Shane Becker  
Accountant

(Member of Government Finance Officers Association of the United States and Canada)

The International Association of Character Cities was established to help cities implement character-building programs. Through the Character First program, character building in others is promoted by modeling good character before them. It is also promoted by developing character in your own life, your family, and those around your jurisdiction.

The Ponca City Commission was approached by the Ponca City Leadership Class of 2000 to consider establishing Ponca City as a City of Character. A Character City is one in which the elected officials, community leaders, and citizens at large recognize the importance of good morals and are actively creating an atmosphere which encourages character development through the implementation of character programs in every sector of the community. This commitment was pursued through the public declaration of the City Commission by Resolution No 5095 approved on June 26, 2000, which clearly stated the goal of encouraging all citizens to develop good character.

In October of 2000, the municipal government of Ponca City entered into the Character First program by delivering the character building curriculum to all City employees. Through this effort, the City has taken the lead to build good character in the community, which makes a person a better spouse, parent, employee, neighbor and citizen.

## *City Advisory Boards . . .*

### *Direct Input of the Community*

**City of Ponca City's Advisory Boards provide an opportunity for all citizens to have an active role and voice in their municipal government through advisory boards, which initiate in-depth studies of specific areas of responsibility and make recommendations to the Mayors and Commissioners.**

#### **Airport Advisory Board**

This board advises and makes recommendations to the Board of Commissioners on the planning, development, maintenance, operations, and policing of the airport.

#### **Animal Control Commission**

This commission advises and makes recommendations to the Board of Commissioners on improvements and operations of the Animal Control Center; all ordinances for the control, regulation and licensing of animals in the City and any and all legislation concerning animals kept within the limits of the City.

#### **Board of Adjustment**

This board decides request for zoning variances and appeals from decisions made by administrative officials on the enforcement of zoning regulations.

#### **Construction Appeals Board**

This board hears all appeals regarding code enforcement officer decisions referencing electrical, mechanical, plumbing, building and/or fire codes.

#### **Library Board**

This board considers all phases of library operations and makes recommendations to the Board of Commissioners for improvements in any area of library operations.

#### **Park & Recreation Board**

This board sets policies for the operation of the park and recreation program, reviews and approves individual programs and capital improvement projects budget.

#### **Personnel Board Commission**

This board advises the City Manager and the Board of Commissioners on matters of personnel policy and problems of personnel administration, representing the interest in the improvement of personnel administration in the City's service.

#### **Planning Commission**

This commission considers and investigates subject matters tending to the development and betterment of the City and makes recommendations concerning the adoptions of surveys, maps and plans.

#### **Senior Advisory Board**

This board advises the Board of Commissioners and the City of Ponca City on any and all matters concerning, encouraging, fostering, and promoting senior development, in order to increase the well-being and quality of life of Ponca City's senior population.

#### **Cultural Affairs Commission, Historic Preservation Advisory Panel, and E.W. Marland Commission**

These boards advise the Board of Commissioners on operations of our city's resources, and are pro-active in creating and developing a community-wide vision for Ponca City.

## *Our* **Mission Statement**

### *Purpose...*

The purpose of the City of Ponca City is to provide all citizens quality public services in the most efficient and effective manner possible, utilizing qualified and dedicated employees, with accessible, well-maintained facilities and infrastructure.

### *Management*

## FINANCIAL POLICIES

**The City of Ponca City has a series of financial policies, listed below, to set guidelines for financial management of the City. These financial policies aid in the budget and decision making process for City staff and the City Commission.**

- Annually prepare a budget, submit it to the City Commission for approval and prepare a budget document available to citizens.
- Identify costs and funding sources by type before presenting a proposed operating and capital improvements budget for approval.
- Provide for sound financial planning, including funding of depreciation and adequate working capital in all funds.
- Operate the Finance Department in a manner that will assure the best possible audit results and bond rating.
- Take measures to protect against catastrophic losses through a combination of insurance, funded self-insurance, and cash reserves.
- Provide for recommended maintenance and replacement of facilities and equipment.
- View the budget as a dynamic rather than static plan that will require periodic amending as priorities and circumstances change.
- Encourage citizen involvement through City boards and commission and a series of open budget meetings.
- Pay for all current year operating expenses with current year revenues and/or available fund balance.
- Provide for adequate funding of all pension plan liabilities.
- Maintain a positive cash balance in each operating fund at the end of each fiscal year.
- Evaluate the relative merit of all proposed capital projects according to the Strategic Plan of the City of Ponca City.
- Give priority to capital projects that are mandated by federal or state legislation.
- Establish bond reserves based on the requirements of each issue.
- Maintain on average, restricted fund balances in accordance with target amounts established by the City Commission.

June 13, 2016

The Honorable Homer Nicholson, Mayor  
Members of the City Commission  
City of Ponca City, Oklahoma  
Ponca City, Oklahoma

Mayor and Commissioners of Ponca City:

I am pleased to present to you the proposed Fiscal-Year 2016-2017 Annual Operating and Capital Improvement budget for the City of Ponca City (City) and Ponca City Utility Authority (PCUA), which begins July 1, 2016. The document outlines the City's administrative structure, departmental finances, and work plans for the coming fiscal year. This budget is in a balanced form, as required and defined by the Oklahoma Municipal Budget Act. Its focus is to create shareholder value by maintaining an aggressive capital improvement program as well as service delivery.

The contraction that began last year in the local economy due to the reduction in oil and gas exploration has continued. While we believe there has been a leveling off recently, the first few months of next fiscal year will tell us more. With that in mind, this year's budgeted sales tax collections are budgeted for next fiscal year on a conservative basis which is two percent (2%) less than the current fiscal year's actual sales tax collections. Staff continues to maintain a fiscally conservative outlook, and management continues to strategically evaluate operational efficiencies. This has proven to be a sustainable course of action allowing our residents to continue enjoying the same high standard of quality services and programs unique to our community.

The fiscal 2016-17 budget provides for City and PCUA expenditures totaling \$101,002,804, which represents a 0.37% decrease from the prior year's budget. Included in this budget is \$8,048,667 in capital improvements. The full time employee base across the City and PCUA is proposed to remain at 392 full time positions. The year's budget also includes a 27<sup>th</sup> pay period, which occurs approximately every thirteen years. Staff believes that the employees, in collaboration with the residents of the community, truly make Ponca City a great place to live, work and play.

Over the last several years, staff has put an emphasis on working safely. This message has been carried throughout the organization and is reflected in the amount of funding for the City's Workers Compensation program. This year we were able to reduce the funding by one percent (1%) across the board. This is a testament to the employees' commitment to safety.

Letter to Homer Nicholson, Members of the City Commission

Page 2

June 13, 2016

This past fiscal year saw several large projects funded, including projects and equipment such as:

- upgrade the City Commission Chamber's audio/video system
- four new police vehicles
- a fire brush truck
- a street asphalt patch truck
- electric system maintenance
- a large electric bucket truck
- three solid waste packers trucks
- reconstruction of a Stormwater channel
- waterproofing the north terrace at the Marland Mansion
- Phase One rehabilitation of the Industrial Park water tank
- Mill/Overlay:
  - Bradley Avenue (5<sup>th</sup> Street to 14<sup>th</sup> Street)
  - 3<sup>rd</sup> Street (Highland to Liberty)
- Reconstruction of Elm Street (Otoe to Ponca and Highland to Summit)
- reconstruction of 2<sup>nd</sup> Street (Broadway to Hazel)
- reconstruction of sidewalk on the west side of 4<sup>th</sup> Street (Grand Avenue north to alley)
- downtown traffic signal renovation and removal

This year's budget continues to include aggressive capital improvements, including:

- tuck pointing the wainscot of City Hall
- three new police vehicles
- police body armor
- new software for police record management
- an ambulance
- a street sweeper
- renovation of the one of the greenhouses
- water slide for Ambuc Pool
- resurfacing of tennis courts 1-5
- roof repairs at Marland's Grand Home
- two neighborhood splash pads
- Lake Ponca Trail Segment 4 grant match
- preliminary design and detail design of sludge drying beds
- Phase Two of the industrial park water storage tank rehabilitation
- Lake Ponca Trail lighting
- tractor with front end loader
- five landfill litter fence units
- sanitary sewer line replacement on Franklin Street
- Cisco call manager
- Cisco routers
- ultraviolet thermofilm window treatment for Marland Mansion
- Reconstruction of:
  - Redbud Trail
  - Elm Street (Ponca to Oklahoma)
  - Lincoln Street (Oklahoma to Central)
- Reconstruction and widening of:
  - Highland Avenue (Ash to Sunset)
  - Highland Avenue (Olympia to Waverly)
- Mill/Overlay:
  - Third Street (Oklahoma to Central)
  - South 4<sup>th</sup> Street (100 block)
  - South Avenue (12<sup>th</sup> to 14<sup>th</sup> Street)
  - 5<sup>th</sup> Street (Albany to Brookfield)
  - Pioneer Road (14<sup>th</sup> Street to Monument)
- engineering and design on a new public safety center
- roof replacement of airport building #15

Letter to Homer Nicholson, Members of the City Commission

Page 3

June 13, 2016

I believe that this organization has proven to be an innovator in the municipal government sector; and with the support of the City Commission, staff will strive to continue that trend as well as continue to maintain a fiscally sound government, invest in Ponca City, implement sustainable initiatives, serve and protect our community, offer unique resources, and look forward.

I want to recognize and thank all the employees. They have done a great job in working safely and delivering great customer service to both residents and visitors, and they are to be commended for a job well done!

Many employees of the City of Ponca City contributed to this budget, and all of the employees will participate in the implementation of the programs outlined in this document. I want to thank all the employees who participated in the budget development, with special thanks to the Finance Department, of which Marc LaBossiere, Pamela Jones, and Shane Becker led the charge coordinating the various components of this document.

Respectfully submitted,

Craig Stephenson, ICMA-CM  
City Manager

## Ponca City Attractions

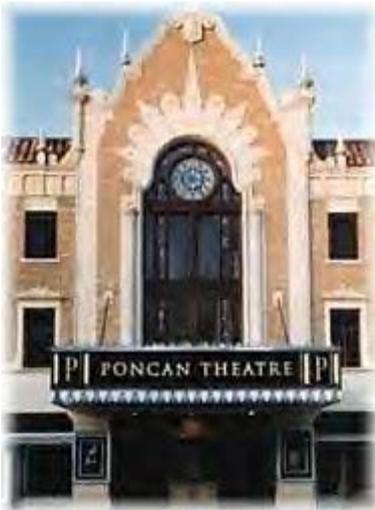

The Pioneer Woman Statue and Museum – The Pioneer Woman Statue was commissioned by E.W. Marland. This seventeen (17) foot bronze is on the National Register of Historic Places. The newly expanded museum features exhibits of women who have made outstanding “pioneering” contributions in space, photography, medicine as well as settling a new land.

Cann Memorial Botanical Gardens – A pathway winds under wisteria arbor around a lily pond and through spectacular color – coordinated beds of perennials, herbs and

annuals in this peaceful botanical garden. Elsie Cann Brown, daughter of L.A. and Mary Cann, donated the gardens to the City of Ponca City in August 1975. The garden is a showcase of color, texture and fragrance providing Ponca City citizens and visitors with a sanctuary of plants, trees and flowers to absorb and enjoy.

Opening in 1927, this atmospheric theatre was the grandest in town. Live performances and a Wurlitzer organ, two pianos and the Poncan Orchestra accompanied silent features. It was really darb to visit the Poncan Theatre to see such superstars as Ethel Barrymore and Will Rogers. Today, the Poncan has been restored to its original glory and special events are scheduled regularly.

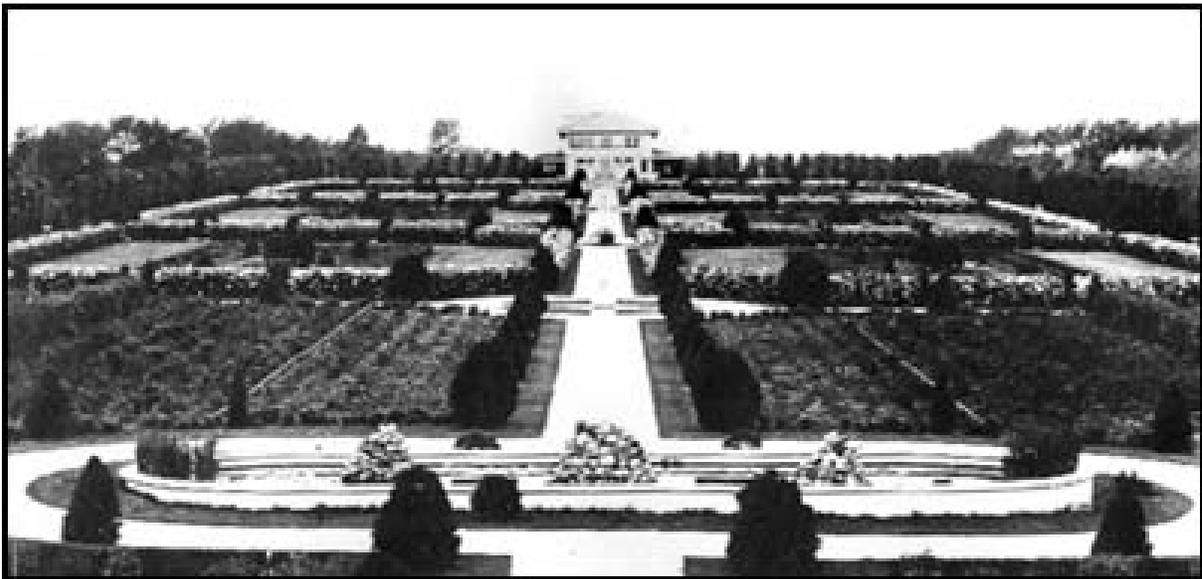

Standing Bear – A monumental tribute to all Native Americans, this 22-foot statue is of Ponca Chief Standing Bear, created by Cowboy Artist of America, Oreland C. Joe. The surrounding Park features many symbols of Native American culture and specifically honors the six tribes around Ponca City. Two audio centers tell Standing Bear’s story and describe the highlights of the Park. Construction is complete on a City Trail around Standing Bear Park, which was funded by an ISTE A Grant, a donation from Conoco and City match funds.

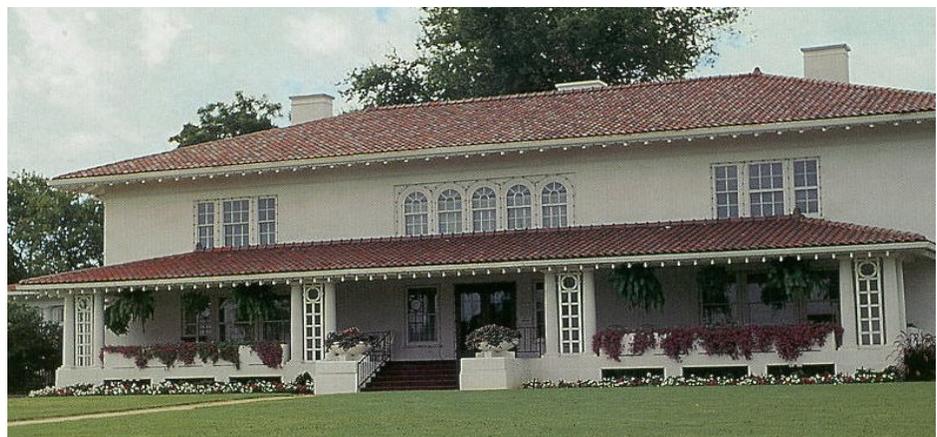

E.W. Marland was born May 8, 1874, in Pittsburgh, Pennsylvania. He studied to be an attorney, graduating from the University of Michigan Law School at the age of 19. Marland's years of practicing law led him to an interest in geology and a career in the oil industry. He prospered in the oil business, making his first fortune in the oil fields of West Virginia, only to lose it all in the panic of 1907. In 1908, Marland came to Oklahoma with not much more than belief in himself and a letter of credit. Mr. and Mrs. Marland made their home at the Arcade Hotel, and E.W. set out to explore for oil.

The first gusher of Oklahoma oil came in for Marland in 1911, on land he had leased from a Ponca Indian. Soon after, he discovered two more wells and then it seemed he found oil everywhere he looked. By 1922, E.W. Marland controlled one-tenth of the world's oil, and Marland Oil Company employed a third of the city's population.

E.W. and Virginia Marland built a lovely house at Tenth and Grand, near the downtown area. That house had 22 rooms, but what it became known for was the eight acres of formal, terraced gardens. It was acclaimed to be the most beautiful collection of shrubs, flowers, and foliage this side of the Mississippi.

Marland's first home, recently re-named Marland's Grand Home, is home to the Historic House Museum, Native American Museum, 101 Ranch Collection, and D.A.R. Museum.

Welcome to the  
*Marland Estate Mansion*

The dream of oil baron E.W. Marland was to live in a palace. This magnificent mansion reflects the elegance of the affluent days of the oilman, who lived lavishly and entertained in the same style. Master architect John Duncan Forsyth, along with artists, decorators, and sculptors of international reputation combined their talents to create this “Palace on the Prairie.” This National Historic Landmark took three (3) years to construct, 1925 to 1928. Lake Whitemarsh, is named for E.W.’s yacht. At one time there were five lakes surrounding the mansion as Marland wanted his castle to have a moat. It has been a home, a showplace, campaign headquarters, a college, a monastery, a convent, and a historic house museum. The following pictures depict the estate as in its original character in the late 1920’s.

The Mansion is 78 feet wide and 184 feet long, and contains 43,561 square feet distributed over four levels. There are 55 rooms, including 10 bedrooms, 12 bathrooms, 7 fireplaces, and 3 kitchens. It takes 861 light bulbs to light the mansion. This is a south view of the Mansion.

Now a private residence, the stables accommodated Mr. and Mrs. Marland’s horses. Mr. Marland had a Tennessee Walker, Tom James. Mrs. Marland’s horse was an American Saddle Bred named Rosenbar. E.W. and Lydie enjoyed riding together around the estate. Their two horses are buried on the grounds near the original stables.

The boathouse was right on the edge of one of the lakes and was functional storage for boats. Built of limestone and containing a huge safe in its inner wall, it is connected to the Mansion by an underground tunnel.

## *Lydie's Cottage & Artist Studio Restored*

The Marland Estate celebrated the restoration of Lydie's Cottage and the Artist Studio in 2000. Both of these original buildings have been completely renovated and are now open to the public for the first time.

This small house was originally the chauffeur's cottage and was remodeled in 1939 for E.W. and Lydie Marland's living quarters, following his term as governor of Oklahoma. Lydie stayed in the cottage after E.W.'s death in 1941, living a fairly reclusive life until she left Ponca City in 1953. Following her return in 1975, she moved back into her cottage and lived there until her death in 1987. Since then, it has become known as Lydie's Cottage.

The Artist Studio was originally built for sculptor Jo Davidson, who lived and worked in Ponca City while he created the three Marland family statues and one of the models for the Pioneer Woman Statue. The timbers from one of Marland's first oil well derricks were used for the interior vaulted ceiling in the two-story great room.

A unique aspect of the restoration project was the use of volunteer construction superintendents at each building. Professionals were hired where code requirements needed to be met, but dedicated volunteers contributed over 2200 volunteer hours, performing much of the demolition, painting, and finishing touches. The original estimate for restoration was \$386,000. Grants were received from the Peel Foundation, Sarkey's Foundation and the Marland Estate Foundation. The total project cost for Lydie's Cottage and the Artist Studio was \$224,500 and all of the work was completed with private donations.

## Marland Mansion. .Today

Leading away from the south terrace, towards the city, there was a grass pathway lined with trees and statues, hence the name, Monument Road. This distance was traveled on foot only and was opened at all times for public use.

Mr. and Mrs. Marland had to move from the Mansion in 1930 but retained ownership while he served in Congress and as governor of Oklahoma. They opened the Mansion for parties and special events and E.W. used it as his campaign headquarters whenever he ran for office. In 1941, six months before he died, Mr. Marland sold the complex to an order of monks, the Discalced Carmelite Fathers. He did not sell the chauffeur's cottage where he and Lydie were living. The Carmelite Fathers established a college of philosophy at the Mansion and were cloistered until 1948. The Monks sold the complex to the Sisters of St. Felix who built the chapel, Angela Hall and administration building. When the sisters announced that they were planning to sell the Mansion in 1975, Conoco and the City of Ponca City purchased the Mansion, all buildings and 30 acres for \$1.4 million.

From the hand set stone tile to the muraled walnut ceilings painted by Margliotti, the entrance sets the mood of elegance for the oil baron's mansion. The brass and iron wall sconces feature devil heads; not to be confused with the dog's heads in the wrought iron stair railings.

The formal dining room, which can seat 20 for dinner, has a certain royal ambiance. The hand-carved mantel and the wood walls in this room are a very rare type of oak, Pollard oak, which was cut by special permission from the royal forests of England. The wood was then shipped to Boston where all the decorative carving was completed. Once the carving was finished, the wood was packed in water for protection and shipped to Ponca City.

This room is referred to as the sunroom. The north wall is mostly windows offering a view of the estate that overlooks the lake and creates a beautiful garden setting.

The outer lounge provided a delightful area for swimmers to rest and relax or to amuse themselves at a variety of game tables. Occasionally, the lounge was used as an informal ballroom. Originally, Mr. Marland has no plans to decorate this ceiling. According to notes by Architect John Duncan Forsyth, the plan was for the ceiling to be left plain. Ceiling artist, Margliotti offered to paint the ceiling for free if he could design it himself.

In the 1920's, the inner lounge was the gathering point for anyone taking part in the Marland organized fox hunts. Breakfast was prepared for participants in the hunt kitchen located in the northeast corner of the lounge.

Of palatial size and style, the ballroom is crowned with a pattern featuring a gold leaf. Lighting for this magnificent room is through the sparkle of antique Waterford crystal chandeliers with wrought iron bases, imported from Ireland. To replace the ceiling and chandeliers today would cost \$2 million. Rich tapestries decorated the walls in Marland's time. Hanging on the north wall are the portraits of E.W. Marland, above the fire place, and Mrs. Lydie Marland, dressed in a Spanish dance costume purchased for her by E.W.

Ernest Whitworth Marland, President of the Marland Oil Company, had vast oil holdings that made him one of the dominant figures in the petroleum industry of America, and probably the largest independent producer and refiner in the world. In the early 1920's, the Marland Oil Company encompassed a vast area, including the Marland refinery and office building, the 5,000,000 barrel storage tank farm, fields that produced the crude oil supply, and Marland warehouses and loading racks capable of loading 100 rail cars of oil daily. All Marland filling stations were alike, in the shape of a triangle synonymous with the Marland Oil logo. In 1928, E.W. resigned as president and chairman of the board of Marland Oil Company and began a career in politics. Marland Oil Co. merged with Continental Oil Company in 1929 and thus was born the Conoco logo.

In August 2002, Conoco Inc. and Phillips Petroleum Company merged to form ConocoPhillips. In May 2012, ConocoPhillips repositioned the company's upstream and downstream businesses into two stand-alone, publicly traded corporations. The Ponca City refinery was included in the downstream company and be known as Phillips 66. The refinery has a crude oil processing capacity of 187 MBD and processes a mixture of light, medium, and heavy crude oil. The Ponca City refinery is a high-conversion facility that produces a full range of products, including gasoline, diesel fuel, jet fuel, LPG and anode-grade petroleum coke. Finished petroleum products are shipped by truck, railcar, and pipelines to markets throughout the Mid-Continent Region.

*Pictured above, Phillips 66 employs an estimated 700 employees in Ponca City. The red brick building, southeast of the South Tower, is the original Marland Building, as it is still referred to today.*

## **OVERVIEW**

**The Budget Process** Many components of the budgeting process are dynamic and occur throughout the entire year. The City Commission is typically brought into the process at a regularly scheduled Board of Commissioner's Meeting (work session) in early January. At that time a presentation the City's budget philosophy and application of that philosophy are reviewed. General Fund revenue, expenditure, and budget issues are also discussed. Departmental expenditure histories are then reviewed and trends identified. Challenges recognized and discussed for Fiscal 2016-17 include contracting sales tax and franchise fee revenues, unpredictable fuel and commodity costs, increasing worker compensation and health care costs, and continuing capital infrastructure needs for the electric, water, wastewater, solid waste and stormwater utilities. Finally, early Commission input is solicited regarding new programs and capital improvements desired, questions or concerns on current rates and fees are discussed, as well as departmental operations to be considered in planning the budget for the coming fiscal year.

Finance ushered in 2016 by working with departments to derive initial revenue projections for the General Fund and utilities for Fiscal 2016-17. A budget kick-off session was held with all departments on January 25, 2016, where the budget process and objectives were outlined for department heads, supervisors, and support staff. At this time a packet of relevant preparation materials including expenditure histories and capital and travel request forms was given to each department to facilitate budget preparation and requests. The meeting also provided a forum for a question and answer session to identify any areas of confusion.

The City Commission heard from outside agencies requesting contract for services funding at the regularly scheduled work session on March 21, 2016. Each agency director presented an overview of current services for the community. All requested service agreements were flat from the prior year.

City management met with department representatives on capital requests and operating budget requests during the second week of March 2016. On April 14, 2016, an initial draft of the City Manager Proposed Budget for Fiscal 2016-17 was delivered to members of the City Commission. The City Commission then met for two, all day open meeting hearings with management and departments on the proposed budget on April 18 and 19, 2016. These two days were a critical time for the Commission to have an open discussion with each department on their respective services, operations, accomplishments, and objectives for the coming year. This was also a forum for discussion of benchmarks and performance measures.

A revised draft of the proposed budget was published in summary form as outlined in the Oklahoma Municipal Budget Act, in the Ponca City News on Sunday, May 1, 2016. Also published at that time was notice of a public hearing on the Fiscal 2016-17 Budget, to be held at the regularly scheduled Board of Commissioner's Meeting of May 9, 2016. A public hearing was held on that date to solicit input on the budget from the community. In accordance with provisions of the City Code of Ordinances - Municipal Charter, Section 65 and the Oklahoma Municipal Budget Act, a final draft of the proposed budget is now being presented to the City Commission for consideration.

During the course of any year, unforeseen opportunities, emergencies and business conditions may necessitate amending the budget. The City follows guidelines in the Oklahoma Municipal Budget Act for all of its funds, and does not allow category expenditure budgets to exceed 100%. Budget amendment requests are evaluated by the City Manager, who has authority to approve category transfers. All other budget amendment requests, if approved by the City Manager, go to the City Commission for approval by resolution.

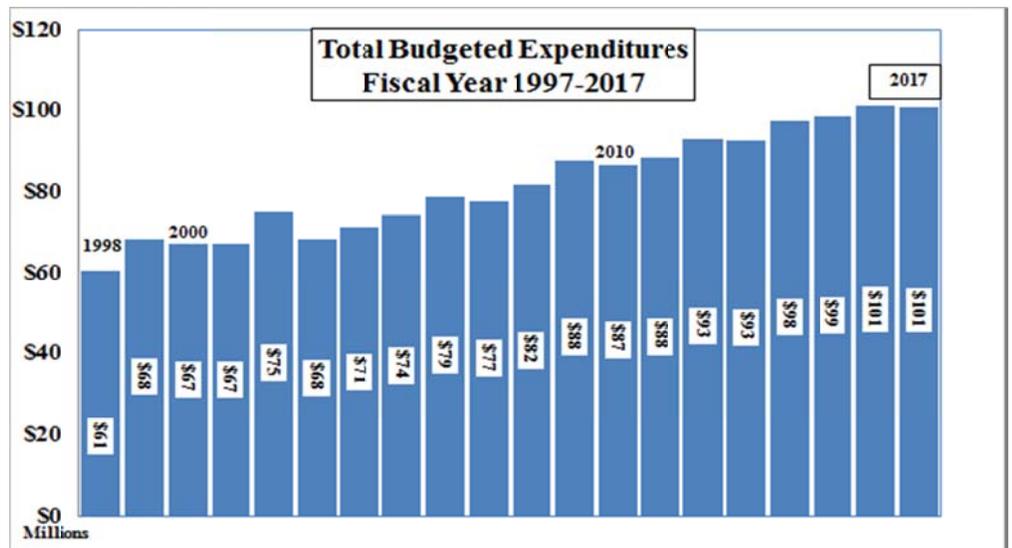

**Background** Budgeted for Fiscal 2016-17 are thirty (30) funds, or self-balancing sets of accounts, each capturing activity from a type of operation. The funds budgeted include sources and uses for the General Fund, Special Revenue Funds, Capital Improvement Projects Fund, Debt Sinking Fund, Ponca City Utility Authority (PCUA) Funds, Other Enterprise Funds, Internal Service Funds and all Trust Funds of the City of Ponca City. Revenues for each fund are budgeted by source. In each fund and department, expenditures are budgeted by the aforementioned category types as set by State statute, including Personal Services, Materials & Supplies, Other Services & Charges, Capital, Debt Service and Transfers.

