**Honorable Mayor Bryan Taylor  
Members of the Bethany City Council,  
Citizens and Employees of Bethany;**

I am pleased to present to you the Proposed Fiscal Year 2015-2016 Annual Budget. While the national recession has presented us with some challenging situations in continuing to provide the level of services that have historically been a part of Bethany, we are fortunate to have been able to continue those services through some tough times while other local governments in Oklahoma and around the country have faced reductions in staff and services.

Each year the challenges will continue, but Bethany has resources from prior efforts to stabilize the financial model that will assist in continuing the level of services our citizens have come to expect. Revenue has been above budgeted expectations. Sales taxes continue to pay for approximately 48 percent of our General Fund expenditures. Our employees continue to provide great services to our citizen customers. General Fund expenditure projections for FY 2016 are slightly higher than the current year as we work to accomplish our goals.

**Focus on Infrastructure Re-development**

As we have for the past several years, we will focus FY 2016 on re-developing infrastructure. Time wears away at concrete and metal. Water lines initially installed as 2" line no longer provide the pressure expected in homes or available to fight fires. Sewer lines once made of clay and concrete have deteriorated over time and are collapsing. We must focus on the re-development of these most basic services: delivery of clean water, and removal of waste water. Without these, there would be no Bethany. Engineering work is underway and Staff time will be devoted to identifying and costing those utility lines that need replacement at the same time they continue to make sure existing infrastructure remains viable. The projects that have been identified already are included for FY16 as capital projects in both the Public Works Authority and the Capital Improvement Fund.

We will also continue the engineering process for our major sewer outfall lines on the west side of Bethany. This project will consume a great deal of effort on the part of our Public Works Department.

Transportation infrastructure in and through the City is another area that time works to deteriorate. Funds to resurface or replace sections of road and sidewalks with help from other governments are included in the FY16 capital requests in the Capital Improvement Fund. We also hope to extend sidewalks in areas of greatest need.

## **Focus on Retail Re-Development**

The state of Oklahoma is the only state where municipalities are reliant upon the sales tax, as opposed to other taxes, to fund general government. Without a vibrant retail base, a city in Oklahoma has a difficult time meeting citizen demands for public safety and other services. The next several years for the City of Bethany are very dependent upon the re-development of a retail base. Staff and consultant time and efforts to revitalize the main corridors within Bethany will result in a broader, more vibrant retail center that will benefit existing business as well as expand and deliver alternative shopping to citizens and visitors alike. The planned expenses for FY16 in the Bethany Development Authority will continue to work on this re-development effort.

## **Focus on Housing Re-development**

As time goes by, homes that were built years ago need more attention. Good property maintenance is the foundation for ensuring quality and healthy living conditions. Quality housing attracts people to a city. Property maintenance requirements as delineated by ordinance were passed to help maintain quality housing. Pro-active enforcement of existing ordinances will be a fundamental step toward ensuring that Bethany residents will find the value of a home increasing over time. The FY16 budget in the General Fund's Community Development Department will be utilized and staff will be directed to specifically enforce those ordinances that address the issues of property maintenance. This will help make certain that future Bethany residents will experience better, healthier living. The Community Development Department now has three employees dedicated to code enforcement and building inspection.

We have seen several homes built the past few years. Hopefully this trend of infill development will continue.

## **The Proposed Budget**

Details of all funds are included in this document, but I would like to focus here on the three funds that benefit our citizens most directly, the General Fund, the Bethany Public Works Authority, and the Capital Improvement Fund.

The General Fund operating budget for FY16 includes expenditures for continuing operations of \$9,908,298. This is an increase from the FY15 budget of \$9,537,545. A significant portion of the increase is related to our comprehensive planning activities. Our staff continues its dedication to providing timely and quality service and we must re-dedicate ourselves to that staff to continue with the service levels citizens expect. Revenues to support these activities are expected to increase slightly to \$8,162,000.

The Bethany Public Works Authority budget for FY16 increases operating and maintenance expenses to \$4,786,702. Provision is also made for debt repayment and capital project expenses. Significant projects include the re drilling of two wells and a replacement lift station. Revenues remain flat at \$7,959,343. Increases in utility rates are not planned at this time.

The Capital Improvement Fund budget projects include sidewalk extensions and replacements. We will use our Federal grant for sidewalks. Please note there is no replacement equipment in this year's Capital Improvement Fund Budget. Equipment replacement is funded this year in either the General Fund or Public Works Fund.

## Acknowledgments

Every member of the City's staff has, in some way, contributed to the preparation of the budget in the day-to-day completion of jobs well done. The leadership that Department Heads exhibit in supervising their staff is a direct reflection of the leadership this Mayor and this Council has exhibited in establishing the policies and direction for the City of Bethany. I appreciate all the work that has gone into the preparation of this budget, and look forward to facing the challenges next year that we have set for ourselves in its adoption.

Respectfully submitted for your approval,

**FISCAL YEAR 2015 – 2016 ANNUAL BUDGET SUMMARY**

**I. Understanding the Budget**

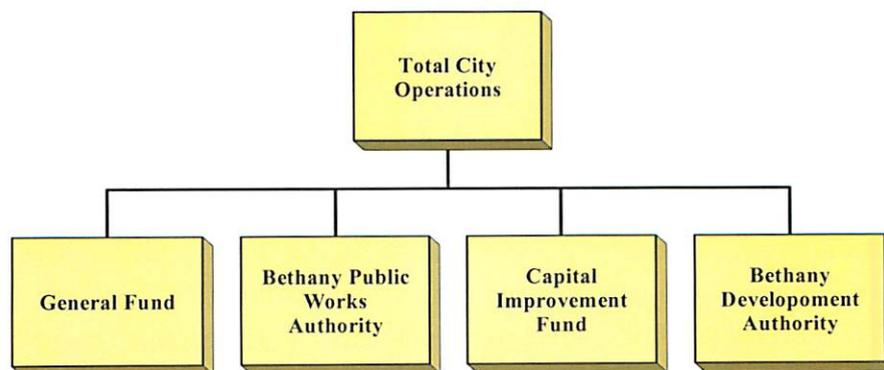

◆ Understanding the City of Bethany’s budget is much easier if you have a basic understanding of how city governments finance the services they provide. The model shown below is a simple explanation that government services are either paid for by taxes or user fees. The citizen pays 100% of all costs. Governments have no money other than what its citizens provide.

