INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

TO THE BOARD OF TRUSTEES OF THE
HUGHES COUNTY EMERGENCY MEDICAL SERVICE DISTRICT

We have performed the procedures enumerated below, which were agreed to by management of the Hughes County Emergency Medical Service District (the District), solely to assist you in evaluating the receipt and disbursement process, the safeguarding of capital assets, and in determining whether selected receipts and disbursements are supported by underlying records for the fiscal year ended June 30, 2008. This agreed-upon procedures engagement was conducted in accordance with standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States of America. The sufficiency of these procedures is solely the responsibility of the specified parties in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

1. We observed whether receipting, depositing, and reconciling functions are performed by separate employees.

Finding: The receipting and depositing functions within the District office were not performed by separate employees.

2. We selected 10 runs from the dispatch log book in order to:
 - A. Trace to the run sheet.
 - B. Agree fee charged to fee schedule.
 - C. Trace run number to the billing records.
 - D. If a payment was received:
 - i. Trace receipt number from billing records to receipt.
 - ii. Trace receipt to deposit slip.
 - iii. Agree cash/check composition of deposits to the receipts issued.
 - iv. Examine receipts to determine they are pre-numbered and issued in numerical order.
 - v. Agree date of receipts to date of deposit slip.
 - vi. For any voided receipts, observe the original receipt.
 - E. If no payment was received:
 - i. Observe second billing and/or list sent to collection agency.
 - ii. If the amount was written off, observe Board authorization for this action in the Board minutes.

There were no findings as a result of applying the procedures.

4. We confirmed with financial institutions all cash and cash equivalent balances and investment balances as of June 30.

5. We calculated 100% of the District's cash/cash equivalents in each financial institution and compared them to the fair market value of each financial institution's pledged collateral at June 30.

Finding: The District had deposits with First National Bank and Trust Company, Holdenville, Oklahoma, in excess of deposit insurance at June 30.

For the District's cash/cash equivalents in other financial institutions, there were no findings as a result of applying the procedures.

There were no findings as a result of applying the procedures.

10. We selected one payroll period in order to:

- A. Observe whether all employees prepared timesheets.
- B. Inspect timesheets for signatures of employees and supervisors.

There were no findings as a result of applying the procedures.

While performing these procedures, additional matters came to our attention:

Finding:

- For the payroll period tested, 7 of 19 timesheets were dated before the end of the pay period.
- For the payroll period tested, 1 of 19 timesheets was not dated.
