SCHEDULE OF FINDINGS AND RESPONSES

Finding 2016-1 – Inadequate Internal Controls and Noncompliance Over Audit Expense Budget Account (Repeat Finding)

Condition: Upon inquiry and observation of the budgeting process, it was determined that internal controls have not been designed and implemented to ensure the amount required by statute is correctly budgeted for the audit expense budget account.

It was further noted, that Latimer County Emergency Medical Service Trust Authority (the Authority) has not carried forward the balance into the audit expense budget account for each fiscal year. As a result, the Authority's beginning balance in the audit expense budget account for the year ending June 30, 2016 was \$1,763. The correct balance should have been \$39,934 leaving an underfunded account balance of \$38,171.

Cause of Condition: Policies and procedures have not been designed and implemented to ensure the audit expense budget account is accurately budgeted in accordance with statutory requirements.

Effect of Condition: This condition resulted in noncompliance with the state statute and the audit expense budget account being underfunded.

Recommendation: The Oklahoma State Auditor & Inspector's Office (OSAI) recommends the District implement a system of internal controls to provide reasonable assurance that one-tenth mill upon the net total assessed valuation be set aside in the audit account and that any unused portion be carried forward into the next year audit account in accordance with 19 O.S. § 1706.1.

Management Response:

Chairman of the Board: We will ensure that the budgeted amount is correct for audit expense.

Criteria: Accountability and stewardship are overall goals of management in the accounting of funds. A component objective of an effective internal control system is to provide accurate and reliable information through proper review and approval.

Title 19 O.S. § 1706.1 states in part "The net proceeds of the one-tenth mill annual ad valorem levy upon the net total assessed valuation in any emergency medical service district for any year which shall be authorized and mandatorily required to be appropriated and dedicated to emergency medical service district audit"
