RESOLUTION NO. 1542

CITY OF NICHOLS HILLS, OKLAHOMA

A RESOLUTION APPROVING AND ADOPTING THE CITY OF NICHOLS HILLS, OKLAHOMA, AND NICHOLS HILLS MUNICIPAL AUTHORITY BUDGETS FOR FISCAL YEAR 2024-2025; AND DECLARING AN EMERGENCY.

WHEREAS, The City of Nichols Hills, Oklahoma has heretofore selected the Oklahoma Municipal Budget Act (the "Act") to govern its budget procedures; and

WHEREAS, the City Manager has heretofore prepared and submitted budgets for the fiscal year 2024-2025 and the City Council of the City of Nichols Hills, Oklahoma and the Trustees of the Nichols Hills Municipal Authority have held and conducted a public hearing on such proposed budgets in compliance with Title 11, Section 17-208 of the Act.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Nichols Hills, Oklahoma, and the Trustees of the Nichols Hills Municipal Authority;'

Section 1. The attached budgets are hereby approved and adopted as the budgets for the City of Nichols Hills, Oklahoma and the Nichols Hills Municipal Authority for the fiscal year 2023-2024. Pursuant to the provisions of 11 O.S. Section 17-206.D, the 2020, 2021, 2022, 2023, and 2024 General Obligation Bond Issue Project Funds are considered non-fiscal and any open encumbrances and remaining unexpended appropriations of these funds at June 30, 2024 shall be re-encumbered and re-appropriated for the fiscal year ending June 30, 2025 for the same purposes as originally appropriated.

<u>Section 2</u>. The City Clerk is hereby authorized and directed to transmit the adopted budgets to the State Auditor and Inspector and to file a copy of the sinking fund requirements of the City of Nichols Hills, Oklahoma with the excise board of Oklahoma County. A copy of said budgets shall be kept on file in the office of the City Clerk.

<u>Section 3</u>. It being immediately necessary for the preservation of the peace, health, welfare, and safety of the City of Nichols Hills, Oklahoma, and the inhabitants thereof that the provisions of this resolution be put into full force and effect, an emergency is hereby declared to exist by reason whereof this resolution shall take effect and be in full force from and after its passage.

PASSED AND APPROVED by the Council of the City of Nichols Hills, Oklahoma, and the Chairman and Trustees of the Nichols Hills Municipal Authority this 11th day of June, 2024.

Memorandum

To: Nichols Hills City Council

From: S. Shane Pate II, City Manager

Date: April 18, 2024

Re: Proposed Budget for 2024-2025

The following is a summary of noteworthy points regarding the proposed budget for 2024-2025 for the General Fund and Nichols Hills Municipal Authority (NHMA):

A. Revenue

a. NHMA

i. The water line item was budgeted at 97% of the Estimated Actuals, or \$3,532,000. Water revenue historically experienced considerable fluctuation, due mainly to rainy and drought years. However, since FY' 19-20 water revenue has been relatively stable, largely due to persistent drought in that time.

According to Oklahoma's Climatological Survey, March 20-April 18, 2024 for the Central Oklahoma Climate Division has been the 47th driest period on record since 1921, at -0.72" below normal rainfall, while the division has received relatively normal rainfall since January.

The Garber Wellington Aquifer has also experienced .44 inches above normal recharge. Nonetheless, the Climatological Survey reports that Oklahoma in general remains in a drought cycle. According to the National Oceanic and Atmospheric Administration, the Northern Hemisphere has a 60% chance of transitioning to a La Nina climate pattern by June-August, which means significantly less rainfall.

This water revenue item number does not factor Consumer Price Index (CPI) rate increases anticipated in July, so this budget number is conservative. I do note we anticipate a \$0.36/1,000 gal. (4.9%) CPI water rate increase. Such an increase would still be lower than Edmond's current rate, for example, by \$0.60/1,000 gallons.

ii. Sewer line items are budgeted at 96% for Nichols Hills, and 95% for Oklahoma City, of their respective Estimated Actuals.

b. General Fund

i. Nearly all of the line items in the General Fund Revenue are budgeted at 95% of the Estimated Actuals.

- ii. However, Sales tax is budgeted at 97% of the Estimated Actuals at \$5,535,891. This number is 99% of our Actual Revenues in FY 22-23, so a generally flat revenue trend is budgeted. When you consider the addition of Okc's popular *Spark* restaurant opening in our Plaza this spring, our revenue projection for this budget remains conservative.
- iii. Use tax is budgeted at 96% of our Estimated Actuals at \$1.1 million. Our use tax continues to experience record highs from increased online shopping.

B. Expenses

a. For FY 24-25, the combined City and NHMA budgets are increased by \$68,651. This is generally a flat budget from the current fiscal year, but some reshuffling of expenditures should be noted. The Park Department CIP transfer is reduced by \$1.7 million due to the fact that we budgeted \$2 million in CIP transfers in the current budget to develop a park in Ward 3 (we are assigning \$300k to Parks CIP this year for the Redbud Park improvement project). This year, we are also assigning \$1.1 million in the NHMA CIP for solar panels. Approximately \$582k of the reduction also comes from CIP transfers from fund balance and budgeted capital outlays that are no longer necessary in light of the city's ability to transition many of its capital purchases of vehicles to bond funds (the 2019 and 2023 bond elections authorized the City to purchase fire trucks, police cars, and public works vehicles with bond funds). We are still setting aside funds for such future purchases, but the urgent need to aggressively save for replacement of such vehicles is eliminated so the allocations are on a more extended schedule. All of this reshuffling results in a slight net increase to the overall budget.