Taxes usually pay for traditional services such as police, fire, streets and parks. These services are not usually associated with a particular type of revenue or tax. User fee based services include utilities such as water, waste water and solid waste. Bethany uses a hybrid of this generalized model because our tax base does not fully support all traditional services. Accordingly, user fees provide a subsidy for general governmental services.

◆ It is also important to understand the basics of the City’s financial structure.

The City’s financial accounts are organized on the basis of funds or sets of self-balancing accounts that comprise its assets, liabilities, fund equity, revenue, expenditures and transfers. The City’s financial resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. Our budget is designed around the four primary funds shown below.

## *The City of Bethany, Oklahoma*

### **FISCAL YEAR 2015 – 2016 ANNUAL BUDGET**

The General Fund and the Bethany Public Works Authority account for the day to day operations and services the City provides. The General Fund is used to account for general governmental services, public safety, streets and parks. The Bethany Public Works Authority Fund is used to account for water, waste water and solid waste services.

The Capital Projects Fund is used to account for capital improvements and equipment replacement.

The Bethany Development Authority is used to account for the City's economic development activities.

Departmental expenditures are accounted for in both the General and Public Works Authority Funds. This budget document contains all funds of the City that have appropriated revenue to make lawful and necessary expenditures. The reader is directed to the material presented with each fund for specific financial information regarding that particular fund.

◆ Another key is understanding sales tax. Sales tax is the primary source of general governmental funds for most cities and towns in Oklahoma including Bethany.

Consider the following. In 1980, the sales tax rate was two percent. Sales tax revenue paid for 42 percent of city services. In 1990 sales tax paid for only 31 percent of city services. In 2000, the sales tax rate was three percent and paid for 35 percent of city services. In 2008, the four percent sales tax rate paid for 56% percent of city services.

Bethany voters approved an increase in the sales tax rate from two to three percent on July 24, 1990. The three percent rate went into effect on September 1, 1990. The voters stipulated that seventy percent (70%) of the additional cent was to be spent solely on capital improvements. Capital improvements means equipment, land, buildings, water or sewer lines and all other items not consumed but diminished in value with prolonged use or time.

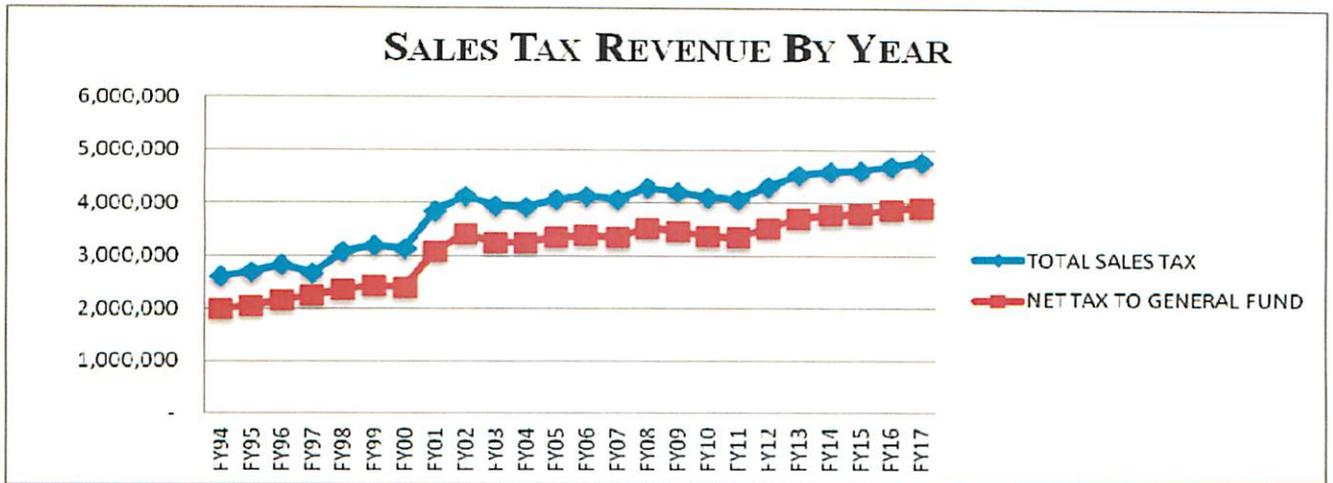

Bethany voters also approved an extension of the sales tax rate from three to four percent in February 2005.

This means that of the \$4,695,000 estimated in sales tax the City expects to receive in FY16, \$821,625 is not available to the General Fund to pay for operating expenses. This money can only be used for capital improvements or debt service on capital improvements. While \$821,625 is a lot of money, the City has many projects either in progress or waiting to be funded. These projects include water and sewer line replacements, street improvements and replacement equipment.