The City uses full accrual accounting with its proprietary fund types such as the utilities, which means both revenues and expenses are charged to the period earned or incurred. The City uses modified accrual basis of accounting with governmental fund types such as the General Fund, which means expenditures are charged to the period incurred, but revenues are recorded when cash is actually received. The basis of budgeting for all funds mirrors their respective basis of accounting. The City recognizes compensated absence liability, where an employee has earned a paid absence that has not been satisfied, and records changes in the liability annually. Capital is also budgeted by all City funds, and expensed when purchased for the sake of history. Accounting capitalizes all capital purchases within thirty days of receipt, and records the asset and non-operating revenue to offset the effect of the expense on the operating statements.

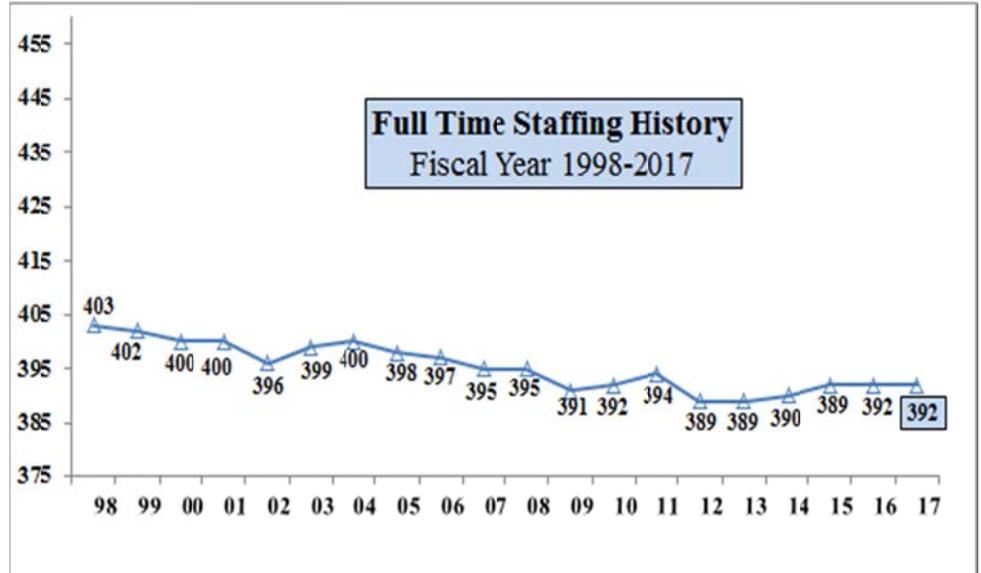

Included in the proposed budget for Fiscal 2016-17 is a five-year capital plan. A long-term plan for capital is one of the City Commission’s strategic goals and attempts to identify major infrastructure, building and equipment needs for the coming five years. Although each department identified items listed in the plan, the plan does not represent a Commission approved budget for the next five years, but rather a planning tool of what each area of the City has identified as projected needs. Listed with each item in the section are possible funding sources, as it is important to note that current revenues are not sufficient to fund all needs identified. Each department will present to the Commission long-term capital needs identified in their respective areas, over the coming year at work sessions. The plan is by nature a fluid document that may change significantly each year as mandates, opportunities, needs, programs and services change, and revenue projections are available.

The Fiscal 2016-17 Budget has been challenging in many ways. The total budget for all funds is proposed at \$101,002,804, a decrease of \$379,155, or .37% from the original budget of Fiscal 2015-16.

The decrease is due largely to decreased electric sale revenue and related purchase power expense. As illustrated above, the proposed aggregate budget for the coming year is approximately 66% higher than the original budget of Fiscal 1997-98, twenty years ago. This represents an average annual increase of less than 2.8%, illustrating staff commitment to cost containment.

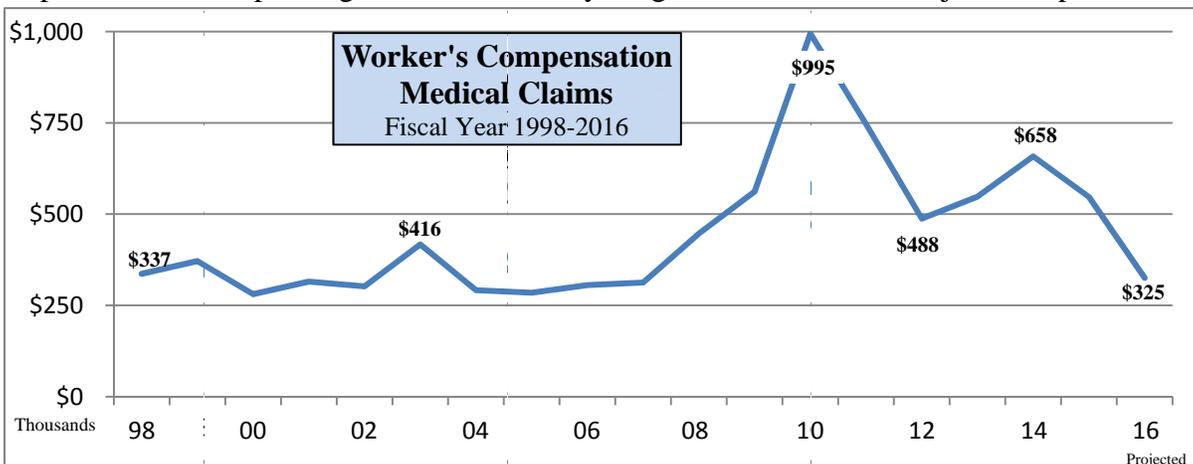

The full time employee base across the City is proposed at 392. No layoffs occurred in the prior year, nor are any planned for the coming year. The proposed full-time staffing for Fiscal 2016-17 is approximately 3% less than that of twenty years ago, in Fiscal 1997-98 again illustrating commitment to continuous improvement in service efficiencies, productivity, and conservative fiscal policy.

The cost of providing health insurance benefits to City employees has escalated significantly over the past two decades. City staff worked extensively with consultants and other resources to help determine the best strategy, including bids for fully insured plans and high deductible plans. With positive trends recently, the approved budget includes a 5.0% increase for the City and employees for health coverage. City employees who choose single health insurance coverage pay a premium of \$1,573 annually, with the City funding \$6,292. Employee plus one coverage is \$2,846 annually, with the City funding \$11,382. Employees choosing family coverage pay \$4,270 annually, with the City funding \$17,079. The funding of health care benefits is a mounting concern for most employers, and cost-containment will continue to be a challenge for the City going forward with projected double-digit inflation in the industry.

Another area of volatile personnel related costs are from worker's compensation expense. Although these had decreased significantly in Fiscal 2004-05 to a near decade low level, this was followed by a period of rapid escalation, a peaking, and more recently a significant decrease. Projected expenses for W/C Medical

expenses for Fiscal 2015-16 are \$325,000, significantly lower than the peak of \$995,000 seen in Fiscal 2009-10. The City is self-insured for worker's compensation medical claims,

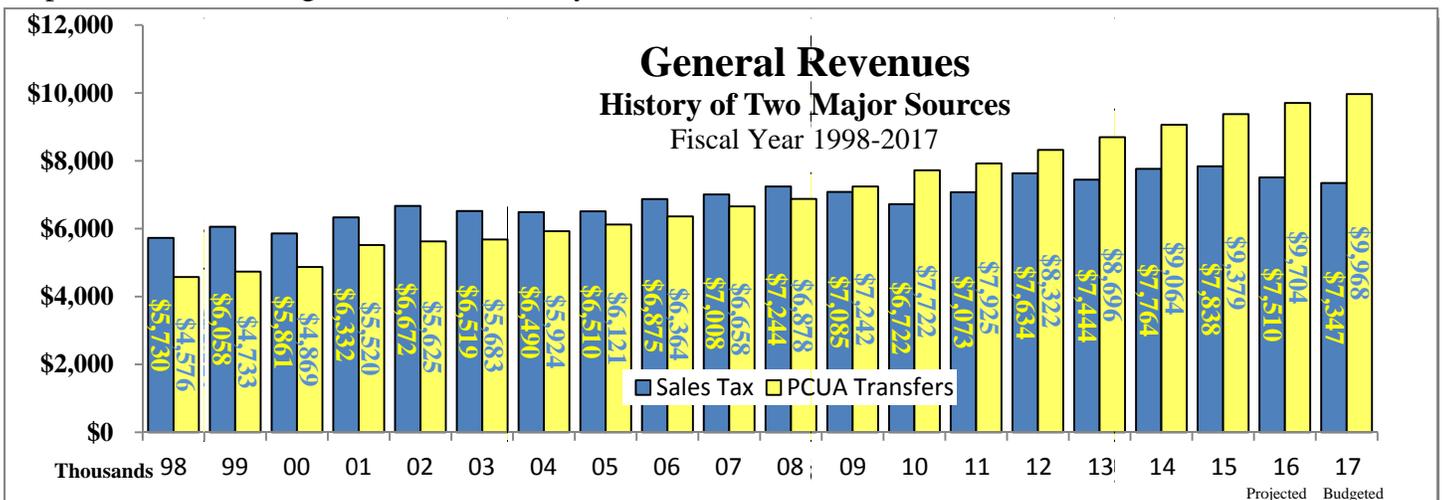

and maintains a department in the Internal Service Workers' Compensation Fund for this purpose. Premiums are paid based on a straight percentage (3.0%) of wages by all departments with personnel, without regard for risk/loss scales. Court ordered claims fluctuate from year-to-year, and are recovered through ad-valorem tax, as provided for in Oklahoma statutes. This method is a significant value for many departments, whose premiums would be up to eight times this amount for coverage purchased in the marketplace. Over the past fifteen years, increased training and attention to safety issues by City staff has had mixed results. Worker's compensation related costs will continue to be a challenge in the foreseeable future.

In keeping with the City Commission objectives, the Fiscal 2016-17 Budget does maintain a designated fund balance in the General Fund of \$2,100,000, as defined by Resolution #6134, which was approved by the Board of Commissioners on October 13, 2014, when the previously approved amount was increased by \$200,000. This designated fund balance is a reserve equal to approximately a 5-week operating budget in the General Fund, and provides a buffer against unforeseen natural, man-made or economic disasters.

Each of the four major PCUA utility operations also has designated fund balances, as established by Commission Policy Statement #20. This policy sets as a target fund balance for the Ponca City Energy Fund, an amount equal to the highest monthly purchased power bill over the past three years plus 10% of the system’s fixed assets. The policy statement also provides that for the Water and Wastewater funds, a target fund balance equal to a 60-day operating balance plus 10% of the system’s fixed assets be maintained. The policy also addresses the Solid Waste Fund, targeting a fund balance equal to a 60-day operating balance, as well as the maintenance of a Depreciation Reserve Fund. A fund balance for landfill closure funds as set out in Subtitle D of the Resource Conservation & Recovery Act is also targeted, and funded for Fiscal 2016-17.

**GENERAL FUND**

**Sales Tax Revenue** There is currently a 2.0% sales tax dedicated for General Fund operations, generating revenue equal to 34.1% of total budgeted revenues for Fiscal 2016-17. Over the past twenty years, year-over-year increases in this revenue source have fluctuated from -5.1% to +11.4%, with a long-term average increase at just under 2.0% annually. When adjusted for inflation, long term sales tax collections have experienced little real growth, and are nearly flat. There are three distinct threats to sales tax revenue that have

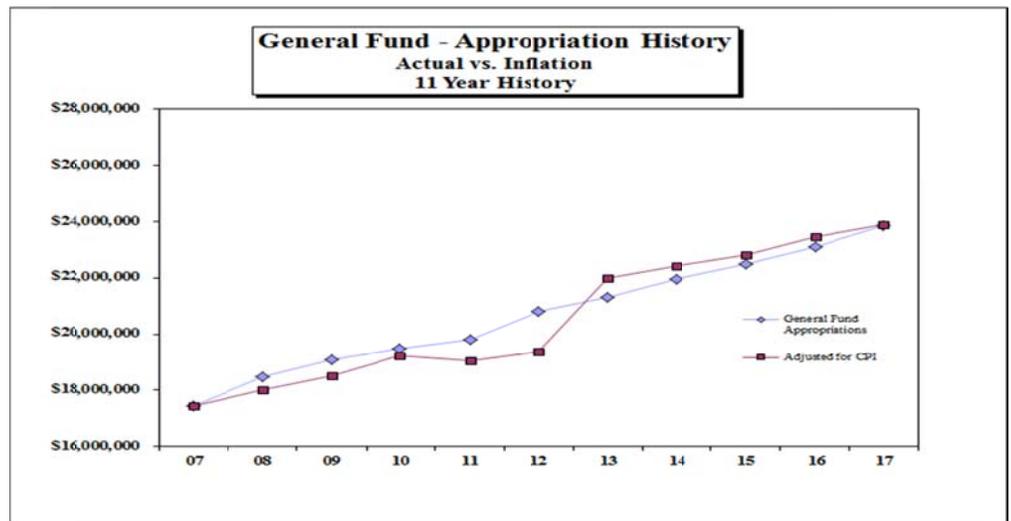

contributed to the lack of growth, more specifically, growth in internet sales, the effect of the State legislature annually exempting more special interest groups and sale types from sales tax, and competition for discretionary spending by legalization of the lottery and casino gaming. Fiscal 2002-03 sales tax collections decreased 2.29%, followed by another decrease in Fiscal 2003-04 of 0.44%. In Fiscal 2004-05, collections turned around with an increase of 0.30% at the close of the year, and Fiscal 2005-06 saw strong growth, up 5.60%, due to heavy construction projects during the fourth quarter, followed by an increase of 1.94% in Fiscal 2006-07. Fiscal 2007-08 year collections increased 3.37% from the prior year, with Fiscal 2008-09 collections down 2.19% from the prior year. Fiscal 2009-10 collections saw the brunt of the recession, with a decrease in collections of 5.12%. Collections for Fiscal 2010-11 rebounded with an increase of 5.22%, followed with even stronger returns in Fiscal 2011-12, with a year-over-year increase of 7.9%. Fiscal 2012-13 saw some softening with a decrease of 2.5%. Fiscal 2013-14 rebounded with an increase of 4.3%. Fiscal 2014-15 started strong, but ended the year up a meager 0.96% with a contraction in the oil related economy. With two months remaining in the fiscal year, collections are projected to be down 4% over the prior year. Budgeted sales tax revenue for Fiscal 2016-17 is \$7,346,943, a 2.0% decrease from the projected collections of Fiscal 2015-16.

**Transfer Revenue** Under the Oklahoma Constitution, cities are prohibited from levying ad-valorem property taxes for operations. Therefore, critical to the funding of essential City services is the transfer of residual equity, or return on investment (ROI), from city utilities. As illustrated on previous page, through Fiscal 1997-98 transfers from the PCUA had been a decreasing revenue source as a direct result of preparing the electric utility for deregulation and Water and Wastewater plant reconstruction projects. Over the past fifteen years this revenue source has increased, however, and administration charges to the PCUA for General Fund services and residual equity transfers are proposed for Fiscal 2016-17 at \$9,968,470, a 2.7% increase over the previous year, making it the largest source of revenue for the General Fund, with sales tax revenue in second place. The potential threat of electric deregulation that was very real ten years ago has diminished somewhat, in the wake of failed attempts in California and other states, but is nevertheless a continuing threat.

**Other Revenues** Other notable revenue changes in the General Fund include the third largest revenue source in ambulance revenues, which are budgeted at \$1,300,000, a 4.0% increase. Municipal Court fines are the fourth largest revenue source for the General Fund and have rebounded from decade lows, projected to increase by 8.6% in the coming year. With interest rates at historic lows, interest income continues to languish, and is projected to stay at \$40,000. Total General Fund revenues for Fiscal 2016-17 are budgeted at \$21,572,913, a decrease of .63% from the prior year.

**Expenditures** The General Fund continues to provide the necessary funding to deliver quality essential and basic services to the community. These services do not mirror traditional for-profit businesses, and do not pay for themselves on a user-fee basis. Typical General Fund services include public safety, legislative, public works and streets, judicial, park and recreation, general government and cultural affairs.

The aggregate General Fund expenditure budget for Fiscal 2016-17 is \$23,861,654, an increase of \$763,527, or 3.31% from the original Fiscal 2015-16 Budget. The increase is caused by two main factors, an extraordinary 27<sup>th</sup> pay period that will occur during the fiscal year and a 2% cost of living wage increase for employees. Other than personnel related costs, the General Fund expenditure budget is essentially flat. Above is an illustration of General Fund budget history in Ponca City versus the same baseline budget growth by the CPI rate of inflation.

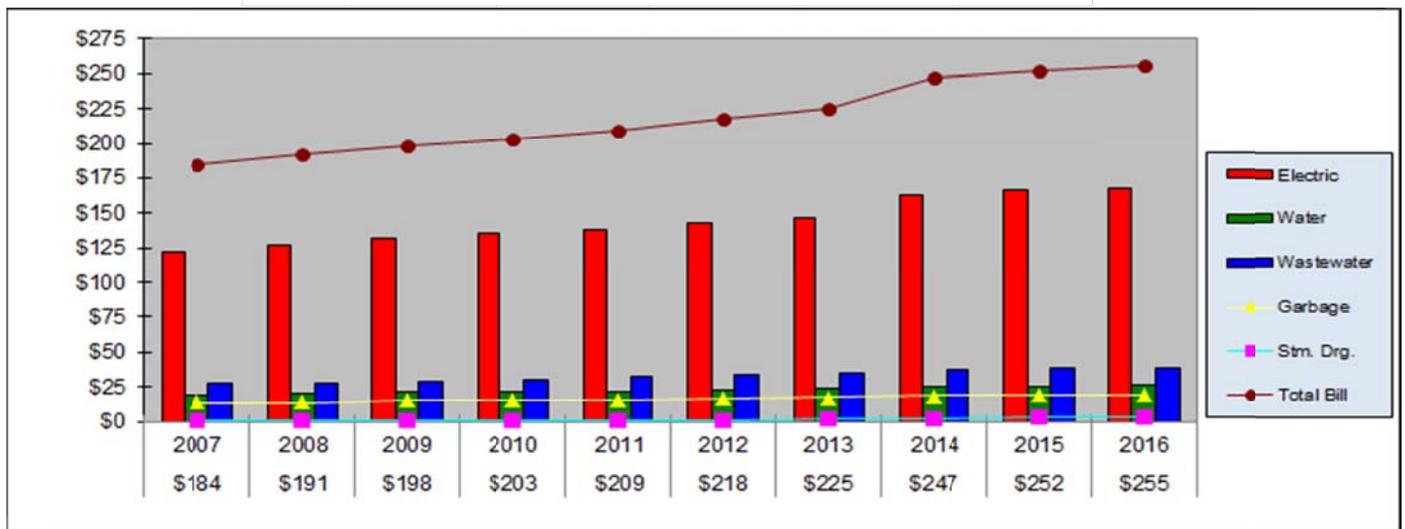

Spending on public safety continues to dominate funding of City operations, at 57.2%. This exemplifies a City commitment to make Ponca City a safe and healthy community. The Police Department continues to evolve with the changing needs of the community. Recent examples include Community Policing, Youth Police Academy, the placement of two officers in the Ponca City schools, and the addition of tasers, in car wi-fi and video as tools in the field, and digital ticketing. In recent years the department implemented the Extra Eyes Program, where citizen volunteers assist with fingerprint indexing and non-enforcement patrolling, and re-activated the Police Reserve Program, where sworn, trained, civilian officers serve the City without pay, to supplement current staff and resources.

Public safety related capital items in the coming year include three new marked Police vehicles and new software for the Police Department and a new ambulance for the Fire department. Replacement of aging capital equipment continues to be emphasized in the General Fund budget for Fiscal 2016-17. Major items to be funded include a new street sweeper for the Street Department, new splashpads for Attucks and Young parks, a new water slide for AMBUC Pool, and engineering and design work for a proposed new public safety center.

**PONCA CITY UTILITY AUTHORITY**

**PCUA Revenues** The PCUA offers electric, water, wastewater, solid waste, landfill, and stormwater services. The high cost of inputs, federal mandates, and inflation in general among the utilities has led to rate increase proposals for Fiscal 2016-17. This includes a 3.0% across the board increase in the water and solid waste utilities, a 1.0% across the board increase for electric utilities, and a 0% increase for wastewater. All stormwater rates will also increase by \$0.25. Below is a chart showing a breakdown of the average utility bill for a household of four and the history for the same. As displayed, long term, bottom line costs to our residents have been very stable, with increases held to reasonable levels. Ponca City compares well with peer cities on utility rates. The long term average annual increase is just under 3%.

**10 Year PCUA Rate Chart for Average Family (4) Usage**

Staff is proud that overall, the average PCUA residential customer still enjoys quality utility services at a bottom line cost that has only risen in step with inflation. This is an exceptional feat when considering the fact that the same residents are also the beneficiaries of excellent services derived from new water and wastewater plants completed in the late 1990’s, three new electrical substations, and two lateral expansions of the landfill. While the past ten years have seen major emphasis on infrastructure at the front end of each utility, the Fiscal 2016-17 Budget reflects an increased emphasis on the delivery systems.

**Water** Years of planning and construction resulted in the completion of the Water Plant, which was re-dedicated on September 5, 1997. The plant meets all current and foreseeable EPA regulations. The plant has an expanded average daily capacity of 14 million gallons per day (MGD), with a peak capacity of 20 MGD. The added capacity represents an increase of 33% from the old plant. The plant has an expected life of 25 years, which is the life of the Series 1995B Utility System Revenue Bonds issued to finance the project. The utility has also added the Braden and McCord rural water districts as customers in recent years.

Critical to future water production is maintenance of the water rights from Kaw Lake as well as maximizing the traditional wellfield sources of water. Master planning for the utility is also underway, and needs to be completed before major decisions are made about future sources of raw water. Infrastructure improvements funded in the coming year include \$370,000 for Industrial Park Water Tank rehabilitation.

**Wastewater** In spring of 2000, the Wastewater Plant substantially completed a multi-year project to meet EPA regulations, to renovate the plant, and to expand capacity. The renovated plant has increased capacity from 5.8 MGD to 9.0 MGD, with peak capacity at 15.0 MGD. The department has now shifted primary focus to the collection system. In recent years the department has completed a major renovation to the Bois D'arc Lift Station, as well as replacement of the 35-year old Lake Lift Station, the Blake Lift Station, and the Briar Ridge Lift Station. The PCUA entered into a loan agreement of \$5,565,000 with the Oklahoma Water Resources Board (OWRB) during Fiscal 2007-08, utilizing low interest federal funds to complete several major collection system projects in subsequent years, the last of which was recently completed with replacement of a major interceptor line through the Phillips 66 refinery complex. Staff also recently completed three projects funded by 70% loan/30% stimulus grant funding from the OWRB, including an emergency generator at the main lift station, re-construction of the Brentwood Lift Station, and an emergency line project on Ash Street. Budgeted for Fiscal 2016-17 are some plant improvements such as valve replacements and variable frequency drive replacement, and collection line replacement project on South Franklin Street.

**Ponca City Energy** The Ponca City Energy Department has seen many changes in past decades. The position of General Manager of Electric Utilities was created and filled in the fall of 1997. A business plan was formulated and implemented, defining the three distinct businesses of the electric utility: generation, purchase & re-sale, and distribution. Electric generation facilities were leased to OMPA during 1997, with the contract amended in 2000 to shed all departmental responsibility for maintenance. As such, the proposed Fiscal 2016-17 Budget includes purchased power and distribution only.

The Series 1997C Utility System Revenue Bonds provided funding for the addition of the Northwest Substation which was constructed at Prospect and Ash Street, and put in service on June 1, 1999. The utility also completed an \$1.5M capital relocation of its office, warehouse, and poleyard north of town at 6714 North Pleasantview Road during Fiscal 2006-07, utilizing accumulated funds and without any additional debt. In 2008 and automated meter reading project was completed for both water and electric meters, eliminating the need for manual meter readers and improving departmental efficiency. An additional substation was completed in June 2009 in the McCord service area, as well a full replacement of the Diesel Plant Substation completed in late 2014, both of which were funded internally from accumulated fund balances.

Budgeted for Fiscal 2016-17 in the Ponca City Energy Fund are many major capital items and infrastructure improvements, most notably \$1.37M in distribution system improvements and \$175,000 for one new single bucket service truck.

**Solid Waste** The Solid Waste Fund includes collection and landfill departments. Collection revenues cooled with the economic contraction of 2008 & 2009, but has rebounded in the last couple years. Included in the coming budget is a rate increase of 3.0% to help cover cost drivers including equipment and personnel related costs. The most recent cell expansion at the landfill was completed in the summer of 2008. This expansion was funded by accumulated fund balances and was completed without any new debt, relieving further rate increase pressures on our community. There are several capital purchases budgeted for Fiscal 2016-17, including a new tractor with front end loader for the landfill, and a variety of smaller containers and equipment, all funded through the Solid Waste Depreciation Reserve Fund.

**GIS Mapping** Regular maintenance and improvements to PCUA infrastructure are required to assure that quality, uninterrupted utility services are delivered to the community. Much progress has been realized over the past decade to bring PCUA infrastructure up to date, positioning our community for the future.

The PCUA departments first came together in Fiscal 2000-01 to begin engineering for a Geographical Information Survey (GIS) mapping system. The GIS system data was collected and mapped by Electrical Systems Consultants, Inc. of Fort Collins, Colorado. Utilizing the global positioning satellite system (GPS) to perform the survey, a comprehensive field inventory of the electric and water distribution systems and the wastewater collection system was completed. Digital maps of the electric, water and wastewater systems have been built. This information and related software has been placed into a new computer server system along with the existing digital aerial land base maps of the City of Ponca City. The software has been created and customized to allow for data maintenance, input and query, so that each utility system can be updated and modified as changes and additions are made to the City's facilities. This real time update of infrastructure will provide an accurate and valuable tool to facilitate efficient response to outages and water leaks. The system will also assist with preventative maintenance programs, such as a valve-exercising program on the water distribution system.

The primary goals of this project are to reduce the costs associated with maintaining and accessing facility records, and facilitate maintenance of utility system infrastructure. The project creates a centralized, integrated system that allows faster access to maps and facilities data, reduces redundant operations and forces City-wide standardization. It also provides the mechanisms to better manage facilities, and that improves the utility planning, budgeting and forecasting process. The system is being built to allow easy integration of other maps and databases, so that as the system evolves and is made available to more groups within the City, the expansion process will be a relatively simple one. A GIS Technician was added as a new position to the City Engineering staff several years ago, to manage the information.

The maps are linked to various digital databases including facilities information, property records zoning, billing records, flood plain data, and much more. Through the use of viewing software, provided as part of this project and installed at various locations throughout the City, key personnel in the City of Ponca City will have fast, user-friendly, access to the above described maps and data, the use of which will invariably continue to expand in the future.

**Technology Services** (T/S) has networked most City offices on a local area network (LAN) over the past ten years, and has completed connecting all outlying departments by wired and wireless connection. The department successfully worked with the Utility Billing Department to modify software, coordinate the out-sourcing of bill printing, and transition from a postcard style bill to an 8 ½ x 11 billing format. This format gives customers more history and information on their utility charges, and the envelope-billing format will also give the City an alternate means to reach utility customers and members of our community with other information. The larger format is also more flexible, and will allow for expanded billing items as federal mandates such as stormwater run-off are addressed, requiring an additional utility.

T/S has also completed upgrading INCODE, the City’s financial operations software, to a Windows format. The upgrade provides City staff with more flexibility than offered by the previous DOS based system for reporting and data collection. T/S staff is working on a variety of projects currently, including an evaluation of Fiber To The Premises (FTTP) as a new utility. The department continues to work with Ponca City Energy to wire the community with fiber optic rings for further connectivity and to serve broadband to select business customers in Ponca City, as well as support Ponca City Free Wi-Fi infrastructure, making Ponca City one large wireless “hot-spot.”

