Our emergency medical service district statutory engagement was limited to the procedures performed above and was less in scope than an audit performed in accordance with generally accepted auditing standards. Based on our procedures performed, we have presented our findings in the accompanying schedule.

This report is intended for the information and use of the management of the Latimer County Emergency Medical Service Trust Authority. This restriction is not intended to limit the distribution of this report, which is a matter of public record.

**SCHEDULE OF FINDINGS AND RESPONSES**

**Finding 2015-1 – Inadequate Internal Controls and Noncompliance Over Audit Expense Budget Account (Repeat Finding)**

**Condition:** Upon inquiry and observation of the budgeting process, it was determined that internal controls have not been designed and implemented to ensure the amount required by statute is correctly budgeted for the audit budget account.

It was further noted, that Latimer County Emergency Medical Service Trust Authority (the Authority) has not carried forward the balance into the audit expense budget account each fiscal year. As a result, the Authority's balance in the audit expense budget account as of June 30, 2015 was not budgeted. The correct balance should have been \$33,985, leaving an underfunded account balance of \$33,985.

**Cause of Condition:** Policies and procedures have not been designed and implemented to ensure the audit expense budget account is accurately budgeted in accordance with statutory requirements.

**Effect of Condition:** This condition resulted in noncompliance with the state statute and the audit expense budget account being underfunded.

**Recommendation:** The Oklahoma State Auditor & Inspector's Office (OSAI) recommends the District implement a system of internal controls to provide reasonable assurance that one-tenth mill upon the net total assessed valuation be set aside in the audit account and that any unused portion be carried forward into the next year audit account in accordance with 19 O.S. § 1706.1.

**Management Response:**

**Chairman of the Board:** We will ensure the audit expense budget account is properly budgeted.

**Criteria:** Accountability and stewardship are overall goals of management in the accounting of funds. A component objective of an effective internal control system is to provide accurate and reliable information through proper review and approval.

Title 19 O.S. § 1706.1 states in part "The net proceeds of the one-tenth mill annual ad valorem levy upon the net total assessed valuation in any emergency medical service district for any year which shall be authorized and mandatorily required to be appropriated and dedicated to emergency medical service district audit ....."

**Finding 2015-2 – Inadequate Internal Controls and Noncompliance Over Board Meeting Documentation (Repeat Finding)**

**Condition:** While reviewing Authority Board minutes the following exceptions were noted:

---

- Board minutes for two (2) regular monthly meetings could not be located.

**Cause of Condition:** Policies and procedures have not been designed and implemented to ensure that all relevant discussions in the Authority meetings are properly documented in the minutes in accordance with state statute.

**Effect of Condition:** This condition resulted in noncompliance with the state statute regarding the Open Meeting Act concerning the existence and retention of board meeting minutes.

**Recommendation:** OSAI recommends the Authority maintain written minutes for all board meetings to ensure compliance with Title 25 O.S. § 312.A.

**Management Response:**

**Chairman of the Board:** One meeting minutes had not been typed and approved yet. We will attempt to locate the missing meeting minutes and ensure all meeting minutes are document and kept on file.

**Criteria:** Title 25 O.S. § 312.A states: “The proceedings of a public body shall be kept by a person so designated by such public body in the form of written minutes which shall be an official summary of the proceedings showing clearly those members present and absent, all matters considered by the public body, and all actions taken by such public body. The minutes of each meeting shall be open to public inspection and shall reflect the manner and time of notice required by this act.”