*The City of Bethany, Oklahoma*  
**FISCAL YEAR 2015 – 2016 ANNUAL BUDGET**

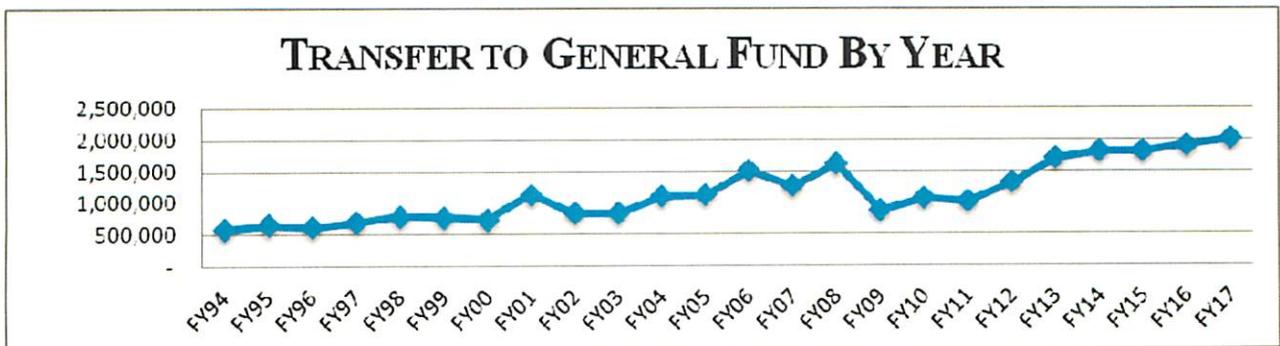

Sales tax revenue is dependent on several factors. Retail sales, population and weather are three of the main factors. Obviously, these factors are beyond the control of the City. We have experienced some growth for several years. The large increase shown in the graph is due to the additional one cent tax that went into effect on October 1, 2000.

An additional key is understanding the relationship of utility revenues to the financial capacity of the City.

Bethany provides three utility services. Water, wastewater and solid waste services are accounted for in the Bethany Public Works Authority. The money utility customers pay for these services is sufficient to cover the day to day operating expenses.

To the extent the Public Works Authority has cash not required for utility operations, debt service or capital improvements, that cash can be used for other lawful purposes. Over a long period of time, the City has gradually grown more and more dependent upon this cash to finance general fund operations. This is because the sales tax base is not sufficient to pay for the current level and quality of services our customers expect.

## *The City of Bethany, Oklahoma*

### FISCAL YEAR 2015 – 2016 ANNUAL BUDGET

This budgetary practice is not necessarily wrong. It is important to recognize that it exists.

◆ One final key is understanding that both the revenue and expenditures shown in the individual line item budgets are for the most part estimates. The City of Bethany bases most of the estimates on long term trends. Certainly other factors are used when appropriate. The estimates are not intended to be exact numbers.

## **II. Community Goals**

Several years ago, the City Council adopted Community Goals to help shape the planning process for budgetary and other policy matters. These goals remain unchanged from FY16.

- \* Provide quality public facilities, services and cultural opportunities that enrich the experience of living in a model community.
- \* Promote an atmosphere conducive to active citizen participation, volunteer service and community spirit.
- \* Pursue an infrastructure management system with a vision toward continuous maintenance and improvement.
- \* Plan for and facilitate quality physical development that compliments and enhances economic prosperity in the public and private sectors.
- \* Improve and maintain a transportation network that assures safe and efficient circulation within the community.
- \* Hire, train and develop personnel who will improve their skills and make a commitment to work as a team to provide excellence in serving our community.

## **III. Budgetary Priorities and Key Issues for FY16**

The City's budgetary priorities remain the same for Fiscal 16 as they have been for the past several fiscal years. Please note the following:

- \* Normal recurring City services are funded at the same level as previous years.
- \* Departmental expenditures have been adjusted where necessary to provide sufficient funding for those operations whose costs have increased over the current year.
- \* All City Departments will continue with self examination to ensure the public is getting the best results for the dollars spent.
- \* We will continue implementing capital projects as necessary to maintain our infrastructure in a sound condition.
- \* We plan to continue our business recruitment activities to further enhance our sales tax base.