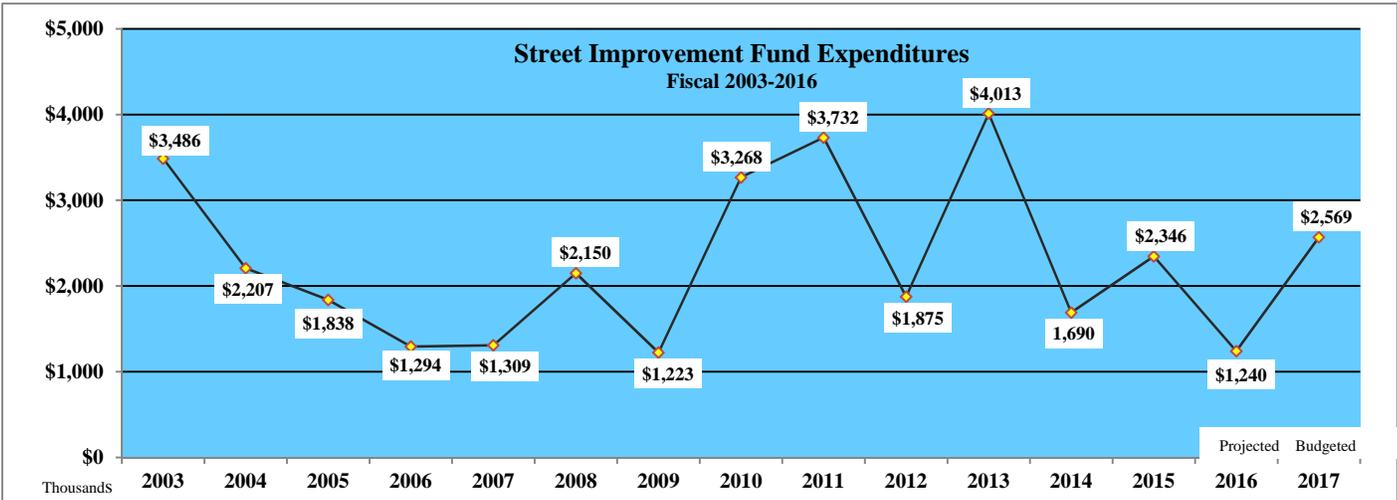

**OTHER ENTERPRISE FUNDS**

**Airport** The Ponca City Regional Airport is located in the northwest corner of Ponca City. The airport operates as an enterprise fund. The airport is no longer served by a commuter airline, as the federal government cut essential air service funding in Fiscal 2007, but continues to be the home of the famous Enrique’s Mexican Restaurant. Exciting projects at the airport in recent years included instrument relocation, dirt work, and construction of a 1,000-foot concrete runway extension project and taxiway improvements, as well as construction of a new maintenance building and purchase of a large snowplow. The projects are typically 90% Federal grant funded, supplemented by 5% State grant funding. The remaining 5% match is funded by the City, typically through the Capital Improvement Projects (C.I.P.) Fund. Budgeted for Fiscal 2016-17 is a new roof for building #15 and painting building walls of Hangars #7 and #8.

**TRUST FUNDS**

**Cann Estate Trust Fund** Elsie V. Cann left in trust to the City of Ponca City a house and land upon which it was her desire to see a memorial garden created in the memory of her parents. Ms. Cann also left a trust fund to provide for the operation and improvements to the facility. The trust fund has at times distributed 6% of corpus value annually, but with market contractions of 2008, this has been discontinued. A subsidy from the General Fund replaced it beginning in Fiscal 2009-10, and carries on into Fiscal 2016-17.

**Street Improvement Trust** The City of Ponca City is fortunate to have a dedicated ½ cent sales and use tax for street improvements which was recently renewed by 82% voter approval making it a permanent tax without expiration. The source provides funding for continued upgrade of Ponca City’s streets, roadways, curbs, sidewalks and trails. There are many major projects slated for Fiscal 2016-17 including a mill/overlay of Third Street from Highland to Waverly, asphalt reconstruction on Elm Street, from Ponca to Oklahoma, and reconstruction of Lincoln Street, from Oklahoma to Central Avenue.

**Recreation Center** Citizens of Ponca City approved an eight year, dedicated ½ cent sales and use tax for the construction of a new community recreation complex that will be called Ponca City Aquatic & Family Center – YMCA. When the project exceeded anticipated costs, residents approved a five year extension to the existing tax, which moved the expiration date to September 30, 2020. The complex is completed and has been open since December 2010. The site covers approximately 46 acres and includes four softball, four baseball, and two soccer/football fields. The fields opened in the Spring of 2012. The facility is approximately 76,000 square feet, and includes a gymnasium, two pools, fitness center, program studios, walking track, and much more. The entire center is managed by the YMCA of Ponca City on a contractual basis.

**Economic Development** Citizens of Ponca City approved extending an existing dedicated ½ cent sales and use tax for economic development that was set to expire on January 31, 2014, for an additional five years. The tax is transferred to the Ponca City Development Authority (PCDA) to carry out the economic development function. The PCDA had previously been a public trust governed by the same board as the members of the City Commission, but was spun off, and is now governed by a separate board of trustees that are appointed by the City Commission. Between 2008 - 2014, the Ponca City Development Authority has directly impacted the attraction, expansion and retention of 2,007 full time jobs in Ponca City, and that progress continues today. Budgeted for Fiscal 2016-17 is the exact amount of projected tax collections, which are then passed on entirely to the PCDA each month, immediately after receipt from the Oklahoma Tax Commission.

## **Budget Calendar Fiscal 2016-17 (original rev.)**

December 2015	Finance and Departments begin rate review and revenue budgeting
Mon. Jan 25, 2016	Budget Kick-Off Meeting for Department Heads & Supervisors Budget Packet includes hard copies of Line-item Budgets, Personnel Models, Capital Request Forms, Mission / Accomplishments / Goals Forms, and overview
Tues. Feb. 2	Mission / Accomplishments / Goals Forms for FY2016-17 due to Finance
Tues. Feb. 9	Capital Request Forms (cat. 4) for FY2016-17 due to Finance
Mon. Feb 15	Budget overview for City Commission held at the work session
Tues. Feb 16	Budget Request Forms (cat. 2 & 3) for FY2016-17 along with any personnel related change requests due to Finance
Tues. Feb. 23	Travel Request Forms for FY 2016-17 due to Finance
Tues. Mar 1	Long-Term Capital Plan sheets due to Finance
March 7 - 11	City Manager/Finance meet with Departments to review Budget requests
Mon. Mar. 21	New Program and "Outside Agency" Hearings along with a budget update presented to the City Commission at work session
March & April	Departments update various Advisory Boards on Budget progress
Wed. Apr. 13	City Manager/Finance meet with Department Heads to discuss proposed Budget
Thurs Apr. 14	Draft of Budget with Departmental Goals delivered to City Commission for review
April 18 & 19	City Commission Hearings with City Management and Departments, open to Public
Wed. April 27	Deliver Notice of Public Hearing and Budget Summary to the Ponca City News
Sun. May 1	Publish date the P. C. News of the Notice of Public Hearing & Budget Summary
Mon. May 9	Public Hearing on Proposed Budget and City Commission Review
Mon. June 13	FY2016-17 Budget in book format delivered to the City Commission for adoption
Mon. July 1, 2016	Implementation of the FY2016-17 Budget

Ponca City Utility Authority

## Debt Service Summary and Calculation

The Ponca City Utility Authority (PCUA) has set the legal debt limit the PCUA can incur at a net revenue level of 100% equal to the average annual aggregate bond service requirement.

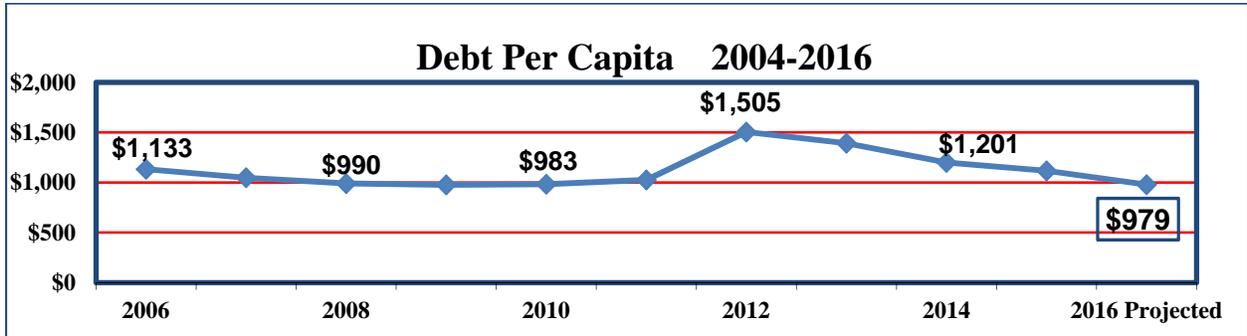

The firm of Stotts, Archambo, Mueggenborg, & Barclay PC, external auditors for the City reported on the financial performance of the Ponca City Utility Authority. The financial calculations in the following table illustrates the PCUA's audited 2014-15 net coverage is 6.77 times, which is greater than the minimum required 1.25 legal limit. The below chart can be found on page 41 in the Ponca City Utility Authority's Annual Financial Statements and Accompanying Independent Auditor's Report for the Fiscal Year Ended June 30, 2015. The PCUA debt repayment obligations are the first priority addressed each year in the budget process. No further utility debt-related projects are currently planned for the near term.

### June 30, 2015 Audited Debt Service Calculation

Operating Revenues	\$57,743,499
Operating Expenses	<u>35,305,549</u>
Net Revenues Available for Debt Service	<u>22,437,950</u>
Maximum Annual Debt Service	\$3,314,169
<b>Net Coverage</b>	<b>6.77</b>

Ponca City Utility Authority  
**Debt Service Outstanding Debt Per Capita**

Outstanding debt per capita is the remaining principal on PCUA’s Debt Service Bonds on July 1<sup>st</sup> divided by the population of 25,387 (2010 census) and is another indicator of the burden on the community of the debt issued. As of June 30, 2016 PCUA had \$25 million in bonds, notes, refundable grant obligations, and capital lease obligations. This revenue-backed debt structure funds capital improvement projects that cannot be financed from the current financial resources.

This graph does not include \$7.4M 2013 Sales Tax note.  
This note will be repaid from revenues generated by a 13 yr .5% sales tax approved by the voters.

# Five Year Capital Plan

## Summary

The City Commission identified as a strategic goal the creation and maintenance of a long-term capital plan. The following section will serve as a capital plan for the time frame of the coming five years, Fiscal Year 2016-17 through FY 2020-21, for all departments. This document will not be static, as needs and opportunities are ever changing. Rather, City departments will analyze capital needs year-round, and the document will be updated annually to be included with the budget. This process will identify priority capital items and attempt to plan for them.

There are not sufficient revenues to undertake every item, so it is important to qualify that items in the plan are not necessarily funded. Staff has attempted to identify possible funding sources for each item, as detailed in each departmental section.

## Process

All City department heads were instructed to meet with their areas of responsibility to derive capital needs for a Five-Year Capital Plan. Each area submitted requests. These were compiled and are summarized by department on the following pages.

## Definition

Presented are projected capital needs for all City departments for the next five fiscal years. Capital included is year-to-year ongoing infrastructure improvements, one-time facilities projects, and equipment with a cost of \$10,000 or greater and a life expectancy of not less than five years.

## Organization

Presented on the following page is a summary of all funds, and their respective projections for each of the next five years. Following that page, funds are presented individually, by department, itemizing each capital item.

## The Future

This plan is a starting point. Simply put, this draft of the Five Year Capital Plan for the City of Ponca City will be revised, re-shaped and re-formatted over the next year as the City Commission and management work through the issues of capital needs and funding sources.

## Summary of All Departments

Department	2016-2017	2017-2018	2018-2019	2019-2020	2020-2021

## City Manager

Project Description	2016-17	2017-18	2018-19	2019-20	2020-21
A. Contingency Capital	100,000	125,000	125,000	125,000	125,000
B. Interior Paint - City Hall		25,000	25,000	25,000	25,000
C. HVAC Replacement - City Hall (4 units)		24,000	24,000	24,000	24,000
D. Exterior Paint - City Hall/Fire Station #1			238,600		
<b>TOTAL</b>	<b><u>100,000</u></b>	<b><u>174,000</u></b>	<b><u>412,600</u></b>	<b><u>174,000</u></b>	<b><u>174,000</u></b>

- A. Contingency capital for the City Manager to address unforeseen capital needs.  
(Funding Source: CIP Fund)
- B. Paint the interior of City Hall.  
(Funding Source: Unknown)
- C. Replace 4 of 32 five ton units at City Hall.  
(Funding Source: CIP Fund)
- D. Paint the exterior of City Hall and Fire Station #1.  
(Funding Source: CIP Fund and Carbon Black Remediation Funds)

## Community Development

Project Description	2016-17	2017-18	2018-19	2019-20	2020-21
A. CDBG Small Cities Set Aside		125,000	125,000	125,000	125,000
B. Replacement of Vehicles		25,000	25,000	25,000	
C. Building/Operations Software		5,000	5,000		
D. Comprehensive Plan Update				50,000	
<b>TOTAL</b>	<b><u>0</u></b>	<b><u>155,000</u></b>	<b><u>155,000</u></b>	<b><u>200,000</u></b>	<b><u>125,000</u></b>

- A. The City of Ponca City is eligible to receive annual CDBG Small-Cities Set Aside (Entitlement) grants. The three-year program requires a match of 100% on the approximate grant of \$88,500 annually. This match may be in the form of direct cash from the City or in the form of in-kind services to meet the match requirements.  
(Funding Source: Grant/Match through Various Operating Budgets)
- B. There are four vehicles within the department, one assigned to each inspector. Vehicles will need to be replaced in the future due to age, mileage, and maintenance problems (Ford Ranger). As this occurs, it will be important to replace them with mid-size pickups with four doors. The current Ford Rangers and Chevrolet Colorado are simply too small to accommodate the driver and his accessories. At the same time, a Ford F-150 is perhaps too large. A new generation of midsize pickups will be introduced in 2015 that will be the perfect size to meet the future needs of the inspectors.  
(Funding Source: Operating Budget)
- C. The department will continue to need software programs specifically tailored to the issuance and tracking of building permits and other development activities such as tracking the progress and completion of capital projects. An INCODE module was installed in the fourth quarter of FY 2007-08 and there are additional Mobile modules available that can enhance the department's permitting and tracking efficiency.  
(Funding Source: Operating Budget)
- D. Periodically, it is necessary to perform an interim update to the City's Master Plan in order to keep up with the latest forecasts and trends in land use planning, as well as to gauge the success or lack thereof in implementing the goals and action items contained in the 2009 version. This will require the use of a professional consultant, preferably the consulting firm that was hired to prepare the original Plan.  
(Funding Source: Operating Budget)

# Police

Project Description	2016-17	2017-18	2018-19	2019-20	2020-21
A. Eng/Design Public Safety Center	200,000				
B. Fleet Replacement	85,500	130,000	135,000	140,000	145,000
C. RMS/JMS/CAD Software	55,000				
D. New Public Safety Center		30,000,000			
E. Unmarked Vehicles		54,000			
F. Replace Two Patrol Motorcycles		50,000			
<b>TOTAL</b>	<b>340,500</b>	<b>30,234,000</b>	<b>135,000</b>	<b>140,000</b>	<b>145,000</b>

- A. Begin the evaluation process for the construction of a new Public Safety Facility/Police Station including courtroom facilities.  
(Funding Source: CIP Fund)
- B. Continue uniform vehicle fleet replacement to provide for orderly replacement of police vehicles. Replacements are based on factors such as age, mileage, and maintenance history. There are 40 marked police cars presently in the fleet. Projected expenditure is based on four vehicles replaced annually.  
(Funding Source: Operating Budget)
- C. Replace current Records Management / Jail Management software with entirely new system. Current software is outdated, and maintenance will end soon. Technical Services and Police Administration agree that an entirely new software package is needed. Will be coordinated with E-911 replacement of Computer Aided Dispatch software as an entire package.  
(Funding Source: Operating Budget)
- D. Complete replacement of 30-year-old public safety center. This will permit proper use of space, increased work flow, as well as address design flaws and maintenance issues of the existing facility. The new structure would be designed to embrace existing as well as future technology.  
(Funding Source: Unknown)
- E. Replace two unmarked vehicles in the vehicle fleet to provide for an orderly replacement of police vehicles. Replacements are based on several factors including age, mileage, and maintenance history. There are 9 unmarked police vehicles presently in the fleet.  
(Funding Source: Operating Budget)
- F. Replace two 1998 Harley Davidson Police Motorcycles with new motorcycles to maintain mechanically sound and safe "fleet".  
(Funding Source: Operating Budget)

## Animal Control

Project Description	2016-17	2017-18	2018-19	2019-20	2020-21
A. Animal Control Center		1,000,000			
B. Animal Control Center			25,000		
<b>TOTAL</b>	<b>0</b>	<b>1,000,000</b>	<b>25,000</b>	<b>0</b>	<b>0</b>

A. This is the planned replacement of the dated Animal Control facility on East Central Avenue.  
(Funding Source: Unknown)

B. This is a planned replacement of a truck used by officers to answer calls and to transport animals.  
(Funding Source: Operating Budget)

## Emergency Management

Project Description	2016-17	2017-18	2018-19	2019-20	2020-21
A. Replacement Vehicle		25,000			
B. Replace two outdoor warning signals			70,000	70,000	
<b>TOTAL</b>	<b>0</b>	<b>25,000</b>	<b>70,000</b>	<b>70,000</b>	<b>0</b>

A. Planned replacement of the Emergency Manager's response vehicle.  
(Funding Source: Operating Budget)

B. Replace two outdoor warning sirens each year, to maintain appropriately functional sirens.  
(Funding Source: Operating Budget)

## E-911 Communications

Project Description	2016-17	2017-18	2018-19	2019-20	2020-21
A. Upgrade CAD Software		15,000			
<b>TOTAL</b>	<b>0</b>	<b>15,000</b>	<b>0</b>	<b>0</b>	<b>0</b>

A. Upgrade Computer Aided Dispatch Software Package. Will be coordinated with the upgrade of Records Management and Jail Management software as a complete package.  
(Funding Source: E-911 Tax)

# Fire

Project Description	2016-17	2017-18	2018-19	2019-20	2020-21
A. Pumper Truck Replacement -16/17 Debt	100,000	475,000			475,000
B. Rope Rescue Equipment	10,000				
C. Staff Vehicle		32,000			
D. Thermal Imaging Cameras (2)		20,000			
E. SCBA Refill Compressor		20,000			
F. Staff Vehicle - Shift Commander			40,000		
G. Training Facility / Burn Building				250,000	
H. Station Construction (Hartford at Ash)					1,850,000
<b>TOTAL</b>	<b>110,000</b>	<b>547,000</b>	<b>40,000</b>	<b>250,000</b>	<b>2,325,000</b>

- A. The Pumper Trucks recommended for purchase in 2017-18 and 2020-21 are to replace (2) primary response pumper apparatus that were purchased in 1997 (Unit #102 and Unit #105) Both vehicles are at the end of their expected usable life as primary response vehicles.  
**(Funding Source: Operating Budget)**
- B. Rope rescue equipment is used for high angle and water rescue circumstances. New rope rescue equipment will replace existing equipment that has reached the end of usable service life.  
**Funding Source: Operating Budget)**
- C. The vehicle planned for replacement is a 1996 Ford Crown Victoria Sedan (current mileage 179,462) which is assigned for administrative staff use.  
**(Funding Source: CIP Fund)**
- D. Thermal imaging cameras are used for search and rescue operations upon initial entry into a building on fire. The requested thermal imaging cameras would be carried on Engine #2 stationed on North Ash Street and Engine #4 stationed on Donner Street.  
**(Funding Source: CIP Fund)**
- E. Replacement of the current SCBA breathing air compressor located at Station #1. It is anticipated that due to its age the system will need to be replaced because of its reduced reliability and increased maintenance costs.  
**(Funding Source: CIP Fund)**
- F. The shift command vehicle that is currently in service as a primary response vehicle will be at the end of its useful life as a primary response vehicle by year 2018-19.  
**(Funding Source: CIP fund)**
- G. A training facility and multi-story burn building would be used to provide actual fire and emergency scenarios in a controlled environment. Additionally, such facilities would help to maximize credit toward lowering the municipal fire protection classification issued by ISO (Insurance Service Office).  
**(Funding Source: CIP Fund)**
- H. The proposed station would be constructed in the area of Hartford and Ash and would serve areas that are currently served by Fire Station #2 and Fire Station #3. It is anticipated that reoccurring expenditures such as utilities and building maintenance would be minimized with construction of a new facility which is more energy efficient, and furthermore provide the benefit of being more strategically located.  
**(Funding Source: CIP Fund)**

## Ambulance

<b>Project Description</b>	<b>2016-17</b>	<b>2017-18</b>	<b>2018-19</b>	<b>2019-20</b>	<b>2020-21</b>
A. Ambulance - Replacement	165,000		170,000		175,000
B. Lifepack Cardiac Units - Replacement		42,000		44,000	
C. Automatic CPR Units (2)		50,000			
<b>TOTAL</b>	<b><u>165,000</u></b>	<b><u>92,000</u></b>	<b><u>170,000</u></b>	<b><u>44,000</u></b>	<b><u>175,000</u></b>

- A. Ambulance replacement indicates an ongoing need to remove aging ambulance units from the fleet on a regularly scheduled rotational basis.  
(Funding Source: Operating Budget)
- B. Lifepack 12 Cardiac Units– These units are used in the course of delivering advanced life support (ALSv) medical services. This plan represents anticipated replacement for two (2) units which will be at the end of expected usable service period.  
(Funding Source: CIP Fund)
- C. An automatic CPR unit is a mechanical device which provides effective cardio-pulmonary resuscitation for cardiac arrest patients. The project will entail the purchase of two (2) units which will be assigned to the Department’s two (2) primary response ambulances.  
(Funding Source: CIP Fund)

## Street

Project Description	2016-17	2017-18	2018-19	2019-20	2020-21
A. Street Sweeper	265,000				
B. Articulating Loader w/ Attachments		170,000			
C. Street Flusher Truck		144,000			
D. 13 Yard Dump Truck with Snow Plow		130,000			
E. 5 Yard Dump Truck		105,000	115,000	115,000	
F. Skid Steer w/Breaker		70,000			
G. Pickup		35,000	35,000	35,000	35,000
H. Air Compressor		23,000			
I. Concrete Saw			17,000		
<b>TOTAL</b>	<b><u>265,000</u></b>	<b><u>677,000</u></b>	<b><u>167,000</u></b>	<b><u>150,000</u></b>	<b><u>35,000</u></b>

- A. Replace Unit #523 a mechanical street sweeper. This unit is used daily for overall city clean up.  
(Funding Source: Street & Alley Fund)
- B. Replace aged Unit #516, a 2003 Caterpillar loader. This unit is used for loading materials in trucks, stockpiling materials, grading, and digging. The unit can also be used as an attachment and a forklift.  
(Funding Source: Operating Budget)
- C. Replace the street flusher truck, Unit#513, a 1990 IHC truck. This unit is used for flushing storm drains and streets.  
(Funding Source: Operating Budget)
- D. Replace Unit#512, a 1995 IHC tandem axle dump truck.  
(Funding Source: Operating Budget)
- E. Replace Unit #510, a 1989 IHC five yard dump truck. Three other trucks will need to be replaced as they sustain increasing maintenance and repair costs.  
(Funding Source: Operating Budget)
- F. Replace Unit#560 a skid steer loader with concrete breaker. This unit is used daily in the concrete maintenance program.  
(Funding Source: Operating Budget)
- G. Upsize and replace pickup trucks for more hauling capacity, including Unit #502, a 1994 1/2-ton model.  
(Funding Source: Operating Budget)
- H. Replace aged Unit #519, a Le Roi air compressor purchased in 1985. These units are used for sand blasting and blowing cracks in crack seal operations, as well as other various operations that require large volumes of compressed air.  
(Funding Source: Operating Budget)
- I. Replaced aged Unit #521, 2006 Target Pro concrete saw. This unit is used for cutting bad spots out of asphalt and concrete, in order to remove and replace them.  
(Funding Source: Operating Budget)

## Engineering

Project Description	2016-17	2017-18	2018-19	2019-20	2020-21
A. Pictometry Second Aerial Photo Flight		160,000			
B. Robotic Total Station		30,000			
C. City Engineer Vehicle (Un#407)			25,000		
D. Large Format Color Scanner			25,000		
E. ESRI ArcGis for Server Enterprise Adv.				40,000	
<b>TOTAL</b>	<b>0</b>	<b>190,000</b>	<b>50,000</b>	<b>40,000</b>	<b>0</b>

- A. A new aerial photo flight to update the existing aerial photography including oblique imagery and orthophotos for the 212 square mile PCUA territory. This second flight was included as an option in the original flight agreement with Pictometry if the City decides to fund the second flight. The special discounted price was “locked in” at the time of the original flight. The existing aerial photography will be 5 years old in 2018.  
(Funding Source: Operating Budget)
- B. Purchase a total survey station with robotic capabilities to further allow for one person surveying capabilities. This will replace the existing total station purchased in 2006.  
(Funding Source: Operating Budget)
- C. Replace the City Engineer vehicle, Unit #407, a 2004 Chevrolet Extended Cab pickup truck. It will be 14 years old in the Fall of 2018.  
(Funding Source: Operating Budget)
- D. A large format color scanner for scanning and archiving existing old hard copy plans to digital format. This will replace existing color scanner purchased in 2008.  
(Funding Source: Operating Budget)
- E. An ESRI ArcGIS for Server Enterprise Advanced subscription which will dramatically expand the capabilities of the City’s GIS. This allows concurrent editing of geodatabases, direct-from-the-field data contribution, web-based data access, and many other features that will take the City’s GIS to the next level.  
(Funding Source: Operating Budget)

## Traffic Engineering

Project Description	2016-17	2017-18	2018-19	2019-20	2020-21
A. One Ton Truck Manlift		130,000			
B. 1/2 Ton Pick-Up Truck			25,000		
<b>TOTAL</b>	<b><u>0</u></b>	<b><u>130,000</u></b>	<b><u>25,000</u></b>	<b><u>0</u></b>	<b><u>0</u></b>

- A. Replace one ton truck with manlift. The current signal maintenance truck is simply wearing out. There have been problems in recent years with both the manlift upper and lower controls and the truck itself. Materials and equipment used in signal maintenance are stowed in the utility bed compartments and this vehicle is usually occupied by one person.  
**(Funding Source: Operating Budget)**
- B. Vehicle purchase to replace 1994 ½ ton pickup. Pick-up is used for various traffic control maintenance activities. Annual maintenance costs of current 1994 model are increasing and are currently second only to the signal maintenance truck.  
**(Funding Source: Operating Budget)**

## Park Maintenance

Project Description	2016-17	2017-18	2018-19	2019-20	2020-21
A. West Greenhouse Repairs	10,000				
B. Replace Play Structures		85,000			90,000
C. Uniform Park Signs		50,000			
D. Rebuild Big Springs		35,000			
E. Replace SUV Lake Patrol Vehicle (Un #217)		35,000			
F. Replace 3/4 Ton Crew Cab Pickup (Un #276)		35,000			
G. Replace 3/4 Ton Flat Bed (Un #210)		35,000			
H. Replace Cab & Chasis (Un #272)		35,000			
I. Replace 1/2 Ton Pickup Truck (Un #262)		35,000			
J. Replace 1/2 Ton ExtCab Pickup (Un #202)		35,000			
K. Rip Rap Lake Park Ponds		28,000			
L. 2 Trim Mowers		25,000	25,000		25,000
M. Rip Rap Ski Dock Area		25,000			
N. Replace Park Grills		25,000			
O. 15 Ft Bat Wing Mower		20,000	20,000		25,000
P. Replace Mobile Picnic Tables		20,000			
Q. Trailer Mounted Power Washer		20,000			
R. Rental Ski Dock Repairs (3 Phases)		15,000	15,000	15,000	
S. Rip Rap Jaycee Park Shoreline		15,000		15,000	
T. Purchase Replacement Trees		15,000			
U. Replace Playground Surface Materials/Borders		15,000	15,000	15,000	
V. Replace Tandem Axle Dump Truck (Un #203)			155,000		
W. Replace 2 1/2 Ton Truck (Unit #224)			140,000		
X. 30 X 40 Steel Building (Horticulture Stg/work)			90,000		
Y. Replace Park & Recreation Office Roof			50,000		
Z. Replace 89 Chevy 3/4 Ton Pickup (Un #275)			30,000		
a. Picnic Pavilion Garfield Park			30,000		
b. Replace Aerial Man-Lift (Un #230)				170,000	
c. Replace Restroom Hartford Rmp Lk Ponca				160,000	
d. Park & Recreation Master Plan				140,000	
e. Replace Backhoe Long Reach Boom( Un #208)				35,000	
f. Replace Pickup Truck (Un #241)					95,000
<b>TOTAL</b>	<b>10,000</b>	<b>603,000</b>	<b>570,000</b>	<b>550,000</b>	<b>235,000</b>

A. Replace 6 mil, 2 layers of poly film sheets that make up the inflatable roof pillow. Repair/replace deteriorated metal pipe building braces. Replace polycarbonate twin end-walls on both end of greenhouse. Park maintenance will complete the repairs.

