Lynda Baker, Court Clerk
McClain County Courthouse
Purcell, Oklahoma 74501

Dear Ms. Baker:

We have performed procedures for fiscal year 2008 activity of the Court Fund Account for the purpose of complying with 20 O.S. § 1312. We have also performed procedures for fiscal year 2008 activity of the Court Clerk Revolving Fund as created by 19 O.S. § 220.

- Test receipts issued to determine whether: (1) the correct fee was collected, and (2) the receipt was properly accounted for in the financial records.
- Test Court Fund vouchers to determine whether the expenditure: (1) was properly supported by a claim, invoice, and receiving documentation, (2) was properly approved, (3) was properly classified, and (4) did not exceed appropriations.
- Test Court Clerk Revolving Fund vouchers to determine whether the expenditure: (1) was properly supported by a claim, invoice, and receiving documentation, and (2) was properly approved.
- Test District Court vouchers to determine whether they were properly accounted for and test supporting documentation for disbursements to determine whether the disbursements were issued in accordance with Court instructions.
- Determine whether Court Fund activity and/or balances reconcile to the County Treasurer's records.
- Determine whether the Court Clerk Revolving activity and/or balances reconcile to the County Treasurer's records.
- Determine whether the District Court case balances reconcile to the County Treasurer's depository ledger.

All information included in the reconciliations, the Court Fund appropriation ledger, the Court Clerk Revolving Fund, the monthly reports, and the cash receipts journal is the representation of the Court Clerk.

Our Court Clerk's engagement was limited to the procedures performed above and was less in scope than an audit performed in accordance with auditing standards generally accepted in the United States of America. Accordingly, we do not express an opinion on any general-purpose financial statements of McClain County.

Based on the above reconciliations, tests, and procedures performed, and with respect to items tested, the Court Clerk was collecting the correct fees and properly accounting for them; Court Fund vouchers were properly supported, approved, classified, and did not exceed appropriations; District Court vouchers were properly accounted for and issued in accordance with Court instructions; Court Fund activity, Court Clerk Revolving Fund activity, and District Court case balances reconciled with the County Treasurer's records. With respect to the matters of Court Clerk Revolving Fund expenditures being properly supported and approved, and segregation of duties, our findings are presented in the accompanying schedule of findings and responses.

We have included in this report the Court Fund Account Report, which was prepared from the McClain County Court Clerk's quarterly reports, which were submitted to the Administrative Office of the Courts.

We have also included in this report the Court Clerk Revolving Fund Report, which was prepared by the McClain County Court Clerk, which was submitted to the Administrative Office of the Courts.

This report is intended for the information and use of the McClain County Court Fund Board and the Administrative Office of the Courts. This restriction is not intended to limit the distribution of this report, which is a matter of public record.

SCHEDULE OF FINDINGS AND RESPONSES
JUNE 30, 2008**

Finding 2008-1 – Segregation of Duties (Repeat Finding)

Criteria: Accountability and stewardship are overall goals of management in the accounting of funds. To help ensure a proper accounting of funds, key duties and responsibilities should be segregated among different individuals to reduce the risk of error or fraud. No one individual should have the ability to authorize transactions, have physical custody of assets, and record transactions.

Condition: We noted the following concerns in regards to recording, authorization, custody, and execution of revenue transactions:

There are eight full time employees in the Court Clerk's office, including the Court Clerk. A single Deputy performs the duties of receiving money/issuing receipts, balancing the cash drawer to daily receipts, and preparing deposits. This employee is also performing the duties of making the deposit, posting payments and/or credits to customer accounts, and reconciling the account with the Treasurer.

We noted the following concerns in regards to recording, authorization, custody, and execution of expenditure transactions:

A single deputy performs the duties of calculating amounts to be vouchered, preparing, signing, and posting vouchers to the cash book; as well as certifying receipt of goods and/or services.

Effect: A single person having responsibility for more than one area of recording, authorization, custody of assets, and execution of transactions could result in unrecorded transactions, misstated financial reports, clerical errors, or misappropriation of funds not being detected in a timely manner.

Recommendation: OSAI recommends management be aware of these conditions and realize that concentration of duties and responsibilities in a limited number of individuals is not desired from a control point of view. The most effective controls lie in management's overseeing of office operations and a periodic review of operations. Regarding the receipting process, the duties identified above should not be performed by one person but should be properly segregated. Regarding the disbursement process, the duties of issuing vouchers and the delivery/disbursement of vouchers should be separated.

Views of responsible officials and planned corrective actions: We concur with the State Auditor's findings. Management does have knowledge of office operations and will perform a periodic review of these operations. Corrective Action taken: The Court Clerk or First Deputy opens all mail and distributes payments sent through mail to several deputies for receipting. The computer system automatically disburses payments and Second Deputy/Bookkeeper checks disbursements and issues vouchers.

Finding 2008-2 – Revolving Fund Claims, Invoices (Repeat Finding)

Criteria: Title 19 O.S. § 220.A states:

Beginning July 1, 1991, there is hereby created with the county treasurer of each county within this state a revolving fund to be designated the "Court Clerk's Revolving Fund". The fund shall be a continuing fund, not subject to fiscal year limitations, and shall consist of all monies received as grants from the federal government and any other monies designated by law for deposit into the fund. All monies accruing to the credit of the fund are hereby appropriated and shall be expended by the court clerk for the lawful operation of the court clerk's office. Claims against the fund shall include only expenses incurred for the operation of the court clerk's office in each county, and payment may be made after the claim is approved by the court clerk and either the district or the associate district judge of that county. The monies shall be reported quarterly to the Administrator of the Courts. The necessary forms and procedures shall be developed and implemented by the State Auditor and Inspector.

Condition: An audit of revolving fund vouchers revealed that voucher and claim number 88 in the amount of \$40.00 was not accurately supported with documentation. The amount reflected on the attached invoice was (\$5.85).

Effect: This condition could result in unrecorded transactions, undetected errors, or misappropriation of assets.

Recommendation: OSAI recommends that claims, vouchers, and invoices be reviewed for accuracy prior to payment.

Views of responsible officials and planned corrective actions: These payments were made in advance to Accurant, now Accurant bills me quarterly for these services. So that will correct this discrepancy.
