

**ROGER MILLS COUNTY EMERGENCY MEDICAL SERVICE DISTRICT  
FINANCIAL STATEMENT  
AND INDEPENDENT AUDITOR'S REPORT  
FOR THE YEAR ENDED JUNE 30, 2005**

---

This publication is printed and issued by the State Auditor and Inspector as authorized by Article 10, § 9C (i) of the Oklahoma Constitution. Pursuant to 74 O.S. § 3105, 25 copies have been prepared and distributed at a cost of \$48.12. Copies have been deposited with the Publications Clearinghouse of the Oklahoma Department of Libraries.

STATE OF OKLAHOMA  
OFFICE OF THE AUDITOR AND INSPECTOR

Jeff A. McMahan  
State Auditor and Inspector

June 15, 2006

TO THE BOARD OF TRUSTEES OF THE  
ROGER MILLS COUNTY EMERGENCY MEDICAL SERVICE DISTRICT

Transmitted herewith is the audit of the Roger Mills County Emergency Medical Service District's financial statement for the fiscal year ended June 30, 2005. The audit was conducted in accordance with *Government Auditing Standards*.

A report of this type is critical in nature; however, we do not intend to imply that our audit failed to disclose commendable features in the present accounting and operating procedures of the Roger Mills County Emergency Medical Service District.

We wish to take this opportunity to express our appreciation for the assistance and cooperation extended to our office during the course of our audit.

The Office of the State Auditor and Inspector is committed to serving the public interest by providing independent oversight and by issuing reports that serve as a management tool to the state to ensure a government which is accountable to the people of the State of Oklahoma.

Sincerely,

A handwritten signature in blue ink that reads "Jeff A. McMahan".

JEFF A. McMAHAN  
State Auditor and Inspector

**INTRODUCTION**

Article 10, § 9C of the Oklahoma Constitution authorized the formation of emergency medical service districts and authorized a tax levy not to exceed 3 mills for the purpose of providing funds to support, organize, operate, and maintain district ambulance services. District voters approved the formation of the district and 3 mills levy to support the operation of the district. Per Article 10, § 8A, with the repeal of personal property tax, the millage with the adjustment factor is 3.17 mills. The Roger Mills County Emergency Medical Service District is comprised of Roger Mills County and was created to provide ambulance service to all citizens.

Emergency medical service districts are governed by a board of trustees. The board of trustees (the board) has the power to hire a manager and other personnel, contract, organize, maintain, or otherwise operate the emergency medical service district. The trustees must act as a board when entering into contracts or other agreements affecting the district's welfare. Thus, actions taken by the board are voted on and approved by a majority of the trustees. The board of trustees' business meetings are open to the public. The board shall have the capacity to sue and be sued but shall enjoy immunity from civil suits for actions or omissions arising from the operation of the district. Such districts have the authority to charge fees for services, and accept gifts, funds, or grants.

The Oklahoma Constitution also provides that the district shall be audited by the State Auditor and Inspector.

**Independent Auditor's Report**

TO THE BOARD OF TRUSTEES OF THE  
ROGER MILLS COUNTY EMERGENCY MEDICAL SERVICE DISTRICT

We have audited the accompanying Statement of Receipts, Disbursements, and Changes in Cash Balances—General Fund of Roger Mills County Emergency Medical Service District, as of and for the year ended June 30, 2005, listed in the table of contents as the basic financial statement. This financial statement is the responsibility of the Roger Mills County Emergency Medical Service District. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, the accompanying basic financial statement was prepared using accounting practices prescribed or permitted by Oklahoma state law, which practices differ from accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between these regulatory accounting practices and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

In our opinion, because of the matter discussed in the preceding paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of Roger Mills County Emergency Medical Service District as of June 30, 2005, or changes in its financial position for the year then ended.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the receipts, disbursements, and changes in cash balances of the Roger Mills County Emergency Medical Service District, for the year ended June 30, 2005, on the basis of accounting described in Note. 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated February 13, 2006, on our consideration of Roger Mills County Emergency Medical Service District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, and contracts and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Our audit was performed for the purpose of forming an opinion on the Statement of Receipts, Disbursements, and Changes in Cash Balances—General Fund of Roger Mills County Emergency Medical Service District, taken as a whole. The accompanying Comparative Schedule of Receipts, Expenditures, and Changes in Cash Balances—Budget and Actual—Budgetary Basis—General Fund is presented for purposes of additional analysis and is not a required part of the basic financial statement. The Comparative Schedule of Receipts, Expenditures, and Changes in Cash Balances—Budget and Actual—Budgetary Basis—General Fund has been subjected to the auditing procedures applied in the audit of the basic financial statement and, in our opinion, is fairly stated in all material respects in relation to the basic financial statement taken as a whole.

JEFF A. McMAHAN  
State Auditor and Inspector

February 13, 2006

**ROGER MILLS COUNTY EMERGENCY MEDICAL SERVICE DISTRICT  
NOTES TO THE FINANCIAL STATEMENT  
FOR THE FISCAL YEAR ENDED JUNE 30, 2005**

---

**1. Summary of Significant Accounting Policies**

The accompanying basic financial statement presents the receipts, disbursements, and changes in cash balances of Roger Mills County Emergency Medical Service District (the District). The financial activity presented is established under statutory authority, and its operation is under the control of the District Board of Trustees. The more significant accounting policies and practices are described below.