(Funding Source: Operating Budget)

- B. Install play structure in Sunset Park. There is currently no play structure located in this park. The neighborhood is developing, and the park is being used more. Installation of a play structure in this park will improve Sunset Park and encourage more usage by families.  
**(Funding Source: Operating Budget)**
- Replace play structure in Garfield Park. This play structure was installed in 1992. The manufacturer of this structure is no longer in business. Some parts are unavailable.  
**(Funding source: CIP Fund)**
- C. Uniform Park Signs – design, purchase and install park signs for all 28 parks.  
**(Funding Source: Operating Budget)**
- D. Rebuild Big Springs – do an engineering study and make needed repairs to stop water penetration of the native stone walks and concrete walkways.  
**(Funding Source: Operating Budget)**
- E. Replace Unit #217 with a full size SUV with Police Package to include electronic lighting, siren and PA system. Full size unit is needed to pull patrol boat and lake pontoon work boat.  
**(Funding Source: Operating Budget)**
- F. Replace Unit #276 which has over 140,000 miles and is a 1987 model crew cab ¾ ton pickup. It is used by the tree trimming crew in the winter months, 15 ft. mowing crew in summer months, horticulture crew and as a trouble truck at other times.  
**(Funding Source: Operating Budget)**
- G. Replace Unit #210 a ¾ ton flatbed truck which is a 1989 model. This unit carries a 50 gallon diesel fuel tank. It is used for transportation, towing trailers, fueling equipment on job sites and is used on a daily basis.  
**(Funding Source: Operating Budget)**
- H. Replace Cab & Chassis only Unit # 272. Unit #272 is a 26 year old 2 ½ ton, brush truck which has outlived its estimated live of 20 years. The truck is used to haul brush and debris through the year.  
**(Funding Source: Operating Budget)**
- I. Replace Unit #262, a 1995 model ½ ton, standard cab pickup, with 96,000 miles. It is assigned to the horticulture crew and used to maintain the Marland Mansion, Grand Home, tennis courts, Pioneer Woman Museum, Academy Park and other areas. It transports workers, equipment and materials to various areas of the City. The short distances traveled and constant entering and exiting the vehicle have caused extreme wear.  
**(Funding Source: Operating Budget)**
- J. Replace Unit #202 a ½ Ton Extended Cab Pickup which has 130,000 miles. Park Maintenance Supervisor is assigned to this unit and it is used to check on maintenance crews working all over the City.  
**(Funding Source: Operating Budget)**
- K. Rip Rap Lake Ponca Park Ponds which have eroded over time. The shoreline will be re-established and will require rip rap placed to deter continued erosion. This would be done only after dredging of the ponds is accomplished.  
**(Funding Source: Operating Budget)**
- L. The trim mowers are used to mow City properties and parks in areas the 15 foot bat wing mower cannot reach. These units mow 500-700 hours per season on rough uneven terrain. The life of these units is 4-5 years.  
**(Funding Source: Operating Budget)**

2016-17 Operating Budget

- M. Rip Rap Public Ski Dock Area which has eroded over time. The shoreline will be re-established and will require rip rap placed to deter continued erosion.  
**(Funding Source: CIP Fund)**
  
- N. Replace park grills due to normal wear and usage. Most of the grills have rusted through or have the actual grates missing.  
**(Funding Source: CIP Fund)**
  
- O. The 15 ft. bat wing mower is one of three front line mowers used for mowing the Lake Ponca area, right of ways, City parks and properties, detention pond and substations. Deck surfaces and hinge attachments are rusted out.  
**(Funding Source: CIP Fund)**  
  
Replace existing 1991 Rhine 6 ft. rough cut mower. This is a 3 point hookup mower used to cut tall grass and brush along right-of-ways and is used to open access for trails around Lake Ponca, and mow various small City owned properties.  
**(Funding Source: CIP Fund)**
  
- P. Replace mobile loaner picnic tables; these tables are used for special events. The tables are deteriorating faster than is possible to fix them.  
**(Funding Source: Operating Budget)**
  
- Q. The trailer mounted power washer is to be used in parks and public facilities to remove graffiti, wash down shelters, and clean concrete and natural stone walls.  
**(Funding Source: Operating Budget)**
  
- R. Rental Ski Dock Repairs to be done in 3 phases. Materials to rebuild docks, dock mounting to shoreline, floatation, and deck. Project to be completed in three phases. Last three phase project repairs were completed in 2010.  
**(Funding Source: Operating Budget)**
  
- S. Jaycee Park shoreline is eroding due to constant wave action. The shoreline has been re-established and requires rip rap placed along the shore to deter erosion.  
**(Funding Source: Operating Budget)**
  
- T. Purchase replacement trees. Purchase approximately 100 trees to replace those lost due to mortality or other causes. Each year we remove from 50 to 150 trees due to disease, natural mortality, storm damage and other causes. These replacement trees will allow us to continue our annual replacement program and protect and maintain the City's urban forest.  
**(Funding Source: Operating Budget)**
  
- U. Replace playground surface materials and borders. The fall zones have become unsafe in most park play areas due to wearing away of surface materials.  
**(Funding Source: Operating Budget)**
  
- V. Replace Unit #203, a tandem axle dump truck used to haul rock, sand and soil. This unit is also used during Spring Cleanup, Lake Cleanup and hauls snow when needed.  
**(Funding Source: Operating Budget)**
  
- W. Replace Unit #224, which is an International 1992 model 1 ½ ton dump truck single axle. It is used to haul dirt, rock, sand, brush, and snow.  
**(Funding Source: Operating Budget)**

- X. Construct a 30 x 40 steel storage building to be used for horticulture crews and seedling planting area. This will provide storage of horticulture supplies and a work space for horticulture crew to do seed planting, transplanting and other greenhouse preparation work.  
**(Funding Source: Operating Budget)**
- Y. Replace roof on Park & Recreation building. The current roof has been patched but it has started leaking again and has rusted through in several areas.  
**(Funding Source: Operating Budget)**
- Z. Replace Unit #275 a 1989 Chevrolet ¾ ton pickup. The vehicle is used on a daily basis city wide to pull trailer hauling finish mowers and sprayer. During winter it is used for grounds maintenance, pulls trailer for snow removal equipment.  
**(Funding Source: Operating Budget)**
- a. Install a covered shelter for groups of at least 25 in Garfield Park. Garfield Park is a beautiful park that could be utilized more fully. It would relieve the high use of Pioneer Park and help maximize the use of the park. The park would also be used more by the school system.  
**(Funding Source: CIP Fund)**
- b. Replace Unit 230 Aerial Man-lift Truck a 2000 model truck mounted articulating aerial device. This unit is used for tree maintenance, facility maintenance, tree removal and storm cleanup. The aerial device was installed on a used truck in 2000. For safety purposes both the truck and lift need to be replaced.  
**(Funding Source: CIP Fund)**
- c. The Hartford Ramp restroom was built 50 years ago and the west side restroom is used continuously with the lake lot cabins and public fishing dock located on the west side. ADA updates are also needed.  
**(Funding Source: Grants/Hotel Motel)**
- d. The Master Plan would address present and future needs, location, and upgrading of Park and Recreation equipment, and provide input from the community on programs, recreation facilities and equipment and land usage.  
**(Funding Source: Operating Budget)**
- e. Unit #208, backhoe with cab and A/C, is a 1993 John Deere which was transferred from the Water Department to the Park Department. The pins, hydraulic cylinders and driveline will need replacement. The backhoe is used to do dirt work, loading of soil and mulch, debris removal after storms, and snow removal in the winter.  
**(Funding Source: Operating Budget)**
- f. Replace Unit 241 1 ½ ton Dump Truck. Unit 241 is a 1993 International 1 ½ ton dump truck, single axle. It is used to haul dirt, rock, sand, brush and snow.  
**(Funding source: Unknown)**

## AMBUC Pool

<b>Project Description</b>	<b>2016-17</b>	<b>2017-18</b>	<b>2018-19</b>	<b>2019-20</b>	<b>2020-21</b>
A. Water Slide	30,000				
B. Bathhouse Building Repairs				100,000	
<b>TOTAL</b>	<b><u>30,000</u></b>	<b><u>0</u></b>	<b><u>0</u></b>	<b><u>100,000</u></b>	<b><u>0</u></b>

A. Purchase water slide replacing dilapidated water slide.  
**(Funding Source: Operating Budget)**

B. Repair and replace portions of the floor and walls that are cracked or broken; caused by the building settling.  
**(Funding Source: Unknown)**

## Recreational Programs

Project Description	2016-17	2017-18	2018-19	2019-20	2020-21
A. Lake Ponca Trail Segment 4	140,000				
B. Young Neighborhood Splash Pad	140,000				
C. Attucks Neighborhood Splash Pad	140,000				
D. Tennis Court Resurfacing 1-5	30,000				
E. Dan Moran Ballfield Lights (3)		70,000	70,000	70,000	
F. Solid Protective Ceiling Covering for Unity		65,000			
G. Dan Moran Trail		65,000			
H. Tennis Court Resurfacing 6-9		35,000			
I. Purchase Parking Lot next to Senior Center			100,000		
<b>TOTAL</b>	<b><u>450,000</u></b>	<b><u>235,000</u></b>	<b><u>170,000</u></b>	<b><u>70,000</u></b>	<b><u>0</u></b>

- A. Construct phase I of a 5 part trail proposal that will link the Marland Trail to the Lake Ponca Recreational Area. This phase will be a trail loop around the event area at Lake Ponca that will connect to the existing bridge on L.A. Cann Road.  
(Funding Source: Hotel/Motel Tax)
- B. Construct a recreational non-circulating water splash pad. This system will be installed by vendor and will include benching, tables, shade covers, and signage. The proposed location will be Young Park.  
(Funding Source: Hotel/Motel Tax)
- C. Construct a recreational non-circulating water splash pad. This system will be installed by vendor and will include benching, tables, shade covers, and signage. The proposed location will be Attucks Park. This pad would be sized for the neighborhood.  
(Funding Source: Hotel/Motel Tax and CDBG Grant)
- D. Resurface tennis courts six through nine at the Wally Smith Tennis Center.  
(Funding Source: Operating Budget)
- E. Replace the ball field lights at the Dan Moran Ball Field, three fields located on South Avenue.  
(Funding Source: Operating Budget)
- F. Purchase and installation of a solid protective ceiling cover that will protect the insulation above the ceiling beams in Unity Gym.  
(Funding Source: CIP Fund)
- G. Construct a 10 ft wide concrete trail beginning on the north property line of Dan Moran Park continuing in a southerly direction making connections to the skate park. At this time a sidewalk does not exist on the east side of Dan Moran Park for park users to gain access to the park facilities. The proposed trail would also be used in the future when connection Dan Moran Park to the Ponca City Aquatic and Family Center Y.  
(Funding Source: Hotel Motel/Street Improvement)
- H. Resurface tennis courts six through nine at the Wally Smith Tennis Center.  
(Funding Source: Hotel Motel/Street Improvement)
- I. Purchase existing parking lot west of Senior Center for over flow parking.  
(Funding Source: CIP Fund)

## Wentz Camp

Project Description	2016-17	2017-18	2018-19	2019-20	2020-21
A. Cabin Improvement Interior Repairs		90,000			
B. Repaint Water Tower		90,000			
C. Replace Water Lines			100,000		
D. Cabin 5-8 Improvements Interior/Exterior			90,000		
E. Camp Bathhouse Interior Renovations			50,000		
F. Cabins 9-12 Improvements Interior/Ext				90,000	
G. Bathhouse, Dining Hall, Concession				50,000	
<b>TOTAL</b>	<b>0</b>	<b>180,000</b>	<b>240,000</b>	<b>140,000</b>	<b>0</b>

- A. Cabins 1-4 repairs at Wentz Camp.  
(Funding Source: Operating Budget)
- B. The paint on the water tower is fading, and in some areas, rust is starting to occur. The water tower was last painted in 1989.  
(Funding Source: Water Fund)
- C. Replace existing water lines which are rusted and are constantly leaking, requiring ongoing repairs.  
(Funding Source: Water Fund)
- D. Cabins 5-8 repairs at Wentz Camp.  
(Funding Source: Operating Budget)
- E. Replace restroom stalls and doors that are rusting. Replace the round hand basin, which is not functional and does not meet health codes.  
(Funding Source: Operating Budget)
- F. Cabins 9-12 repairs at Wentz Camp.  
(Funding Source: Operating Budget)
- G. Tuck point and seal exterior stone wall of camp bathhouses, dining hall, and concession stand.  
(Funding Source: Operating Budget)

## Marland's Grand Home

Project Description	2016-17	2017-18	2018-19	2019-20	2020-21
A. MGH: Roof Repairs - 2nd Floor, E & W Slopes	40,000				
B. MGH: East Terrace Renovation - Phase I		100,000			
C. MGH: Carriage House Renovation - Phase I			140,600		
D. MGH: Repair/Paint Stucco, Stone, Metal, Trim				100,000	
E. MGH: East Terrace Renovation - Phase II					100,000
<b>TOTAL</b>	<b><u>40,000</u></b>	<b><u>100,000</u></b>	<b><u>140,600</u></b>	<b><u>100,000</u></b>	<b><u>100,000</u></b>

- A. Roof requires repair of several leaks in upper second floor east and west slopes close to and around chimney areas and restoration of rafter(s).  
**(Funding Source: Operating Budget)**
- B. Exterior renovation of the East Terrace – Phase I requires ground and wall work of and around existing basement area below terrace and other waterproofing and stabilization measures.  
**(Funding Source: CIP Fund)**
- C. Exterior renovation of Carriage House – Phase I includes repair and replacement of stucco, boarding up existing windows and painting of the window coverings, fascia, and trim as necessary.  
**(Funding Source: CIP Fund)**
- D. Exterior stucco on home requires removal of damaged areas, re-plastering and painting. Stone base and some trim (not included in 2015 exterior trim paint project) of home, and exterior metal work requiring painting. Historic windows need repair, reglaze, and paint.  
**(Funding Source: CIP Fund)**
- E. Exterior renovation of East Terrace – Phase II includes step and stone repair, addition of sidewalks and patio area and other related exterior repairs.  
**(Funding Source: CIP Fund)**

## Library

Project Description	2016-17	2017-18	2018-19	2019-20	2020-21
A. Carpet Tile Replacement		80,000			
B. HVAC Replacement		20,000			
C. Microfilm Reader/Printer Replacement		11,000			
D. Window Replacement			50,000		
E. Exterior Lift			35,000		
F. Interior Paint				50,000	50,000
G. Remote Access Kiosk				35,000	
H. RFIS/Self Check Tools				30,000	
I. Terrazzo Entryway				25,000	25,000
<b>TOTAL</b>	<b>0</b>	<b>111,000</b>	<b>85,000</b>	<b>140,000</b>	<b>75,000</b>

- A. Shaw Carpet will not provide another run of the Library's carpet tiles to replace those that have been damaged or can no longer be cleaned, theoretically because of technical limitations. Our current carpet was installed in 2003 and there are areas with wear and stains.  
(Funding Source: Operating Budget)
- B. HVAC lower level replacement.  
(Funding Source: CIP Fund)
- C. Replace existing reader/printer. This unit is accessible to the public in the genealogy and local history collection area. Copy revenues are deposited in the City General Fund.  
(Funding Source: CIP Fund)
- D. Replace 76 window units with tempered glass and ultraviolet protection.  
(Funding Source: CIP Fund)
- E. Install an exterior lift to provide improved access to the Library.  
(Funding Source: CIP Fund)
- F. Interior Building Painting.  
(Funding Source: CIP Fund)
- H. Install a remote access kiosk so customers will have improved access to Library materials.  
(Funding Source: CIP Fund)
- I. RFID/Self Check: Radio Frequency Identifiers and self-check technology can improve inventory control and allow patrons to check out their own materials.  
(Funding Source: CIP Fund)
- J. Install a terrazzo entry from the west doors to around the front of the Circulation Desk. This is the area receiving the most dirt and wear of the carpet. By creating a more easily cleaned area, future carpet cleaning will be simplified.  
(Funding Source: CIP Fund)

## Water Production

Project Description	2016-17	2017-18	2018-19	2019-20	2020-21
A. Sludge Drying Bed Improvements	185,000				
B. Industrial Water Storage Repairs	150,000				
C. Replace Service Truck (Un#629)	105,000				
D. Replace Tractor (Un #633)		60,000			
E. Equipment Storage Building		50,000			
F. Clearwell Rehabilitation			80,000		
G. Replace High Service Pump				180,000	
H. Clarifier and Three Drying Beds					3,800,000
<b>TOTAL</b>	<b><u>440,000</u></b>	<b><u>110,000</u></b>	<b><u>80,000</u></b>	<b><u>180,000</u></b>	<b><u>3,800,000</u></b>

- A. Design and construct three additional drying beds at the Water Treatment Plant.  
(Funding Source: Operating Budget)
  
- B. Additional funding was needed for last year’s capital request for maintenance and repairs of industrial park water storage tank. Maintenance would include installing screens, splash pads, safety climb devices, and cathodic protection system. Repairs would include seal foundation, seal seams, sandblast and recoat interior and exterior of tank.  
(Funding Source: Operating Budget)
  
- C. Replace Service Truck (Un#629).  
(Funding Source: Operating Budget)
  
- D. Replace Tractor (Un #633).  
(Funding Source: Operating Budget)
  
- E. Construct a 40 foot x 60 foot equipment storage building.  
(Funding Source: Operating Budget)
  
- F. Repair, seal, and paint the top of clearwell.  
(Funding Source: Operating Budget)
  
- G. Replace one high service pump at Ponca City Water Treatment Plant.  
(Funding Source: Operating Budget)
  
- H. Construct a third clarifier and three additional drying beds at Water Treatment Plant.  
(Funding Source: Operating Budget)

## Water Distribution

Project Description	2016-17	2017-18	2018-19	2019-20	2020-21
A. Water Line & Valve Replacements	150,000	350,000	300,000	300,000	400,000
B. Contingency Water Line Projects	55,000	55,000	55,000	55,000	55,000
C. Replace Service Truck (Un #668)	45,000				
D. Replace Service Truck (Un #638)	45,000				
E. Fire Hydrants	36,000		37,000		38,000
F. Water Meters	30,000	30,000	30,000	30,000	30,000
G. Replace Pickup (Un #620)	25,000				
H. Replace Backhoe (Un #664)		100,000			
I. Chain Link Fence		30,000			
J. Replace Backhoe (Un #626)				100,000	
K. Replace Dump Truck (Un# 625)					125,000
L. Warehouse Building					125,000
<b>TOTAL</b>	<b><u>386,000</u></b>	<b><u>565,000</u></b>	<b><u>422,000</u></b>	<b><u>485,000</u></b>	<b><u>773,000</u></b>

A. **FY 2016-17 Water Line Replacement:** Replace 800 feet of 4" water line from Ponca to Oklahoma. Replace 400 feet of 6" water line from Central to Oklahoma.

(Funding Source: Operating Budget)

**FY 2017-18 Water Line Replacement:** Replace 2,000 feet of 8" water main from 5<sup>th</sup> Street & Albany going west to Union Street.

(Funding Source: Operating Budget)

**FY 2018-19 Water Line Replacement:** Replace 1,300 feet of 10" main on Hartford Avenue from Union to Osage.

(Funding Source: Operating Budget)

**FY 2019-20 Water Line Replacement:** Replace 2,800 feet of 4" main with 6" PVC from Highland to Albany on 1<sup>st</sup> Street.

(Funding Source: Operating Budget)

**FY 2020-21 Water Line Replacement:** Replace 250 feet of 24" pipe at the Water Plant.

(Funding Source: Operating Budget)

B. Contingency funds used to address unforeseen water line replacement and repair needs.

(Funding Source: Operating Budget)

C. Replace service truck (Unit #668).

(Funding Source: Operating Budget)

D. Replace service truck (Unit #638).

(Funding Source: Operating Budget)

E. Replenishment of stock used for new locations as well as replacement of old hydrants.

(Funding Source: Operating Budget)

- F. Meters for new services. This includes residential, commercial, and industrial meters.  
(Funding Source: Operating Budget)
- G. Replace pickup (Unit#620).  
(Funding Source: Operating Budget)
- H. Replace backhoe (Unit #664).  
(Funding Source: Operating Budget)
- I. Chain link fence.  
(Funding Source: Operating Budget)
- J. Replace backhoe (Unit #626)  
(Funding Source: Operating Budget)
- K. Replace dump truck (Unit #625).  
(Funding Source: Operating Budget)
- L. Warehouse building.  
(Funding Source: Operating Budget)

## Ponca City Energy

Project Description	2016-17	2017-18	2018-19	2019-20	2020-21
A. Electric Distribution System Improvements	930,000	960,000	990,000	1,020,000	1,050,000
B. Distribution Reinforcement	440,000	455,000	465,000	480,000	495,000
C. Lake Ponca Trail Lighting	350,000				
D. Fiber Optic Backbone	300,000	300,000	300,000	300,000	300,000
E. Fleet Replacement	260,000	340,000	350,000	360,000	370,000
F. Street Lighting	100,000	100,000	100,000	100,000	100,000
G. Administrative Vehicle (Un#600)	32,000				
H. Skidsteer Pole Setting Attachment	12,000				
I. Substation Transformer		600,000			
J. Equipment Shed		70,000			
<b>TOTAL</b>	<b><u>2,424,000</u></b>	<b><u>2,825,000</u></b>	<b><u>2,205,000</u></b>	<b><u>2,260,000</u></b>	<b><u>2,315,000</u></b>

- A. Purchase transformers, conductors, meters, and other line equipment for general repairs, additions and improvements to the electrical distribution system.  
(Funding Source: Operating Budget)
- B. Provide a program to identify, repair, rebuild, and interconnect express distribution feeders for increased service capacity and better outage response times. Also upgrade substation relays and electronics to improve reliability, increase network performance, and improve outage response.  
(Funding Source: Operating Budget)
- C. Install lighting along the new trail system at Lake Ponca Park.  
(Funding Source: Operating Budget)
- D. Continue and maintain the fiber optic backbone for Ponca City. In keeping up with the demands of Ponca City citizens and businesses, Ponca City should evaluate installing Fiber to the Premise. This will allow customers to pay for bandwidth at higher quantities than the wireless network can deliver.  
(Funding Source: Operating Budget)
- E. Continue vehicle fleet replacement of heavy and light department vehicles and rolling stock as necessary. Replacements are based on factors such as unit hours used, age, mileage, and maintenance history. There are 9 light-duty vehicles, 6 bucket trucks, 3 digger derrick trucks, 1 heavy-duty flat bed truck, 1 backyard mini-derrick machine on trailer, 1 track hoe, 1 skid-steer loader, 5 utility trailers, and 3 wire pulling trailers. Projected to replace approximately two vehicles annually. For 2015-2016, replace large bucket truck (#610) and ambulance (#618) with bucket/van.  
(Funding Source: Operating Budget)
- F. Upgrade and expand Street Lighting.  
(Funding Source: Operating Budget)
- G. Replace Unit #600 a 2007 full size SUV with 115,000 miles.  
(Funding Source: Operating Budget)
- H. Purchase a skidsteer pole setting and hauling attachment. Attachment allows crews to safely haul, set, and pull utility poles with skidsteer unit.  
(Funding Source: Operating Budget)

- I. Purchase of replacement 25MVA substation transformer. There are 9 substations with 10 transformers. It is anticipated that a transformer failure could happen within the next few years, requiring rebuild or replacement.  
**(Funding Source: Operating Budget)**
  
- J. Build a covered structure for equipment and materials that need protection from the weather. This structure will protect trailers, underground cable and conduit, and other materials that are susceptible to sun and weather damage.  
**(Funding Source: Operating Budget)**

## Solid Waste

Project Description	2016-17	2017-18	2018-19	2019-20	2020-21
A. Rear Load Containers and Lids	30,000	30,000	30,000	30,000	30,000
B. 30 Yard Opentop Containers	14,000	25,000	25,000	25,000	25,000
C. 6-Yard Compactors	13,000		26,000		
D. Roll-Off Truck		200,000	200,000		
E. Pickup Truck (2)		55,000			
F. 30 Yard Compactors		30,000	60,000	30,000	30,000
G. 40-Yard Receiver Box				30,000	20,000
H. Forklift				25,000	
<b>TOTAL</b>	<b><u>57,000</u></b>	<b><u>340,000</u></b>	<b><u>341,000</u></b>	<b><u>140,000</u></b>	<b><u>105,000</u></b>

- A. Replace rear load containers and lids every year on a 10-year depreciation schedule.  
(Funding Source: Solid Waste Depreciation Reserve Fund)
- B. Replace open-top containers on a 20-year depreciation schedule.  
(Funding Source: Solid Waste Depreciation Reserve Fund)
- C. Replace 6-yard compactors on a 10-year depreciation schedule.  
(Funding Source: Solid Waste Depreciation Reserve Fund)
- D. Replace roll-off truck on a 10-year depreciation schedule.  
(Funding Source: Solid Waste Depreciation Reserve Fund)
- E. Replace vehicles on a 10-year depreciation schedule.  
(Funding Source: Solid Waste Depreciation Reserve Fund)
- F. Replace compactors on 10-year depreciation schedule.  
(Funding Source: Solid Waste Depreciation Reserve Fund)
- G. Replace receiver box on a 10-year depreciation schedule.  
(Funding Source: Solid Waste Depreciation Reserve Fund)
- H. Replace forklift on a 15-year depreciation schedule.  
(Funding Source: Solid Waste Depreciation Reserve Fund)

## Landfill

Project Description	2016-17	2017-18	2018-19	2019-20	2020-21
A. Tractor	195,000				
B. Litter Catchers	30,000				
C. Compactor (80,000 lb)		575,000			
D. Scraper		534,000			
E. Pickup Truck		24,000			
F. Dozer			375,000		
G. Power Washer			15,000		
H. Soil Compactor				15,000	
I. Landfill Scale					35,000
<b>TOTAL</b>	<b><u>225,000</u></b>	<b><u>1,133,000</u></b>	<b><u>390,000</u></b>	<b><u>15,000</u></b>	<b><u>35,000</u></b>

- A. Replace tractor on a 15-year rotational depreciation schedule.  
(Funding Source: Solid Waste Depreciation Reserve Fund)
- B. Purchase five litter catchers to contain flying debris from exiting the landfill grounds.  
(Funding Source: Solid Waste Depreciation Reserve Fund)
- C. Replace compactor on a 5-year rotational depreciation schedule.  
(Funding Source: Solid Waste Depreciation Reserve Fund)
- D. Replace scraper on an 8-year rotational depreciation schedule.  
(Funding Source: Solid Waste Depreciation Reserve Fund)
- E. Replace pickup truck on a 10-year rotational depreciation schedule.  
(Funding Source: Solid Waste Depreciation Reserve Fund)
- F. Replace dozer on a 5-year rotational depreciation schedule.  
(Funding Source: Solid Waste Depreciation Reserve Fund)
- G. Replace power washer on a 10-year rotational depreciation schedule.  
(Funding Source: Solid Waste Depreciation Reserve Fund)
- H. Replace soil compactor on a 20-year rotational depreciation schedule.  
(Funding Source: Solid Waste Depreciation Reserve Fund)
- I. Replace scales on a 10-year rotational depreciation schedule.  
(Funding Source: Solid Waste Depreciation Reserve Fund)

## Wastewater Treatment

<b>Project Description</b>	<b>2016-17</b>	<b>2017-18</b>	<b>2018-19</b>	<b>2019-20</b>	<b>2020-21</b>
A. Replace Valves	80,000	85,000	85,000		
B. Replace Variable Speed Drives	50,000	40,000	45,000	45,000	45,000
C. Rehabilitate Belt Press Substructure		65,000			
D. Paint Clarifiers		20,000	20,000	20,000	
E. Repair Concrete at Headworks			35,000		
<b>TOTAL</b>	<b><u>130,000</u></b>	<b><u>210,000</u></b>	<b><u>185,000</u></b>	<b><u>65,000</u></b>	<b><u>45,000</u></b>

- A. Replace the slide gate valves in aeration basin and splitter structure.  
(Funding Source: Operating Budget)
- B. Replace variable speed drives on aeration blowers and main liftstation pumps.  
(Funding Source: Operating Budget)
- C. Sandblast and paint substructure of sludge dewatering press.  
(Funding Source: Operating Budget)
- D. Paint concrete surfaces on clarifier. One of the three that were constructed in the late 1990's.  
(Funding Source: Operating Budget)
- E. Sandblast, repair and paint concrete at WWTP headworks.  
(Funding Source: Operating Budget)

## Wastewater Collection

Project Description	2016-17	2017-18	2018-19	2019-20	2020-21
A. Wastewater Interceptor Replacement	500,000	210,000	100,000	220,000	250,000
B. Contingency Wastewater Line Projects	70,000	70,000	70,000	70,000	70,000
C. Camera Van Electronics		350,000			
D. Replace Flusher Truck (#640)			70,000		
<b>TOTAL</b>	<b><u>570,000</u></b>	<b><u>630,000</u></b>	<b><u>240,000</u></b>	<b><u>290,000</u></b>	<b><u>320,000</u></b>

A. Wastewater Interceptor Replacement Projects:

**2016-17** Replace 12,250 feet of 8” clay pipe with 8” poly pipe from Central Avenue to Cherry Avenue on Franklin Street.

