The primary responsibilities of the Court Clerk are to record, file and maintain the proceedings of the District Court, and perform other duties as directed by the District Court. Other duties and responsibilities of the Court Clerk are as follows: collecting all required Court fees, issuing warrants, orders, writs, subpoenas, passports and certain licenses, maintaining dockets and financial records for the various divisions of the Court, maintaining an appropriation ledger to control and monitor Court Fund expenditures, disbursing District Court funds in accordance with Court instructions and state statutes, and reviewing Court Fund claims for proper supporting documentation before bringing the claims and vouchers to the Court Fund Board for approval.

Dear Ms. Pearce:

For the purpose of complying with 20 O.S. § 1312, we have performed the following procedures for the fiscal year 2002:

- We tested Court Fund vouchers issued to determine whether the expenditure: (1) was properly supported by a claim, invoice, and receiving documentation, (2) was properly approved, (3) was properly classified, and (4) did not exceed appropriations.
- We tested District Court vouchers to determine they were properly accounted for and we looked at supporting documentation for disbursements to determine they were issued in accordance with Court instructions.
- We reconciled the Court Fund activity and/or balances to the County Treasurer's records.
- We reconciled the District Court case balances to the County Treasurer's depository ledger.
- We tested receipts issued to determine whether: (1) the correct fee was collected, and (2) the receipt was properly accounted for in the financial records.

All information included in the reconciliations, the Court Fund appropriation ledger, the monthly reports, and the cash receipts journal is the representation of the Court Clerk.

Our Court Clerk's engagement was limited to the procedures performed above and was less in scope than an audit performed in accordance with auditing standards generally accepted in the United States of America. Accordingly, we do not express an opinion on any general-purpose financial statements of Marshall County.

Based on the above reconciliations, tests, and procedures performed; the Court Clerk is collecting the correct fees and is properly accounting for them; Court Fund vouchers were properly supported, approved, classified, and did not exceed appropriations; District Court vouchers were properly accounted for and were issued in accordance with Court instructions; Court Fund financial records and District Court case balances reconciled with the County Treasurer's records.

We have prepared a detailed analysis of the Court Fund, which is presented following this report.

This report is intended for the information and use of the Marshall County Court Fund Board and the Administrative Office of the Courts. This restriction is not intended to limit the distribution of this report, which is a matter of public record.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff A. McMAHAN". The signature is written in a cursive, flowing style.
