- Verify that equipment items on hand agree with inventory records as per 19 O.S. § 178.1.
- Verify that the amount of total claims approved for the operation of said Office is not in excess of limitations imposed by 19 O.S. § 347.

- Verify that a monthly report of the Office is on file with the County Clerk per 19 O.S. § 684.

Information addressed in this report is the representation of the respective county officers.

Our county officer turnover engagement was limited to the statutory procedures described above and was less in scope than an examination or audit performed in accordance with auditing standards generally accepted in the United States of America, the objective of which would be the expression of an opinion. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

Based on our procedures performed, we have presented our findings in the accompanying schedule.

This report is intended solely for the information and use of the management of the County and should not be used for any other purpose. This report is also a public document pursuant to the Oklahoma Open Records Act (51 O.S. § 24A.1 et seq.), and shall be open to any person for inspection and copying.

A handwritten signature in blue ink, appearing to read "Gary A. Jones". The signature is fluid and cursive, with a long horizontal stroke at the end.

**SCHEDULE OF FINDINGS AND RESPONSES**

**Finding 2013-1 – Fixed Assets Inventory**

**Condition:** During our review of fixed assets in the County Clerk’s office, OSAI noted that 37 of 207 items did not have a County identification number attached. OSAI also noted that the following items could not be located:

Inventory Number	Description
102.136	Black Leather Chair
105.006	Small Wood Table
620.008	Personal Computer, Central Processing Unit Only

**Cause of Condition:** Procedures have not been designed to implement internal controls over the safeguarding of fixed assets by placing inventory tags on all inventory items and maintaining an accurate inventory listing.

**Effect of Condition:** Failure to maintain current and accurate inventory records may result in the misappropriation of assets.

**Recommendation:** OSAI recommends that all fixed assets be marked with inventory tags and maintain an accurate inventory listing.

**Management Response:** The District 2 County Commissioner’s office will check on these items and will place inventory tags on all inventory items.

**Criteria:** An important aspect of internal controls is the safeguarding of assets. Internal controls over safeguarding of assets constitute a process affected by an entity’s governing body, management, and other personnel, designed to provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of fixed assets and safeguard fixed assets from loss, damage, or misappropriation.

Title 19 O.S. § 178.1 states in part:

The board of county commissioners in each county of this state shall take, or cause to be taken, an inventory of all working tools, apparatus, machinery and equipment belonging to the county or leased or otherwise let to it or to any department thereof, other than that which is affixed to and made a part of lands and buildings, the cost of which as to each complete working unit thereof is more than Five Hundred Dollars (\$500.00), and therefore maintain or cause to be maintained a continuous inventory record thereof and of