**A. Reporting Entity**

The District is a special unit of government and does not possess political or governmental powers other than those necessary to carry out the specific purposes for which it was created. The District is not subject to federal or state income taxes.

The accompanying basic financial statement includes all District functions and activities over which the District Board exercises significant influence. Significant influence or accountability is based primarily on the oversight exercised by the District Board. The District is not a component unit of another government and does not have any component units.

**B. Fund Accounting**

The District uses only a general fund to account for its cash balances.

**C. Basis of Accounting**

The basic financial statement is prepared on a basis of accounting wherein amounts are recognized when received or disbursed. This basis of accounting differs from accounting principles generally accepted in the United States of America, which require revenues to be recognized when they become available and measurable, or when they are earned, and expenditures or expenses to be recognized when the related liabilities are incurred. This cash basis financial presentation is not a comprehensive measure of economic condition or changes therein.

**D. Cash and Investments**

State statutes require financial institutions with which the District maintains funds to deposit collateral securities to secure the District's deposits. The amount of collateral securities to be pledged is established by the District Treasurer; this amount must be at least the amount of the deposit to be secured, less the amount insured (by, for example, the FDIC).

State statutes authorize the District to invest in obligations of the U.S. Treasury, certificates of deposit, or savings accounts of banks, savings and loans, and trust companies if secured by acceptable collateral where the collateral has been deposited with a trustee or custodian bank.

**ROGER MILLS COUNTY EMERGENCY MEDICAL SERVICE DISTRICT  
NOTES TO THE FINANCIAL STATEMENT  
FOR THE FISCAL YEAR ENDED JUNE 30, 2005**

---

**E. Risk Management**

The District is exposed to various risks of loss related to: torts, theft of, damage to and destruction of assets; errors and omissions; injuries to employees and natural disasters. The District has purchased a Public Official Position Schedule Bond that covers board members only. The District has no other commercial insurance for these types of risks. See finding 2005-1.

**F. Compensated Absences**

The District contracts with the Roger Mills County Hospital to provide service; therefore, there are no compensated absences. The District does not have any employees.

**G. Provider Contract**

The District Board has contracted with the Roger Mills County Hospital Authority, Cheyenne, Oklahoma to provide emergency medical services in the District. The Hospital operates the ambulance service and owns the ambulance fleet, equipment and ambulance barn. Staffing for the ambulance service is provided by the Hospital. The District pays a monthly subsidy to the Hospital for the service, in accordance with the contract amount agreed upon. For the fiscal year 2005, the District paid \$170,000 to the Hospital for staffing services, supplies, building, dispatch, etc.

**2. Stewardship Policies**

On or before June 1 of each year, a budget for each fund, as required by the Board, is completed. The budget is approved by fund and object. The District Board may approve changes of appropriations within the fund by object. To increase or decrease the budget by fund requires approval by the Excise Board.

The District budgeted and appropriated \$91,869 and \$20,000 for capital outlay and maintenance and operations, respectfully. The District had intentions of purchasing and equipping a new ambulance for the District. However, no ambulance or equipment was purchased during the fiscal year 2005.

Cash disbursements of the District are presented only in total in the *Statement of Receipts, Disbursements, and Changes in Cash Balances – General Fund*; however, a breakdown of disbursements by category is included in the *Comparative Schedule of Receipts, Expenditures, and Changes in Cash Balances – Budget and Actual – Budgetary Basis – General Fund* of the supplementary information along with a reconciliation of actual cash activity to budgetary cash activity.

**ROGER MILLS COUNTY EMERGENCY MEDICAL SERVICE DISTRICT  
NOTES TO THE FINANCIAL STATEMENT  
FOR THE FISCAL YEAR ENDED JUNE 30, 2005**

---

**3. Detailed Notes on Fund Balances**

**A. Ad Valorem Tax**

The property tax is levied each October 1 on the assessed value listed as of January 1 of the same year for all real and personal property located in the District, except certain exempt property. Assessed values are established by the County Assessor within the prescribed guidelines established by the Oklahoma Tax Commission and the State Equalization Board. The tax is collected by the County Treasurer and remitted to the District.

The County voted to repeal the personal property tax. The initiative provided that real property tax levies would be increased to make up for the loss of taxable personal property; hence the levy is now 3.17 mills. The assessed property value as of January 2004 was approximately \$54,001,004 after deducting homestead exemptions.

Taxes are due on November 1 following the levy date, although they may be paid in two equal installments. If the first half is paid prior to January 1, the second half is not delinquent until April 1.

Unpaid delinquent personal property taxes are published usually in May. If the taxes are not paid within 30 days from publication, they are placed on the personal tax lien docket.

Current year tax collections for the year ended June 30, 2005, were approximately 99 percent of the tax levy.

