For the purpose of complying with 19 O.S. § 171, we have performed the following procedures for November 8, 2010:

- Verify that equipment items on hand agree with inventory records as per 19 O.S. § 178.1.
- Verify that a monthly report of the Office is on file with the County Clerk per 19 O.S. § 684.

Information addressed in this report is the representation of the respective county officers.

Our county officer turnover engagement was limited to the statutory procedures described above and was less in scope than an examination or audit performed in accordance with auditing standards generally accepted in the United States of America, the objective of which would be the expression of an opinion. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

Based on our procedures performed, equipment items on hand agreed with inventory records and a monthly report of the Office was on file with the County Clerk.

This report is intended solely for the information and use of the management of the County and should not be used for any other purpose. This report is also a public document pursuant to the Oklahoma Open Records Act (51 O.S. § 24A.1 et seq.), and shall be open to any person for inspection and copying.
