TO THE MEMBERS OF THE OKLAHOMA HORSE RACING COMMISSION

We compiled the information presented in this report from the statistical data obtained from the American Tote Company located at Remington Park for the Simulcast Race Days for January 1, 2008 through December 31, 2008.

We were not engaged to perform an audit in accordance with generally accepted auditing standards, the objective of which would be the expression of an opinion on specified elements or accounts. Accordingly, we do not express such an opinion. This report relates only to the procedures specified above and does not extend to any financial statements of the racetracks taken as a whole.

In planning and performing these procedures, we considered the internal control structure of the pari-mutuel departments; however, our procedures were substantially less in scope than the procedures we would have applied if we had been engaged to express an opinion on the internal controls. Accordingly, we do not express an opinion on their internal control structure.

Sincerely,

A handwritten signature in blue ink that reads "Steve Burrage". The signature is written in a cursive, flowing style.
