CERTIFICATE OF EXCISE BOARD

State of Oklahoma, County of Mayes, ss.

We the undersigned members of the Excise Board of said County and State, do hereby certify that we have examined the foregoing estimates of proposed current expenses for the ensuing fiscal year ending June 30, 2021, as prepared by the Governing Board of Sportsmen acres, in said County and State; we have ascertained from the Financial Statements submitted therewith the amount of the Surplus Balances of Cash on Hand; we have considered the uncollected ad valorem tax of the previous year or years; we have ascertained the surplus balance represented by taxes in process of collection; and we have ascertained that the probable Income estimated to be collected from all sources other than ad valorem taxation may reasonably be expected as revenue for the ensuing fiscal year, and that the same does not exceed 90% of the actual collections from sources for the previous fiscal year ending June 30, 2020.

In so doing we have diligently performed the duties imposed upon the Excise Board by 68 O.S. 1981 section 2487 by (1) ascertaining that the financial statements, as to statistics therein contained, reflect the true fiscal condition at the close of the fiscal year, or caused the same to be corrected so to show; (2) struck from the estimate of needs so submitted any items not authorized by law and reduced to the sum authorized by law any items restricted by statute as to the amount lawfully expendable therefor; (3) supplemented such estimate, after proper publication, by an estimate of needs prepared by the Excise Board to make provision for mandatory governmental functions where the estimate submitted wholly failed or was deemed inadequate to fulfill the mandate of the Constitution or of the Legislature; (4) computed the total means available to each fund in the manner provided; and (5) then and only thereafter:-

Accordingly, we have and do hereby appropriate the Surplus Balances of Cash on Hand, the Surplus represented by taxes in process of collection, and the Revenue and Levies hereinafter set forth for each Fund or said Town to the several and specific purposes named in such estimates, by each to the intent and purpose the CONSTITUTIONAL GOVERNMENT FUNCTIONS shall be first assured and provided for and subsequently to provide for Legislative Governmental Functions in so far as the available Surpluses, Revenues and Levies, permit; and we have provided also that the levies are in excess of the amount appropriated to needs after deducting the surplus cash balances on hand, and estimated revenues other that ad valorem tax, by the percentage and amounts of reserve for delinquencies as hereinafter set forth, which we have determined in the manner provided by law.
