We have compiled the accompanying 2014-2015 budget document and the related supplemental schedules. This budget document and supplemental schedules have been prepared on a prescribed basis of accounting that demonstrates compliance with the cash basis of accounting and the budget laws of the State of Oklahoma. We have not audited or reviewed the accompanying statements and, accordingly, do not express an opinion or provide any assurance about whether the statements are in accordance with the cash basis of accounting or Oklahoma budget laws.

Our responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of financial statements or other documents without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the statements or documents.

Our compilation was limited to presenting, in the prescribed form, information that is the representation of County management and does not include an evaluation of the support for the assumptions and estimates underlying the budget or projected amounts. Further, there will usually be differences between the budget amounts and actual results because events and circumstances frequently do not occur as expected, and those differences may be material. We have no responsibility to update this report for events and circumstances occurring after the date of this report.

This report is intended solely for the information and use of the County's management and for filing with the Oklahoma State Auditor and should not be used for any other purpose. Management has elected to omit substantially all of the disclosures required by generally accepted accounting principles. If the omitted disclosures were included in this document, they might influence the user's conclusions about the financial condition and results of operations of Marshall County. Accordingly, this document and schedules are not designed for those who are not informed about such matters.