**FISCAL YEAR 2015 – 2016 ANNUAL BUDGET**

**IV. Major Financial Factors and Trends Affecting the Budget**

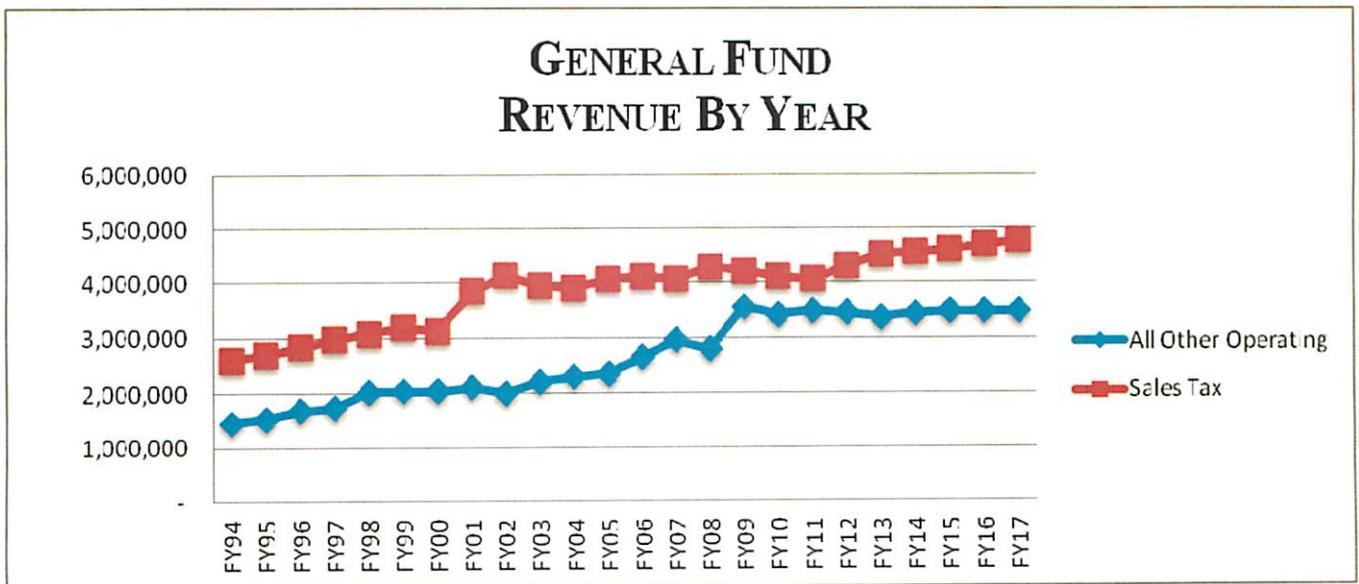

Thankfully, the Greater Bethany Metropolitan Area’s overall economy is stronger than the rest of the United States. The latest inflation number from the Bureau of Labor Statistics (Region VI) shows the US city average inflation rate to be less than 2.0 percent. This comes at the same time that the Oklahoma Department of Commerce is reporting the latest area wide unemployment rate to be approximately 3.6 percent.

Due to hard work by our employee groups, the City has stabilized our budgeted worker’s compensation rate. Our supervisors work hard to install a safety conscious attitude in all workers.

Health care for employees continues to be a challenge. We switched carriers two years ago to a public pool. Our employees continue to pay a portion of their coverage. The City will continue to help subsidize the family coverage. We will continue to examine ways to reduce the cost of health care coverage for our employees and their families.

The City has a contract with EMSA to provide ambulance service. The contract for FY16 is funded with a surcharge (\$2.60 per utility unit) on our utility bills. This contract provides that our citizens will not be required to pay for the ambulance service directly. Their insurance carrier may be required to pay for the service, but the citizen will not have an out of pocket charge.

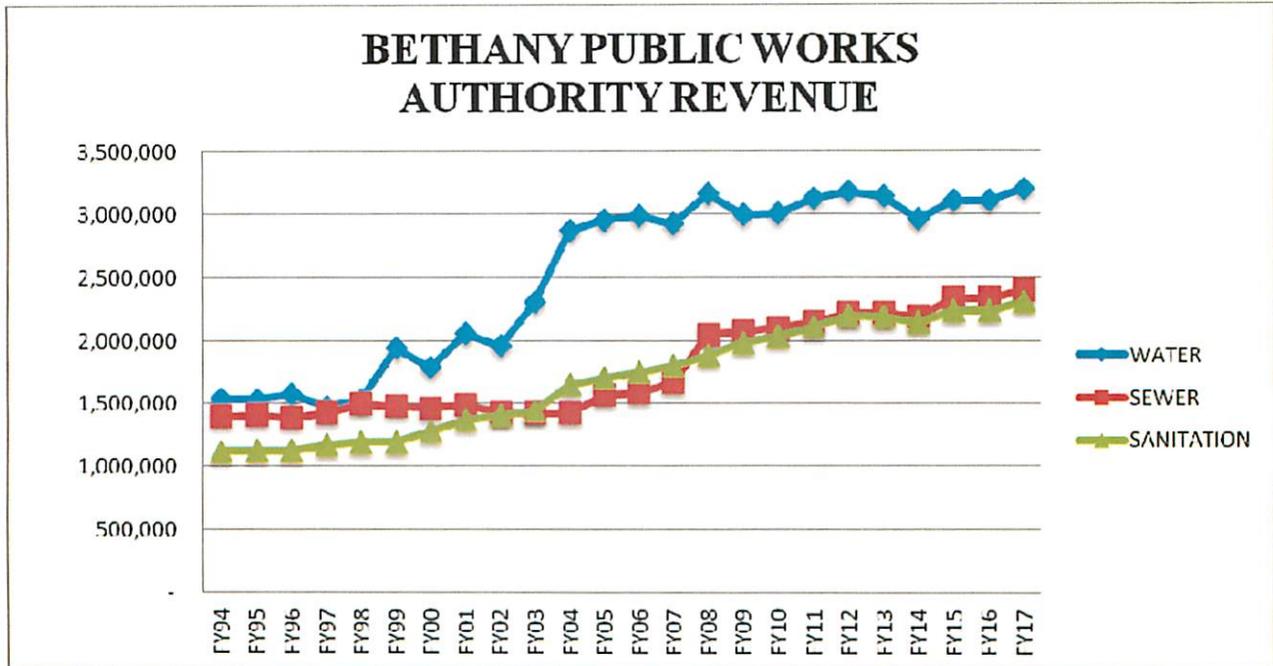

General Fund revenue trends are generally flat. Given the fact that our population and retail base has a slow growth rate, this is expected. Sales tax has increased slightly over the past few years and we are working to increase our retail base.

*The City of Bethany, Oklahoma*  
**FISCAL YEAR 2015 – 2016 ANNUAL BUDGET**

Bethany Public Works Authority revenues are also generally flat. Water rates were increased significantly in FY03 to pay for our new water plant. Sewer rates were increased significantly in FY08 to pay for a major sewer line replacement.

Population and retail base growth does not keep up with the need for additional revenue to keep pace with modest inflation and capital replacement.

**V. Summary Financial Data**

### FISCAL YEAR 2015 – 2016 ANNUAL BUDGET

#### **VI. State and Local Requirements for Balancing the Budget**

The budget as presented in this document is balanced according to Oklahoma law and local requirements. This means that revenues including transfers from other funds are equal to or greater than expenditures and transfers to other funds. Revenues may also include any appropriated fund balance.

