Dear Ms. Head:

We have performed procedures for fiscal year 2007 activity of the Court Fund Account for the purpose of complying with 20 O.S. § 1312. We have also performed procedures for fiscal year 2007 activity of the Court Clerk Revolving Fund as created by 19 O.S. § 220.

- Test receipts issued to determine whether: (1) the correct fee was collected, and (2) the receipt was properly accounted for in the financial records.
- Test Court Fund vouchers to determine whether the expenditure: (1) was properly supported by a claim, invoice, and receiving documentation, (2) was properly approved, (3) was properly classified, and (4) did not exceed appropriations.
- Test Court Clerk Revolving Fund vouchers to determine whether the expenditure: (1) was properly supported by a claim, invoice, and receiving documentation, and (2) was properly approved.
- Test District Court vouchers to determine whether they were properly accounted for and test supporting documentation for disbursements to determine whether the disbursements were issued in accordance with Court instructions.
- Determine whether Court Fund activity and/or balances reconcile to the County Treasurer's records.
- Determine whether the Court Clerk Revolving activity and/or balances reconcile to the County Treasurer's records.
- Determine whether the District Court case balances reconcile to the County Treasurer's depository ledger.

All information included in the reconciliations, the Court Fund appropriation ledger, the Court Clerk Revolving Fund, the monthly reports, and the cash receipts journal is the representation of the Court Clerk.

Our Court Clerk's engagement was limited to the procedures performed above and was less in scope than an audit performed in accordance with auditing standards generally accepted in the United States of America. Accordingly, we do not express an opinion on any general-purpose financial statements of Pottawatomie County.

Based on the above reconciliations, tests, and procedures performed, and with respect to the items tested, the Court Clerk was collecting the correct fees and properly accounting for them; Court Fund vouchers were properly supported, approved, classified, and did not exceed appropriations; Court Clerk Revolving Fund expenditures were properly supported and approved; District Court vouchers were properly accounted for and issued in accordance with Court instructions; Court Fund activity, Court Clerk Revolving Fund activity, and District Court case balances reconciled with the County Treasurer's records. However, we noted a matter of segregation of duties, and our finding is presented in the accompanying schedule of findings and responses.

We have included in this report the Court Fund Account Report, which was prepared from the Pottawatomie County Court Clerk's quarterly reports, which were submitted to the Administrative Office of the Courts.

We have also included in this report the Court Clerk Revolving Fund Report, which was prepared by the Pottawatomie County Court Clerk, which was submitted to the Administrative Office of the Courts.

This report is intended for the information and use of the Pottawatomie County Court Fund Board and the Administrative Office of the Courts. This restriction is not intended to limit the distribution of this report, which is a matter of public record.

Sincerely,

STEVE BURRAGE, CPA

#### Finding 2007-1 – Segregation of Duties (Repeat Finding)

Criteria: Accountability and stewardship are overall goals of management in the accounting of funds. To help ensure a proper accounting of funds, key duties and responsibilities should be segregated among different individuals to reduce the risk of error or fraud. No one individual should have the ability to authorize transactions, have physical custody of assets, and record transactions.

Condition: We noted the following concerns in regards to a single person being responsible for the recording, authorization, custody, and execution of revenue transactions:

- All employees work from the same cash drawer.
- The first and second deputies balance the cash drawer, prepare official depository tickets, take the deposit to the Treasurer, reconcile the account balance with the Treasurer, and approve bad debt write-offs or A/R adjustments.

We noted the following concerns in regards to a single person being responsible for the recording, authorization, custody, and execution of expenditure transactions:

- The Court Clerk calculates amounts vouchered to other funds, reviews amounts vouchered to other funds, authorizes purchases, prepares claims with supporting documentation, and approves claims for payment.
- The first and second deputies calculate amounts vouchered to other funds, review amounts vouchered to other funds, prepare vouchers, sign vouchers, mail/distribute vouchers, and certify receipt of goods and/or services. In addition to certifying receipt of goods and/or services, the second deputy also can authorize purchases.

Effect: A single person having responsibility for more than one area of recording, authorization, custody of assets, and execution of transactions could result in unrecorded transactions, misstated financial reports, clerical errors, or misappropriation of funds not being detected in a timely manner.

Recommendation: OSAI recommends management be aware of these conditions and realize that concentration of duties and responsibilities in a limited number of individuals is not desired from a control point of view. The most effective controls lie in management's overseeing of office operations and a periodic review of operations. Regarding the receipting process, OSAI recommends management establish separate cash drawers for each employee that receipts monies. The cash drawer should be closed out, reconciled to the employee's daily receipts, and be approved by someone independent of the cash drawer. Regarding the disbursement process, the duties of issuing vouchers and the delivery/disbursement of vouchers should be separated. Also, requisitioning and receiving duties regarding Court Fund disbursements should be separated.

### RETA HEAD, COURT CLERK POTTAWATOMIE COUNTY, OKLAHOMA SCHEDULE OF FINDINGS AND RESPONSES JUNE 30, 2007

Views of responsible officials and planned corrective actions: I have twelve deputies. KellPro allows three of us security clearance to reverse receipts. The deputies alternate months doing the deposits and end of month books. We are now training another deputy to help with these functions.
