Dear Ms. Foster:

We have performed procedures for the period July 1, 2008 through June 30, 2010, activity of the Court Fund Account for the purpose of complying with 20 O.S. § 1312. We have also performed procedures for the period July 1, 2008 through June 30, 2010, activity of the Court Clerk Revolving Fund as created by 19 O.S. § 220.

- Test receipts issued to determine whether: (1) the correct fee was collected, and (2) the receipt was properly accounted for in the financial records.
- Test Court Fund vouchers to determine whether the expenditure: (1) was properly supported by a claim, invoice, and receiving documentation, (2) was properly approved, (3) was properly classified, and (4) did not exceed appropriations.
- Test Court Clerk Revolving Fund vouchers to determine whether the expenditure: (1) was properly supported by a claim, invoice, and receiving documentation, and (2) was properly approved.
- Test District Court vouchers to determine whether they were properly accounted for and test supporting documentation for disbursements to determine whether the disbursements were issued in accordance with Court instructions.
- Determine whether Court Fund activity and/or balances reconcile to the County Treasurer's records.
- Determine whether the Court Clerk Revolving activity and/or balances reconcile to the County Treasurer's records.
- Determine whether the District Court case balances reconcile to the County Treasurer's depository ledger.

All information included in the reconciliations, the Court Fund appropriation ledger, the Court Clerk Revolving Fund, the monthly reports, and the cash receipts journal is the representation of the Court Clerk.

Our Court Clerk's engagement was limited to the procedures performed above and was less in scope than an audit performed in accordance with auditing standards generally accepted in the United States of America. Accordingly, we do not express an opinion on any general-purpose financial statements of Grady County.

Based on the above reconciliations, tests, and procedures performed, and with respect to items tested, the Court Clerk was collecting the correct fees and properly accounting for them; Court Fund vouchers were properly supported, approved, classified, and did not exceed appropriations; Court Clerk Revolving Fund expenditures were properly supported and approved; District Court vouchers were properly accounted for and issued in accordance with Court instructions; Court Fund activity, Court Clerk Revolving Fund activity, and District Court case balances reconciled with the County Treasurer's records. With respect to the matter of segregation of duties, our finding is presented in the accompanying schedule of findings and responses.

We have included in this report the Court Fund Account Reports, which were prepared from the Grady County Court Clerk's quarterly reports, which were submitted to the Administrative Office of the Courts.

We have also included in this report the Court Clerk Revolving Fund Reports, which were prepared by the Grady County Court Clerk, which were submitted to the Administrative Office of the Courts.

This report is intended for the information and use of the Grady County Court Fund Board and the Administrative Office of the Courts. This restriction is not intended to limit the distribution of this report, which is a matter of public record.

#### Finding 2009/2010-1 – Segregation of Duties (Repeat Finding)

Criteria: Accountability and stewardship are overall goals of management in the accounting of funds. To help ensure a proper accounting of funds, key duties and responsibilities should be segregated among different individuals to reduce the risk of error or fraud. No one individual should have the ability to authorize transactions, have physical custody of property, and record transactions.

Condition: We noted instances in which a single person could be responsible for the recording, authorization, custody, and execution of revenue transactions. The following are concerns we noted:

- There are ten employees in the Court Clerk's office, including the Court Clerk. All employees work out of the two cash drawers.
- All Court Clerk employees perform the duties of receiving money and issuing receipts. The Court Clerk employees are also rotating the duties of balancing the cash drawer, preparing the deposit, making the deposit, and posting to the ledger. The one employee will perform all of these duties on the day of their rotation.

We also noted a concentration of duties in regards to a single person being responsible for recording, authorization, custody, and execution of expenditure transactions for the Court Fund:

• The Court Clerk is responsible for all actions associated with Court Fund expenditures. The Court Clerk is performing the duties of requisitioning, receiving goods and services, issuing vouchers (vouchers are posted to the ledger automatically), and mailing or delivering vouchers to vendors.

We also noted a concentration of duties in regards to a single employee being responsible for recording, authorization, custody, and execution of expenditure transactions for the District Court Fund:

- The Court Clerk is responsible for signing, distributing vouchers, and reviewing amounts to be vouchered to other funds
- The bookkeeper is performing the duties of preparing vouchers, calculating amounts to other agencies, signing vouchers, and mailing or distributing vouchers for refunds.

Effect: A single person having responsibility for more than one area of recording, authorization, custody of assets, and execution of transactions could result in unrecorded transactions, misstated financial reports, clerical errors, or misappropriation of funds not being detected in a timely manner.

Recommendation: OSAI recommends management be aware of these conditions and realize that concentration of duties and responsibilities in a limited number of individuals is not desired from a control point of view. The most effective controls lie in management's overseeing of office operations and a periodic review of operations. Regarding the receipting process, OSAI recommends management establish separate cash drawers for each employee that receipts monies. The cash drawer should be closed out, reconciled to the employee's daily receipts, and be approved by someone independent of the cash drawer. Regarding the disbursement process, the duties of issuing vouchers and the delivery/disbursement of vouchers should be separated.

#### LOIS FOSTER, COURT CLERK GRADY COUNTY, OKLAHOMA SCHEDULE OF FINDINGS AND RESPONSES FOR THE PERIOD JULY 1, 2008 THROUGH JUNE 30, 2010

Views of responsible officials and planned corrective actions: We do not have the space or ability to have more than one cash drawer. We do confirm with another employee any money we receive and change given back. A different person does the deposit daily. I suggest who does the deposit each morning; they never know who will be doing the deposit from day to day. Although, I as the Court Clerk write most of the Court Fund vouchers, someone else balances the books and does the end of the month report. No voucher is written from the Court Fund without a signed claim from our District Judge with bill attached. I as the Clerk, review the work done by the bookkeeper each quarter, she also must balance with the Treasurer and the County Clerk.
