Our county officer turnover engagement was limited to the statutory procedures described above and was less in scope than an examination or audit performed in accordance with auditing standards generally accepted in the United States of America, the objective of which would be the expression of an opinion. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

Based on our procedures performed, equipment items on hand agreed with inventory records; the amount of total claims approved for the operation of said Office was not in excess of limitations; consumable items on hand agreed with consumable inventory records; and machinery and equipment acquisitions, dispositions, and expenditures were in accordance with the statutory requirements.

This report is intended solely for the information and use of the management of the County and should not be used for any other purpose.