**SUPPLEMENTARY INFORMATION**

**ROGER MILLS COUNTY EMERGENCY MEDICAL SERVICE DISTRICT  
COMPARATIVE SCHEDULE OF RECEIPTS, EXPENDITURES, AND  
CHANGES IN CASH BALANCES—  
BUDGET AND ACTUAL—BUDGETARY BASIS—GENERAL FUND

See independent auditor's report.

The accompanying notes to the supplementary information are an integral part of this schedule.

**ROGER MILLS COUNTY EMERGENCY MEDICAL SERVICE DISTRICT  
NOTES TO SUPPLEMENTARY INFORMATION  
FOR THE FISCAL YEAR ENDED JUNE 30, 2005**

---

Oklahoma Statutes require the District to prepare a formal budget for the general fund and other funds as the Board of Trustees may require. The budget presented for the general fund includes the originally approved budgeted appropriations for expenditures and final budgeted appropriations as adjusted for supplemental appropriations and approved transfers between budget categories.

The Comparative Schedule of Receipts, Expenditures, and Changes in Cash Balances—Budget and Actual—Budgetary Basis—General Fund presents comparisons of the legally adopted budget with actual data. The "actual" data, as presented in the comparison of budget and actual, will differ from the data as presented in the Statement of Receipts, Disbursements, and Changes in Cash Balances because of adopting certain aspects of the budgetary basis of accounting and the adjusting of encumbrances and outstanding warrants to their related budget year.

**INTERNAL CONTROL AND COMPLIANCE SECTION**

**Report on Internal Control Over Financial Reporting and on Compliance and  
Other Matters Based on an Audit of Financial Statements Performed in Accordance With  
*Government Auditing Standards***

TO THE BOARD OF TRUSTEES OF THE  
ROGER MILLS COUNTY EMERGENCY MEDICAL SERVICE DISTRICT

We have audited the Statement of Receipts, Disbursements, and Changes in Cash Balances—General Fund of Roger Mills County Emergency Medical Service District, as of and for the year ended June 30, 2005, which comprises the Roger Mills County Emergency Medical Service District's basic financial statement, prepared using accounting practices prescribed or permitted by Oklahoma state law, and have issued our report thereon dated February 13, 2006. The report on the Statement of Receipts, Disbursements, and Changes in Cash Balances was adverse because the statement is not a presentation in conformity with accounting principles generally accepted in the United States of America. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Roger Mills County Emergency Medical Service District's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statement and not to provide an opinion on the internal control over financial reporting. However, we noted a certain matter involving the internal control over financial reporting and its operation that we consider to be a reportable condition. Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control over financial reporting that, in our judgment, could adversely affect the District's ability to initiate, record, process, and report financial data consistent with the assertions of management in the financial statement. The reportable condition is described in the accompanying schedule of findings and responses as item 1996-1.

A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statement being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses. However, we consider item 1996-1 to be a material weakness.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Roger Mills County Emergency Medical Service District's financial statement is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, and contracts, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*. However, we noted a certain matter that we reported to the management of Roger Mills County Emergency Medical District, which is included in Section 2 of the schedule of findings and responses contained in this report.

This report is intended solely for the information and use of the Board of Trustees, Excise Board, and Legislative officials and should not be used for any other purpose. This report is also a public document pursuant to the Oklahoma Open Records Act (51 O.S., section 24A.1 et seq.), and shall be open to any person for inspection and copying.

JEFF A. McMAHAN  
State Auditor and Inspector

February 13, 2006

**ROGER MILLS COUNTY EMERGENCY MEDICAL SERVICE DISTRICT  
SCHEDULE OF FINDINGS AND RESPONSES  
FOR THE FISCAL YEAR ENDED JUNE 30, 2005**

---

**Section 1—Financial Statement Findings**

**Finding 1996-1- Segregation of Duties (Repeat)**

Criteria: Segregation of duties over asset custody, transaction authorization, bookkeeping, and reconciliation are important elements of effective internal control over government assets and resources.

Condition: The limited number of office personnel within the District office prevents a proper segregation of accounting functions, which is necessary to assure adequate internal control structure.

Recommendation: We recommend management be aware of this condition and realize the concentration of duties and responsibilities in a limited number of individuals is not desired from a control point of view. The most effective controls lie in management’s knowledge of office operations and a periodic review of operations.

Views of responsible officials and planned corrective actions: Management is aware of the condition, but because we are a very small EMS contracted with a small rural hospital, realize we do not have the number of employees to segregate duties.

**Section 2—This section contains certain matters not required to be reported in accordance with *Government Auditing Standards*. However, we believe these matters are significant enough to bring to management’s attention. We recommend that management consider these matters and take appropriate corrective action.**

**Finding 2005-1- Liability Insurance**

Criteria: Section 8 of the District’s provider contract requires the Hospital to “provide trustees proof of liability insurance coverage in the minimum amount of the maximum liability under the Oklahoma Tort Claims Act.”

Condition: While the District requires proof of liability coverage from its service provider, the District carries no liability coverage for itself.

Recommendation: We recommend the Board review its exposure to potential liability risks and obtain sufficient liability coverage for its own operations.

Views of responsible officials and planned corrective actions: The District’s Board of Trustees has obtained liability insurance coverage for the District.
