deposits are no longer needed.

Economic Development Funds**Tax Increment District (TIF) Fund**

This fund accounts for the revenue and reimbursement of expenses for the development of the project areas near 4th Street and Grand.

Chickasha Industrial Authority Fund

This fund accounts for the Hotel/Motel tax that is charged to every room in Chickasha. Of this amount 90% must be granted for economic development. This funds the Economic Development Corporation and tourism programs. For FY 18, the city is reducing Economic Development Council funding, and increase its tourism expenditure in anticipation of a revised Chamber, EDC, and CIA partnership agreement.

Economic Development Sales Tax Fund

This fund accounts for the sales tax approved by the voters for economic development. Both taxes have expired but share existing fund balance that must be used for economic development. Staff has budgeted \$2.7 million dollars for capital projects to be designated by the City Council in Fiscal 2018-19.

Capital Improvements Funds

CIP Dedicated Sales Tax

The CIP Dedicated Sales Tax Fund will provide funding for \$2.5 million for street, drainage, and water improvements and \$1.15 million for the debt service payment for past projects.

Capital Projects Fund

The Capital Projects Fund has budgeted \$3 million for various projects in 2018-19. The most significant projects is \$2 million for drainage improvements. Funding is also allocated for the Shannon Springs Bathhouse and electrical upgrades at Shannon Springs. \$150,000 has also been allocated as undesignated while staff accesses conditions at Washita Valley Park for a potential project.

Street and Alley Fund

The Street and Alley Fund provides \$415,000 in funding for striping, overlays, and traffic signal repair or replacement.

CMA CIP

The CMA CIP includes \$1.8 million dollars in infrastructure improvement and planning. Emphasis for use of this funding will be placed on potential use as matching funds for grant programs.

BOND FUNDS

This budget does not allocate any bond funding. It is anticipated that the remaining balance of bond funding will have been exhausted at the end of fiscal 2017-18.

Public Safety Funds

Emergency Medical Service Fund

This fund is for ambulance service, and is funded by collections from customer insurance, 522 Board contract, and transfers from other funds. Revenues are used to pay for some Fire Department positions directly connected to providing emergency medical services. This service is staffed by certified paramedics delivering the highest quality emergency care and transport to medical facilities.

Emergency 911 Fund

This fund pays for the maintenance and operational costs of the dispatch center. Personnel costs are in the General Fund.

Fire – EMS Training Fund

This fund pays for some training for Fire-EMS personnel. Funds come as a certain amount per accident responded to by an ambulance (\$8.00 per run) transferred from the Police Bond Fund.

Police Training Fund

This fund is to provide Police training and is funded from a transfer from the Police bond Fund.

Police Bond Fund

Court fees and fines are placed in this fund and are transferred to the Fire and Police Training Funds, as well as the General Fund.

Chickasha Municipal Airport Authority Fund

This fund receives revenues from airport operations and grants. The CMAA Fund includes \$1,000,000 allocated for hangar repair and construction. This expense will be allocated first to the maintenance of the existing hangars. Additional funding not used for maintenance will be used to fill the growing need for new hangar space at the airport.

Chickasha Municipal Authority Fund

This fund is responsible for the maintenance and development of the water and wastewater utilities, sanitation, and city land and buildings. Sub-funds are being provided for Water, Wastewater, Sanitation, Lake Chickasha. Maintaining and improving infrastructure is the key focus of the CMA. Staff will continue to utilize the Water/Wastewater Study to prioritize projects for Council selection, approval, and appropriate budget designation. Funding comes from rates, from the CMA sales tax, from the CIP Dedicated Sales Tax, from the Water Resources Fund, and from other future funding sources.

Revenues for the CMA Fund break down approximately as \$2.7 million in sales tax, \$5.89 million in utility revenue, and \$141,600 in rentals and leases.

Expenditures for the CMA Fund include but are not limited to \$1.7 million for sanitation, \$3.9 million for water and wastewater treatment, and \$2.1 million in capital projects.

Summary

Staff did a tremendous job working through a difficult budget cycle this past year. Finance staff and consultants assisted in giving us a truer picture of our financial position than we may have had in past years. The fiscal condition of the organization is weak, conservative financial policies moving forward are only one component of long term stability. Administration and the City Council must take a hard look at our revenue streams and develop a solution to the diminishing fund balances of the General and CMA funds. Despite this challenge the presented budget reflects a commitment to improve the community where we can through outlays for additions, and improvements, to amenities and infrastructure.

I would like to thank our Department Heads for working diligently to provide the requested budget items for their divisions. More importantly, I want to thank them for their commitment to serving the City and its citizens with sometimes limited resources. I would like to thank Susan McDaniel and Andrea Pinkerton who helped compile and prepare this document for your consideration. Finally, I would like to thank our staff accountant Robert Brooks for his advisement and assistance in verifying the information presented in this document. We all look forward to working with the City Council during the implementation of this budget.

Respectfully submitted,

John C. Noblitt, CPM
City Manager
