Re: Budget Message – Fiscal Year 2016-17

In accordance with the Oklahoma Municipal Budget Act in Title 11 of the Oklahoma Statutes and the City Charter, I am pleased to present the budget for the 2016-17 Fiscal Year for the City of Cushing. This year's budget has been particularly difficult given this year's historic declines in the price of oil. As one might expect, Cushing, as the nation's single largest oil storage location, has been greatly affected by these changes.

The effects of this decline were immediately evident as it became necessary to amend the General Fund FY 2015-16 revenue projections to reflect a 15.5% decrease. This decrease resulted in a shortage of over \$1.4 million. Nonetheless, the overall financial condition of the city remains fairly stable as a result of the use of rainy day funds, coupled with emergency cost cutting measures such as suspending large capital improvement projects, the suspension of additional hiring, leaving vacated positions unfilled, and by taking advantage of other one-time short term forms of revenue. While there is great hope that the economy will make a significant turnaround in the next fiscal year, it is likely that the effects of this current energy recession will result in a slow financial recovery for the City of Cushing.

For FY 2016-17, the total projected funds that will be available in the General Fund for appropriation equal \$12,489,035. This represents a decrease of 6.8 percent or \$905,731 from the originally proposed budget of FY 2015-16. The budgeted FY 2016-17 expenditures are 0.87 percent less than the amended FY 2015-16 budgeted expenditures.

The attached budget outlines the Budget of Revenues and Expenditures for the City of Cushing for the period of July 1, 2016 through June 30, 2017.

The budget:

1. Serves as a policy document establishing financial and operational priorities for both the short-term and long-term issues and concerns.
2. Serves as a financial plan for recording and control by identifying revenue sources and amounts as well as approving expenditures to deliver services and reflecting the impact of this activity upon the financial position of the City.

3. Serves as an operations guide describing activities, services and functions carried out by departments. It also serves as a device to guide departments in spending, focusing direction and establishing goals.
4. Serves as a communication device to enable the average citizen to have an understanding of the major issues, choices and trends of their city government.

This budget strives to achieve these criteria.

Budget Overview:

The first page is an overall summary of the net financial activities reflected in the budget; essentially the net revenue vs. expenditures followed by revenue projections and departmental details outlining personnel services, operations & maintenance and capital outlay. The General Fund budgeted operating expense is 2.1% lower than the FY 2015-16 budget and 0.87% lower than the FY 2015-16 amended budget. The General Fund revenues are projected to be 15.2% lower than the FY 2015-16 original budget projections but only 1.2% higher than the FY 2015-16 amended budget. The major changes were in sales tax, court fines, hotel/motel tax and ambulance collections. It is projected that the General Fund ending balance will remain at its FY 2015-16 level. The Municipal Authority budgeted operating expense is 8.3% higher than the amended FY 2015-16 budget, which is not unexpected as the original FY 2015-16 budget was reduced by 2.18 million dollars (21.9%). The Municipal Authority revenues are projected to be 5% lower than the previous year's amended estimate. The ending fund balance is projected to increase approximately \$831,821.00 from the FY 2015-16 amended budget.

The budget presented contains the following capital improvement highlights:

- Water Line Replacement (\$25,000.00)

City employees make it possible for the City to provide the services that the public expects and we recognize and appreciate the hard work and long hours that they dedicate to this community.

It is my belief that this budget encompasses the goals and policies of the commission and the Citizens of Cushing. If you have any questions or desire any additional information, please let me know.