**(Funding Source: Operating Budget)**

**2017-18** Replace 1,200 feet of 10” clay pipe with 10” poly pipe North of South Avenue from Ash Street to Osage Street.

**(Funding Source: Operating Budget)**

**2018-19** Replace 500 feet of 4” private sewer with 8” public sewer main on Hillside.

**(Funding Source: Operating Budget)**

**2019-20** Replace 570 feet of 8” sewer main with PVC or poly pipe at 2100 Block of Willow Street.

**2019-20** Replace 300 feet of 6” sewer main with PVC or poly pipe at Highway 60 & 4th Street.

**2019-20** Replace 330 feet of 8” sewer main with PVC or poly pipe at 200 block of North Birch Street.

**(Funding Source: Operating Budget)**

**2020-21** Replace 700 feet of 8” clay pipe with 8” poly pipe at 300 block of South Washington.

**(Funding Source: Operating Budget)**

B. Contingency Wastewater Collection Line Project.

**(Funding Source: Operating Budget)**

C. Camera Van Electronics.

**(Funding Source: Operating Budget)**

D. Replace Unit #640 Flusher Truck.

**(Funding Source: Operating Budget)**

## Stormwater

<b>Project Description</b>	<b>2016-17</b>	<b>2017-18</b>	<b>2018-19</b>	<b>2019-20</b>	<b>2020-21</b>
A. Hartford Avenue Detention Pond (Eng.)		150,000			
B. Selvey Addition Improvements			100,000	50,000	50,000
<b>TOTAL</b>	<b>0</b>	<b>150,000</b>	<b>100,000</b>	<b>50,000</b>	<b>50,000</b>

- A. Engineering Design for the Hartford Avenue Regional Detention Pond located north of Hartford Avenue and east of Plaza 14.  
(Funding Source: Operating Budget)
- B. Selvey Addition Improvements which will consist of various projects dealing with replacing insufficient sized pipe and replacing them with large pipe.  
(Funding Source: Operating Budget)

## Technology Services

Project Description	2016-17	2017-18	2018-19	2019-20	2020-21
A. Cisco Call Manager	65,000				
B. Cisco Hardware Switches	40,000	40,000	40,000	40,000	40,000
<b>TOTAL</b>	<b><u>105,000</u></b>	<b><u>40,000</u></b>	<b><u>40,000</u></b>	<b><u>40,000</u></b>	<b><u>40,000</u></b>

- A. Replace the software and hardware for City’s Cisco phone system. Replace every deskphone and fax machine to newer versions.  
**(Funding Source: CIP Fund)**
- B. As network switches are used 24 hours a day in our network, they will need to be replaced to ensure their reliability on a 24 hour demand cycle. These switches ensure all communications between all network appliances including servers, desktop computers, GIS, Scada, phones, radios, etc. The speed has now needed to be increased as well so 1 GB or even 10 GB speed switches will be used from now on as the continual increase in number of users, server based applications, and demand for data in the field.  
**(Funding Source: CIP Fund)**

## City Garage

<b>Project Description</b>	<b>2016-17</b>	<b>2017-18</b>	<b>2018-19</b>	<b>2019-20</b>	<b>2020-21</b>
A. Replace Shop Doors (2)	10,000		30,000	40,000	
B. Pickup Truck		32,000			
C. Automated Fuel Managmeent System			46,500		
D. Self Contained Air Compressor					10,000
<b>TOTAL</b>	<b><u>10,000</u></b>	<b><u>32,000</u></b>	<b><u>76,500</u></b>	<b><u>40,000</u></b>	<b><u>10,000</u></b>

- A. Replace two overhead doors in the wash bay. These doors need replaced because of environmental conditions.  
(Funding Source: Operating Budget)
- B. Replace a 2002 GMC Pickup truck with 80,000 miles to a current year service truck.  
(Funding Source: Unknown)
- C. A new automated fuel management system to replace the current system that is beginning to have problems and replacement parts are no longer available. This is the primary fuel system for the city and is used for accountability of fuel and information.  
(Funding Source: Unknown)
- D. Need to upgrade air compressor to be used for service calls, to run air tools and other equipment on service truck.  
(Funding Source: Unknown)

## Marland Estate

Project Description	2016-17	2017-18	2018-19	2019-20	2020-21
A. Replace UV Window Treatments	34,000				
B. Exterior Wrought Iron and Metal Restoration		70,000			
C. Additional Landscape and Hardscape			20,000		
D. Historic Landscape Survey			16,000		
E. Boat House & Tunnel Repair				75,200	
F. Redesign/Enlarge Parking Lot					60,000
<b>TOTAL</b>	<b><u>34,000</u></b>	<b><u>70,000</u></b>	<b><u>36,000</u></b>	<b><u>75,200</u></b>	<b><u>60,000</u></b>

- A. Historic furnishings and artifacts are at risk of fading and even deterioration without ultraviolet window treatments. Modern UV treatments can also affect heat loss and gain, creating a more energy effective environment.  
**(Funding Source: CIP Fund)**
- B. The exterior wrought iron and decorative metals surrounding the Mansion are corroding and are in danger of serious deterioration. The metals, which are significant architectural features to the Mansion, need primer and paint.  
**(Funding Source: CIP Fund)**
- C. The recent enhancements & additions to the Mansion have been extensive. Continuous attention to the landscaping is needed to maintain the existing plantings, as well as planting new beds of annuals & perennials to highlight these improvements, such as the Walking Trail, Bryant Baker Gallery & Artist Studio, & the new water feature. The Marland Estate was nationally recognized for its beautiful & unique gardens & should strive to recapture that reputation with top-rate landscaping.  
**(Funding Source: CIP Fund)**
- D. Historic landscape survey by Essence Landscape, owned by Dr. Lou Anella of OSU, with recommendations for future historic replacement plantings.  
**(Funding Source: CIP Fund)**
- E. As the tunnel was featured on TV's "America's Castles", it is a requested tour addition for many guests. Waterproofing the tunnel leading to the Artist Studio and Boat House will enhance the overall tour experience for visitors & create a safe place during inclement weather. The leakage problem also extends to the Boat House causing accelerated damage to structural I beams.  
**(Funding Source: CIP Fund)**
- F. There are only sixty-two identified parking spaces and because of larger events held at the Mansion there is a need for additional spaces, plus parking for tour buses. As the popularity of the Marland Mansion grows; as a premier venue site, so does the need for additional accommodations for the guests.  
**(Funding Source: Unknown)**

## Golf Course

Project Description	2016-17	2017-18	2018-19	2019-20	2020-21
A. Sprayer	44,000				
B. Upgrade NSN 8000 Irrigation System	12,000				
C. Driving Range Engineering Design Phase I	10,000				
D. Rebuild Green		45,000			
E. Groundmaster (3)		35,000			
F. Cart Trails		20,000			
G. Fairway Mowers (2)			52,000		
H. Pull Behind Ground Gang Mower			24,000		
I. Trucksters (2)			20,000	20,000	
J. Fence around Maintenance Shop				15,000	
K. Equipment Shed					25,000
<b>TOTAL</b>	<b>66,000</b>	<b>100,000</b>	<b>96,000</b>	<b>35,000</b>	<b>25,000</b>

- A. Replace current 200 gallon sprayer. The current sprayer is showing extensive rust.  
(Funding Source: CIP Fund)
- B. Upgrade the Network 8000 Irrigation System. This is a five year replacement program.  
(Funding Source: CIP Fund)
- C. Begin the Engineering design for the construction of a new driving range at Wentz Golf Course.  
(Funding Source: CIP Fund)
- D. Rebuild hole #7 green. This is one of the last clay type greens including upgraded drainage.  
(Funding Source: CIP Fund)
- E. The groundmasters are used primarily in mowing the rough and other heavy-duty jobs.  
(Funding Source: CIP Fund)
- F. Several cart trails need to be replaced. The list includes irrigation and trail to back tee box on hole #18, hole #6 tee box and hole #1.  
(Funding Source: CIP Fund)
- G. Replace current fairway mowers that are heavily used and whose maintenance costs are rising.  
(Funding Source: CIP Fund)
- H. Replace the current pull behind ground gang mower that is used to mow the rough.  
(Funding Source: CIP Fund)
- I. Replacement of heavy-duty trucksters that haul materials and other heavy payloads. The units will be from seven to eleven years old when replaced.  
(Funding Source: CIP Fund)
- J. Construct a new fence around the maintenance area to separate it from the golf course.  
(Funding Source: CIP Fund)
- K. Construction of a new metal equipment shed at the maintenance building areas. This would provide storage for the tractors and other materials.  
(Funding Source: CIP Fund)

## L.A. Cann Memorial Garden Trust

Project Description	2016-17	2017-18	2018-19	2019-20	2020-21
A. Replace House Roof			14,000		
B. Brick Walkway Repairs				15,000	
C. Repair & Refinish Gazebos					10,000
<b>TOTAL</b>	<b><u>0</u></b>	<b><u>0</u></b>	<b><u>14,000</u></b>	<b><u>15,000</u></b>	<b><u>10,000</u></b>

- A. Replace roof on the Cann House. The roof is nearing the end of its useful life and will require replacement.  
(Funding Source: Operating Budget)
- B. Repair the brick forming the edge of the walking trail. When equipment crosses the walk it causes the brick edge to break off. Repair would involve removing the brick edge, pouring a narrow concrete strip for support and replacing the brick edge on the concrete strip.  
(Funding Source: Operating Budget)
- C. Repair and refinish gazebos by walking trails. The gazebos are in need of repairs and need to be re-sealed.  
(Funding Source: Grants/Hotel Motel)

## Street Improvement Sales Tax

Project Description		2016-17	2017-18	2018-19	2019-20	2020-21
A.	Mill/Overlay - 3rd, Highland to Liberty	315,000				
B.	Asphalt reconstruction - Elm, Ponca to Okla.	255,000				
C.	Concrete reconstruction - Lincoln, Central to Okla.	243,000				
D.	Mill/overlay - Pioneer, 14th to Monument	227,000				
E.	Concrete reconstruction - Redbud Trail	170,000				
F.	Mill/overlay - South Av., 12th to 14th	150,000				
G.	Widen Highland - Ash to Sunset (eng. only)	134,000				
H.	Widen Highland - Waverly to Olympia (eng.)	130,000				
I.	Sidewalk reconstruction - 3rd, Grand to Cleveland	90,000				
J.	Mill/overlay - 4th, Central to Grand	68,000				
K.	Traffic signal renovation - Central & Cleveland	20,000				
L.	Mill/overlay - 5th, Albany to Brookfield	13,000				
M.	Annual capital improvement projects		1,500,000	1,500,000	1,500,000	1,500,000
N.	5th Street to Walmart Connection		175,000			
O.	Construct 5th St, Knight to Hubbard			2,000,000		
<b>TOTAL</b>		<b>1,815,000</b>	<b>1,675,000</b>	<b>3,500,000</b>	<b>1,500,000</b>	<b>1,500,000</b>

- A. Project to remove the brick, replace the curb & gutter, sidewalks, and drive approaches and overlay. Budget request includes construction for water line replacement.  
(Funding Source: Street Improvement Sales Tax)
- B. Project to mill & overlay 3.5" to 4" of existing asphalt surface on Third from Highland to Liberty.  
(Funding Source: Street Improvement Sales Tax)
- C. Project to reconstruct existing open section chip and seal street in concrete with curb and gutter and new sidewalks. Project will address poor drainage conditions, poor street surface conditions and add new sidewalks where none now exist.  
(Funding Source: Street Improvement Sales Tax)
- D. Pioneer was reconstructed in full depth asphalt in 1994. Existing surface is cracked and has been chip & sealed. A mill & overlay project now of moderate scale will delay higher cost reconstruction needs in the future.  
(Funding Source: Street Improvement Sales Tax)
- E. Project to reconstruct existing asphalt trail in Redbud Park behind Woodlands School as a concrete trail. Existing asphalt trail is cracked and showing signs of failure. Replacement of asphalt with concrete will provide longer trail life and reduce future long term maintenance costs.  
(Funding Source: Street Improvement Sales Tax)
- F. Project to mill & overlay 3" +/- of existing asphalt surface. Much of the surface deterioration is due to surface water from the spring at 13<sup>th</sup> & South Avenue. Mill & overlay is needed to restore surface following a project to capture the spring water and direct it into existing storm sewers.  
(Funding Source: Street Improvement Sales Tax)

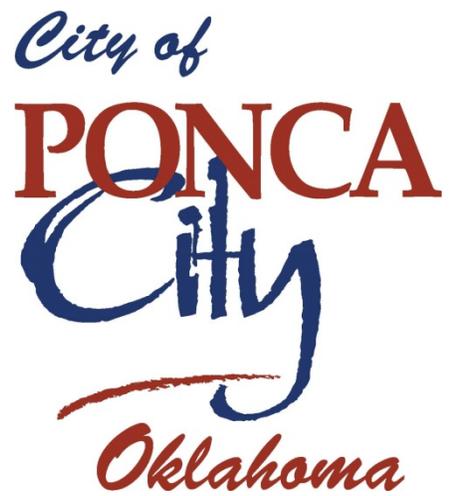

- G. Funding for engineering on a project to reconstruct and widen Highland to 48 feet from present width of 40 feet. Project will continue previous Highland widening from the west to Ash Street which is the next north/south collector street.  
**(Funding Source: Street Improvement Sales Tax)**
- H. Funding for engineering on a project to reconstruct and widen Highland between Olympia and Waverly. Current housing development and potential commercial development along this corridor will increase traffic volume. Widening Highland will provide higher level of service for that traffic.  
**(Funding Source: Street Improvement Sales Tax)**
- I. Project to reconstruct sidewalks on both sides of Third from Grand to Cleveland to repair cracks and eliminate tripping hazards.  
**(Funding Source: Street Improvement Sales Tax)**
- J. Project to mill and replace 3” +/- of asphalt pavement and perform spot base repairs as necessary.  
**(Funding Source: Street Improvement Sales Tax)**
- K. Extend downtown traffic signal renovation treatment recently completed on Grand Avenue to the remaining signals on Central and Cleveland. Budget request does not cover cost of new street light fixtures. Items under request include new signal heads, wiring, and related materials.  
**(Funding Source: Street Improvement Sales Tax)**
- L. Project to mill and replace 3” +/- of asphalt pavement. Existing surface is isolated area of raveled asphalt in an otherwise acceptable section of asphalt pavement.  
**(Funding Source: Street Improvement Sales Tax)**
- M. Future street improvement projects of a capital nature consisting of moderate to heavy treatments that add significant life to the roadway. Specific projects will be identified prior to beginning of applicable fiscal year.  
**(Funding Source: Street Improvement Sales Tax)**
- N. Project to construct a two lane roadway from the 5<sup>th</sup> Street to the Walmart parking lot. The road will be aligned along an east/west corridor to tie to the Walmart parking lot just south of the front of the building. Construction of this project will be contingent upon the participation of the owner of the land that lies between 5<sup>th</sup> Street and Walmart. The new roadway is being proposed to be a permanent city street with a minimum of 60’ right-of way and controlled access to abutting property.  
**(Funding Source: Street Improvement Sales Tax)**
- O. Project from the mid-term goals of the Transportation Chapter of the 2009 Comprehensive Plan. It will extend 5<sup>th</sup> Street from Knight Avenue to Hubbard Road. The county project to four lane Hubbard Road from 14<sup>th</sup> to Waverly is expected to be completed in FY 2015/16 and the extension of 5<sup>th</sup> Street will provide another effective link in the City’s roadway network and alleviate the traffic congestion on North 14<sup>th</sup> Street.  
**(Funding Source: Street Improvement Sales Tax)**

## Airport

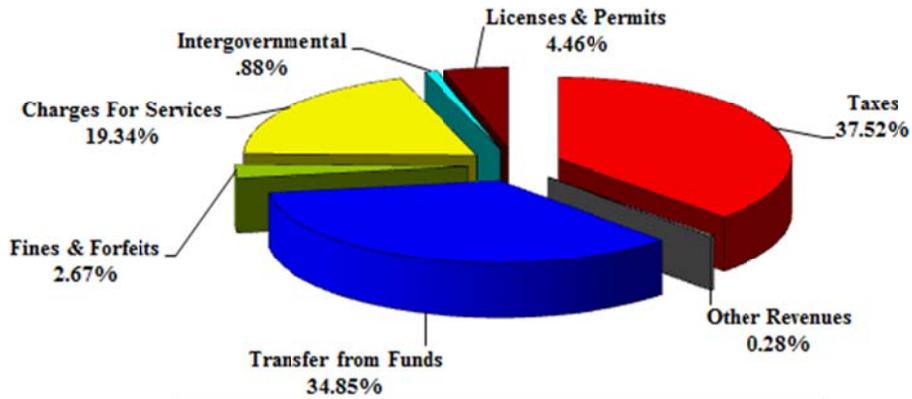

Project Description	2016-17	2017-18	2018-19	2019-20	2020-21
A. Non Primary Airport Entitlement	166,667	166,667	166,667	166,667	166,667
B. Replace the roof on Building #15	45,000				
C. Flight Academy	15,000	15,000	15,000	15,000	15,000
D. Paint the Walls of Buildings #7 & #8	12,000				
E. Remove/Replace Skylights Bldg #12	10,000				
F. Reconstruct Parking Lot/Access Ent		500,000			
G. Replace Hanger Doors on #7 & #8		175,000			
H. Land Acquisition		125,000			
I. Utility Tractor		98,000			
J. Utility Vehicle		12,000			
K. Upgrade Airport Fire Station			175,000		
L. Terminal Building Entrance Upgrade			80,000		
M. 1 Ton Bucket Truck			65,000		
N. Concrete Runway Repairs				75,000	
O. Storage Building				32,000	
<b>TOTAL</b>	<b>248,667</b>	<b>1,091,667</b>	<b>501,667</b>	<b>288,667</b>	<b>181,667</b>

- A. Airport Entitlement Grant.  
(Funding Source: Airport Grants)
- B. Replace the roof on building #15 Airport Booster Clubhouse.  
(Funding Source: Operating Budget)
- C. Funding for the annual Flight Academy.  
(Funding Source: Grants)
- D. Paint the exterior walls of buildings #7 & #8.  
(Funding Source: Operating Budget)
- E. Remove and replace the skylight on building #12. The original skylights are no longer available.  
(Funding Source: Operating Budget)
- F. Reconstruction and expansion of existing terminal parking and access roads. The project will nearly triple parking for commuter service and restaurant patrons. The existing surface is original to the 1950's building. The project will be funded by a 90% federal grant, with a 10% local match.  
(Funding Source: Unknown)
- G. Replace the hanger doors on buildings #7 & #8.  
(Funding Source: CIP Fund)
- H. Land acquisition on the north and south ends of Runway 17/35 for runway protection zones and the GPS Malsr lighting system.  
(Funding Source: Grants)
- I. New tractor and bucket loader to replace the 1990 vehicle. This unit pulls the 20 foot bat wing mower.  
(Funding Source: CIP Fund)

- J. Purchase utility vehicle for the airport. This vehicle is to be used in mowing and spraying along the perimeter fences.  
**(Funding Source: Unknown)**
- K. Make needed repairs to the Airport Fire Station.  
**(Funding Source: Unknown)**
- L. Remodel Ponca City Regional Airport terminal building, addressing exterior and interior areas.  
**(Funding Source: Unknown)**
- M. Replaces a 1994 Ford F350 4x4. The bed and hoist will be removed from the current vehicle and mounted on the new truck.  
**(Funding Source: Unknown)**
- N. Repair small concrete areas on the runway and taxiways.  
**(Funding Source: Unknown)**
- O. Storage building for vehicles including Airport mowing equipment.  
**(Funding Source: Unknown)**

## City Commission

### Department Mission:

The City Commission will think and plan strategically for the better good of our community. The Commissioners encourage adaptive thinking, which leads to greater productivity with resultant cost-savings for citizens.

### Fiscal 2016 Accomplishments:

- Represented the City of Ponca City with Mayor Nicholson serving on numerous state boards and committees including: Mayor's Council of Oklahoma, Oklahoma Congress of Mayors, Oklahoma Municipal League's Executive Committee, Legislative Committee & Certified Mayor's Program, Oklahoma Municipal Power Authority's (OMPA) Board of Directors & Legislative Committee, Oklahoma Municipal Utility Providers Steering Committee, Water Quality Management Advisory Council, Governor's Council for Workforce & Economic Development, Oklahoma Academy Annual Town Hall, Oklahoma Department of Environmental Quality Board, Pipeline Safety Task Force, and United States Service Academy Selection Committee.
- Represented the City of Ponca City at the Oklahoma Conference of Mayors, with attendance by Mayor Nicholson and Vice-Mayor Moore.
- Participated in the Oklahoma Municipal League's annual conference and training sessions, with Mayor Nicholson, Vice-Mayor Moore, Commissioner Austin, Commissioner Chapman and Commissioner Rathbun in attendance.
- Attended the new elected official training provided by the Oklahoma Municipal League, with Commissioner Austin and Commissioner Rathbun in attendance.
- Coordinated the Kay County Mayor's Round Table, as Mayor Nicholson continues an on-going effort to increase dialogue regarding pertinent issues facing North Central Oklahoma communities, such as legislation, tourism, code enforcement, tax collections, environmental regulations, 911/Communications, seismic activity, etc.
- Supported efforts of the Mid-Size City Coalition regarding legislative funding issues, Oklahoma Municipal League's Legislative Committee regarding municipal issues and the Oklahoma Municipal Power Authority's Legislative Committee regarding public power issues.

### Fiscal 2017 Objectives:

- Continue to create an environment for open dialogue with the City Commission regarding community capital improvement projects.
- Continue to work to ensure long-term water rights and water supply needs for Ponca City.
- Continue code enforcement and removal of dilapidated housing efforts to keep Ponca City beautiful and safe.
- Continue partnering with the Ponca City Development Authority's (PCDA) efforts to recruit new business, industry and residents, with Commissioner Rathbun as a voting trustee on the PCDA board.
- Continue to work on favorable legislation to improve municipal revenues and limit sales tax exemptions through diversification of sources.

## City Manager

### Department Mission:

The City Manager's Department will be responsible for all administrative and operational functions of the municipal government in accordance with the City Charter, Section 62 and Municipal Code of Ordinances, Chapter 2, Article IV, Division 2.

### Fiscal 2016 Accomplishments:

- Provided organizational support for year one of a five-year Tobacco Settlement Endowment Trust "Healthy Living Program" Grant, which includes up to \$350,000 per year and three full-time Oklahoma State University positions located at the United Way offices.
- Continued coordination efforts of the Ponca City Healthy Community Coalition, as well as redefined and expanded the coalition's effectiveness by transitioning it into the Kay County Healthy Living Coalition, whose mission is "Growing a culture of wellness through focused planning and sustainable actions".
- Provided organizational support for Ponca City's participation in the Arts & Economic Prosperity 5 national study on the economic impact of spending by nonprofit arts and culture organizations and their audiences.
- Represented the City of Ponca City at the national, state and local level through active leadership roles in various organizations, such as the International City/County Management Association, Oklahoma Municipal League, Oklahoma Academy Town Hall, Oklahoma Mid-Size City Coalition, Alliance for Innovation, Society of Human Resource Managers, Oklahoma Public Employers Labor Relations Association, Ponca City Chamber of Commerce, Ponca City Main Street, Kay County Healthy Living Coalition, Arts & Economic Prosperity 5 Committee and United Way of Ponca City.
- Represented the City of Ponca City with City Manager, Craig Stephenson, serving as Vice-Chair of the AMIGOS Library Services and President of the City Management Association of Oklahoma (CMAO), and Vice-Chair of Oklahoma Municipal Assurance Group (OMAG).

### Fiscal 2017 Objectives:

- Continue to administer and provide support of the attainment of City Commission and Departmental goals through budget implementation.
- Continue to enhance employee education and development through continuation of the Fifth Session of the Supervisor Training Program and annually required safety training sessions outlined by the City's safety manual.
- Continued to improve health and wellness opportunities for City employees through the provision of free, voluntary, annual employee health assessments.
- Continued to promote Ponca City as a City of Character through monthly character video presentations at City Commission meetings, cable channel 22, character bulletins, employee newsletters, and Ponca City Utility Authority billing statements.
- Continue to work with governmental jurisdictions and corporate partners to ensure cooperative and collaborative relationships.
- Continue to actively engage in monitoring Approved legislation at the state and national level that has the potential of impacting municipal operations.

# Central Municipal Activity

**Department Mission:** The Central Municipal Activity (CMA) Department serves as a general resource to fund for the cost of services which are provided to multiple departments and agencies of the City, and are not easily allocated to individual budgets.

- Fiscal 2016 Accomplishments:**
- Funded the Fourth of July fireworks celebration at Lake Ponca Park.
  - Supported the Mid-Size City coalition regarding Oklahoma Legislative funding issues.
  - Hosted numerous meetings and events to encourage and promote civic engagement, safety, health and wellness.
  - Funded Ponca City’s participation in the Arts & Economic Prosperity 5 national study on the economic impact of spending by nonprofit art and culture organizations and their audiences.
  - Funded contractual service agreements with Main Street, Ponca City Chamber of Commerce, Cimarron Transit, Northern Oklahoma Youth Services and Ponca City Tourism Bureau.

- Fiscal 2017 Objectives:**
- Continue to fund services provided to multiple City departments and agencies that are not allocated to individual departments.

## Finance

### Department Mission:

The Finance Department will provide timely and accurate financial information to the citizens of Ponca City, the Board of Commissioners, and City departments, as well as providing records management, budget monitoring, accounting, investment, and accounts payable services for the City.

### Fiscal 2016 Accomplishments:

- Received an unqualified audit opinion for Fiscal 2014-15 with positive comments.
- Completed a quantitative analysis of Landfill revenues.
- Reconciled the Solid Waste Depreciation Reserve asset replacement funding schedules.
- Provided City management with financial input on the Fiber to the Premises (FTTP) project.
- Completed eight internal review projects to document processes, internal controls and compliance with laws and policies.
- Initiated formation of a Defined Benefit Retirement Plan Committee to enhance oversight and due diligence.
- Presented a training program for City staff on the accounts payable process.
- Completed an internal review of financial aspects of the Ponca City Aquatics & Family Center, with recommendations.
- In following best practices, completed a Request For Proposal (RFP) for audit services and transitioned to a new firm after several years working with the incumbent firm.
- Worked with the City Manager and Commission to identify funding solutions for major initiatives.
- Attained an accident free workplace.
- Realized a total \$39,750 cash “gain” when five U.S. agency bonds were called in full after approximately one year old.

### Fiscal 2017 Objectives:

- Continue improving the budget document with additional performance and workload measures.
- Assist the City Commission and management with funding solutions for long-term public capital improvement projects.
- Work with new external auditor to enhance internal controls and financial reporting of the City’s businesses.
- Continue to provide financial analysis on Fiber to the Premises (FTTP) project.
- Complete a minimum of six internal review projects.
- Complete a records destruction resolution for Commission consideration and follow-up project to keep record inventory current with retention schedules.
- Attend a minimum of four safety training sessions and achieve an accident free workplace.

## City Attorney

### **Department Mission:**

The mission of the Legal Department is to provide legal counsel, advice to and advocate on behalf of the Mayor, City Commission, and City officers to support municipal operations, programs and community policies. The City Attorney is responsible for and conducts all the law business of the City and its agencies. By representing and counseling the City on the legal issues it faces, the Legal Department will perform public service in the best traditions of the legal profession; will strive to create a dynamic working environment of cooperation, competence, initiative, respect, integrity, and teamwork; and will ensure that the department continues as a respected and esteemed public law office.

### **Fiscal 2016 Accomplishments:**

- Provided legal counsel and advice to the Mayor, City Commissioners and City officers.
- Worked with outside organizations including: Oklahoma Municipal League, Oklahoma Association of Municipal Attorneys, Oklahoma Municipal Utility Providers Steering Committee, Kaw Reservoir Authority, Ponca City Development Authority, and Ponca City Chamber of Commerce.
- Reached the 20<sup>th</sup> anniversary milestone of the City Attorney being rated “AV” which is the highest rating in legal competency and ethical conduct available to the members of the Bar.

