TOWN OF EAST DUKE OKLAHOMA
Fiscal Year 2020 - 2021 Annual Budget

BUDGET MEMO

DATE June 4, 2020
TO Town of East Duke, Council Members
FROM Tracy Reed, CPA
RE 2020/2021 Annual Budget

The FY 2021 Annual Budget for the Town of East Duke is presented, as attached, for approval by the Council in accordance with the Oklahoma Municipal Budget Act.

The budget includes the following highlights for fiscal year 2020 / 2021:

- This is an unusual year as the national economy is reeling from COVID-19 coupled with Oklahoma's specific oil/gas reliance. Russell Evans, an economist based at Oklahoma City University, spoke at the City of Oklahoma City council meeting in mid-April 2020 referencing the local economy was already shaky at the start of the 2020 calendar year and the collapse in oil prices has exacerbated the challenges faced by the city and state. It is likely the U.S. economy will shrink 25% to 40% starting in June 2020 and continue through the summer and fall.
- The New York Times reported on April 24, grocery stores, pharmacies and other sellers of essential items experienced a surge of demand in March 2020, which was outweighed by a steep decline in other categories as businesses shuttered and shoppers restricted their spending. Sales at gas stations, pushed down by low oil prices as well as reduced commuting, fell 17 percent. With sales taxes being the biggest source of revenue for most cities, we will see this plunge in revenue directly as business activity grinds to a halt and consumers stay home. Even as we stretch finances temporarily - by trimming budgets, appropriating funds earmarked for other purposes or passing emergency legislation - the economic recovery is expected to be slow.
- In light of the above information, we have prepared the following breakdown of sales tax revenue provided by the Oklahoma Tax Commission. We utilized this breakdown in projecting the impact of COVID-19 on the municipality.

Sales Tax Top 5 for Duke	
Electric Power Generation	23.93%
Convenience Stores	8.68%
Automotive Parts and Accessories Stores	6.64%
Electrical Apparatus and Equipment, Wiring Suppli	6.55%
Linen Supply	5.94%
	51.74%

- Sales tax has been budgeted at 75% of current year projections. All other recurring revenues are budgeted at 80%, as indicated. This equates to a reduction in budgeted Tax revenues of <~\$15k> from this years projected revenue collections.
- Utility Revenue collections have been decreased by 8% from our current year projections, due to the expected impact of unemployment related to the pandemic. This equates to a reduction in budgeted Utility revenues of <~\$95k> from our projected collections this year.
- We have decreased our cost to purchase water by \$30k, as we expect to use more water from our wells in FY21.
- The only Capital Outlay included in the budget is \$20k for a replacement vehicle for the Duke Municipal Authority.
- No pay increases are budgeted for employees.
- All debts were paid off in FY20.
- Per council's request, no rate increases are included in the budget at this time. We would always recommend that, at a minimum, our utility rates be increased in line w/ inflation, which is currently 1%. A 1% rate increase across all utilities is projected to generate \$10,679.

TOWN OF EAST DUKE OKLAHOMA
Fiscal Year 2020 - 2021 Annual Budget

BUDGET MEMO

- As of May 31, 2020, the municipality had 1,435 and 189 days of cash on hand in the General fund and BPWA, respectively, based on the current year projected expenditures. This represents the number of days the municipality can support the current expenses based on the cash balance at May 31, 2020.
- If fiscal year 2021 proceeds in line with the proposed budget, the municipality will have 480 and 206 days of cash on hand in the General fund and CDA, respectively, at June 30, 2021.
- **This budget projects an overall loss of <\$56,520> for fiscal year 2021.**
- *Please keep in mind that Oklahoma municipalities have to rely upon tax and utility revenues to provide services to citizens. These revenues must be able to fund current operations and capital outlay, as well as provide reserves for future capital projects.*

In accordance with Section 17-208, Title 11, Oklahoma Statutes, the FY 2021 budget was presented to Council on May 11, 2020 for consideration.

The legal level of control for the Town's 2020 / 2021 budget is established at the Department level. Additional detail is provided for analysis purposes only.