Article III of Bethany's Charter provides the basis for our budget process. This article requires the Bethany City Manager to annually prepare a budget and submit it to the City Council for approval. The City Manager is responsible for administration of the budget.

Section 17-205 to 17-210 of Title 11 of the Oklahoma Statutes also provides a legal basis for the budget process. This statute requires the Chief Executive Officer to prepare and submit a budget to the governing body at least 30 days prior to the beginning of the fiscal year. Oklahoma statutes also require a public hearing on the proposed budget at least fifteen (15) days prior to the beginning of the budget year.

From a practical standpoint, the City Manager receives input from all department heads elected officials and the public in preparing the budget. The Finance Department provides analytical and clerical support.

The normal cycle begins in the fall of the year when the City Manager reviews the Community Goals with the governing body. The department heads also begin planning for the next fiscal year at this time. During the spring the department heads turn in their budget requests to the City Manager. The City Manager reviews each request and determines if the request supports the stated goals. During this time the Finance Department makes a preliminary estimate of the next years' revenue.

The Finance Department then tabulates each fund and department's budget and prepares a draft budget document for distribution. The City Manager reviews the preliminary budget with the City Council and Trusts. After the public hearing, the City Council and Trusts approve the budget for the year.

#### **VII. About The Financial Summaries**

Each financial summary provides the actual numbers for last fiscal year as well as the current budget and projected year end balance. Each summary also provides the budget for next year and our estimate for the following year. It is important to plan for the financial future of Bethany by reviewing this additional information.

**GENERAL FUND DESCRIPTION**

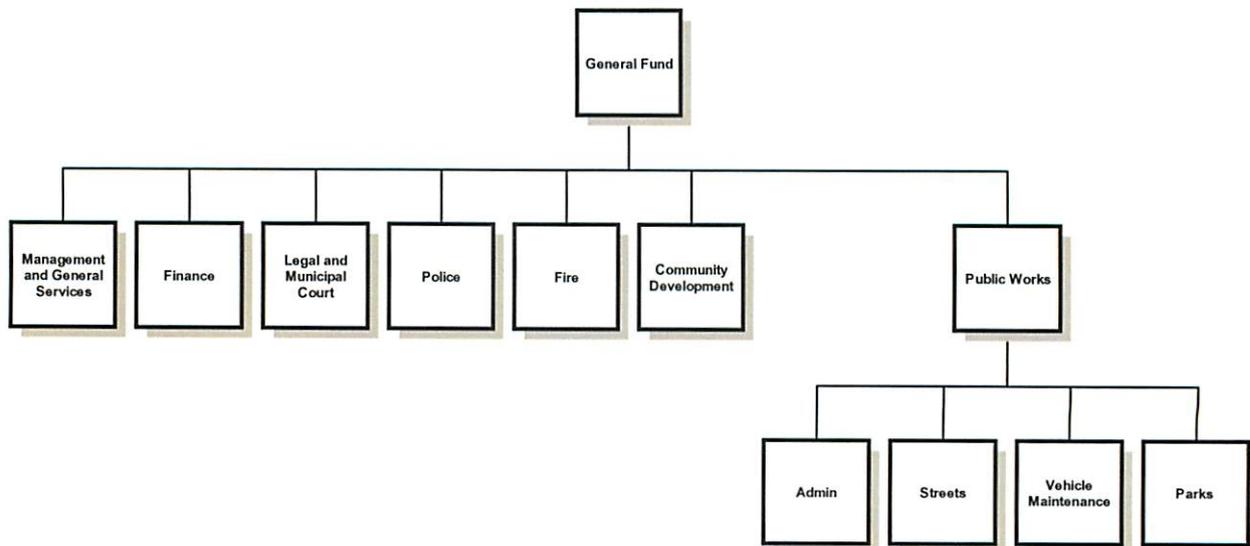

The General Fund is used to account for all financial resources except those which are required to be accounted for in another fund.

The General Fund is the accounting fund that accounts for traditional City services such as public safety, streets and general government. We budget and account for water, sewer and solid waste services in the Public Works Fund.

Revenues are non departmental in nature. This means that most categories of revenues can not be attributed to one particular department.

Expenditures are accounted by department and account.

A departmental summary is provided for each department. The summary includes a brief description of the department’s function, day to day operations and major programs. A Staffing and Financial summary are also presented. The departments charged to the General Fund are shown in the chart below.

The object code chart of accounts that follows gives examples of the types of items that are charged to each account.

**DEPARTMENT PURPOSE AND FUNCTION**

**A. Department Name:** MUNICIPAL COURT DEPARTMENT

**B. Overall Purpose and Function:**

The purpose of the Municipal Court Department is to serve the citizens of Bethany effectively and efficiently while providing courteous and professional assistance in every aspect of the municipal court.

**C. Department Description**

The Municipal Court serves the citizens of Bethany through unbiased and efficient processing of citizen's complaints, code violations, and traffic enforcement citations. The court handles all facets of this process from the initial filing of charges to final adjudication.

In 1995, the Interlocal Cooperation Agreement for Municipal court Jurisdiction concerning Juveniles was approved by the City Council and by the Attorney General's Office. This Agreement authorized the City of Bethany and the Municipal Court to establish, develop, and implement prevention or early intervention programs for local juvenile misdemeanor offenders and to assume jurisdiction of cases involving children less than eighteen years of age charged with violating municipal ordinances. This program, which has become a meaningful instrument in the City of Bethany's fight against juvenile crime, allows the resources available to the District Court to be focused more efficiently on more serious felony juvenile offenders of juveniles with significant histories of repeat offenses.