### **Fiscal 2017 Objectives:**

- Continue and expand support for the Mayor and City Commission in the accomplishment of their goals and objectives, with particular reference to policies and programs.
- Provide objective, accurate, concise and timely legal advice that facilitates informed decision making and effective policy development by the City Commission and implementation by the City Manager and staff.
- Provide City officials and departments with high quality, efficient, and effective legal services, advice, and opinions; and represent the City’s interests in litigation, contractual agreements, negotiations, and land use and building issues.
- Work closely with the City’s elected and appointed officials, participate in programs and services, which focus on making the community safe and attractive, and assist in implementing creative planning to stimulate economic development and other City Commission goals.
- Serve the community and interest of justice with effective prosecution, ordinance preparation, and enforcement; and to proactively engage in problem solving to resolve neighborhood issues and disputes.
- Continue to expand the knowledge of local conditions and facilities, including the historic contexts of existing programs and operations.

## Development Services

### Department Mission:

The Development Services Department will promote and facilitate land use planning as a positive tool for the physical growth and enhancement of the quality of life enjoyed by Ponca City residents and will assist individual citizens in achieving their development goals and objectives, while at the same time implementing established community-wide standards adopted and contained within the Ponca City Master Plan.

### Fiscal 2016 Accomplishments:

- Reviewed building plans, issued permits, and provided inspection oversight for residential and commercial construction projects with a total value of \$19,828,720.
- Abated 2,612 individual properties for violations associated with: care of premises, high grass and weeds, dilapidated structures, non-compliant signage, and the illegal parking of vehicles.
- Completed a FEMA acquisition grant that resulted in the removal of three (3) flood prone structures.
- Partnered with Main Street to oversee the construction of the Veterans Plaza project at 4<sup>th</sup> and Grand.
- Administered and completed the AFG grant from FEMA for acquisition of Fire Department SCBA equipment.
- Completed National Register Nominations for St. Johns Baptist Church and Pioneer Bible Church.
- Completed the 4<sup>th</sup> and South Avenue Traffic Signal Replacement Project utilizing CDBG funding.
- Provided closing costs and down payment assistance for 13 income eligible applicants under the CDBG Home Buyers Assistance Program.
- Provided emergency repairs to 12 income eligible households under the CDBG Special Services/Interim Assistance Program.
- The Grant Administrative Assistant achieved certification as a CDBG Grant Administrator.

### Fiscal 2017 Objectives:

- Draft and adopt a sign ordinance exclusive to the Central Business District (CBD).
- Review and adopt the remaining components of the 2015 International Code Council (ICC) building Codes.
- Provide inspection oversight for forty (40) new single family homes in the Highland Park residential subdivision.
- Partner with other City departments to continue infrastructure improvements in the CBD to enhance its historic character.
- Complete the South Avenue sidewalk and ADA improvement project utilizing CDBG funds.
- Prepare and submit an AFG grant on the behalf of the Fire Department for extraction tools, helmets, and other equipment.

- Prepare and submit a Trails Grant to ODOT in the amount of \$1,200,000.
- Complete an intensive level architectural survey of the Overbrook historic neighborhood.
- Complete one (1) National Register nomination.

# Police

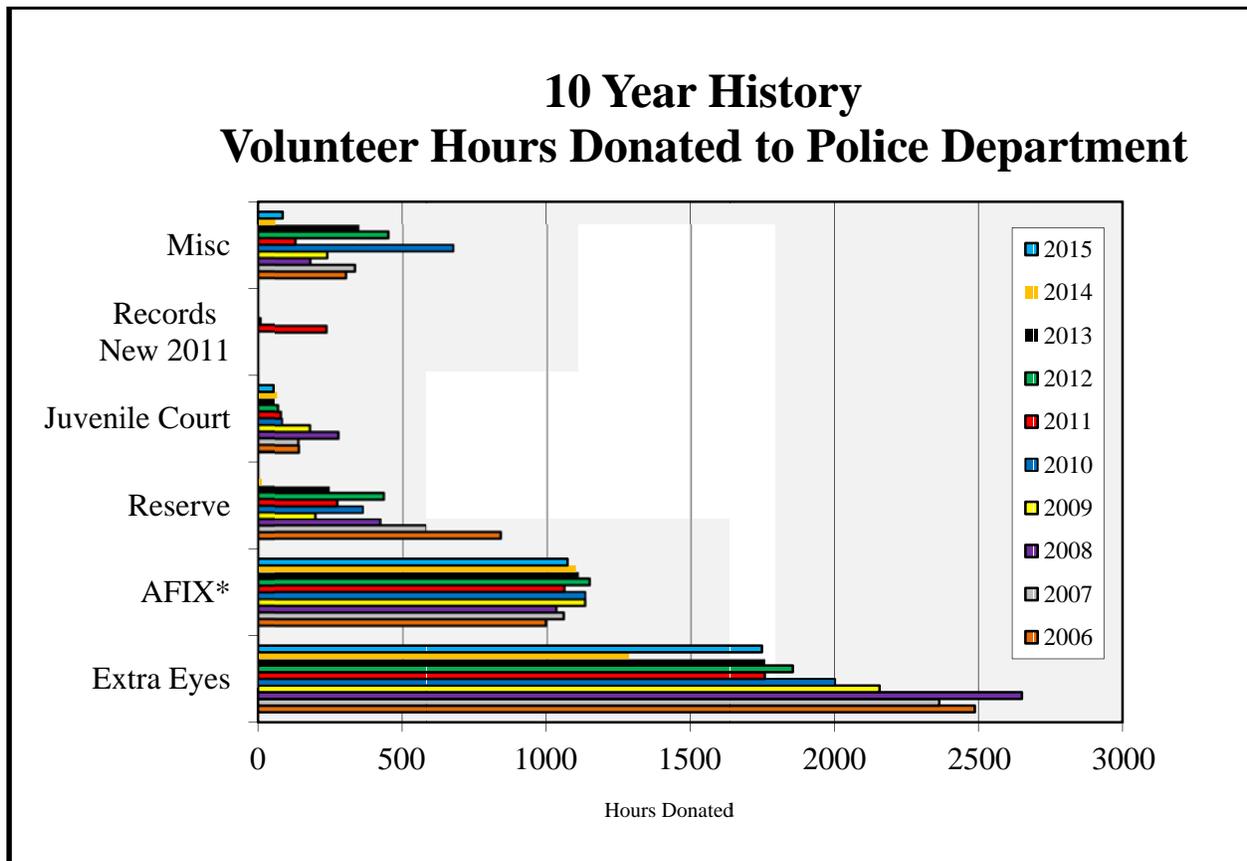

**Department Mission:** The mission of the Ponca City Police Department is to work with all citizens to promote safety, preserve life, maintain human rights, protect property, and encourage individual responsibility and community commitment.

- Fiscal 2016 Accomplishments:**
- Sent Deputy Chief to the FBI National Academy in Quantico, Virginia.
  - Hired and began training a Police Analyst to develop ways to better utilize our resources to deliver Police services to the community.
  - Logged 2,963.5 hours of volunteer service.
  - Maintained two school resource officers. One at the Ponca City High School and one serving both Ponca City Middle Schools with existing manpower, while bringing in \$117,158 in contract reimbursement.
  - Received \$17,828 in reimbursement from the State of Oklahoma for transportation of emergency mental health patients.
  - Conducted Citizens Police Academy #20.
  - Obtained and utilized \$51,046 in grant funding, which was used for body armor, portable radios, traffic emphasis, DUI enforcement, and crime analysis programs.
  - Conducted Alive at 25 driver safety training for 61 young people in this community.
  - Participated in the Oklahoma Chiefs Challenge Traffic Safety Initiative.
  - Averaged over 100 hours of training per officer during calendar year 2015.

- Fiscal 2017 Objectives:**
- Obtain Oklahoma Highway Safety Office funding to continue traffic safety emphasis.
  - Obtain Justice Assistance Grant to continue upgrading equipment and technology.
  - Obtain Office of Justice Programs, Body Armor Partnership funding and maintain a five year rotation on primary body armor for officers.
  - Continue to seek grants and outside funding to maximize our efforts with current funding, while being fiscally responsible.
  - Continue to build on Crime Analysis as a tool to more efficiently deliver Police service to the community.

# Animal Control

**Department Mission:** Animal Control will strive to make Ponca City a safer community by enforcement of laws governing animals kept within the limits of our City. By capturing animals running loose and enforcing rabies vaccination laws and City ordinances pertaining to animals, the Animal Control Center will be able to manage our animal population.

- Fiscal 2016 Accomplishments:**
- Sold 1,007 City animal tags (all points of sale).
  - Removed 741 dead animals from the community.
  - Released 690 animals to homes, an increase of 83 animals from prior year.
  - Handled 1,294 animals, a decrease of 45 animals from prior year.
  - Euthanized 604 animals, a decrease of 128 animals from prior year.

- Fiscal 2017 Objectives:**
- Continue to add resources for networking to get unclaimed animals rescued from the Animal Control Center.
  - Continue to work toward lower euthanization rates.

# Emergency Management

**Department Mission:**

The purpose of Emergency Management/Safety is to ensure the safety of the citizens of Ponca City by providing timely warnings, life saving information and educational resources in regards to all dangerous situations that may occur in or around Ponca City.

**Fiscal 2016 Accomplishments:**

- Organized six safety classes covering seventeen topics for City employees.
- Utilized social media to provide public information and education.
- Maintained shelter registration program with over 800 shelters registered.
- Coordinated storm spotter program, providing training and support.
- Completed update of Hazard Mitigation Plan.
- Developed Debris Removal Plan for Ponca City.
- Served as Secretary for Oklahoma Emergency Management Association, Salvation Army Advisory Board and Kay County Local Emergency Planning Committee.

**Fiscal 2017 Objectives:**

- Schedule at least five safety classes for City employees.
- Increase use of social media for public education and information.
- Renew Storm Ready status for severe weather preparedness.
- Assist with planning and execution of Household Hazardous Waste event.
- Continue to research innovations in warning and public information systems.
- Provide public education and awareness in a variety of venues.
- Develop two projects for hazard mitigation funding.

# Communications/911

**Department Mission:** Communications/911 will provide emergency and non-emergency response to the citizens of Ponca City in a timely manner and maintain a high standard of communications to all emergency responders, other City Departments, and surrounding agencies.

- Fiscal 2016 Accomplishments:**
- Hired and trained two new Communications Officers.
  - Handled 19,650 Police calls for service.
  - Handled 4,165 Fire/EMS calls for service.
  - Handled 2,148 calls for other city services, rural fire departments, outside agencies, etc.
  - Developed and implemented a standardized training manual for Communications Officers.
  - Sent two Communications Officers to “Emergency Dispatch” training.
  - Sent two Communications Officers through the “Communications Officer Program” with Public Safety Group.
  - Sent two Communications Officers through the “Crimes in Progress” training with the Public Safety Group.
  - Sent two Communications Officers through Pride Training at the Chamber of Commerce.

- Fiscal 2017 Objectives:**
- Obtain APCO (Association of Public Safety Communications Officials) training and certification for all Communication Officers.
  - Maintain teletype certification for all Communications Officers.
  - Continue to send all Communications Officers through Pride Training at the Chamber of Commerce.
  - Implement Quality Assurance Program to ensure that we are providing the best service possible to the community.

Beginning in 2007 phone calls received by Ponca City Energy, Water and Wastewater after normal business hours were routed to the Communications Center. This was the source of the significant increase in dispatched calls to "Other".  
2009-12 Ponca City Fire Department and Ambulance Services calls were combined due to system changes.

## Fire

**Department Mission:**

The Ponca City Fire Department will minimize the loss of life and property resulting from fire, medical emergencies, and other disasters. This will be accomplished through fire prevention, public education, fire suppression, medical service delivery, and other related emergency and non-emergency activities. The department will actively participate in our community, serve as role models and mentors, and strive to effectively and efficiently utilize all the resources under its care to provide the utmost protection possible to the citizens of Ponca City.

**Fiscal 2016 Accomplishments:**

- Responded to 1,329 calls related to fire, rescue, or other citizen requests for assistance.
- Provided proper installation of 39 child safety seats in vehicles.
- Performed a total of 81 in-home smoke alarm checks; 58 new smoke alarms installed and 23 batteries replaced.
- Provided fire safety education to more than 3,000 elementary students in all public and private schools within the City of Ponca City.
- Provided 19 fire safety awareness speaking engagements for various groups and civic organizations.
- Provided in-class recruitment speeches at five (5) educational institutions throughout the regions of Oklahoma and Kansas that offer firefighter technical programs and advanced levels of EMS training.
- Offered two (2) candidate examination opportunities on location at Eastern Oklahoma County Technology Center's fire training facility yielding eleven (11) candidates of which three (3) were hired.
- Engaged in seven (7) collaborative training opportunities with other Kay County fire departments and Phillips 66 which resulted in higher levels of training in the areas of; vehicle extrication; post-traumatic stress disorder awareness; advanced rope rescue; advanced fire behavior; and fire instruction techniques.
- Provided recruit training for eleven (11) personnel hired in fiscal 2015 to replace departmental retirees.

**Fiscal 2017 Objectives:**

- Continue to refine the use of iPad devices and data collection software to streamline business and fire hydrant inspections in the field.
- Implement a bi-annual business inspection program to perform at least 1,500 fire safety inspections in order to maximize fire prevention credit for the City's fire insurance classification rating.
- Provide officer and incident command training to twenty-one (21) personnel to prepare them for future officer roles.
- Take delivery, and place into service, a new brush truck apparatus which is scheduled for delivery in fiscal 2016-17.

**2015 ANNUAL EMERGENCY RESPONSE ANALYSIS**

**5,276 Total Fire and Ambulance Responses for Calendar Year 2015 Divided by Incident Type**

# Ambulance

**Department Mission:** The Ambulance Department will provide emergency care and transport services in an effort to mitigate medical emergencies for the citizens of Ponca City. The department will strive to effectively and efficiently utilize resources made available for rendering of emergency medical services.

**Fiscal 2016 Accomplishments:**

- Responded to 3,948 emergency medical related calls.
- Provided CPR Training, automatic electronic defibrillator training, and first aid classes to 92 personnel employed by six (6) other City of Ponca City departments.
- Provided five (5) EMS awareness speaking engagements for various groups and civic organizations.
- Participated in three (3) health fair events sponsored by area health care organizations and businesses.
- Participated in collaborative efforts between AllianceHealth Hospital and the PCFD emergency medical division, participated in quarterly quality assurance meetings in order to reduce pre-treatment time for patients seeking cardiac care.
- Established a medical protocol review process which is specific to the level of EMS certification held by each firefighter-medic.
- Transitioned to direct entry of patient care reports into the Oklahoma Department of Health's information systems database.
- Engaged in dialog with administrative personnel of five (5) skilled nursing and assisted living facilities to improve efficiency of the City's EMS system and medical care for their residences.
- Placed into service a new heart monitor.

**Fiscal 2017 Objectives:**

- Review the third-party billing process and endeavor to identify possible efficiency improvements and costs associated with billing.
- Cooperate with AllianceHealth Hospital's chest pain treatment reaccreditation.
- Train PCFD personnel regarding the most recent American Heart Association CPR guidelines and implement those procedures accordingly.
- Place into service a new ambulance unit.

Rates increases occurred in 2004 and 2007. Ambulance revenue is recognized and recorded when paid.  
 # of Runs is tracked by calendar year; fiscal year revenue is adjusted to calendar year for comparison.

# Street

## Department Mission:

The Street Department will provide proper maintenance of streets, alleys, drainage systems, parking lots, snow and ice removal, and assist other departments that request support. The department is responsible for the maintenance of 173 miles of streets, 71 miles of alleys, 25 miles of storm water drainage systems, and 22 City drives and parking lots.

## Fiscal 2016 Accomplishments:

- Reconstructed 2,400 feet of Airport drainage channel by reshaping the channel and removing all the trees, vegetation, and 660 yards of debris. Repaired the channel with 75 tons of rip rap and 1,080 cubic yards of soil.
- Redesigned and replaced the sidewalk at the corner of the Veterans' Plaza at 4<sup>th</sup> Street & Grand Avenue.
- Reshaped the corner at 4<sup>th</sup> Street & South Avenue using 34 yards of concrete.
- Treated 19 miles of streets with the chip and seal process.
- Utilized 622 tons of asphalt and 151 yards of concrete to make needed repairs to City streets.
- Repaired 489 blocks of alleys, using 632 tons of TBSC oil and 70 cubic yards of asphalt millings.
- Removed 883 cubic yards of bricks on south Oak for the street reconstruction.
- Swept 21,854 city blocks, removed 4,677 cubic yards of debris, replaced 967 feet of curb and gutter, and crack sealed 5 lane miles during the current year.
- Repaired utility cuts using 330 tons of asphalt and 191 yards of concrete, all completed within 30 days of the utility cut.
- Assisted in repairs to the Lake Ponca shelter houses.

## Fiscal 2017 Objectives:

- Continue crack seal program with a projection of completing 8 lane miles.
- Complete the repair of all utility cuts within 30 days with an emphasis on the cuts that occur in the roadways being addressed first.
- Continue curb and gutter replacement program at a goal of 1,000 feet per year.
- Chip and seal approximately 8 lane miles including some city owned parking lots.
- Continue to prioritize those projects and requests that enhance street maintenance (pavement/curbing/sidewalk/ADA accessibility) projects.
- Continue to partner with the Stormwater Department to stay in compliance with the Clean Water Act of 1978.
- Repair the Albany Avenue & Union Street intersection. Current drainage pipe is plugged with debris which results in flooded areas west of Union Street during heavy rains.

# Engineering

## Department Mission:

The Engineering Division of the Development Services Department maintains infrastructure records of the City and provides support services to all City departments, including engineering, design, planning, project management, land survey, construction inspection, geographic information services and public resource information.

## Fiscal 2016 Accomplishments:

- Completed the plan review, bidding and construction oversight for;
  - Reconstruction of Elm Street from Otoe Avenue to Ponca Avenue and from Highland Avenue to Summit Avenue.
  - Reconstruction of Second Street from Broadway Avenue to Hazel Avenue.
  - Reconstruction of Tributary E concrete channel from 14<sup>th</sup> Street to Elmwood Street, RCB Bank channel.
- Prepared the design and provided construction oversight for the construction of a new concrete pipe bridge over the City's raw water lines within Sober Brothers sand pit southeast of town, to protect the water lines from damage by heavy equipment crossing the water lines for sand mining purposes.
- Assisted the Emergency Management Director with the completion of the Hazard Mitigation Plan Update by facilitating committee meetings, interaction with the consultant and providing supporting data.
- Implemented a new detention pond inventory and inspection process to be maintained on the City's GIS system.
- Continued the maintenance of the necessary activities of the Community Rating System (CRS) in the effort to maintain the CRS rating of 5 for the City of Ponca City, including the completion of the re-validation process with ISO-CRS representatives.
- Provided plan review, City regulation guidance and GIS data assistance for various economic development projects in Ponca City including the Golden Chick restaurant, La Quinta Inn Hotel, Waverly RV Park and other private developments throughout town.

## Fiscal 2017 Objectives:

- Complete the engineering, design, plans and construction for the maintenance and improvement of various local streets, walkways and bridges throughout Ponca City as outlined in the Street Improvement Project Trust Fund.
- Complete the bidding, inspection, and construction for the project to reconstruct Elm Street from Otoe Avenue to Ponca Avenue and from Highland Avenue to Summit Avenue including the relocation and upsizing of the existing water lines along these sections of street.
- Assist the Grants Coordinator and Emergency Management Director with grants submittals and the completion of Hazard Mitigation projects as needed.
- Continue maintenance of the necessary activities of the Community Rating System (CRS) in the effort to maintain the CRS rating for Ponca City, in order to continue the reduced flood insurance premium costs for flood insurance policy holders in Ponca City.
- Provide engineering and GIS technical assistance for City departments as well as for economic development projects in Ponca City.

# Traffic Engineering

**Department Mission:** Traffic Engineering applies engineering principles to planning, design, and traffic operation on streets and abutting land uses to provide safe, efficient movement of today's traffic and to plan improvements designed to accommodate tomorrow's traffic.

- Fiscal 2016 Accomplishments:**
- Installed battery backup for traffic signals at 5<sup>th</sup> & Prospect, Hartford & Union, and 5<sup>th</sup> & Highland.
  - Completed final phase of three phase program to install new mast arm street name signs with hundred block addressing at traffic signals.
  - Continued sixth year of ten year program to replace non-compliant street name markers under routine maintenance schedule.
  - Completed traffic signal renovation project at eight intersections in the central business district.
  - Replaced damaged signal pole at southwest corner of Standing Bear & Harding.
  - Contracted 80,100 linear feet of pavement markings on major street system.
  - Produced 773 traffic control signs and 2,611 special signs/decals for city departments and other governmental agencies.
  - Replaced 504 traffic control signs and 244 street name markers under routine maintenance program.

- Fiscal 2017 Objectives:**
- Install battery backups for traffic signals at intersections, 14<sup>th</sup> & Knight, Highland and Waverly, and South Avenue & Waverly.
  - Complete median revisions at 14<sup>th</sup> & Prospect and determine effectiveness for reduction of left turn collisions.
  - Contract for \$100,000 of pavement striping on major streets.
  - Extend traffic signal renovation project to four remaining downtown traffic signals on Central & Cleveland.

# Park Maintenance

**Department Mission:**

Park Maintenance will administer and provide facilities maintenance support to City departments, program and support to the community, and provide clean, safe and aesthetically pleasing facilities to the Ponca City community in a cost effective manner.

**Fiscal 2016 Accomplishments:**

- Converted to power hand tools to reduce repetitive motion injuries to workers.
- Edged approximately 45 miles of arterial roadway curbs three times per growing season (May, July, September) for a total of 135 miles of curb edging.
- Planted three large trees at Senior Center for Arbor Day.
- Remodeled East Greenhouse for interior utilization of plants.
- Horticulture staff attended Rose Rosette Workshop at OSU-OKC.
- Qualified for Tree City USA. 10 year status.
- Built parking lot for McGraw Park’s new play structure.
- Installed approximately 100 trees city wide.

**Fiscal 2017 Objectives:**

- Continue to maintain Tree City USA certification.
- Continue to edge approximately 45 miles of arterial roadway curbs three times per growing season (May, July, September) for a total of 135 miles of curb edging.
- Increase shrub and perennial plantings to reduce annual plantings to save on labor and cost for the future.
- Strive for 100% survival on new trees planted.
- Replenish and level sand on the Lake Ponca Swim beach by May 2017.
- Rebuild gate on north end of Lake Ponca by November 2017.

**Budget Highlights:**

- Received a \$75,000 grant from Phillips 66 for the purchase and installation of a Nature Themed Playground at McGraw Park.

# AMBUC Pool

**Department Mission:**

The AMBUC Pool provides quality leisure opportunities for the Ponca City community with the goals of developing healthy minds, bodies, and enhancing the quality of life.

**Fiscal 2016 Accomplishments:**

- Held bi-weekly in-service training for seasonal pool staff.
- Hosted “Summer Sizzler” swim meet on July 10-12, 2015 with approximately 250 swimmers representing 8 cities.
- Scheduled the PC Sailfish Swim Club weekly swim practice.

**Fiscal 2017 Objectives:**

- Continue bi-weekly in-service training for season staff.
- Continue to schedule weekly practice time for the Ponca City Sailfish Club.
- Provide host site for the “Summer Sizzler” swim meet.

## Recreational Programs

**Department Mission:** The Recreational Program Department will provide quality recreational opportunities with goals of developing healthy minds, bodies, and enhancing the quality of life.

**Fiscal 2016 Accomplishments:**

- Held Annual “Daddy Long Leg’s “5K Fun, Run/Walk held on Thanksgiving Day at Wentz Camp with 93 participants.
- Held the Second Annual Pickleball Tournament on September 21, 2015 at Unity Gym with 15 teams representing four cities.
- Held the 10<sup>th</sup> Annual Veteran’s Day luncheon on Nov 11, 2015 at the Senior Center with 140 attendees.
- Coordinated the 7<sup>th</sup> Annual Older American month activities in May with 160 participants.
- Scheduled 312 Medicare Part D appointments with average annual savings of \$600 per client.
- Sponsored two City Employee health and wellness activities: Employee/Family member 100 Mile Walk with 88 participants and “Personal Challenge” blackout bingo with 72 participants.
- Provided a monthly health letter to employees.
- Attended a State conference on aging in Norman. The Senior Center Choir “Forever Young”, which has sixty members, was invited to perform at the conference.

**Fiscal 2017 Objectives:**

- Hold the Sixth Annual “Daddy Long Legs” 5K Fun Run/Walk on Thanksgiving Day at Wentz Camp.
- Sponsor the 3<sup>rd</sup> Annual Pickleball tournament on September 20, 2016 at Unity Gym.
- Continue to provide health and wellness activities for city employees and increase participation by 5%.
- Expand the Medicare Part D assistance program through increased public awareness beginning September 2016.
- Partner with Hospice of North Central Oklahoma in developing a support group for seniors who have lost children.
- Sponsor a 2<sup>nd</sup> Annual 5K color run/walk in April 2017 at Wentz Camp.

# Wentz Camp

**Department Mission:** Wentz Camp provides the Ponca City Community a variety of enjoyable, safe, and healthful leisure experiences for all age groups in the most cost-effective manner.

- Fiscal 2016 Accomplishments:**
- Served as host site for 2M2L Back to School Bash on August 29, 2015 with 400 student participants.
  - Held two “Full Moon Over Wentz” Free Family Swims on June 15, 2015 and July 13, 2015 with over 600 citizens attending each event.
  - Provided bi-weekly in-service training for seasonal employees.

- Fiscal 2017 Objectives:**
- Continue as host site for 2M2L Back to School Bash on August 27, 2016.
  - Provide two “Full Moon Over Wentz” free family swims.
  - Continue to provide in-service training for seasonal pool employees.

## Marland's Grand Home

### Department Mission:

Marland's Grand Home will preserve and maintain the 1916 historic mansion, first home of E.W. Marland, oil baron and tenth governor of Oklahoma. Interpretation for tourists includes restored 1920's era living areas, plus collections of 101 Ranch and Native American artifacts that pertain to the life of Marland.

### Fiscal 2016 Accomplishments:

- Greeted 3,322 visitors from 42 states and 14 countries, hosted 16 group tours, 21 special events, and 40 club meetings during calendar year 2015.
- Created Special Events Dressing/Staging Area for brides and guests.
- Created a Historic Landscape Plan with Brian Dougherty, Oklahoma State University Horticulture professor and outreach specialist, and purchased and completed plantings thanks to the Parks and Recreation Department and a ConocoPhillips grant.
- Provided 3 safety familiarization tours of home to Ponca City Fire Department.
- Installed front and back porch metal railings to match existing metal work on exterior of the home.
- Presented "Henry Hatashita, Marland's Japanese Gardener" and "A Pathway through Time, the 100 Year History of the Marland's Grand Home".
- Completed, with Scott Swearingen Productions, a one hour Marland documentary titled "High Stakes: The Life & Times of E.W. Marland; taped Marland's Grand Home segment on "Discover Oklahoma" hosted by Dino Lalli; and added two new on-site continuous loop videos, the "101 Ranch" and "Marland History".
- Developed seven new displays/exhibits: "Bartram Indian Collection", "Vintage Medical", "Vintage Bridal Portraits", "Marland Collages", "Marland Transportation", "Hatashita Japanese Gardener" and "Solomon A. Layton Architect", as well as reworked the "Archaeological Exhibit" with help of Dr. Richard Drass, Oklahoma Archaeological Survey, Oklahoma University.
- Hired Matt Reed, Oklahoma Historical Society Indian exhibit specialist, to rework all Indian Exhibits to better illustrate the stories of the Plains tribes.
- Completed inventory of all artifacts, Indian, 101 Ranch and Marland Family and Oil items, as well as tagged Marland and Paris Furniture originals with ribbons.
- Created "American Indian History", "Cowboy History" and "Oil History" scavenger hunt brochures for adults and students, and wrote "100 Years of the Marland's Grand Home" a monthly article series for the Ponca City News.
- Revised Marland's Grand Home Facility Rental Contract and Policies, which include non-refundable fees for event cancelations.
- Co-hosted "Holiday Happenings & Christmas Open Houses" and organized "Centennial Celebration" activities to be carried out throughout 2016.

### Fiscal 2017 Objectives:

- Complete, with Tony Vann & Associates, an interactive tour program for electronic devices to better communicate the Marland story.
- Continue to identify and provide preventative maintenance and repairs.
- Continue to improve the storage and display of artifacts.

- Continue to expand advertising opportunities through cooperative local tourism efforts, utilizing the Oklahoma Tourism’s Fulfillment Program, updating all print ads and brochures, and capitalizing on free advertising through City employee newsletters, Media Tip Sheets, Cable Channel 22, Facebook, Twitter and website.

