Memorandum

To: Honorable Mayor and City Council
Honorable Chairman and Trustees

From: Roger Ballenger
Trust/City Manager

Date: 5/29/2015

Re: Consolidated Budgets of the City of Okmulgee, Okmulgee Municipal Authority, Okmulgee Economic Development Authority and City of Okmulgee Community Trust for FY 2015/2016.

In accordance with Article III, Section 23(3) of the Okmulgee City Charter and the Oklahoma Municipal Budget Act, 11 O.S. Supp. 2007, 17-201 et. sec., as amended, herein provided for your consideration, are the combined budgets for FY 15/16.

Format Guidelines

The Budget Act requires that the budget adoption include a Budget Summary of all funds by revenue and expenditure object code totals, individual fund summaries by revenue and expenditure totals, departmental revenues and expenditures by object code totals and that all funds be identified by purpose.

The budget is segregated into two sections: The first section comprises all the adopted budget portion and the second section is entitled supporting detail, which contains all revenues and expenditure information detailing the department code totals of each fund and department.

Fund Segregation

The General Fund, the Municipal Authority Fund, The Okmulgee Economic Development Authority, City of Okmulgee Community Trust and the Dedicated Sales Tax Fund each contain a summary of Revenues and Appropriations. The individual appropriations are depicted by Department. All other funds are grouped according to their purpose.

Budget Basis

The budget for all funds has been prepared on a cash basis (modified accrual). The Municipal Budget Act requires that non-proprietary funds be prepared on a cash basis but enterprise fund budgeting can be done by either modified accrual or accrual basis.

The budget has been prepared on a modified accrual basis to more accurately reflect each year's cash receipts and expenditures.

General Fund Revenues

The total budgeted revenue for FY 15/16 of \$10,624,888 consists of estimated actual revenue of \$9,556,536 plus an estimated unrestricted fund balance/reserves of \$1,068,352.

As has been the case in the past years, the low interest rates paid on the City's investments has continued to impact the revenue outlook negatively. Also, the estimate of sales tax collections continues a slight downward trend in revenue. We, as a staff, have considered these factors in budget projections and have reduced nonessential expenditures for the FY 15/16 budget. The Total Budgeted Revenue amount includes estimated Beginning Fund Balance/Reserves in the amount of \$1,068,352. This Estimated Revenue Budget is generally understated.

General Fund Expenditures

Budgeted General Fund Expenditures for FY 15/16 are \$10,624,888, which reflects a decrease of \$357,850 over the FY 14/15 budgeted expenditures of \$10,982,738. Actual expenditures as of 05/28/2015 are \$8,305,118. There is a proposed salary increase of 2% for all union and non-union employees.

The projected difference between Estimated Actual Revenue and Estimated Budgeted Expenditures is -\$1,075,852. Last years difference was -\$1,328,102. This means that for FY 15/16, Fund Balance/Reserves in the General Fund will be reduced by the amount of \$1,075,852 if Estimated Actual Revenue is correct and all funds are fully expended. The ideal budget would reflect identical Revenue and Expenditures without the utilization of Fund Balance/Revenues. As stated above, it is anticipated that actual expenditures for FY 14/15 and FY 15/16 will not reach projected amounts.

Okmulgee Municipal Authority Revenues

Total Budgeted Revenue for FY 15/16 of \$16,260,870 consists of estimated actual revenue of \$12,572,255 plus an Estimated Unrestricted Fund Balance/Reserves of \$3,688,615. This is a increase of \$138,464 over the FY 14/15 budgeted revenue, which consists of an Actual Estimated Revenue of \$12,363,005 and an Estimated

Fund Balance/Reserves of \$3,759,401. Loan proceeds are decreased by the sum of \$2,800,000. Budgeted water revenue are expected to increase with a 5% increase to all users of water including all rural water districts and corporations.

Okmulgee Municipal Authority Expenditures

Total budgeted expenditures of \$16,260,870 for the Trust Authority in FY 15/16 reflect an increase of \$1,636,900 over the \$17,897,770 FY 14/15 adopted budget expenditures. As of 05/28/2015, actual expenditures for FY 14/15 are \$12,210,466 which are significantly lower than the \$17,897,770 adopted budget expenditures. The FY 15/16 projected difference between Estimated Actual Revenue and Estimated Budgeted Expenditures is -\$3,688,615. This means that for the FY 15/16, Fund Balance/Reserves in the Okmulgee Municipal Authority will be reduced by the amount of \$3,688,615. If the remaining \$1,200,000 landfill loan balance is deducted from that figure, the actual projected difference is \$2,488,615.

Okmulgee Economic Development Authority

The O.E.D.A. is budgeted to receive a total of \$78,000 in FY 15/16 from a transfer of General Fund assets. The O.A.D.C. contract in the amount of \$30,000 and professional services of \$39,000 are the two major expenses.

City of Okmulgee Community Trust

The City of Okmulgee Community Trust is now officially operating and has invested the funds from the sale of the Creek Council House with the Trust Company of Oklahoma. Their company was retained to manage the investment account. The Trustees approved \$700,000 of those funds to be used to purchase a building and remodel for a new police department. In April, the Trustees used \$350,000 of those funds to purchase the Okmulgee Times Building leaving the remaining funds to be used on the renovation and moving of the police department.

Conclusions and Recommendations

I believe that this FY 15/16 Budget as stated accurately represents the Revenues and Expenses necessary for the General Fund and Municipal Authority to adequately function during the fiscal year. As with any projected budget, it may be necessary to amend the budget as the Council/Authority Board deems necessary.

As of April 30, 2015, the total outstanding Loan Balance is \$55,106,701 with the sum of \$3,835,108 paid toward principal, interest, and fees to date this fiscal year.

The Total Budgeted Expenditures for both the General Fund and Okmulgee Municipal Authority are \$26,893,258. While Actual Budgeted Revenue for both funds is \$22,128,791 indicating a negative of \$4,764,467. This indicates expending a fund balance of \$1,075,852 in the General Fund and a fund balance of \$3,688,615

in Okmulgee Municipal Authority. Again, if you deduct the \$1,200,000 in landfill expenditures the realized actual fund balance deducted from Okmulgee Municipal Authority would be \$2,488,615. The total fund balance required of both funds would then be \$3,564,467 which is \$201,600 more than the FY 14/15 fund balance expenditures of \$3,362,867.

I would like to express my appreciation to Ronnia Andrews, Okmulgee City Clerk for her assistance in preparation of this document.