b. General Fund

- i. Employee Salary Increases: This budget contemplates a 4% cost of living increase for all employee positions, slightly below the current 4.9% inflation rate. We also made some adjustments to the police department pay system to provide additional compensation to officers working night shifts. The Oklahoma Legislature also enacted changes to the state police pension system, which has impacted the budget by approximately \$22k. These measures have a combined \$540,397 impact to the budget.
- ii. No New Employee Positions: This budget contemplates no additional employees.
- iii. Transfer to CIP: This year, we are recommending a \$500k transfer for solar panels (combined with a \$1.1M transfer from NHMA CIP) and \$300k for Redbud Park improvements. The solar panel expenditure would be contingent upon receiving a 100% reimbursement grant from ACOG, so these funds are just assigned rather than encumbered.

- 1. Solar Panels: The City will spend over \$305k in the upcoming budget on electricity costs. We are advised the installation of solar panels on several of our facilities can reduce this cost by as much as 33%, or \$100k/year. We are working to obtain a 100% reimbursement grant for this project and assigning \$1.6 million in CIP from our reserve funds to pay for the project up front. (\$1.1 million of this comes from NHMA Fund Balance and \$500k comes from General Fund fund balance). Award notifications for this grant are projected to be made in October of this year.
- 2. We are anticipating a one-time \$300k CIP transfer for the Redbud Park improvement project. This is a largely donor-funded project, along with some existing park bond funds approved by the voters in 2023. We are also pursuing grant funds for a portion of this project.
- iv. Workers' Compensation: We anticipate a seven percent increase, which is conservative. We typically do not receive these numbers until the end of May or June.
- v. Health Insurance: In 2020, the City became a self-funded health insurance plan for its employees and dependents. The plan provides for re-insurance to the self-funded plan to cap the City's costs at just over \$1.3 million. Our costs this year are projected to be approximately \$1,015,000, a \$118,000 decrease from last year. The City establishes premiums to make the plan pay for itself and control costs. This year, the City will keep premiums flat from last year. One of the great values of this health insurance system is that the City gets to retain any budgeted funds not expended on health claims in a given year. For instance, in the current fiscal year we budgeted \$1.12 million in health insurance expenses, but are now only estimating to spend \$1.01 million. This savings creates a reserve balance in the health insurance fund we can use to subsidize premiums or keep expenses lower in future years where claims might be higher.
- vi. General liability and property insurance: We are still awaiting final numbers. Until we receive final numbers, which we typically do not receive until June, we have budgeted a \$26,101 increase, or 10%. This is a very conservative amount.
- c. NHMA: Overall, the NHMA budget will increase by \$1,133,758. Nearly all of this increase (\$1.1 million) is due to a budget item assigning funds to purchase solar panels. Our leasehold transfers from the NHMA fund to the General Fund make up \$137,423 of this increase. Otherwise, nearly all other expense items are decreasing in this budget.
- d. Water impact fees: We anticipate this fund's accumulated amount will increase to \$182,653.

- e. Sewer impact fees: We anticipate this fund's accumulated amount will increase to \$135,713.
- f. Impound fees: In FY' 2017-2018, the City adopted a \$100 fee for each vehicles impounded by the police department. The funds from these fees are used to make purchases related to law enforcement, such as e-ticket machines, software, or other police equipment. We have budgeted for this to increase to \$48,919.
- g. Drainage fees: In FY' 19-20, the City adopted a \$3/month drainage fee on municipal utility accounts to improve the City's drainage system. This fund is projected to accumulate to \$358,042 by the end of FY' 24-25.
- h. Parks Fund: In FY' 22-23, the city created a new fund holding the \$1.5 million donor funds for the Love Family Park. All but \$322,000 of those funds were exhausted to complete the park improvements. The balance of those funds are for maintenance of Love Family Park, Additionally, in the current fiscal year, the City has received \$302k in donations from the public for Redbud Park improvements. In the proposed budget, \$300k from our General Fund fund balance is proposed to be assigned to this fund to fund completion of the Redbud Park improvements.
- C. Fund Balance: Our Fund Balances in our General Fund and NHMA Fund continue to be robust, which further mitigate any risks associated with the proposed budget. Our General Fund Balance is over \$3.9 million (this does not include the \$2 million transferred to CIP in the current fiscal year for the costs associated with a new park in Ward 3). Our NHMA Fund Balance is \$3.6 million. Additionally, we have \$4.4 million of assigned fund balance in a General Fund CIP fund and \$1.2 million of assigned fund balance in our NHMA CIP fund. As stated above, this budget contemplates reducing the General Fund fund balance by \$800k for Redbud Park and solar panels, leaving a \$3.1 million unassigned fund balance. It also contemplates reducing the NHMA fund balance by \$1.1 million for solar panels, leaving a \$2.5 million unrestricted fund balance. Even if you assumed no grant reimbursement for the solar panels, our General Fund balance would remain at 28.1% and our NHMA fund balance would remain at 55.2% of the total budget for the fiscal year, respectively. These amounts keep us well within the 16%-42% target limits established by our written fund balance and budgeting policy.
- **D.** CIP Requests: Department Heads are present for this workshop to discuss their new CIP request items for the proposed budget.