The Municipal Court is located on the east side of the building shared with the Police Department. Arraignments are conducted by the Judge each Thursday of the month. Disposition dockets on the second, third and fourth Wednesday of each month grant defendants the opportunity to speak with the City Prosecutor and Legal Assistant concerning their individual circumstances.

Trials are conducted on the second Wednesday of each month, beginning at 1:00 p.m. The citizens' complaint docket is held the third Wednesday at 10:00 a.m. The docket for juvenile offenders is held on the fourth Wednesday of each month beginning at 5:00 p.m.

Legal Department employees use personal computers and other office machines to accomplish the assigned tasks.

**DEPARTMENT PURPOSE AND FUNCTION**

**A. Department Name:** PUBLIC WORKS DEPARTMENT-GENERAL GOVERNMENT OPERATIONS

**B. Overall Purpose and Function:**

The Public Works Department's purpose is to provide services that ensure efficiency and excellence in all departmental operations; attain a total commitment to constantly improve our street network and infrastructure to ensure safe and efficient utilization and appearance throughout our community; promote a customer based utility services program that exceeds customer concepts, while providing a clean environment and reliable service; support all city operations by maintaining equipment in a safe, reliable and cost effective manner by minimizing major repairs.

**C. Department Description**

The Public Works Department is responsible for street, parks and vehicle maintenance and repair. These activities are funded through the General Fund. The Public Works Department is also responsible for Bethany's solid waste, water and sewer water utilities. These activities are funded through the Bethany Public Works Authority Fund. The Public Works complex, located at 5300 North Central, includes the administrative offices, fleet maintenance and storage buildings. Public Works activities are budgeted by division for cost analysis and control purposes.

The Administration Division provides overall management and coordination for all divisions.

The Street Division provides general street maintenance and repair. This division is also responsible for maintaining storm drain facilities and public rights of way. The Street Division sweeps the streets and maintains all traffic control devices and signs.

The Parks Division maintains and operates the 150 acres of developed park land, Ripper Park Aquatic Center and the city owned cemetery.

The Fleet Maintenance Division provides maintenance on City owned motor vehicles and certain other equipment. Vehicles are serviced and repaired as needed.

The Street Division's equipment includes two 1-ton trucks, one wench truck, four 2-ton trucks, 1 street sweeper, 1 bobcat with two buckets and forklift, two sand spreaders, two loader-back hoes, one motor grader, one dozer, a paver and trailer, and other equipment.

The Parks Division's equipment includes four pickup trucks, one one-ton truck, one two-ton truck two Ford tractors, three commercial riding mowers, three tractor mounted flail mowers, push mowers and trimming equipment.

**Bethany Public Works Authority Fund Description**

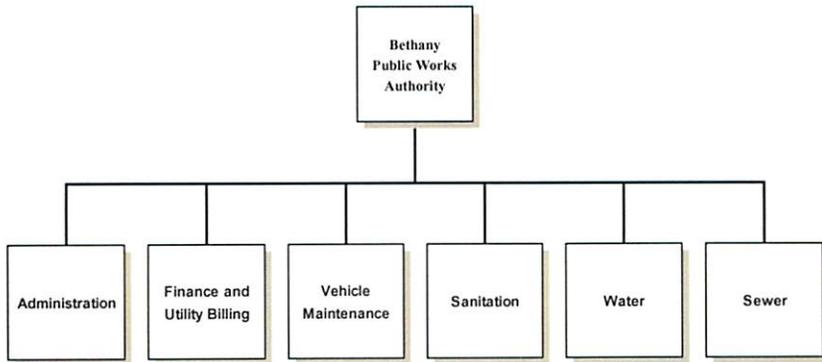

The Bethany Public Works Authority (Authority) is a public trust created to furnish services to residents of Bethany. The Authority may issue long term debt to finance any improvements required to fulfill the purposes outlined in the declaration of Trust. The City of Bethany is the beneficiary of the Trust estate.

The Mayor and Members of the City Council are Trustees. The City Manager and City Clerk serve as Trust Manager and Trust Clerk respectively.

The Bethany Public Works Authority is a proprietary fund used to account for the City’s utility operations. Proprietary funds are used in governmental accounting to account for operations that are financed and operated in a manner similar to private business enterprises.

The Authority contracts with the Bethany-Warr Acres Public Works Authority for operations, maintenance and debt service of the Bluff Creek Wastewater Treatment Plant. This contract was signed May 13, 1974.

The Finance and Public Works Departments receive funding for utility operations through this fund. A departmental summary was provided in the General Fund for activities other than utility operations. The departmental summary in the Public Works Fund is only for utility and related support operations. The departments charged to the Public Works Fund can also be thought of as cost centers and are shown in the chart below.

It is important to note that part of the income from the sale of utilities is transferred to the general fund because the City’s sales tax base is not sufficient to pay for all services provided by the City.

The Public Works continues to invest in replacement infrastructure as evidenced by the currently underway \$3.0 million sewer project in the west part of Bethany.

### **Department Purpose and Function**

**A. Department Name:** Public Works Department- Utility Operations

**B. Overall Purpose and Function:**

The Public Works Department’s purpose is to provide administrative services that ensure efficiency and excellence in all departmental operations; attain a total commitment to constantly improve our street network and infrastructure to ensure safe and efficient utilization and appearance throughout our community; promote a customer based utility services program that exceeds customer concepts, while providing a clean environment and reliable service; support all city operations by maintaining equipment in a safe, reliable and cost effective manner by minimizing major repairs.

**C. Department Description**

The Public Works Department is responsible for street, parks and vehicle maintenance and repair. These activities are funded through the General Fund. The Public Works Department is also responsible for Bethany’s solid waste, water and waste water utilities. These activities are funded through the Bethany Public Works Authority Fund. The Public Works complex, located at 5300 North Central, includes the administrative offices, fleet maintenance and storage buildings. Public Works activities are budgeted by division for cost analysis and control purposes.