**Explanation:** FY 14/15 a position of Assistant Director was created.  
FY 16/17 Hutchins Memorial Maintenance Technician moved to Marland Grand Home

The graphical representation of operating revenues and expenses does not include capital purchases/disposals, depreciation or interest. Marlands Grand Home is not charged for City utility services and they are not reflected in the graph above. FY 2014/15 utility expense was approximately \$7,890.

# Library

**Department Mission: “Enriching Lives Through Knowledge”**

The Ponca City Library is a unique community facility which exists to meet the informational needs of the Community. We will serve our community as a guide to the world of information and as a source of leisure materials. Residents will have the resources they need to make informed decisions, explore topics of interest and be able to successfully learn throughout their lives.

- Fiscal 2016 Accomplishments:**
- Completed secret shopper assessment of library services by April 2016.
  - Achieved a 5 day turnaround for processing materials from postal delivery to the new book shelves.
  - Received over \$100,000 in grants, donations and in-kind services.
  - Implemented a new 3 year long range plan.
  - Completed an exterior cleaning and waterproofing project in Spring 2016.
  - Provided over 23,000 checkouts of downloadable materials through participation in the Oklahoma Virtual Consortium to Ponca City residents.
  - Developed new signage, displays and passive programs throughout the building on a regular and frequent basis, utilizing staff members from every department throughout the year.
  - Partnered with VITA (Volunteer Income Tax Assistance) to prepare income tax forms for approximately 1,000 people.
  - Provided over 14,000 downloaded magazines through Zinnio to library card holders.
  - Completed a re-labeling project, in which over 34,000 items were re-labeled to improve appearance and accessibility.
  - Provided new programs, such as Brick Builders, Murder Mystery Night, Santa storytime, Origami extravaganza, and Book Club Monday.
  - Completed volunteer job descriptions and pamphlets for potential volunteers.
  - Library staff completed initial assessment of space to establish recommendations for improved use of facility, collections and services.
  - Provided two months of adult health literacy programs through grants from ODL/IMLS to over 100 adults.

- Fiscal 2017 Objectives:**
- Complete a condition assessment of the Matzene Art Collection by December 2016.
  - Make recommendations for online educational testing resources, such as Brainfuse, by January 2017.
  - Achieve a collection turnover rate of 2.4 to 3.0 by January 2017.
  - Assess Early Literacy Stations for consideration in the Children’s collections by January 2017.

**Library Performance Measures-Definitions**

- ❖ **Circulation per Capita:** The average number of items circulated per person in the community in a year.
- ❖ **Program Attendance per Capita:** The average number of Library programs attended per person in the community in a year.
- ❖ **Reference Transactions per Capita:** The average number of questions asked per person in the community in a year.
- ❖ **Collection Turnover Rate:** The annual circulation rate divided by the Library's holdings.
- ❖ **Collection Size per Capita:** The Library's holdings per person in the community in a year.

*Ponca City Library*

## Library Grant Fund

**Department Mission:** Library staff will pursue grant funding and community partners to enhance library materials and services.

- Fiscal 2016 Accomplishments:**
- Partnered with the Ponca City Area Literacy Council to receive a \$4,000 Health Literacy Grant from the Oklahoma Department of Libraries/Institute of Museum of Library Services to provide weekly programs and workshops during June and July 2016.
  - Worked with Phillips66 employees to develop volunteer grant income to support library programs such as Maker projects.
  - Applied for 3 continuing education grants from the Oklahoma Department of Libraries.
  - Provided family programming featuring nature and science themes through grants from the Oklahoma City Zoo.
  - Created a donor information pamphlet outlining opportunities to make gifts to the Library.
  - Provided the Books for Babies welcome packet to over 300 families at the Ponca City Medical Center.
  - Updated the traveling children's book cart collections at offsite locations, including the Domestic Violence Center.
  - Replaced and upgraded the children's circulating collection through donations from The Children's Reading Trust.
  - Provided over 80 programs during the Children's Summer Reading Program, *Every Hero Has a Story* to over 3,000 with support from the Children's Reading Trust.
  - Provided reading incentives and adult programs with support from the Friends of the Ponca City Library and ConocoPhillips volunteer grants.
  - Provided the annual Touch-A-Truck to approximately 300 people utilizing local volunteers and vehicles from City of Ponca City Departments and local businesses, such as Hiland Dairy.

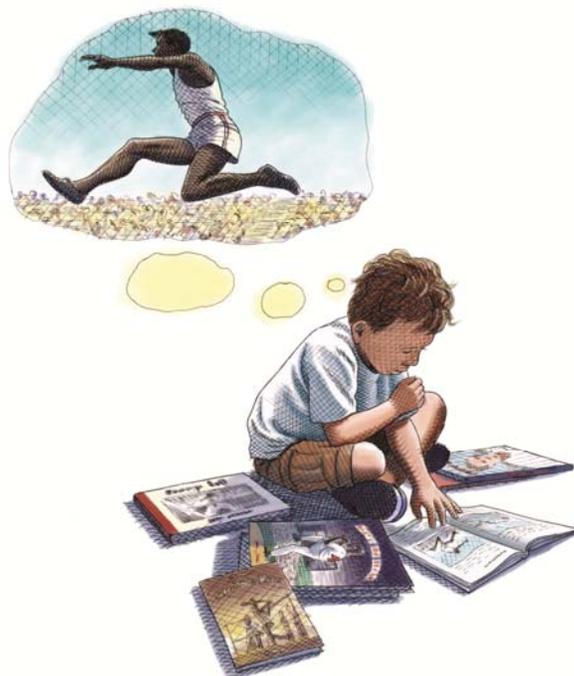

- Fiscal 2017 Objectives:**
- Augment category 2 & 3 budgets at least by an additional 10% through grants, gifts, and program sponsorships.
  - Apply to at least 2 additional grant organizations during FY 15/16 for program and collection support.
  - Send library staff to training on grant writing skills by July 2017.

## Library State Aid Fund

**Department Mission:** The Ponca City Library will pursue Library State Aid funds through the Oklahoma Department of Libraries to augment local budget appropriations in order to enhance library collections, staff training and programs for the public.

- Fiscal 2016 Accomplishments:**
- Provided new downloadable materials through the Oklahoma Virtual Library Consortium.
  - Library staff participated on the Legislative Committee of the Oklahoma Library Association.
  - Worked to maintain eligibility for state aid allotment through annual reviews, statistics gathering and filing the annual report in a timely manner.
  - Provided materials for programs, such as craft supplies, decoration or books.
  - Participated in Legislative Day at the Capital and distributed informational flyers about library programs and services.
  - Provided staff training at the Oklahoma Library Association annual conference and at the American Library Association annual conference.
  - Provided annual updates to Library staff and Board members on legislative issues and funding for libraries.

- Fiscal 2017 Objectives:**
- Seek to offset changes in state aid funding through other sources.
  - Contact legislators on library issues at least 2 times per year.
  - Act to maintain the Library's eligibility for state aid and grants from the Oklahoma Department of Libraries and IMLS.

# Street & Alley Fund

**Department Mission:** The Street & Alley Fund will utilize funds received from the State which are derived from County Motor Vehicle Tax and State Gasoline Tax to be used for the maintenance of streets, alleys, and street lighting.

- Fiscal 2016 Accomplishments:**
- Provided funding to make all necessary repairs to city streets using 151 yards of concrete and 622 tons of asphalt.
  - Provided funding for 967 feet of curb and gutter replacement throughout the city.
  - Provided funding for 5 lane miles of crack sealing on city streets.
  - Provided funding to repair 489 blocks of city maintained alleys, while using 632 tons of TBSC oil and 70 cubic yards of asphalt millings.
  - Provided funding of utility cuts using 191 yards of concrete and 330 tons of asphalt.
  - Provided funding for the materials used in the reconstruction of the Airport drainage channel.
  - Provided funding for 19 miles of chip and seal repair on City streets.

- Fiscal 2017 Objectives:**
- Continue to fund the crack seal program.
  - Continue to fund materials to repair alleys and roads.
  - Continue to fund materials to repair all utility cuts incurred during the year.
  - Continue to fund the curb replacement program.
  - Continue to provide funding for both the fog seal and chip and seal programs.
  - Fund capital for the purchase of a new street sweeper.

## Special Projects – Juvenile Fines

**Department Mission:**

The Juvenile Fines Department will enable Municipal Court to establish, develop, and implement various prevention or intervention programs for juvenile misdemeanor offenses. This program also allows for designated juvenile misdemeanor offenses to be prosecuted through Municipal Court in a timelier manner than District Court.

**Fiscal 2016 Accomplishments:**

- Continued to require review court dates to insure that defendants were complying with court-ordered requirements/programs as ordered by the judge.
- Updated procedure for submitting cancellation/subpoena form to Department of Public Safety due to their changes in submittal guidelines.

**Fiscal 2017 Objectives:**

- Continue to fund contract with Northern Oklahoma Youth Services on Youth Intervention programs.
- Send Juvenile Judge and Court Clerks to training to obtain further certification hours.
- Utilize local drug testing facilities for court-ordered drug testing at designated intervals.
- Maintain filing notifications to the Office of Juvenile Affairs to keep their office informed of cases being processed through our court as per the signed agreement between OJA/District Court and the City of Ponca City.

# Hotel/Motel Guest Tax Fund

**Department Mission:** The Hotel/Motel Excise Tax set aside by a vote of the people will be used exclusively for promotion of tourism and capital improvements to recreation facilities on public property for the public at large within Ponca City and its environs.

- Fiscal 2016 Accomplishments:**
- Promoted the community through a wide network of marketing tools.
  - Provided funding for the Chamber of Commerce to operate the Tourism Program for the community.
  - Completed several recreation capital improvement upgrades.

- Fiscal 2017 Objectives:**
- Fund various public recreation capital improvements as identified by staff and Approved by the City Commission.
  - Fund the Tourism Program operated by the Chamber of Commerce.
  - Promote Ponca City as a destination to be seen and experienced.

## Grant Fund Certified Local Government Grant

**Department Mission:** The Department will utilize Historical Preservation Grant funding from the State to assist the Preservation Panel’s efforts to preserve the remaining historically significant neighborhoods of Ponca City.

- Fiscal 2016 Accomplishments:**
- Completed a National Register Nomination for Henry Hatashita House located at 1408 Pioneer Road in Ponca City.
  - Completed Intensive Level Survey for Overbrook Historic District.
  - Attended the National Preservation Conference in Washington, DC.
  - Attended State Historic Preservation Conference in Bartlesville, OK.
  - Reviewed a Certificate of Appropriateness Applications as required.
  - Hosted a Local History Month presentation.

- Fiscal 2017 Objectives:**
- Complete a National Register Nomination for the McGraw House.
  - Complete a National Register Nomination for the Old Stone Barn.
  - Complete a National Register Nomination for Attucks Community Center.
  - Review Certificate of Appropriateness as required.
  - Attend State and National Preservation Conference for continuing education.
  - Assist City staff in the review of all historic preservation grant activities.

# Capital Improvements Project

**Department Mission:** The Capital Improvements Fund will account for capital improvement projects budgeted for the City governmental fund types. Funding was originally derived from the refinancing of several PCUA revenue bond issues. To be selected for approval during the budget process, a Capital Improvement Project must serve as a major project of long standing benefit to the City.

- Fiscal 2016 Accomplishments:**
- Funded exterior building cleaning, repairs, and sealing at the Ponca City Library.
  - Funded waterproofing and replacement of the north stone terrace at the Marland Estate.
  - Funded technology upgrades for the City TS Department.
  - Funded painting walls of buildings 2, 3, 4 at the Ponca City Regional Airport.
  - Funded a five stage vertical turbine pump for Lew Wentz Golf.
  - Funded grant matching funds for the Ponca City Regional Airport.
  - Funded an exhaust system, overhead door operators, and a breathing fill station for the Ponca City Fire Department.

- Fiscal 2017 Objectives:**
- Fund various critical capital improvements as identified by management and approved by the City Commission.

Funding for the Capital Improvements Project fund was originally derived from the refinancing of several PCUA revenue bond reissues. More recently, the City has approved annual supplemental transfers. Critical to the future will be continued regular funding of the C.I.P. Fund to assure that an asset base is in place, not only for maintenance of treasured City properties, but for new projects as well.

## Debt Sinking Fund

### Department Mission:

The Debt Sinking Fund is a debt service fund for the City of Ponca City to record all ad valorem property tax revenues received to fund for General Obligation (G.O.) Bond Debt and Court Ordered Judgments against the City. Court ordered judgments are the only city related item on the tax rolls.

For Calendar Year 2015, the total tax rate was 99.10 mills, comprised of P.C, Schools (61.96), Kay County (16.14), Pioneer Vo-tech (15.23), and City judgments (5.77).

**Fiscal 2016 Accomplishments:**

- Continued to achieve full benefit from the State Statutes providing for recovery of court ordered judgments.

**Fiscal 2017 Objectives:**

- Expand safety training through training workplace environment assessment in an effort to minimize workplace accidents.

**Budget Highlights:** The City of Ponca City currently has no outstanding General Obligation Bond Debt.

The 2008 is an eight (8) year Utility System Revenue Note with Bank of America with an annual interest rate of 3.9%. The note was closed 6-30-08 and will mature 12-1-16. The proceeds contributed to the funding of the City Wide Wireless Mesh Network and refunded the 1997B and 1998B Promissory Notes to OWRB. The debt distribution is 100% Wastewater, and is being repaid out of operating revenues.

## Ponca City Utility Authority

### Summary of Debt

Fiscal 2016-17

<u>Issue</u>	<u>Original Amount</u>	<u>Outstanding Principal June 30, 2016</u>	<u>FY 2017 Interest</u>	<u>FY 2017 Principal</u>	<u>Outstanding Principal June 30, 2017</u>
<b>2009A Clean Water</b>	<b>\$575,000</b>	<b>280,661</b>	<b>5,860</b>	<b>16,829</b>	<b>\$263,832</b>
The 2009A is a twenty (20) year Note with OWRB with an interest rate of 2.59%. This is an ARRA funded stimulus loan, eligible for up to 30% reduction in debt. It was closed on 10-6-09 and will mature 3-15-30. The proceeds were used for an emergency generator at the main lift station and improvements to the Brentwood lift station. The debt distribution is 100% Wastewater, and is being repaid out of operating revenues, and is being repaid out of operating revenues.					
<b>PCUA 2012A</b>	<b>\$16,090,000</b>	<b>12,900,000</b>	<b>341,888</b>	<b>955,000</b>	<b>\$11,945,000</b>
The 2012A is a refunded performance contracting project that installed automated meter reading for the electric and water utilities. It is a thirteen (13) year loan with JP Morgan with an interest rate of 2.7% that closed on 3-1-12 and will mature 8-1-25. The debt distribution is 50% Water and 50% Electric, and is being repaid out of operating revenues.					
<b>PCUA 2012B</b>	<b>\$7,825,000</b>	<b>4,345,000</b>	<b>124,850</b>	<b>1,040,000</b>	<b>\$3,305,000</b>
The 2012B is the refunded 1999B and 2005B notes. It is a seven and a half year (7.5) year Note with OWRB, with a current annual interest rate of 2.4%. The interest rate will step up to 3.4% in 2017. It was closed on 3-28-12 and will mature on 10-1-19. Proceeds of the note have financed Phase II of the Wastewater Treatment Plant construction and three water projects. The debt distribution is 75% Water and 25% Wastewater, and is being repaid with operating revenues.					
<b>2013 Sales Tax</b>	<b>\$12,510,000</b>	<b>7,415,000</b>	<b>126,713</b>	<b>2,425,000</b>	<b>\$4,990,000</b>
The 2013 Sales Tax Note is a six (6) year note with Banc of America with an annual interest rate of 1.86%. The note was closed 11-1-2013 and will mature 2/1/2019. The proceeds were used for advanced refunding of the outstanding principal of the Sales Tax Revenue Note, Series 2009. The original note was for the construction and development of a Recreation Center serving the citizens of Ponca City, and is being repaid out of revenues generated by a thirteen (13) year .5% sales tax approved by the voters.					
<b>Total</b>	<b>\$56,715,907</b>	<b>\$30,835,470.92</b>	<b>\$720,444.34</b>	<b>\$6,122,794.65</b>	<b>\$24,712,676</b>

Summer User Fee	\$14.97
Winter User Fee	\$8.74

**Large**

User Fee	\$249.66
KWh	\$.0616
Summer User Fee	\$11.86
Winter User Fee	\$3.74

**WATER RATES**

Volumetric Charge (100 cubic feet or 748 gallons = 1 unit)

**OCTOBER - APRIL**

Type of Service	City	Rural
Residential	\$1.71	\$1.79
Commercial	\$1.71	\$1.79

**MAY - SEPTEMBER**

Type of Service	City	Rural
Residential		
0 - 10 Units	\$1.79	\$1.87
11 - 20 Units	\$1.87	\$1.96
21 - 50 Units	\$1.96	\$2.09
51 - 100 Units	\$2.09	\$2.17
> 100 Units	\$2.17	\$2.33
Commercial	\$1.71	\$1.79

**Customer Base User Fee**

City Residential Customer	\$10.03 per month
Rural Residential Customer	\$15.09 per month
City Commercial Customer	\$29.73 per month
Rural Commercial Customer	\$44.60 per month

**SEWER/WASTE WATER RATES**

**Residential:**  
 User Fee \$14.99 Unit Fee \$2.65

**Senior Citizens:**  
 User Fee \$14.24 Unit Fee \$2.65

**Nonresidential (Rural):**  
 User Fee 1 1/2 time scheduled rate  
 User Fee \$22.48 Unit Fee \$3.97

**Commercial:**  
 User Fee \$22.48 Unit Fee \$3.97

**Industrial Rates:**  
 Available Upon Request

**Sewer Rates are calculated on the average water usage during the months of Dec., Jan., and Feb. This average is set in July and will stay this rate until the following July.**

Example:

Dec. Usage	10 units
Jan. Usage	11 units
Feb. Usage	9 units

Average=10 units. Your rate would be:

10 units @ \$2.65	\$26.50
User Fee	\$14.99
Sewer Rate-----	\$41.49

**GARBAGE/REFUSE**

Standard Garbage/Refuse Charges:

Residential \$19.35  
Senior Citizen \$18.58

Commercial:  
Standard \$32.72

Grass Clippings: Call for Pick-up  
\$0.74 per bag  
\$7.43 Minimum

**STORM WATER FEE**

Each Individually Billed  
Single Family Resident  
\$3.00 per month

All Other Developed Real Estate Tracts  
Not Covered By Above  
\$6.00 per month

**TREE LINE TRIMMING**

For branches that have fallen on electric lines or need to be cleared away from electric lines call 767-0405 to schedule an appointment.

**RECYCLING CENTER**

The City of Ponca City Solid Waste Division also provides a self service recycling facility located at:  
1001 West Prospect  
Tuesday thru Saturday  
9:00 a.m. to 5:00 p.m.  
For more information call 767-0458.

**TAPPING MAIN WATER LINES**

**Charges for Various Sized Meters (\$)**

3/4" & 1"	1 1/2" & 2"	2" Compound	Over 2"
\$1100	\$2100	\$2500	At Estimated Cost

The charges for 3/4" and 1" meters will include up to 50 feet of service line only. A \$15.00 per foot additional charge will apply in case more than 50 feet of service line needs to be installed. Similarly, for 2" meters, a \$20.00 per foot additional charge will apply if more than 50 feet of service line needs to be installed.

Installation fee for a meter in excess of 2" will be determined by the Water Distribution Division based on field conditions and provided in written quotation to the customer.

**AUTOMATIC WATER FILL STATION**  
2307 S. 4TH

\$18.00 for blank prepaid card  
\$100.00 minimum deposit on card  
\$10.77 per 1000 gallons of water  
\$10.00 minimum charge per use

**ELECTRIC LINE EXTENSION**

**\$262.00 Fee for Setting New Utility Pole**

**NEW LINE EXTENSION**  
Will be quoted by electrical department.

**AFTER HOUR CALL OUT FEES**

**WATER DEPT.**  
**\$30.00 Each trip**

**ELECTRIC DEPT.**  
**\$150.00 Each trip**

**LANDFILL USE**

All Vehicles: \$16.35 minimum  
\$42.39 per ton for compacted/uncompacted refuse  
\$1.25 per ton state landfill fee  
\$7.43 per tire disposed of at the landfill

**SECURITY LIGHTS**

The City of Ponca City has security lights available upon request.

- A. For a security light installed on an existing city-owned service pole and connected to an existing city-owned line, the charge will be \$7.52 per month rental fee.
- B. For a security light which is installed on a city-owned pole set specifically for that light and served from an underground city electric service, the charge will be \$8.69 per month rental fee.
- C. For a security light installed on a city-owned pole set specifically for that light requiring a transformer to be installed to serve that light from an overhead service, the charge will be \$9.89 per month rental fee.
- D. For a security light installed on a city-owned pole set specifically for that light and fed from a transformer set to serve that light from an underground service, the charge will be \$11.11 per month rental fee.
- E. A fee of \$20.60 will be charge for the installation, connection, reinstallation, reconnection, or moving of each light.

**ENERGY AUDITS**

The Ponca City Energy Department and OMPA are available to do an energy audit on your home or business. Just call (580)767-0405 and someone will make an appointment to come and visit with you.

## Water Fund - Administration

### Department Mission:

The Water Administration Department directs personnel who operate and maintain the water production and distribution systems. The division also maintains records, develops and administers budgets, and manages major infrastructure projects for the water production and distribution divisions. The department is also responsible for ensuring that all water production and distribution operations comply with federal and state environmental regulations.

- Fiscal 2016 Accomplishments:**
- Provided management to personnel and facilities to promote service provision and revenue generation.
  - Coordinated capital improvement needs for both water distribution and treatment segments to ensure financial feasibility and sustainability.
  - Supervised the completion of water system capital improvement projects and provided project management services
    - Completion of the .5 million gallon storage tank rehabilitation project in the Industrial Park.
    - Construction of one new replacement water well in the City's Mid Wellfield to increase capacity in raw groundwater supply.
  - Coordinated with PCUA and PC High School to provide a tour of the water treatment plant and a water well for the Earth Science Class to promote awareness of this key city operation.
  - Analyzed Ponca City aquifer productivity information as well as Kaw Reservoir storage and release data to provide basis for discussions of and planning for Ponca City's raw water supply.
  - Worked closely with consulting engineers on topics relating to possible exercising of Ponca City's Water Rights to Kaw
    - Hydraulic capacity analysis of the Kaw Reservoir Intake Structure.
    - Kaw Reservoir Infrastructure Cost Estimate.

### Fiscal 2017 Objectives:

- Promote higher standards and more efficient operation throughout the department.
- Continue the commitment to provide quality drinking water to all residential, commercial, and industrial customers.
- Work with City Management in developing a long-term water supply plan for the community.
- Continue to develop the City's Mid Wellfield in order to improve the reliability of the community's raw groundwater supply system.

## Water Fund – Production

### Department Mission:

The Water Production Division operates and maintains a 16 MGD water treatment plant, seventeen water wells, six distribution booster pumping facilities, two elevated water storage towers, and four ground storage reservoirs. The most essential component, the water treatment plant, was originally built in 1925 and underwent a series of rehabilitation and upgrades in the 1950's, the mid 1980's and 1996-97. The objective of this division is to produce and deliver to the water distribution system a high quality potable water supply and to comply with all State and Federal environmental regulations.

### Fiscal 2016 Accomplishments:

- Successfully treated over 2.98 billion gallons of drinking water that met or exceeded the State and Federal Standards.
- Completed 3,243 work orders to maintain the water production units, water wells, booster pump stations, and storage facilities.
- Completed rehabilitation of two filters to improve filtration efficiency.
- Worked on and provided input to the design of the approved capital projects
  - One new water well in City's Mid Wellfield.
  - Rehabilitation of the 1.5 MG water storage tank located in the Industrial Park.

### Fiscal 2017 Objectives:

- Finish all approved capital projects on time and within budget.
- Continue division's commitment to employee training and education to enhance job knowledge, through annual ODEQ training and recertification.
- Enhance safety awareness by holding weekly safety meetings on site and attending city-wide training sessions.
- Continue to work with Cowan Group engineers to complete the new water well project.
- Provide input to engineers for the engineering report and design of the sludge dewatering system improvements at the water treatment plant.

## Water Fund – Distribution

**Department Mission:** The Water Distribution Division is responsible for distributing an abundant and high-quality supply of potable water to City’s residential, commercial, industrial, and whole-sale customers. The division achieves its goals by maintaining 180 miles of water mains, over 11,400 water meters, various-sized valves, and approximately 900 fire hydrants located within City’s water distribution system.

- Fiscal 2016 Accomplishments:**
- Located over 200 buried valves in the water distribution system. Raised the buried valves to grade and installed size stickers on them to facilitate future work.
  - Installed 26 new fire hydrants to improve system’s fire-fighting capacity.
  - Responded to and repaired 176 emergency water main breaks.
  - Installed 32 various-sized water valves.
  - Replaced 500 feet of problematic water main sections.

- Fiscal 2017 Objectives:**
- Continue to improve the City’s water distribution system by locating more buried valves and raising them to grade, and installing more new valves where needed.
  - Continue to introduce new methods to improve safety and efficiency of operation.

## Ponca City Energy Fund – Purchased Power

**Department Mission:** The Purchased Power Department will work in partnership with Oklahoma Municipal Power Authority (OMPA) to acquire the lowest possible wholesale power costs.

**Fiscal 2016 Accomplishments:**

- The price of fuel has remained fairly stable for the year; however, OMPA has worked diligently with other entities to limit the effects of increasing transmission and gas delivery costs.
- A committee was formed to study and make recommendations regarding OMPA’s rate structure.

**Fiscal 2017 Objectives:**

- Completing the rate study and increasing the amount of natural gas under contract will be the major focus of OMPA for the upcoming year.

Rate Survey furnished by Municipal Electric Systems of Oklahoma (MESO),  
which is the statewide trade association of Oklahoma's 63 municipally owned electric distribution utilities.

## Ponca City Energy Fund – Distribution

### Department Mission:

Principles of Operation: To use wisdom and knowledge to maintain and improve the City's electrical system. To do these things with the goal to serve, the goal to satisfy, and the goal to get results, striving to have the best electrical system and street lighting system possible. In addition, to guard our trusted resources in order to annually provide a reasonable transfer to the City treasury for the public good while maintaining comparably low rates.

### Fiscal 2016 Accomplishments:

- Tested 2,000 poles and replaced 108 inferior poles.
- Converted and replaced over 1 mile of non-accessible primary overhead to underground.
- Tested approximately 1,000 transformers and removed and replaced 12 PCB transformers.
- Aided Traffic Engineering in changing out signal poles on Grand from Pine to 7<sup>th</sup> Street. Also removed all signal poles on Central and Cleveland from 2<sup>nd</sup> Street to 4<sup>th</sup> Street.
- Installed approximately 20 miles of fiber-optic cable in 22 runs.
- Constructed fiber-optic extensions for new customers as required.
- Replaced over 10 miles of brittle primary overhead wire, and changed poles as needed in these areas.
- Extended feeder from Dan Moran Sub to the Wastewater Treatment Plant and installed a padmounted automatic source selection switch. Performed relay upgrade at the Wastewater Sub to improve reliability, give network capability, and improve outage response.
- Installed new underground system to Highland Park (Highland & Waverly).
- Performed tree trimming, tree removals and right-of-way clearing in 5 of the 22 trimming areas equating to 30% of the system.
- Mapped, labeled and installed fault locators on transformers in 23 underground additions.
- Built the rodeo grounds and hosted the MESO Lineman's Rodeo.
- Worked on electrical model extensively for Outage Management by connecting all consumers, corrected all phasing, and inserted missing fuses.
- Revised script for IVR Phone Answering System to provide a better customer experience and better data to linemen.
- Replaced circuit breakers and performed a relay upgrade at Dan Moran Substation to improve reliability, increase network performance, and improve outage response.
- Performed feeder modifications to improve reliability and flexibility during adverse weather.

### Fiscal 2017 Objectives:

- Test 2,000 poles and replace inferior poles.
- Convert 3 miles of non-accessible primary overhead to underground.
- Perform feeder modifications to improve reliability and flexibility during adverse weather.
- Relocate ½ mile of 477 feeder for Osage Casino.

- Perform tree trimming, tree removals and right-of-way clearing in 6 of the 22 trimming areas equating to 25% to 30% of the system.
- Perform a relay upgrade at Huffly Substation to improve reliability, increase network performance, and improve outage response.
- Install Hendrix spacer cable and new poles in alley on north side of Grand, from Union to 5<sup>th</sup> Street.
- Replace static wire on entire transmission system and replace pole grounds on each wood transmission pole.

