Mayor and Council:

I am pleased to provide the Council with the recommended operational budget for Fiscal Year 2022-2023. This budget has been prepared in accordance with state law and succinctly provides the Council and the residents of this community with our financial plan for the coming fiscal year. This budget is substantially different than previous budgets the council has been presented in quite some time. Given the passage of the 2022 Public Safety Bond proposition, we have added a new fund to account for the proceeds. The CEDA budget now includes funds for the salary of the gift shop attendant at the Blue Whale.

Budget Overview

Department Directors have been involved in each step of the budget creation process. It is imperative to note that we remain conservative in our expenditures and our requests.

Each of these funds receive revenue through a combination of fees and sales taxes, with the PWA Fund also receiving water/sewer sales for revenue. The City's current sales tax is 3.25% and breaks down as follows:

- General Fund – Two Cents (\$.02)
- PWA (from a transfer from the PWA O&M Fund) – One-Half Cent (\$.005)
- Recreational Services Fund – One-Quarter Cent (\$.0025)
- Fire Services Fund – One-Half Cent (\$.005)

Proposed FY2022-2023 Budget

The proposed revenues and reserves available for the FY22-23 budget are \$53,254,551.10 which represents an increase of \$27,999,577.62 from the FY21-22 approved budget. The large increase in revenue is due to the passage of the 2022 G.O. Bond for the Hamby-Lynch Public Safety Complex. We have completed the negotiations for both the police and fire unions and will ask for the City Council to

approve the Collective Bargaining Agreements (CBA) at the June 13, 2022 meeting. Funds have been added to the budget to cover the discussed items.

I. General Fund

a. Revenue and Expenditures

- The general fund contains most of our City employees and is split into several departments. The total revenue, including reserve, for the upcoming fiscal year is estimated at \$13,491,927.88. Projected expenditures, including roads projects allocated from within reserve is \$12,042,537.18.

b. Personnel/Capital Summary

- The Police Department budget contains \$80,000.00 for two new patrol vehicles and \$18,000.00 for equipment.
- The Streets and Parks budget contains \$3,879,777.18 for contracted street repairs. This includes \$2,696,977.18 for the 161st street project (2024 projected start date); \$182,800.00 168th E. Ave reconstruction in Eastpark Industrial Park; \$200,000.00 for Ford and Highway 66 Intersection (2024 projected bid date); \$250,000.00 for Chief Stan Waite Addition Street project; \$100,000.00 for Town and Country street project and \$100,000.00 for miscellaneous other Street Repair Projects in the city.
- The Economic Development Department continues to grow as we account for the continued economic incentive payment payable to Catoosa Hills annually. The incentive is a sales tax reimbursement which pays the developer all \$.02 of the general funds' sales taxes generated within the development. The City is able to keep the other \$.0125 of sales taxes generated by the development that are allocated for the PWA Fund, Recreational Services Fund, and the Fire Services Fund. We have budgeted \$2,200,000.00 for the incentive payments this fiscal year.
- The Emergency Management Department budget includes \$66,700.00 in capital expenditures to add two new storm sirens to our system.

II. PWA Fund

a. Revenue and Expenditures

- The PWA fund is the primary fund for all water, sewer, and storm water activities for the City. Revenue for this fund is received both from the sale of water and sewer services as well as a half-cent sales tax that is available for transfer from the PWA O&M Fund.
- Total estimated revenue this year, including reserve, is \$6,494,245.07, The projected budget expenditures are \$3,995,050.00
- The Budget includes moving \$1,500,000.00 during the 22/23-year from PWA O&M to PWA.

b. Personnel/Capital Summary

- The capital outlay budget for PWA is \$400,000.00 which includes \$150,000.00 for City Wide City Sewer line evaluation and repairs to decrease the amount of inflow and infiltration into the system; \$250,000.00 for a sewer line extension to the Blue Whale property and \$100,000.00 for stormwater corrections.

III. Recreational Services Fund

a. Revenue and Expenditures

- The Recreational Service Fund includes revenue from a quarter-cent sales tax. This tax was voted on by the residents of Catoosa to fund library, community center and park operations. While most park expenditures are included in the general fund under the Streets and Park Department, we do budget funds for capital improvements within the area parks.
- Revenue for this fund, including reserve, is projected to be \$2,144,278.85 this next fiscal year. Expenditures for this fund are projected at \$1,184,160.00

b. Personnel/Capital Summary

- The fund contains three departments. The library is responsible for most of the personnel costs.
- The budget includes \$180,000 for making monthly payments for the Blue Whale property that was purchased during the 19/20 budget.
- The budget includes a splash pad/park in the Rolling Hills Addition in the amount of \$695,000.00.

IV. Fire Services Fund

a. Revenue and Expenditures

- This fund includes all the City's personnel and operating expenses for the Fire Department. It operates on a half-cent sales tax passed by the voters specifically to fund fire services for the City.
- Revenue for this year, including reserve, is estimated at \$2,233,382.98 operational expenses are estimated at \$1,444,424.00

b. Personnel/Capital Summary

- Within the capital outlay category, we have budgeted \$65,000.00 to bring the Fire Trucks in compliance with ISO equipment requirements.

Conclusion

The proposed 2022-2023 fiscal year budget is the product of many hours of work from the City's Department Directors and leadership. I want to thank Eddie Faulkner, Jamie Scrivner and Terry Whiteley, Department Directors and our City CPA Jeff Kolker for helping prepare this budget. These Department Directors should be commended for their work.

Although Catoosa continues to be a growing City, we remain fiscally responsible with the taxes and fees collected annually. This financial discipline allows us to grow at a pace that is better suited for the long run and maximizes our ability to spend on road, water and drainage projects as needed. We

continue to work to make the budget as informative and transparent as possible for both the Council and our residents.

Respectfully,

J Blish

My Commission expires: 6-18-2025, 20__

By Congressman
Markwayne Mullin

As a father of six amazing children, three of whom came into our lives through the blessing of adoption, I could not be more proud to represent and reside in the most pro-life state in the nation. I applaud Governor Stitt and all of those who fought for us to get here. While we celebrate this victory, it's impossible not to acknowledge the tragic reality of what lies on the other side of this debate.

Our society must do bet-

ter than offering expectant mothers cruel and inhumane ways to kill their children. For those who experience an unplanned pregnancy, it is shameful that many in America have led them to believe that abortion is the only choice.

As Christians, as parents, as neighbors, it's necessary we assure expectant mothers that they are not alone and that this lie is just that: a lie and nothing else. The pro-life movement stands strongly in support of providing the resources necessary for mothers to embrace life.

This commitment is demonstrated by the more than 2,700 pregnancy care centers across the country that serve millions of people annually, offering services such as counseling, material assistance, care coordination, and housing support. There are also 3,000 adoption agencies across the United States working to find children a loving home.

In the Second District alone, there's a long list of centers that work day-in and day-out to serve expectant mothers, offering them hope for the future and a reason to believe in life. Examples

of these centers include the Pregnancy Center of Bryan County, Agape Pregnancy Center in Okmulgee, and Compassion Women's Center in Claremore, to name a few.

I couldn't be more grateful for the Oklahomans who have made it their life's mission to fight for life. While the country awaits the Dobbs v. Jackson Supreme Court decision, we must continue to remind our loved ones and friends that there is support for those who need it. I believe every child is fearfully and wonderfully made by our Creator, and

it's an honor to support pro-life initiatives in Congress alongside so many who do the same across our state and our country.
