The goal of the State Auditor and Inspector is to promote accountability and fiscal integrity in state and local government. Maintaining our independence as we provide this service to the taxpayers of Oklahoma is of utmost importance.

Dear Ms. Marrs:

For the purpose of complying with 74 O.S. § 212, we have performed the following procedures:

- Determine whether bank reconciliations are properly performed.
- Determine whether subsidiary records are reconciled to the general ledger.
- Determine whether deposits are secured by pledged collateral.

All information included in the bank reconciliations, the subsidiary ledgers, and the general ledger is the representation of the County Treasurer.

Our county treasurer statutory engagement was limited to the procedures performed above and was less in scope than an audit performed in accordance with generally accepted auditing standards. Accordingly, we do not express an opinion on any basic financial statement of Nowata County.

Based on our procedures performed, there were no exceptions noted.

A handwritten signature in blue ink that reads "Cindy Byrd".