The Administration Division provides overall management and coordination for all divisions. The General Fund also provides funding for these activities.

The Finance Department allocates utility billing activities to the Public Works Fund.

The Fleet Maintenance Division provides maintenance on all City owned motor vehicles and certain other equipment. Vehicles are serviced every 3,000 miles and repaired as needed. Safety inspections are also provided for city owned vehicles. Water, wastewater and solid waste operations costs are charged to the Public Works Fund.

The Solid Waste Division provides twice a week residential solid waste pick up service for all city residences. This division also provides a variety of services for business and institutional customers. The Solid Waste Division provides a spring clean up to allow customers to dispose of items that are too large to fit into regular trash containers.

**FISCAL YEAR 2015 – 2016 ANNUAL BUDGET**

The Solid Waste Division uses eight heavy trucks with packer bodies to haul solid waste to the landfill.

The Utility Division provides customer service, maintains the water and wastewater systems and protects public health for the benefit of the City.

Water is pumped from water wells in the North Canadian Terrace Aquifer to the water plant. The water is then softened and pumped to town through the distribution system. The used water is then collected into the sewer collection system. The water plant, located west of Council Road on NW 50th, is staffed 24 hours per day 365 days per year. The shift operators treat the water, take chemical tests, and match the flow from the plant to the demand for water.

The maintenance staff maintains the 23 water wells, water plant equipment and grounds. The maintenance staff is also responsible for the booster stations and storage facilities.

The water crew repairs leaks and fire hydrants, performs routine maintenance on the distribution and maintains the shop building and grounds at NW 50th and College.

The sewer crew maintains the equipment and grounds at the nine lift stations, jets sewer stoppages and repairs damaged sewer mains.

The meter crew reads the meters and takes care of many problems related to field service.

**CAPITAL IMPROVEMENT FUND**

**FISCAL YEAR 2015-2016 ANNUAL BUDGET**

**CITY OF BETHANY, OKLAHOMA**

**CAPITAL IMPROVEMENT FUND DESCRIPTION**

In January 1990, the Bethany City Council adopted an ambitious Capital Improvements Program requiring nearly \$23 million and spanning the next fifteen years. The CIP identified short and long range projects, sources for funding, and established completion timetables. The program is reviewed at least once annually to reorder priorities and amend projects as necessary in response to changing needs of the community.

The Capital Improvements Fund is accounted for as a capital projects fund. Capital projects funds are used in governmental accounting to account for financial resources used for the acquisition and construction of major capital facilities (other than those financed by proprietary funds).

Income is provided by transfers from the Bethany Public Works Authority, interest income from investments, and various federal, state and county government sources.

On July 24, 1990, the citizens of Bethany approved an initiative petition increasing the sales tax levy from 2% to 3%. By the terms of the petition, seventy percent (70%) of the additional levy must be utilized for capital improvements, which includes projects and equipment.

During FY15 this source of revenue is estimated to generate approximately \$384,990. This is net of the debt on the new Police, Court and Animal Control facilities.

**E911 FUND DESCRIPTION**

The E911 Fund is accounted for as a special revenue fund. Special revenue funds are used in governmental accounting to account for the proceeds and expenditures of revenue sources (other than expendable trusts or major capital projects) that are legally restricted for specific purposes.

The fund was established to account for moneys received pursuant to the “Nine-One-One Emergency Act.”

The enabling act restricts the use of excess funds to E911 related purposes. Resolution 818 adopted on May 2, 1989, defines such purposes to include the costs of existing or new communications personnel and existing or new communications equipment in the Police Department. The Resolution further specifies that the Finance Director is to reimburse the General Fund for any E911 expenses incurred. The revenues will be used to help defray the costs of providing dispatch services to assist with the volume of E911 service calls.

#### **DEBT SERVICE FUND DESCRIPTION**

The Debt Service Fund is used to account for the accumulation of financial resources for the payment of general obligation bond principal, interest and related costs. This fund is accounted for as a governmental fund.

The debt service fund receives ad valorem (sometimes called property) taxes collected for the City by Oklahoma County.

The amount of ad valorem taxes received from Oklahoma County is dependent upon the debt service for general obligation bonds approved by the voters. Currently, ad valorem taxes can only be used for general obligation bond debt service and are not available for operations.

An annual estimate of needs is filed with the County Excise Board after the close of business for year. The ad valorem tax levy is based on the calculation shown on the next page. The actual mill levy is dependent on the assessed valuation of property within the City of Bethany, the total tax collected during the current year and the actual cash required to pay the principal and interest when due.

The City of Bethany currently does not have any general obligation bonds outstanding. Thus no property taxes are levied and collected by the City of Bethany.

**CITY OF BETHANY, OKLAHOMA**

**BETHANY HOSPITAL TRUST DESCRIPTION**

The Bethany Hospital Trust (Trust) is a public trust created to furnish services to residents of Bethany. The Authority may issue long term debt to finance any improvements required to fulfill the purposes outlined in the declaration of Trust. The City of Bethany is the beneficiary of the Trust estate.

The Mayor and Members of the City Council are Trustees. The City Manager and City Clerk serve as Trust Manager and Trust Clerk respectively.

The Bethany Hospital Trust is a proprietary fund used to account for the City's hospital operations. Proprietary funds are used in governmental accounting to account for operations that are financed and operated in a manner similar to private business enterprises.

The City of Bethany owns Bethany General Hospital and its premises and leases the facility to the Trust. The Trust subleases the hospital to health care providers. Any portion of the lease payments not required by the Trust may be used by the Trust without restriction.

The Trust's current policy is to use all available funds for economic development projects for the City of Bethany.