## Solid Waste Collection

### Department Mission:

The Solid Waste Collection Department is a full service department providing residential collection, commercial collection, and roll-off services. This department provides a City Charter mandate of protecting public health, safety, and welfare. Established under the Ponca City Utility Authority the department operates as an enterprise fund and is funded completely by user fees.

### Fiscal 2016 Accomplishments:

- Conducted division safety and informational meetings to enhance employees' safety awareness and job knowledge.
- Maintained certification of supervisory staff in the Management of Municipal Solid Waste Systems.
- Advertised in the local yellow pages and area maps to educate the public about the services offered by the Solid Waste Division.
- Collaborated with City's Marketing Specialist to raise community awareness of recycling, complimentary fall leaf pickup, and annual Spring Clean-up.
- Assisted Development Services Department in the removal and disposal of debris from code enforcement activities.

### Fiscal 2017 Objectives:

- Continue the division's commitment to quality services.
- Co-host the Bi-annual Household Hazardous Waste and Electronics Collection Day with Phillips66 Ponca City Refinery and Stormwater.
- Continue the division's commitment to employee education and training by conducting safety and informational meetings in addition to attending city-wide training sessions.
- Work with other city departments in the removal and disposal of debris from construction, storm damage and code enforcement activities.

 FY 11/12 the position of Recycling Coordinator was changed to Advocate and shared equally with Stormwater.  
 (Employees shared between Funds) Environmental Services Director: **33% Solid Waste**; 34% Water Admin; 33% Wastewater Admin.

## Solid Waste - Landfill

**Department Mission:** The Ponca City Landfill is a State-authorized and licensed refuse disposal site governed by State and Federal regulations as to the handling of refuse disposed at this facility.

**Fiscal 2016 Accomplishments:**

- Successfully fulfilled all reporting requirements for Air Quality, Greenhouse Gas, and Leachate and Groundwater Monitoring required by EPA's Source Performance Standards (NSPS) and Emission Guidelines (EG) for municipal solid waste landfills.
- Maintained certification of supervisory staff in the Management of Landfill Operations.
- Held onsite safety meetings and group discussions in addition to attending city-wide trainings to enhance employees' safety awareness and job knowledge.

**Fiscal 2017 Objectives:**

- Fulfill all monitoring and reporting requirements mandated by ODEQ and EPA.
- Minimize slope erosion by planting and maintaining vegetation on exposed intermediate covered areas.
- Continue division's commitment to safety by conducting safety meetings and attending city wide training sessions.
- Continue to assist City Departments in the disposal of refuse from various projects and code enforcement activities.

## Landfill – Closure

**Department Mission:** The Landfill Closure Fund provides funds to meet financial assurance required by EPA/ODEQ (Environmental Protection Agency/Oklahoma Department of Environmental Quality) for closure/post-closure cost of the Ponca City Landfill.

**Fiscal 2016 Accomplishments:**

- Funded restricted landfill closure account by required amount.
- Met all EPA/ODEQ subtitle D requirements for financial assurance of closure/post closure costs.

**Fiscal 2017 Objectives:**

- Continue funding for future closure/post closure costs with current revenue.
- Continue to comply with EPA/ODEQ subtitle D requirements for financial assurance of closure/post closure costs.

## Solid Waste Equipment Reserve

**Department Mission:** The Solid Waste Equipment Reserve provides for the replacement of equipment in the Solid Waste Fund pursuant to a set replacement schedule.

**Fiscal 2016 Accomplishments:**

- Funded the Depreciation Reserve by the required amount.
- Maintained the equipment replacement schedule.

**Fiscal 2017 Objectives:**

- Maintain a balanced depreciation schedule.
- Fund upgrades and expansions associated with the operational demands of the Solid Waste Division.

## Utility Billing – Administration

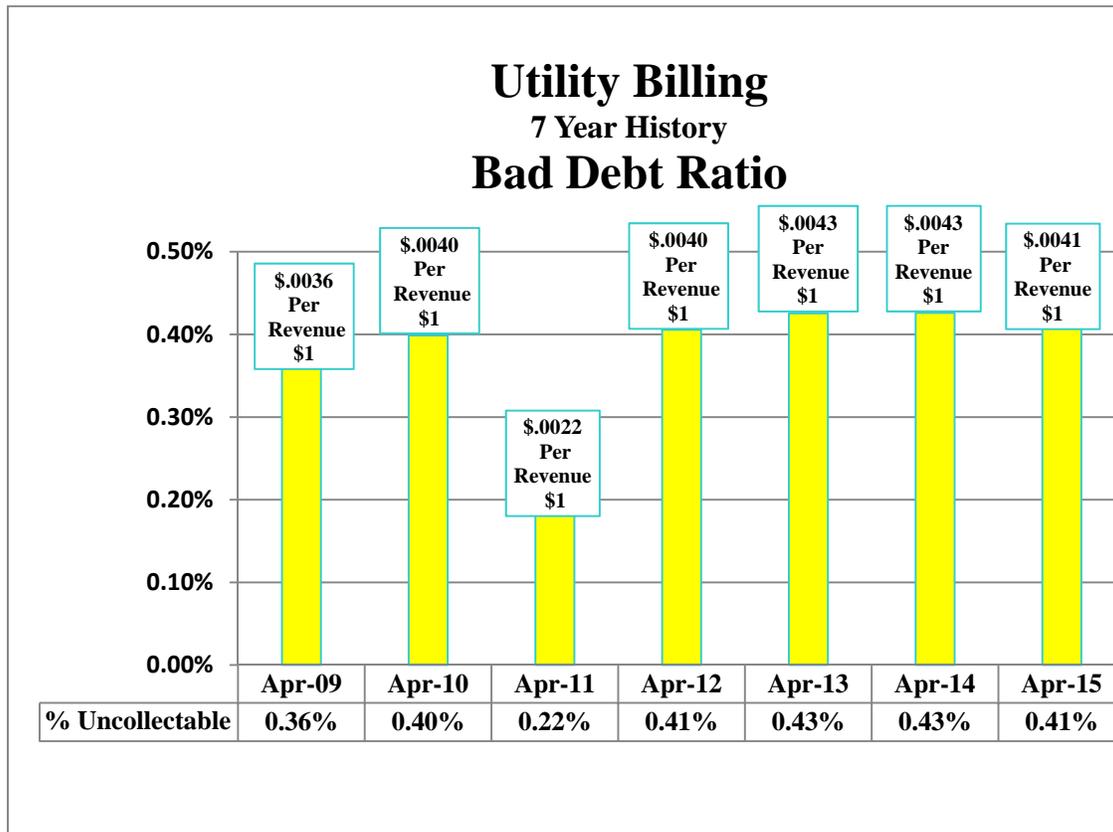

**Department Mission:** Utility Billing strives to provide accurate billing service and records to all PCUA (Ponca City Utility Authority) customers with prompt, professional, and courteous service.

- Fiscal 2016 Accomplishments:**
- Evaluated credit card providers through a comparison process and determined to stay with our current provider.
  - Evaluated Incode’s Utility Notification system compared to the mailing of reminder notices but at this time it is not efficient to change.
  - Continue to verify 10-50 commercial accounts/meters/services while down time and office personnel are updating their reports.
  - Initiated emailing daily cash reports for both Ambulance and Landfill daily to inform departments of cash collected.
  - Billing Department information for following years below:

- Fiscal 2017 Objectives:**
- Begin a pilot program for E Billing.
  - Provide electric and water handheld devices for each tech/truck and begin reprogramming 3 phase meters as needed to avoid sending trouble trucks.
  - Create a spreadsheet for all key accounts, three phase metering, and larger water meters to run semi-monthly audits to help better track accuracy of meters.
  - Continue to keep bad debt expense at less than 1% of billable revenue.

- Budget Highlights:**
- Community agencies, churches and tribal agencies contributed \$169,121 on customers’ accounts in 2015. DHS paid \$194,878.

## Wastewater Fund - Administration

### Department Mission:

The Wastewater Administration Division directs the personnel who operate and maintain the wastewater collection system and the treatment plant. This division also maintains records, develops and administers budgets and projects for the wastewater collection and treatment areas. The objective of this division is to eliminate wastewater system overflows and plant permit violations and to comply with all State and Federal environmental regulations.

### Fiscal 2016 Accomplishments:

- Managed personnel and facilities adequately to promote service provision and revenue generation.
- Coordinated capital improvement needs for both the wastewater collection and treatment segments to ensure long-term financial feasibility and sustainability.
- Worked with the Industrial Pretreatment Coordinator to add Custom Mechanical Equipment located in the Industrial Park as a Significant Industrial User. The Pretreatment Compliance Inspection by ODEQ revealed no findings of violations and required no action of improvements.
- Encouraged more aggressive preventive maintenance measure on the wastewater collection system, which drastically reduced the system's Unpermitted Discharges to 2 discharges per calendar year.
- Coordinated with PCUA and PC High School to provide a tour of the wastewater treatment plant for the Earth Science Class to promote awareness of this key city operation.

### Fiscal 2017 Objectives:

- Continue to promote higher standards and higher efficiency throughout the department.
- Enhance preventive maintenance programs to further reduce sewer overflows in the wastewater collection system.
- Work with the Industrial Pretreatment Coordinator on City's pretreatment program to improve customer satisfaction.

### Budget Highlights:

- Paid off the \$6,750,000 PCUA 2008 Note in December 2016. PCUA 2008 Note refinanced debt from the construction of Wastewater Treatment Plant.

## Wastewater Fund – Treatment

### Department Mission:

The Wastewater Treatment Plant treats wastewater generated by residential, commercial and industrial customers. The plant's operation goals are to eliminate wastewater overflows at the treatment plant and liftstations and to only discharge treated wastewater to the Arkansas River that meets or exceeds minimum standards established by State and Federal regulations. The staff is committed to safeguard the environment by maintaining the highest level of treatment at the lowest attainable cost to the community.

### Fiscal 2016 Accomplishments:

- Successfully treated over 1.37 billion gallons of wastewater, including high-strength sewage generated by industrial users.
- Replaced two 72-inch gate valves to facilitate different operation modes of the aeration basins.
- Worked with Ponca City Energy in installation of a dual feed electrical system for emergency power purpose.
- Completed 3,359 work orders to maintain the treatment units and liftstations.

### Fiscal 2017 Objectives:

- Continue division's commitment to employee training and education in order to enhance job knowledge and safety awareness.
- Continue replacing major valves to ensure plant's smooth operation.
- Complete the variable speed drive replacement project at the Wastewater Treatment Plant.

## Wastewater Fund – Collection

### Department Mission:

The Wastewater Collection Division maintains approximately 177 miles of gravity sewer mains and all manholes within the system. The division routinely inspects and evaluates City's sewer system to identify repair and replacement needs, and it implements aggressive preventive maintenance programs to reduce sewer overflows. The division's goal is to provide high quality and cost effective services that satisfy public needs and meet Federal and State regulations.

### Fiscal 2016 Accomplishments:

- Reduced Unpermitted Discharges to two sewer overflows in calendar year 2015.
- Completed the project to replace 100 feet of 8" sewer pipe crossing Turkey Creek at Lake Ponca.
- Performed preventive maintenance tasks to maintain and improve conditions of City's Wastewater Collection System:
  - Flushed over 500,000 feet of sewer mains.
  - Filmed over 10,000 feet of sewer mains to evaluate pipe conditions.
  - Treated over 51,000 feet of pipes with proprietary root control chemicals.

### Fiscal 2017 Objectives:

- Continue with the preventative maintenance program to minimize the Unpermitted Discharges.
- Improve the City's Wastewater Collection System with capital project(s) and point-to-point repairs.
- Continue the division's commitment to safety through monthly safety meetings presented by MESO.

## Stormwater Fund

### Department Mission:

The Stormwater Fund will utilize revenues derived from the Stormwater fee to provide for management of rainfall runoff. This fund will also be responsible for maintaining compliance with Federal and State regulations as they pertain to Stormwater.

### Fiscal 2016 Accomplishments:

- Completed the Notice of Intent and the new stormwater management plan for the recently released EPA and ODEQ Phase II stormwater permit outlining the progress of the City's program in meeting the requirements of the stormwater program.
- Completed the construction of the Tributary E channel repairs by replacing linear feet & channel.
- Reconstructed the Airport drainage channel by removing the over-growth and reshaping the existing channel.

### Fiscal 2017 Objectives:

- Review the current stormwater ordinance to meet the new general permit OKR04 which was released in November 2015.
- Continue implementing the requirements for the City's Stormwater Phase II NPDES permit.
- Co-host the bi-annual Household Hazardous Waste Collection day with Phillips66 and Solid Waste Collection.

## Technology Services

**Department Mission:** Technology Services will be responsible for identifying, acquisition of, implementation, development, and providing organizational support for technology-based communication and information systems to deliver efficient and effective services to citizens.

- Fiscal 2016 Accomplishments:**
- Completed Pilot installation and evaluation for Fiber to the Premise project.
  - Upgraded main City Hall switch with redundant hardware for fault tolerance and stability.
  - Switched providers and performed upgrades for departmental mobile phones.
  - Installed additional SAN storage for city-wide network.
  - Converted Police SLEUTH server to virtual server.
  - Converted Tyler Content Management server to virtual server.
  - Built new backup servers and installed Veeam Backup & Replication to enhance backup and disaster recovery capabilities.
  - Built new storage server to increase space for departmental file storage.
  - Upgraded audio/video equipment in Commission Chamber.
  - Completed city-wide fiber audit and data compilation.
  - Evaluated and installed fiber management software solution.
  - Telecommunications Technician and Assistant Director attended off-site Cisco switching and routing training.
  - Assistant Director attended off site VMware training.
  - Upgraded Firehouse software to latest version.
  - Installed new server to increase resources available to virtual desktops.
  - Rolled out new anti-virus software package for City desktops and servers.
  - Upgraded AFIX fingerprint database workstation to new hardware in Police Department.
  - Assisted with installation and configuration of new iTouch fingerprint scanner in Police Department.
  - Upgraded Audio log archive repository to new hardware.
  - Worked with FTTP committee to develop business plan, survey, rollout procedures, and other needed areas for project planning completion.
  - Provided day-to-day user support on over 85 city applications and 300 users.
  - Managed wireless network with over 17,500 daily users.

**Fiscal 2017 Objectives:**

- Evaluate replacements or improvements for existing virtual desktop system.
- Install new uninterruptable power supplies and racks in server rooms and Network Operations Centers city-wide to improve efficiency, reliability.
- Implement city-wide technology inventory system.
- Implement infrastructure monitoring solution to provide visibility into server and network performance.
- Convert camera servers to new software (Avigilon) and increase server storage.

## Golf Course

**Department Mission:** Lew Wentz Golf Course provides a pleasurable golfing experience at the lowest possible cost, while providing excellent customer service. Lew Wentz Golf Course aims to be financially responsible and benefit the City of Ponca City and its patrons.

**Fiscal 2016 Accomplishments:**

- Increased Pro Shop Sales by 31% because of hosting more outside events.
- Received a course rating by the USGA for the new set of silver tees and the red tees that were relocated.
- Finished building a new forward tee on Hole #5.
- Increased Junior Golf visibility by participating in PGA Junior League.
- Adopted a new grass fertilization program which improved the health and speed of the greens.
- Continued to participate in the PGA Growth of the Game initiatives to attract new golfers to Lew Wentz.
- Worked with different Not for Profit agencies to host new tournaments.
- Continued to transform areas back to native grass to save cost on fuel, chemicals, and labor.
- Continued the over seeding program to improve turf throughout golf course.

**Fiscal 2017 Objectives:**

- Increase rounds by 10% through new tournaments for both members and non-members.
- Build forward tees on Holes #2 and #12.
- Establish a tree nursery behind Hole #10 green.
- Focus advertising on areas outside a 50 mile radius to increase play and help increase tax dollars to Ponca City.
- Increase league play during the week by having Senior and Ladies Leagues.
- Redesign and rework the area in front and left of Holes #4 green and #9 green for better drainage and to match the bunker on Hole #18.
- Continue to improve club fitting through the use of the Flightscope technology.

The graphical representation of operating revenues and expenses does not include capital purchases/disposals, depreciation or interest. Operating transfers from the General Fund are included in the revenue total and also illustrated as an individual line. Beginning in FY 2006/07 Wentz Golf was not charged for City utility services and they are not reflected in the graph above as of that date. FY 2014/15 utility expense was approximately \$22,085.

## Marland Estate Fund

**Department Mission:**

The mission of the Marland Estate is to preserve this historic landmark, to educate the public about E.W. Marland, founder of the Marland Oil Company, and his family, and to create an authentic atmosphere which portrays the Marland lifestyle during the 1920's and 1930's. Additional museums on the estate grounds relate to the historic interpretation of the Estate: The Marland Oil Museum, The Bryant Baker Gallery and Artist Studio, and Lydie's Cottage, which contains the Marland Family History.

**Fiscal 2016 Accomplishments:**

- Completed, with Scott Swearingen Productions, a one hour Marland documentary titles "High Stakes: The Life & Times of E. W. Marland", which will be formatted for public television.
- Attracted over 10,300 guests during the 2015 calendar year, including citizens and visitors from 48 states and 31 countries, as far away as Australia, Fiji, Korea, and South Africa.
- Raised monies for the Marland Estate, through the Marland Estate Foundation, bringing in over \$42,000 at Oktoberfest, \$31,000 at the Marland Holiday Gala, over \$32,500 from donation drive letters, as well as over \$2,000 in matching grants and volunteer grants from ConocoPhillips/Phillips66.
- Created a "Leaving a Lasting Legacy" giving brochure, to explain the different ways one may leave the Marland Estate with endowments, charitable trusts, and annuities as directed in one's will.
- Provided safety tour of the Marland Estate for the Ponca City Fire Department, in order to familiarize firemen with Mansion and related facilities located on the estate.
- Continued to utilize the Oklahoma Tourism's Fulfillment Program, a contracted benefit of the Oklahoma Tourism and Recreation Department (OTRD), in which historic and tourism sites are featured on the state's tourism website, [travelok.com](http://travelok.com). OTRD mailed over 4,000 Marland Mansion brochures that were requested through their website, by travelers, in 2015.
- Revised rental agreement documents consistent with the Marland Mansion, Marland's Grand Home, and the Hutchins Memorial including incentives for non-cancelation.

**Fiscal 2017 Objectives:**

- Complete with Tony Vann & Associates, an interactive tour program for electronic devices to better communicate the Marland story.
- Replace cash register in Gift Shop with newer model to improve reporting, inventory control, and cash handling processes.
- Continue to identify maintenance needs and provide preventive maintenance and repairs, in order to preserve the Marland Mansion Estate.

- Continue to expand advertising opportunities through high quality magazine feature stories and cooperative local tourism efforts, to update all print ads, brochures, and I-35 billboard with new Marland era theme, and to capitalize further on free advertising provided through City employee newsletters, Media Tip Sheets, Cable Channel 22, Facebook, Twitter, and newly designed website.
- Continue to seek and acquire original Marland items for the Mansion.

## Airport Grants

**Department Mission:** The Airport Grant Fund will utilize State and Federal grants for the purpose of Airport Capital Improvements.

- Fiscal 2016 Accomplishments:**
- Rehabilitate existing Hangar Access and Parking Aprons.
  - Widen and extend an existing Taxilane serving T-Hangars.
  - Reconstruct and widen a portion of the Main Parking Apron.
  - Install LED conversion kits for existing Windcone.
  - Installed new LED REILS.

- Fiscal 2017 Objectives:**
- Receive non-primary entitlement funds for improvements.

## Ponca City Regional Airport

**Department Mission:** The Airport Fund will continue an aggressive pursuit to maintain the highest quality of safety standards set forth by the FAA and OAC while promoting the Ponca City Regional Airport as the best in Oklahoma.

- Fiscal 2016 Accomplishments:**
- Hosted over 5,400 people attending the monthly fly-in breakfast meetings in 2015.
  - Hosted the Northern Oklahoma Flight Academy with the maximum number of 35 participants for the twelfth consecutive year.
  - Replaced the existing siding on the Airport Terminal building along with some new siding underneath the overhangs.
  - Increased restaurant seating capacity by the addition of a new glass wall.
  - Upgraded the lighting in Building #4 due to the failure of the existing lighting system.
  - Reconstructed the Airport drainage channel on the northeast side of the runway by removing the trees and overgrowth.

- Fiscal 2017 Objectives:**
- Maintain the current fuel sales at the Ponca City Regional Airport. Fuel sales are comparable to last year's rate.
  - Replace the roof on the clubhouse.
  - Repair the exterior walls by power washing and painting the exterior walls of Buildings #7 and #8.

**Explanation:** FY 09/10 two Skilled Maintenance Technicians positions were added to facilitate fuel sales and one part time position was eliminated.

FY 11/12 one position of Maintenance Worker II was changed to a part time position.

FY 15/16 one Maintenance Worker II – Part Time was changed to a full time position.

The graphical representation of operating revenues and expenses does not include capital purchases/disposals, depreciation or interest. Operating transfers from the General Fund are included in the revenue total and also illustrated as an individual line. Beginning in FY 06/07 the Airport was not charged for City utility services and they are not reflected in the graph above as of that date. FY 14/15 utility expense was approximately \$29,287. In September 2009 the Airport acquired fueling operations from Greenwood Aviation.

## Insurance Imprest Fund – Health & Life

**Department Mission:** The Health & Life Department will provide the vehicle for the financing of the City's Group Health & Life Insurance Plan. The plan for City employees consists of major medical coverage, dental, a partial wellness program, prescription card, term and guaranteed issue life insurance.

**Fiscal 2016 Accomplishments:**

- Continued full health insurance coverage for City employees at a competitive cost to the employee.
- Maintained a good health care plan for employee and family health coverage.
- Realized cost containment in the wake of rate restricting at the beginning of Fiscal 2014-15.
- Completed and Employee Health Fair, providing important health measures to 158 employees.
- Complied with the requirements of the Patient Protection and Affordable Care Act.

**Fiscal 2017 Objectives:**

- Continue to offer health insurance benefits to employees and their families.
- Keep employee cost share for single, employee plus one, and family coverage below the national average.
- Enhance the Employee Health Fair to increase participation.
- Continue to understand and comply with requirements of the Patient Protections and Affordable Care Act.
- Study industry methods for cost containment, benefit enhancement, and employee wellness.

## Annual Employee Contribution for PPO Family Health Care Premium

\*National Average Annual Cost Per Employee is a calendar year annual premium estimate from the Kaiser/HRET Survey of Employer Sponsored Health Benefits for PPO Plans-Family Coverage 2006-2015. The Kaiser Family Foundation and the Health Research and Education Trust conduct an annual national survey of employers of all sizes.

## Insurance Imprest Fund – Property & Liability

### Department Mission:

The Property and Liability Insurance Imprest Fund will account for activity relative to city-wide property and liability insurance policies, including Commercial General Liability, Business Auto; Public Officials Errors and Omissions; Law Enforcement Professionals; Bond & Crime; Fidelity (Treasurer's) Bond; Buildings and Contents; Inland Marine; Electronic Data Processing Systems; Boiler & Machinery; and Municipal Airport General Liability, Errors & Omissions and Employment Practices Liability.

### Fiscal 2016 Accomplishments:

- Utilized the Oklahoma Municipal Assurance Group's free training programs that correspond with the City of Ponca City's Safety Manual requirements, including: Active Shooter, Fire Safety, Infection Control/Blood Borne Pathogens, First Aid & CPR, Good Housekeeping to Protect Stormwater, Hazardous Communications, Back Safety, Slips, Trips & Falls, Defensive Driving, Hearing Conservation PPE, and Lock-Out/Tag-Out Ladder Safety.
- Evaluated OMAG on-line training options as a method of aiding monthly department/division safety meeting presentation and encouraging dialog between supervisors and employees to promote and improve work place safety.
- Promoted a safe working environment through the continuation of operation risk safety assessments, such as boiler, elevator, chair lifts, fire and burglar alarms, hot water tank and facility inspections.
- Administered vehicle and equipment accident report tracking to continue to improve City departments' accountability toward the reduction of accidents.
- Created a "City Facility Maintenance" Standard Operating Procedure to establish standard procedures for performing preventative maintenance, identifying and addressing repair needs, and overseeing contractor services.
- Worked Park Maintenance, Code Enforcement, Human Resources and the Pioneer Technology Center to develop "lunch and learn" training sessions for department heads, superintendents, supervisors and building maintenance personnel, with opportunities for hands on training and maintenance identification training tours at various City facilities.

### Fiscal 2017 Objectives:

- Continue to thoroughly review and update property and liability policy schedules and evaluate insurance provider options.
- Continue to work with Emergency Management/Safety Director to enhance risk management assessments that encourage and promote a safe working environment.
- Continue to increase safety awareness and training through the utilization of the Oklahoma Municipal Assurance Group's free employee training programs.

# Workers Compensation Fund

**Department Mission:** The Worker’s Compensation department accounts for the activity of the City’s Self-insured Worker’s Compensation program. The City pays for administration of the program by a third-party administrator, claims and benefits (exclusive of judgments) are paid through this department.

**Fiscal 2016 Accomplishments:** • Presented seven employee safety training sessions covering multiple topics.

**Fiscal 2017 Objectives:** • Continue to promote safety in the workplace.

## City Garage

### Department Mission:

The City Garage will maintain and repair all City vehicles and equipment in an efficient and effective manner, by improving working skills and knowledge, which will minimize interruption time to City Departments. The Garage services 319 rolling vehicles, including 97 pieces of heavy equipment.

### Fiscal 2016 Accomplishments:

- Purchased and acquired a new 2016 Passenger Bus for city use.
- Utilized the State bid process and acquired a new Roll-Off Truck for Solid Waste Department.
- Reduced the parts inventory by trading out of date parts for useable stock to fit the current vehicles owned by City Departments at a total reduction of \$2,762. The inventory reduction is still on going.
- Worked with several local vendors to buy more aftermarket parts with lifetime warranties due to frequent failures of certain parts.
- Attended advanced training for repairs on new age automotive and heavy equipment.
- Placed the Oklahoma Corporation Commission monthly in tank and line leak test reports in a binder to organize test results for easier accessibility for the OCC Inspector.
- Attended a RTA (garage maintenance computer program) training seminar in Denver, Colorado, the RTA system is used to track vehicle repairs and fuel usage.

### Fiscal 2017 Objectives:

- Expand internal service to include minor transmission repairs and overhauls.
- Pursue a new used oil buyback program, due to the falling oil prices currently have to pay the vendor to remove used oil.

## Glossary of Budget Terms

<b>Accounting System</b>	The total structure of records and procedures which identify, record, classify, summarize, and report information on the financial position and results of operations of a government.
<b>Accrual Basis</b>	The basis of accounting under which transactions are recognized when they occur, regardless of the timing of estimated cash flows.
<b>Accrued Expenses</b>	Expenses incurred but not due until a later date.
<b>Ad Valorem Tax</b>	A tax collected from all the real property within the City based upon the value of the property.
<b>ALFA</b>	Association Landfill Assurance – An organization of publicly owned Oklahoma landfills.
<b>Annual Budget</b>	The budget authorized by resolution of the City Commission for the fiscal year.
<b>Appropriation</b>	An authorization of the City Commission to incur obligations and spend City funds. Appropriations are usually made for fixed amounts and typically granted for one year.
<b>Appropriation of Fund Balance</b>	Using the existing fund balance for current obligations.
<b>Assets</b>	Resources owned or held by the City which has monetary value.
<b>Assessed Valuation</b>	The value of all real personal property in the City which is used as a basis for <i>ad valorem</i> taxes.
<b>Audit</b>	An examination of an organizations' financial statements and the utilization of resources.
<b>Balance Sheet</b>	A basic financial statement that discloses the assets, liabilities, reserves and equity of specific governmental funds as of a specific date.
<b>Balanced Budget</b>	A budget in which revenues plus appropriated fund balances equal expenditures.
<b>Beginning/Ending Fund Balance</b>	Unencumbered resources available in a fund from the prior/current year after payment of the prior/current year's expenses. This is not necessarily cash on hand.
<b>Bond Proceeds</b>	Funds received from the sale of any bond issue.

<b>Bond Rating</b>	A rating that is received from Standard & Poor's Corporation and Moody's Investors service, Inc. that shows the financial and economic strengths of the City.
<b>Budget</b>	The financial plan for a specific period of time that identifies proposed expenditures and the sources of revenue to pay for them.
<b>Budget Amendment</b>	A legal procedure utilized by the City staff and City Commission to revise a budget appropriation.
<b>Budget Message</b>	The opening section of the budget which provides the City Commission and the public with a general summary of the most important aspects of the budget, changes from the current and previous fiscal years, as well as the views and recommendations of the City Manager.
<b>Capital Improvement Project CIP</b>	A "Capital Improvement Project" fund accounts for financial resources segregated for acquisition, construction or other improvement related to capital facilities other than those accounted for in enterprise funds and non-expendable trust funds.
