Statistical data and information contained herein are for presentation purposes only. For substantiation of financial information, refer to end-of-meet financial data by individual racing associations or fairs. Summations may differ due to rounding.

Statistical data compiled for this report is presented as a summary of wagers (handle), distribution of fees, commissions, and purses for each race meeting by association or fair. This compilation of statistical data does not purport to replace any association or independent auditor's end-of-meet conclusions.

Some pool types have been combined in the all-tracks portion of this report, as not all pool types were wagered on at each track. Please refer to the individual race meeting reports for actual pool totals.

**TO THE MEMBERS OF THE OKLAHOMA  
HORSE RACING COMMISSION**

We compiled the information presented in the Statistical Report of Operations for the Calendar Year 2007. Data was obtained from the American Tote Company and the United Tote Company.

We were not engaged to perform an audit in accordance with generally accepted auditing standards, the objective of which would be the expression of an opinion on specified elements or accounts. Accordingly, we do not express such an opinion. This report relates only to the procedures specified above and does not extend to any financial statements of the racetracks taken as a whole.

In planning and performing these procedures, we considered the internal control structure of the pari-mutuel departments; however, our procedures were substantially less in scope than the procedures we would have applied if we had been engaged to express an opinion on the internal controls. Accordingly, we do not express an opinion on their internal control structure.

Sincerely,

A handwritten signature in blue ink that reads "Michelle R. Day".