### FISCAL YEAR 2015 – 2016 ANNUAL BUDGET

#### APPENDIX B.

#### **Health, Life and Worker's Compensation Insurance**

The City provides health insurance coverage for its employees and their dependents through an indemnity plan with the Oklahoma Public Employees Health and Wellness. (OPEH&W)

The expected monthly rate is \$476.14 for employees. Employees will contribute \$103.55 per month. Family coverage is also available at an additional cost. The rate varies depending on the coverage selected.

No changes are proposed in the employee life insurance benefits.

The City will also continue dental insurance with OPEH&W. Rates for this plan are \$34.39 per month for employees with an additional charge for family coverage.

The Employee Health and Benefits Committee works hard to study market options and has built an effective, low cost plan for our employees. It exercises an indispensable management role with respect to this most important benefit. The members are looking to broaden the scope of their responsibilities. They are to be commended for their efforts.

#### **SPECIAL NOTE ON WORKER'S COMPENSATION**

The City obtains its worker's compensation coverage through The Oklahoma Municipal Assurance Group (OMAG). In past years actuaries with the State Insurance Fund (SIF) would establish a loss fund for the City based upon experience. The costs of administration and reinsurance are added to derive the premium. Interest earned on the loss fund is credited against the premium. The OMAG advantage, unlike the SIF, is that two years after the close of the policy year the City is entitled to a return on that portion of the loss fund not needed to pay claims. The State Insurance Fund and OMAG are phasing out this program. Our billed premium for FY16 will be approximately \$428,799.

### APPENDIX C.

#### POLICY STATEMENTS FOR JOB CLASSIFICATION AND PAY PLANS

##### Placement

New employees shall receive no less than entry level wages for their respective grade. Pay above entry level is authorized where, in the judgment of the city manager, exigencies of the labor market justify higher wages.

##### Step Advancement

Movement from one step to the next will normally be made upon the employee's anniversary date, according to the timetable provided. For purposes of administering the pay plans, the term "anniversary date" shall mean the employee's date of hire or date of promotion in rank, whichever is the most recent. This policy shall not restrict the City Manager in matters of disciplinary action or in cases of demonstrably inadequate performance.

##### Promotion

Any promotion in grade shall result in no less than a 2.125% increase in base wage, unless the proportion is made from one pay plan to another. Should the adjustment place the employee's salary between two steps, the City Manager may advance the employee to the higher of the two steps.

##### Differential

A premium of up to 2.125% above base wage may be paid to employees who, for at least ten percent (10%) of their time, perform duties different from other employees of like position and grades.

##### Merit Pay

The City Manager is authorized to award controlled pay increases above base wage to employees with exceptional performance records. To this end the City Manager may develop and implement a system of performance evaluation for any or all departments.

### **FISCAL YEAR 2015 – 2016 ANNUAL BUDGET**

#### Administrative Salaries

It shall be the prerogative of the City Manager to establish salaries for designated administrative personnel as may be required for the purposes of recruitment or retention, or upon the basis of performance. The City Manager may award performance incentives to administrative personnel in place of or in combination with salary adjustments, when deemed in the best interest of the City. The total of salary incentives paid to an employee during the fiscal year shall fall within approved ranges.

#### Emergency

The City Manager may suspend one or all of the above policies in time of financial emergency. The City Council shall be notified of the action taken and the reasons therefor.

#### Other Rules and Regulations

The City Manager is authorized to adopt additional rules and regulations for the proper administration of the City's job classification and pay plans that are not inconsistent with the policies expressed herein.

RESOLUTION NO. 1394

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF BETHANY ADOPTING THE FISCAL YEAR 2016 BUDGET FOR THE GENERAL FUND, MISCELLANEOUS FUNDS AND VARIOUS TRUSTS; AFFIRMING THE AUTHORITY OF THE CITY MANAGER TO MAKE TRANSFERS WITHIN THE GENERAL FUND; AND APPROPRIATING FUNDS FROM THE CAPITALS IMPROVEMENTS FUND FOR SPECIFIED EQUIPMENT AND PROJECTS.**

**WHEREAS**, the Bethany City Council has conducted a public hearing on the FY 2016 annual budget and has completed the budget process in accordance with Title 11 O.S. Sec. 17-201 et seq.;

**WHEREAS**, the attached Exhibit "A," entitled "Budget Summary," represents the appropriations contained in said Budget, and the same must be approved by resolution;

**WHEREAS**, the Budget has identified the need to purchase certain equipment from the Capital Improvements Fund during FY 2016 for the purpose of preserving General Fund resources for operations; and

**WHEREAS**, said equipment is eligible for inclusion in the Capital Improvements Fund, and the Capital Improvement Plan should be amended accordingly.

**NOW, THEREFORE, BE IT RESOLVED** by the Mayor and City Council of the City of Bethany that:

1. The appropriations of the FY 2016 Annual Budget contained in the attached Exhibit "A" are hereby adopted and incorporated by reference.
2. The interfund transfers included within the budget are hereby approved.
3. Resolution No. 819 authorizing the City Manager to make transfers within the General Fund, is affirmed.
4. The Capital Improvement Plan is amended to include the expenditures for equipment and projects enumerated in the budget.
5. The City Manager is authorized to proceed with implementation of the FY 2016 Annual Budget, and to purchase from the Capital Improvement Fund when necessary and appropriate the equipment or projects specified within the budget, subject to established policies governing expenditures, purchasing and contracts.

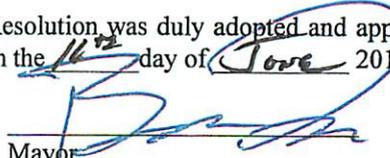

\*\*\*END\*\*\*
